Eltek Announces 2002 Financial Results

Wednesday July 16, 1:04 pm ET

PETACH - TIKVA, Israel--(BUSINESS WIRE)--July 16, 2003--Eltek LTD. (Nasdaq:ELTK - News), the leading Israeli manufacturer of advanced circuitry solutions, today announced its financial results for the fourth quarter of 2002 and the year ended December 31, 2002.

Revenues for the year 2002 were NIS 110.1 million (\$23.2 million) compared with NIS 122.2 million (\$25.8 million) for the year 2001. Net loss for the year 2002 was NIS 16 million (\$3.4 million), or NIS 5.46 (\$1.15) per NIS 1 par value of shares, compared with net profit of NIS 2.9 million (\$610,000), or NIS 0.98 (\$0.21) per NIS 1 par value of shares, for 2001.

Revenues for the fourth quarter of 2002 were NIS 27.9 million (\$5.9 million) compared with NIS 30 million (\$6.3 million) for the fourth quarter of 2001. Net loss for the fourth quarter of 2002 was NIS 7 million (\$ 1.5 million), or NIS 2.4 (\$0.50) per NIS 1 par value of shares, compared with a net loss of NIS 1.7 million (\$361,000), or NIS 0.58 (\$0. 12) per NIS 1 par value of shares, for the fourth quarter of 2001.

The company noted that the results for the fourth quarter of 2002 and the year ended December 31, 2002 reflect those of both Eltek and its Kubatronik subsidiary. Eltek completed an acquisition of 76% of Kubatronik in June 2002.

Commenting on the results, Mr. Arie Reichart, president and CEO of Eltek, said, "Eltek's 2002 second half losses are primarily attributable to a drastic price deterioration in our markets as well as steep domestic competitive pressures. Our losses led us to put into operation a comprehensive action plan aimed at substantially narrowing our losses as well as allowing us to achieve positive operating cash flow.

"The painful measures undertaken pursuant to the plan, included personnel reductions, progressive wage reductions and supplier contract modifications. We also entered into a new bank loan agreements. We believe that these actions position us to achieve positive operating cash flow in the second half of 2003. The plan's impact was not reflected in our 2002 results, but will be seen in our quarterly results beginning in the first quarter of 2003, which are expected to be released in August 2003."

Mr. Reichart concluded by saying, "Our largest shareholder's financial support further demonstrated by his recent \$0.5 million cash investment in the company, as well as the continued efforts by our employees have played a very significant role in our ability to successfully return to a positive operating cash flow."

About the Company

Edgar Filing: ELTEK LTD - Form 6-K

Eltek is Israel's leading manufacturers of printed circuit boards, the core circuitry of most electronic devices. It specializes in the complex high-end of PCB manufacturing, i.e., HDI, multi-layered and flex-rigid boards. Eltek's technologically advanced circuitry solutions are used in today's increasingly sophisticated and compact electronic products. The Company has invested heavily in upgrading its production facilities over the past five years.
