Elbit Systems Awarded an Approximately \$80 Million  
Contract to Upgrade Armored Fighting Vehicles of an Asian Customer

Haifa, Israel, March 20, 2013 – Elbit Systems Ltd. (NASDAQ and TASE: ESLT) ("Elbit Systems") announced today that its wholly-owned subsidiary, Elbit Systems Electro-optics Elop Ltd. ("Elop"), was awarded an approximately \$80 million contract to upgrade Armored Fighting Vehicles (AFV) of an Asian customer (the "Program"). The Program will be performed over a two-year period.

Under the Program, Elop will integrate advanced systems for enhanced effectiveness (including for night operations) of the weapon systems installed onboard the AFV.

Adi Dar, General Manager of Elop, commented: "We are very proud of this award, further attesting to our unique capabilities in AFV upgrades and our recognition as world leaders, based on our past performance in this field".

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward Looking Statements are based on management's expectations, estimates, projections and

assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
