PLAN OF DISTRIBUTION

Shares covered by this prospectus will be sold by the Selling Stockholders as principals for their own account. We will not receive any proceeds from sales of any shares by Selling Stockholders.

The Selling Stockholders or their pledgees, donees, transferees or other successors in interest (including Bear Stearns to the extent that shares may be sold from a margin account) may sell shares pursuant to this prospectus from time to time:

- o in transactions (including one or more block transactions) on the NYSE;
- o in the public market off the NYSE;
- o in privately negotiated transactions;
- o through put or call options transactions relating to the shares;
- o through short sales of shares; or

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-8

o in a combination of such transactions.

Each sale may be made either at the market price prevailing at the time of sale or at a negotiated price. Sales may be made through brokers or to dealers, and such brokers or dealers may receive compensation in the form of commissions or discounts not exceeding those customary in similar transactions. Any shares covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus. All expenses of registration incurred in connection with this offering are being borne by the Company, but all brokerage commissions and other expenses incurred by a Selling Stockholder will be borne by that Selling Stockholder.

The Selling Stockholders and any dealer acting in connection with the offering or any broker executing a sell order on behalf of a Selling Stockholder may be deemed to be "underwriters" within the meaning of the Securities Act, in which event any profit on the sale of shares by a Selling Stockholder and any commissions or discounts received by any such broker or dealer may be deemed to be underwriting compensation under the Securities Act. In addition, any such broker or dealer may be required to deliver a copy of this prospectus to any person who purchases any of the shares from or through such broker or dealer.

Bear Stearns and/or BSSC may act as a broker on behalf of one or more of the Selling Stockholders in connection with sales under this prospectus and may receive customary commissions in connection therewith. Bear Stearns and BSSC are member firms of the NASD and their activities in connection with the offering will conform to the requirements set forth in Rule 2720 of the NASD Conduct Rules.

In order to comply with the securities laws of certain states, if applicable, the shares will be sold only through registered or licensed brokers or dealers.

ITEM 9. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a) (3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereto) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that the undertakings set forth in paragraphs (a) (i) and (a) (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports

filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment will be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

Edgar Filing: BEAR STEARNS COMPANIES INC - Form S-8

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions referred to in Item 6 of this Registration Statement, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
