EXPLANATORY NOTE

This supplement is being filed to make the following changes to the definitive proxy statement that Heritage-Crystal Clean, Inc. (the “Company”) filed with the Securities and Exchange Commission on March 27, 2012 (the “Proxy Statement”) relating to certain compensation of the named executive officers:

In the “Compensation Discussion and Analysis” section of the Proxy Statement, the table setting forth the percentage allocation of the cash bonus pool to the named executive officers of the Company in fiscal 2010 and fiscal 2011 and the subsequent paragraph to the table (on page 17 of the Proxy Statement) are hereby amended to reflect that (i) John Lucks’ Annual Incentive Bonus was 8.9% of the cash bonus pool rather than 14.0% as was reflected in the Proxy Statement, (ii) Mr. Lucks was allocated a discretionary bonus of \$25,000 under the \$50,000 bonus pool allocated for discretionary bonuses to officers of the Company based upon the recommendations of Mr. Chalhoub, and (iii) Mr. Hillstrom received a cash bonus of \$6,000 in connection with his efforts in the construction of the used oil re-refinery. The revised text and table are as follows:

The following table sets forth the percentage allocation of the cash bonus pool to the named executive officers in fiscal 2010 and fiscal 2011:

	Fiscal 2011 Annual Incentive Bonus							
	Fiscal 2010 Percentage of Cash Bonus	Total Annual Incentive Bonus Fiscal 2010	Fiscal 2011 Non-discretionary Percentage of Cash Bonus Pool	Threshold	Target	Maximum	Actual	
Joseph Chalhoub	16.6 %	\$86,700	14.5 %	-	\$100,000	\$133,000	\$70,809	
John Lucks	8.9 %	\$54,200	8.9 %	-	\$61,700	\$82,100	\$68,600	(1)
Gregory Ray	7.4 %	\$46,400	7.4 %	-	\$51,300	\$68,200	\$36,300	
Tom Hillstrom	5.0 %	\$26,200	5.0 %	-	\$34,600	\$46,000	\$30,500	(2)

(1) Includes \$25,000 awarded to Mr. Lucks under the \$50,000 bonus pool under the Annual Incentive Plan allocated for discretionary bonuses to officers of the Company based upon the recommendations of Mr. Chalhoub.

(2) The amount set forth in the table includes \$6,000 awarded to Mr. Hillstrom in connection with his efforts in the construction of the used oil re-refinery. This award is granted in connection with a restricted stock award that is discussed under “—Long-Term Incentive Compensation.”

Because the Company did not meet the target for net income, the bonuses for each named executive officer were lower in fiscal 2011 compared to fiscal 2010, except for Mr. Lucks, who had a higher percentage of the non-equity incentive pool as he requested to receive more of his total compensation in the short-term rather than the long-term incentive plan. As such, he was awarded \$25,000 not related to his fiscal 2011 non-discretionary percentage under the \$50,000 bonus pool allocated under the Annual Incentive Plan for discretionary bonuses to officers of the Company based upon the recommendations of Mr. Chalhoub.

The “Compensation Discussion and Analysis” section is also amended to add the following paragraph at the end of the section captioned “--Long-Term Incentive Compensation”:

In addition to the 2011 LTIP pool set forth above, in June, 2010, the compensation committee determined a long term equity incentive program should be adopted as incentive for the officers significantly involved in the used oil

re-refinery project, which included Tom Hillstrom. The aggregate targeted award for this program is \$280,000, half of which would be delivered in the form of restricted stock upon achievement of certain milestones in connection with the construction of the used oil re-refinery and half of which would be delivered in cash with respect to the completion of the used oil re-refinery. The aggregate target award for Mr. Hillstrom was \$80,000 and is based upon a recommendation of the Chief Executive Officer as approved by the compensation committee. The award is expected to be based upon the satisfaction of the following targeted performance metrics, each weighted equally: (i) safety in construction, as determined by reported incident rate, (ii) the ability to stay within operating cost budgets, (iii) schedule of manpower for used oil re-refinery, and (iv) the plant performance of the used oil re-refinery based upon test runs. The maximum amount of the award was 120% of target for the safety metric and 110% of target with respect to each of the remaining three metrics: cost, schedule and performance. Although these targets have been communicated to the officers in this equity compensation pool, the compensation committee retained the right to forgo any or all of the targeted awards. In connection with this award, Mr. Hillstrom received for his performance in fiscal 2011, 4,026 shares of restricted stock and \$6,000 cash bonus. The 4,026 shares vest in equal amounts over three years starting on January 1, 2012. Based upon the achievement of the designated targets, additional payments in the form of cash may be paid out in fiscal 2012.

The "Summary Compensation Table" on pages 21 and 22 of the Proxy Statement is hereby amended to (i) reflect the 4,026 shares of restricted stock awarded to Mr. Hillstrom in connection with his efforts in the construction of the Company's used oil re-refinery, (ii) correct the amounts setting forth the grant date fair value of stock awards, which were too low by approximately 10%, (iii) correct certain additional compensation amounts for Mr. Chalhoub and Mr. Lucks for fiscal 2009, (iv) to delete the car allowance column in footnote (4) to the "All Other Compensation" column as such amounts are reflected in the salaries of the applicable officers and (v) to correct other insignificant amounts. The revised text and table are as set forth below under the heading "Summary Compensation Table."

The "Grants of Plan-Based Awards in Fiscal 2011" and the "Outstanding Equity Awards at 2011 Fiscal Year End" tables on page 22 and 23 of the Proxy Statement are hereby amended to reflect the 4,026 shares of restricted stock awarded to Mr. Hillstrom in connection with his efforts with respect to the Company's used oil re-refinery and to correct the amounts under the column "Grant Date Fair Value of Stock Awards" which were too low by approximately 10%. The revised text and table are set forth below under the headings "Grants of Plan-Based Awards in Fiscal 2011" and "Outstanding Equity Awards at 2011 Fiscal Year End."

The "Potential Payments upon Termination or Change in Control" table on page 25 of the Proxy Statement is hereby amended to (i) revise the amount Mr. Chalhoub would receive upon a change of control due to the fair value of unvested stock and option awards from \$421,140 to \$611,150 (which then changes the total compensation to Mr. Chalhoub upon a change of control to \$1,088,076) and (ii) revise the amounts that Mr. Hillstrom would receive as a result of the fair value of unvested stock and option awards to \$167,063 upon a change of control and \$125,011 upon termination due to disability or death.

Tables in the Proxy Statement that are amended in their entirety pursuant to this Proxy Supplement:
