TOP TANKERS ANNOUNCES SALE OF THE M/T SOUNDLESS

ATHENS, GREECE (October 13, 2006) ... TOP Tankers Inc (Nasdaq:TOPT), announced today the sale of Soundless, a 46,185 Dwt, double-hull Handymax tanker built in 1999. The sale will result in a book profit of approximately \$3 million, which will be recognized in the 4th quarter of 2006. The vessel is expected to be delivered to its new owners within the next 60 days.

About TOP Tankers Inc

TOP Tankers Inc is an international provider of worldwide seaborne crude oil and petroleum products transportation services. Upon delivery of the vessels Taintless and Soundless to their new owners, the Company will operate a fleet of 25 tankers, consisting of 13 double-hull Suezmax tankers and 12 double-hull Handymax tankers, with a total carrying capacity of approximately 2.5 million dwt, of which 85% are sister ships. Sixteen of the Company's 25 tankers will be on time charter contracts with an average term of over three years with all but two of the time charters including profit sharing agreements.

Forward Looking Statement

Matters discussed in this release may constitute forward-looking statements. Forward-looking statements reflect our current views with respect to future events and financial performance and may include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The forward-looking statements in this release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, management's examination of historical operating trends, data contained in our records and other data available from third parties. Although TOP Tankers believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, TOP Tankers cannot assure you that it will achieve or accomplish these expectations, beliefs or projections.

and worldwide oil consumption and storage, changes in demand that may affect attitudes of time charterers, scheduled and unscheduled drydocking, changes in our voyage and operating expenses, including bunker prices, dry-docking and insurance costs, changes in governmental rules and regulations including requirements for double-hull tankers or actions taken by regulatory authorities, potential liability from pending or future litigation, domestic and international political conditions, potential disruption of shipping routes due to accidents and political events or acts by terrorists.

Risks and uncertainties are further described in reports filed by TOP Tankers with the US Securities and Exchange Commission.
