SDRL - Seadrill orders two jack-ups for delivery in 2015 and 2016

Hamilton, Bermuda, June 20, 2013 - Seadrill Limited has entered into new contracts for the construction of two high specification jack-up drilling rigs at Dalian Shipbuilding Industry Offshore Co., Ltd. (DSIC Offshore) in China. The newbuild rigs are scheduled for delivery during the fourth quarter of 2015 and the first quarter of 2016, and the total project price per rig is approximately US\$230 million (including project management, capitalized interest, drilling and handling tools, spares and operation preparations), with tail-heavy payment terms.

The two new units will be based on the F&G JU2000E design, with water depth capacity of 400ft and drilling depth of 30,000ft. Seadrill now has in total eight jack-ups under construction at DSIC Offshore of which two are scheduled for delivery in 2013, five in 2015 and one in 2016.

Fredrik Halvorsen, Chief Executive Officer of Seadrill Management Ltd, says in a comment, "These two additional orders highlight our commitment to growing our high specification jack-up fleet. The jack-up market has traditionally been a shorter term market; however we expect longer term contracts to be executed going forward. In addition to increased term we expect to see rising dayrates as attrition accelerates amongst an aging global fleet. These two new orders will increase Seadrill's jack-up fleet to 29 units and strengthen our position as the largest operator of modern high specification drilling units."

SDRL - Seadrill to explore opportunity to buy up to 50.1% of shares in Sevan Drilling ASA

Hamilton, Bermuda, June 26, 2013 - Seadrill Limited ("Seadrill") has today engaged DNB Markets to explore the opportunity to buy up to 116,947,252 shares in Sevan Drilling ASA ("Sevan Drilling") at NOK 3.95 per share.

This corresponds to an ownership stake of 50% of the shares based on 594,623,436 shares outstanding.

Seadrill is of the opinion that the financing plan proposed by Sevan Drilling on June 19 is value destructive for the shareholders in Sevan Drilling. Subject to a completion of the proposed share purchase Seadrill will seek to propose an alternative and improved financing structure.

If Seadrill is successful in acquiring 50.1% of Sevan Drilling, Seadrill has also the intention to call an extraordinary shareholder meeting. In such a meeting Seadrill will propose a new Board reflecting the new shareholder structure and will also offer shareholders to take over management of the Sevan rigs through a more competitive management agreement.

If Seadrill is not able to acquire 50.1%, Seadrill will consider to dispose of their current stake in Sevan Drilling. The offer will commence as of publication of this notice.

The offer will be open until 22.00 CET today Wednesday 26 June 2013, or when the order is filled. Seadrill reserves the right, at its own discretion, to purchase fewer, more shares or no shares at all.

Shareholders who wish to accept this offer should call DNB Markets on +47 24 16 92 26.

This information is subject of the disclosure requirements pursuant to section 5-12 of the Norwegian Securities Trading Act.
