Dear NovaDel Stockholders:

It is my pleasure to invite you to NovaDel's 2007 Annual Meeting of Stockholders. We will hold the meeting on June 6, 2007 at 9:00 a.m. Eastern Daylight Time, at the offices of Morgan, Lewis & Bockius LLP, located at 502 Carnegie Center, Princeton, New Jersey 08540.

2006 was a very important year in our Company's history. We confirmed the strength of our oral spray formulation platform and our capabilities by securing FDA approval for our nitroglycerin oral spray, NitroMist[®], in November of 2006. Over the course of the year, we also released strong clinical data for zolpidem oral spray to treat insomnia and sumatriptan oral spray to treat migraine attacks. Today, we are working toward our goal of transferring these strong clinical results into commercially viable products that could provide faster acting and more efficacious treatments at a lower dose to the patient. In 2006, we secured a number of patents to protect our intellectual property against competition and we completed the pre-clinical development for two additional new compounds, tizanidine oral spray for spasticity and ropinirole oral spray for Parkinson's disease. Both compounds offer tremendous promise for patients suffering from central nervous system disorders and both will enter clinical development in the coming months. As we closed the past year, we strengthened our management team, expanded our investor base, significantly increased trading volumes and the liquidity in our stock and secured sufficient capital to fulfill our plans for the year ahead. As we move ahead in 2007, we will build on this momentum and begin to deliver on the promise of our oral spray technology and unique formulation capabilities.

During the 2007 Annual Meeting, we will discuss each item of business described in the Notice of Annual Meeting and Proxy Statement that is included in this packet. I would also like to take the opportunity at this meeting to update you on important developments with our current and ongoing clinical studies and to address any questions you may have about NovaDel.

Regardless of whether you plan to attend the meeting or not, please vote your shares by mail, by telephone or through the Internet using the instructions on the enclosed proxy card.

On behalf of NovaDel's Board of Directors and its management team, thank you for your continuing interest in NovaDel. I look forward to seeing you at the meeting and to keeping you informed of our progress throughout 2007.

Sincere regards,

Jan H. Egberts, M.D.
President and Chief Executive Officer

PROXY STATEMENT

General

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of NovaDel Pharma Inc., referred to herein as we, us, our or NovaDel, of proxies to be voted at the Annual Meeting of Stockholders, or the Annual Meeting, to be held at 9:00 a.m., Eastern Daylight Time, on Wednesday, June 6, 2007, at the offices of Morgan, Lewis & Bockius LLP, located at 502 Carnegie Center, Princeton, New Jersey 08540, and at any adjournments or postponements thereof.

On June 28, 2006 our Board of Directors approved a change of our fiscal year end from July 31 to December 31. Accordingly, the new fiscal year will begin on January 1 and end on December 31. We have filed our Transition Report on Form 10-K for the period ended December 31, 2006.

A copy of our Transition Report on Form 10-K for the period ended December 31, 2006 is enclosed with these materials. Upon written request, we will provide each stockholder being solicited by this Proxy Statement with a copy, free of charge, of any of the documents referred to in this Proxy Statement. All such requests should be directed to NovaDel Pharma Inc., 25 Minneakoning Road, Flemington, New Jersey 08822, Attn: Michael E. Spicer, Chief Financial Officer and Corporate Secretary.

The Annual Meeting has been called to consider and take action on the following proposals:

- (i) to elect seven Directors to our Board of Directors, or the Board, to serve until the next Annual Meeting of Stockholders or until their successors have been duly elected or appointed and qualified;
- (ii) to ratify the selection of J.H. Cohn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007; and
- (iii) to consider and take action upon such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Our principal executive office is located at 25 Minneakoning Road, Flemington, New Jersey 08822 and our telephone number is (908) 782-3431. The approximate date on which this Proxy Statement, the proxy card and other accompanying materials are first being sent or given to stockholders is April 27, 2007.

Record Date and Shares Outstanding

Stockholders of record at the close of business on April 20, 2007 (the "Record Date") are entitled to notice of and to vote at the meeting. At the Record Date, 59,495,732 shares of our Common Stock were issued and outstanding.

Revocability of Proxies

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy (including a telephone vote), by delivering a written revocation of your proxy to our Corporate Secretary, or by voting at the meeting. The method by which you vote by proxy will in no way limit your right to vote at the meeting if you decide to attend in person. If your shares are held in the name of a bank or brokerage firm, you must obtain a proxy, executed in your favor, from the bank or broker, to be able to vote at the meeting.

Voting Rights

Only holders of record of our Common Stock at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on all matters to be voted upon at the Annual Meeting. The presence, in person or by proxy, of the holders of a majority of the outstanding shares on the Record Date will constitute a quorum for the transaction of business at the Annual Meeting and at any postponement or adjournment thereof.

For Proposal 1, the affirmative vote of a plurality of the shares of Common Stock cast by the stockholders present in person or represented by proxy at the Annual Meeting is required to elect the nominees for election as Directors. Thus, broker non-votes and withholding authority will have no effect on the outcome of the vote for the election of Directors. Brokers do, however, have discretionary authority to vote shares held in their name on this proposal, even if they do not receive instructions from the beneficial owner.

For Proposal 2, the affirmative vote of a majority of votes cast by the stockholders entitled to vote and who are present in person or represented by proxy at the Annual Meeting is required to ratify the selection of J.H. Cohn LLP as our independent registered public accounting firm for 2007. Abstentions will have the effect of a vote "against" this proposal. Because broker non-votes are not considered to be votes cast, they will have no effect on the vote for this proposal. Brokers do, however, have discretionary authority to vote shares held in their name on this proposal, even if they do not receive instructions from the beneficial owner. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the selection of J.H. Cohn LLP as our independent registered public accounting firm for 2007, the Audit Committee of our Board may reconsider its selection.

Questions and Answers

Q. What am I voting on?

- Election of seven Directors (Mark J. Baric, Thomas E. Bonney, CPA, Jan H. Egberts, M.D., William F. Hamilton, Ph.D., J. Jay Lobell, Charles Nemeroff, M.D., Ph.D. and Steven B. Ratoff) for a term ending at the next Annual Meeting of Stockholders; and
- Ratification of the selection of J.H. Cohn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007.

Q. Who is entitled to vote?

Only stockholders of record at the close of business on the Record Date, April 20, 2007, are entitled to vote shares held by such stockholders on that date at the Annual Meeting. Each outstanding share entitles its holder to cast one vote.

Q. How do I vote?

Vote By Mail: Sign and date the proxy card you receive and return it in the enclosed stamped, self-addressed envelope.

Vote By Telephone: If you are a stockholder of record (that is, if you hold your stock in your own name), you may vote by telephone by following the instructions on your proxy card. The telephone number is toll-free, so voting by telephone is at no cost to you. If you vote by telephone, you do not need to return your proxy card.

If your shares are held in the name of a bank, broker or other holder of record (i.e., in [street name]), you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Telephone and Internet voting will be offered to stockholders owning shares through most banks and brokers.

Q. Can I access the proxy materials and transition report on Form 10-K electronically?

This Proxy Statement and our Transition Report on Form 10-K for the period ended December 31, 2006 are available on our website at www.novadel.com.

Q. Can I change my vote or revoke my proxy?

Yes. You may change your vote or revoke your proxy at any time before the proxy is exercised. If you submitted your proxy by mail, you must (a) file with the Corporate Secretary a written notice of revocation or (b) timely deliver a valid, later-dated proxy. If you submitted your proxy by telephone, you may change your vote or revoke your proxy with a later telephone proxy. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Corporate Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting.

Q. What is the process for admission to the Annual Meeting?

If you are a record owner of your shares (i.e., your shares are held in your name), you must show government issued identification. Your name will be verified against the stockholder list. If you hold your shares through a bank, broker or trustee, you must also bring a copy of your latest bank or broker statement showing your ownership of your shares as of the Record Date.

Q. What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. On April 20, 2007, the Record Date, there were 59,495,732 outstanding shares of Common Stock entitled to vote at the Annual Meeting.

Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present at the Annual Meeting.

Q. What vote is required to approve each item?

The affirmative vote of a plurality of the votes cast at the meeting by stockholders entitled to vote thereon is required for the election of Directors. For ratification of the selection of J.H. Cohn LLP, the affirmative vote of a majority of the votes cast by stockholders entitled to vote thereon will be required.

Q. What happens if I do not instruct my broker how to vote on the proxy?

If you do not instruct your broker how to vote, your broker will vote your shares for you at his or her discretion on routine matters such as the election of directors or ratification of auditors.

Q. What are the recommendations of the Board of Directors?

The Board of Directors unanimously recommends that the stockholders vote:

- FOR the election of the seven nominated Directors; and
- FOR ratification of the selection of J.H. Cohn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007.

With respect to any other matter that properly comes before the Annual Meeting, the proxies will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

PROPOSAL 1

ELECTION OF DIRECTORS

Information Regarding Board of Directors

The Board of Directors, or the Board, has nominated seven (7) candidates for election as Director for a term expiring at the next Annual Meeting of Stockholders. All of the nominees are currently members of our Board and, other than Mark J. Baric, were elected by our stockholders at the last Annual Meeting. Mr. Baric was identified as a potential member of the Board by one of our current Directors. Upon careful deliberation of Mr. Baric's qualifications, the Corporate Governance and Nominating Committee recommended to the Board the election of Mr. Baric. The Board elected Mr. Baric on February 1, 2007. Directors are elected to serve for their respective terms or until their successors have been duly elected or appointed and qualified. The Board has no reason to believe that any of the nominees named below will be unavailable, or if elected, will decline to serve.

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

Pursuant to our By-Laws, generally the number of Directors is fixed and may be increased or decreased from time to time by resolution of our Board. Currently, our By-Laws provide that the number of Directors must be not less than three (3) nor more than nine (9). The Board has fixed the number of Directors at seven (7) members. Proxies cannot be voted for a greater number of persons than the number of nominees named. In the event one or more of the named nominees is unable to serve, the persons designated as proxies may cast votes for other persons as substitute nominees. Dr. Rosenwald, a significant stockholder, has the ability to designate an individual to serve on our Board, and has exercised such ability by designating Mr. J. Jay Lobell. Although Mr. Lobell is a designee of Dr. Rosenwald's, he does not have any voting or dispositive control over the shares held directly or indirectly by Dr. Rosenwald. Based upon the recommendation of the Corporate Governance and Nominating Committee, the Board elected Mr. Lobell as a member of the Board on December 14, 2005. Pursuant to the listing standards of the American Stock Exchange, or AMEX, Mr. Lobell has been deemed to be an independent Director by our Board as of September 15, 2006. Also at its meeting on September 15, 2006, the Board appointed Mr. Steven B. Ratoff as Chairman of the Board. Mr. Ratoff had served as an independent member of our Board since his election to the Board on January 17, 2006. In connection with Mr. Ratoff's appointment as Chairman of the Board, the Board entered into a consulting arrangement to compensate Mr. Ratoff for his efforts in such position. Such arrangement is on a month-to-month basis. From September 15, 2006 until March 16, 2007, Mr. Ratoff was compensated at a rate of \$17,500 per month and reimbursement of reasonable expenses. Effective March 16, 2007, Mr. Ratoff's monthly rate was reduced to \$10,000 and reimbursement of reasonable expenses in connection with his reduction in day-to-day time spent with NovaDel. As a result of such relationship, the Board has determined that Mr. Ratoff, who otherwise would be deemed independent, is no longer an independent member of the Board pursuant to the listing standards of AMEX. As such, Mr. Ratoff no longer serves as a member of our Audit Committee or our Compensation Committee. The Board, based on the recommendation of the Corporate Governance and Nominating Committee, affirmatively determined that all of our Directors are independent of NovaDel and management under the standards set forth in the listing standards of the AMEX, with the exception of our Chairman, Mr. Steven B. Ratoff, who is not independent because of his consulting arrangement with NovaDel, and Dr. Jan H. Egberts, who is not independent because of his employment as our President and Chief Executive Officer.

BOARD OF DIRECTORS AND COMMITTEES

Meetings and Committees of our Board

Our Board met 10 times in person or by teleconference during the year ended December 31, 2006. Each Director attended more than 75% of the total of the Board meetings and the meetings of the committees upon which he served.

Executive Sessions; Lead Independent Director

Non-employee Directors meet regularly in executive session following regularly scheduled Board meetings. Since January 2006, the Board has designated a Lead Independent Director who acts as the leader of the independent Directors and as chairperson of the executive sessions of our independent Directors. Dr. Hamilton is currently serving as our Lead Independent Director.

Attendance at Annual Meeting

Although we have no formal policy regarding Director attendance at annual meetings, we strongly encourage all Directors to attend. All of NovaDel's then current Directors attended the Annual Meeting of Stockholders held on January 16, 2007 either in person or by telephone.

Committees of the Board

Our Board has the following three committees: (1) Audit Committee; (2) Compensation Committee; and (3) Corporate Governance and Nominating Committee.

<u>Committee</u>	<u>Members</u>	<u>Number of Meetings in 2006</u>
Audit	Thomas E. Bonney, <i>Chair</i> * William F. Hamilton, Ph.D. J. Jay Lobell	9
Compensation	J. Jay Lobell, <i>Chair</i> William F. Hamilton, Ph.D. Charles Nemeroff, M.D., Ph.D.	8
Corporate Governance and Nominating	William F. Hamilton, Ph.D., <i>Chair</i> Thomas E. Bonney Charles Nemeroff, M.D., Ph.D.	6

*Mr. Thomas E. Bonney has been determined by the Board to be an "audit committee financial expert" as defined under applicable Securities and Exchange Commission rules and "independent" as required by the listing standards of AMEX.

Audit Committee

Members: Mr. Bonney (Chair), Dr. Hamilton and Mr. Lobell

Number of meetings in 2006: 9

Functions:

The functions of the Audit Committee are focused on the following areas:

- selects our independent registered public accounting firm and provides oversight of the firm's independence, qualifications and performance;
- reviews the adequacy of our internal control and financial reporting process and the reliability of our financial statements; and
- reviews our compliance with legal and regulatory requirements.

In the opinion of the Board, and as the term "independent" is defined in Section 121(A) of the listing standards of AMEX, Mr. Bonney, Dr. Hamilton and Mr. Lobell are independent of management and free of any relationship that would interfere with the exercise of independent judgment as members of the Audit Committee. Members of the Audit Committee also all meet the independence requirements set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934. Our Board has determined that Mr. Bonney qualifies as an "audit committee financial expert" and "independent director" as those terms are defined by the regulations of the Securities and Exchange Commission and the listing standards of AMEX.

The Audit Committee meets with management periodically to consider the adequacy of our internal controls and the objectivity of our financial reporting. The Audit Committee discusses these matters with our independent registered public accounting firm and with appropriate financial personnel from NovaDel. Meetings are held with participation from the independent registered public accounting firm. The independent registered public accounting firm is given unrestricted access to the Audit Committee. The Audit Committee also recommends to our stockholders the appointment of the independent registered public accounting firm and reviews periodically their performance and independence from management. In addition, the Audit Committee reviews our financing plans and reports its recommendations to the full Board

for approval and to authorize action. A copy of the Audit Committee's written charter is available on our website at www.novadel.com. In 2006, the members of the Audit Committee were Mr. Thomas E. Bonney, Dr. William F. Hamilton and Mr. Steven B. Ratoff, with Mr. Steven B. Ratoff stepping down and Mr. J. Jay Lobell joining the Audit Committee on September 15, 2006.

Compensation Committee

Members: Mr. Lobell (Chair), Dr. Hamilton and Dr. Nemeroff

Number of meetings in 2006: 8

Functions:

- reviews and approves, or recommends for approval by a majority of the independent Directors of the Board, the compensation of our Chief Executive Officer and our other named executive officers;
- reviews and makes recommendations to the Board with respect to incentive compensation plans and equity-based plans; and
- reviews the Compensation Discussion and Analysis (CD&A) for inclusion in our proxy statement.

More specifically, the Compensation Committee annually reviews and approves corporate goals and objectives relevant to the total direct compensation — that is, changes in base salary, and non-equity and equity incentive plan compensation — of the Chief Executive Officer and our other named executive officers, evaluates their performance against these goals and objectives, and, based on its evaluation, sets their total direct compensation. The details of the process and procedures involved are described in the CD&A beginning on page 23 for the named executive officers total direct compensation.

Our full Board ultimately makes the final decisions regarding the Chief Executive Officer's and the other named executive officers total direct compensation.

Role of Compensation Consultants. The Compensation Committee engaged Compensation Resources, Inc., or CRI, to advise it on relevant executive pay and related issues, as needed. During 2006, CRI assisted by:

- reviewing our competitive market data with respect to peer group chief executive officer compensation;
- provided input on the pay recommendations for our Chief Executive Officer;
- reviewed our competitive market data for our named executive officers and observations on program design, including pay philosophy, pay levels, and incentive pay mix;
- reviewed information on executive compensation trends, as requested; and
- provided competitive compensation data on non-employee Directors' compensation program as it relates to pay levels.

In the opinion of the Board, and as the term "independent" is defined in Section 121(A) of the AMEX listing standards, Mr. Lobell, Dr. Hamilton and Dr. Nemeroff are independent and are "non-employee Directors" pursuant to Rule 16b-3 promulgated under the Securities Exchange Act of 1934. A copy of the Compensation Committee's written charter is available on our website at www.novadel.com. In 2006, the members of the Compensation Committee were Dr. William F. Hamilton, Dr. Charles Nemeroff and Mr. Steven B. Ratoff, with Mr. Steven B. Ratoff stepping down and Mr. J. Jay Lobell joining the Compensation Committee on September 15, 2006.

Corporate Governance and Nominating Committee

Members: Dr. Hamilton (Chair), Mr. Bonney and Dr. Nemeroff

Number of meetings in 2006: 6

Functions:

- recommends to the Board the persons to be nominated for election as Directors at any meeting of stockholders;
- develops and recommends to the Board a set of corporate governance principles applicable to NovaDel; and
- oversees the evaluation of the Board.

In the opinion of the Board, and as the term "independent" is defined in Section 121(A) of the AMEX listing standards, Mr. Bonney, Dr. Hamilton and Dr. Nemeroff are independent.

The Corporate Governance and Nominating Committee was established on June 14, 2004 and was responsible for developing and recommending a set of corporate governance guidelines to the Board. Our Board adopted such Corporate Governance Guidelines in September 2005, which were amended in June 2006. The guidelines are available on our website at www.novadel.com. A complete description of the Corporate Governance and Nominating Committee's responsibilities is set forth in the Corporate Governance and Nominating Committee's written charter. A copy of the Corporate Governance and Nominating Committee's written charter is available on our website at www.novadel.com.

Code of Ethics

Our Board adopted a Business Conduct Policy that is applicable to all of our employees, officers and Directors. The Business Conduct Policy is intended to be designed to deter wrong-doing and promote honest and ethical behavior, full, fair, timely, accurate and understandable disclosure, and compliance with applicable laws. The Business Conduct Policy satisfies the definition of "code of ethics" under the rules and regulations of the Securities and Exchange Commission and listing standards of AMEX. The Board adopted the Business Conduct Policy in 2003 and a subsequent revised Business Conduct Policy was adopted by the Board in 2004. A copy of the Business Conduct Policy can be obtained and will be provided to any person without charge upon written request to our Corporate Secretary at our executive offices, 25 Minneakoning Road, Flemington, New Jersey 08822.

The Business Conduct Policy can also be obtained on our website, www.novadel.com. We intend to disclose on our website any amendments to, or waivers from, our Business Conduct Policy that are required to be disclosed pursuant to the rules of the Securities and Exchange Commission and AMEX. Our website and the information contained therein or connected thereto are not incorporated into this Proxy Statement.

Independence of Directors

The Board annually determines the independence of each Director based on a review by the Board and our Corporate Governance and Nominating Committee. The AMEX Corporate Governance Standards requires that a majority of the Board be independent and that for a Director to qualify as independent, the Board must affirmatively determine that the Director has no material relationship with NovaDel, either directly or as a partner, shareholder or officer of an organization that has a relationship with us. In determining whether a material relationship exists, the Board and our Corporate Governance and Nominating Committee broadly consider all relevant facts and circumstances brought to their attention through the processes described below.

The NovaDel Corporate Governance Guidelines, adopted by the Board in September 2005 and as amended in June 2006, are available on the Corporate Governance section of our website at www.novadel.com. The listing standards of AMEX generally provide that a Director will not be considered independent if:

- the Director is, or within the last three years, has been an employee of NovaDel, or an immediate family member of the Director is, or within the last three years has been, an executive officer of NovaDel;
- the Director, or an immediate family member of the Director, has received more than \$60,000 in any 12-month period in the last three years in direct compensation from NovaDel, other than Director fees, compensation paid to an immediate family member who is an employee (other than an executive officer) of the company, compensation received for former service as an interim executive officer (provided the interim employment did not last longer than one year) or benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- a Director who is, or has an immediate family member who is, a current partner of our independent public registered accounting firm, or was a partner or employee of our independent registered public accounting firm who worked on our audit at any time during any of the past three years;
- the Director, or an immediate family member of the Director is, or in the last three years has been, employed as an executive officer of another company where any of NovaDel's present executives serve on that company's compensation committee; or
- a Director who is, or has an immediate family member who is, a partner in, or a controlling shareholder or an executive officer of any organization to which the company made or from which the company received, payments that exceed 5% or \$200,000 of the organization's gross revenues for that year, whichever is greater, in any of the most recent three fiscal years (other than those arising solely from investments in the company's securities or payments under non-discretionary charitable contribution matching programs).

Pursuant to the Corporate Governance Guidelines and the AMEX rules, the Board reviewed the independence of each of our Directors in April 2007, taking into account potential conflicts of interest, transactions or other relationships that would reasonably be expected to compromise any of our Directors' independence. In performing this review, the Board, together with our Corporate Governance and Nominating Committee, reviewed the responses received from each Director to a questionnaire inquiring about, among other things, their relationships with us (and those of their immediate family members), their affiliations and other potential conflicts of interest.

As a result of this review, the Board, based on the recommendation of the Corporate Governance and Nominating Committee, affirmatively determined that all of our Directors are independent of NovaDel and management under the standards set forth in the listing standards of the AMEX, with the exception of our Chairman, Mr. Steven B. Ratoff, who is not independent because of his consulting arrangement with NovaDel, and Dr. Jan H. Egberts, who is not independent because of his employment as our President and Chief Executive Officer.

Compensation of Directors

The general policy of the Board is that compensation for independent Directors should be a mix of cash and equity-based compensation. NovaDel does not pay management Directors for Board service in addition to their regular employee compensation. The Compensation Committee, which consists solely of independent Directors, has the primary responsibility for reviewing and considering any revisions to Director compensation. The Board reviews the Compensation Committee's recommendations and determines the amount of Director compensation.

Pursuant to its charter, the Compensation Committee may engage the services of outside advisers, experts, and others to assist them. During 2006, the Compensation Committee hired CRI to aid in setting Director compensation.

To assist the Compensation Committee in its annual review of Director compensation, CRI provided Director compensation data compiled from the annual reports and proxy statements of companies that the Board uses as its "peer group" for determining Director compensation. The Director peer group consists of companies within the pharmaceutical and drug delivery industry that are generally considered comparable to NovaDel. The Director peer group consists of the following companies:

The Audit Committee, pursuant to its charter, has selected the independent registered public accounting firm of J.H. However, if the stockholders do not ratify the selection, the Audit Committee may investigate the reasons for stockholder rejection and may consider whether to retain J.H. Cohn LLP or to appoint another independent registered public accounting firm. Furthermore, even if the appointment is ratified, the Audit Committee in their discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of NovaDel and our stockholders. Report of the Audit Committee

The Audit Committee of the Board is currently composed of three members and acts under a written charter adopted in September 2003. The current members of the Audit Committee possess the financial sophistication required by its charter and applicable rules. The Audit Committee's written charter is available on our website at www.novadel.com.

Management is responsible for our financial statements and the overall financial reporting process, including our system of internal control and for the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. The independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements present fairly the financial position, results of operations and cash flows of NovaDel in conformity with accounting principles generally accepted in the United States of America and discusses with the Audit Committee any issues they believe should be raised with the Audit Committee.

The Audit Committee has reviewed and discussed with our management NovaDel's audited financial statements for the five-month period ended December 31, 2006. The Audit Committee also reviewed and discussed the audited financial statements and the matters required to be communicated by Statement on Auditing Standards Nos. 61 (as amended), 89 and 90 (Communication with Audit Committees) with our independent registered public accounting firm. These standards require our independent registered public accounting firm to communicate to our Audit Committee, among other things, the following:

- methods used to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates, and the basis for the independent registered public accounting firm's conclusions regarding the reasonableness of those estimates; and
- disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements.

Our independent registered public accounting firm also provided the Audit Committee with the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires independent registered public accounting firms annually to disclose in writing all relationships that, in the independent registered public accounting firm's professional opinion, may reasonably be thought to bear on independence, confirm their perceived independence, and engage in a discussion of independence. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence with respect to NovaDel. The Audit Committee also considered whether the independent registered public accounting firm's provision of certain other non-audit related services to NovaDel is compatible with maintaining such independent registered public accounting firm's independence.

Based upon the review and discussions referred to above, the Audit Committee has recommended to our Board that NovaDel's audited financial statements referred to above be included in our Transition Report on Form 10-K for the period ended December 31, 2006.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis discusses the principles underlying our compensation policies and decisions and the principal elements of compensation paid to our named executive officers during the 2006 fiscal year. Our Chief Executive Officer, Chief Financial Officer and the other named executive officers included in the Summary Compensation Table on page 31 will be referred to as the "named executive officers" for purposes of this discussion.

This year's overview of our executive compensation policy has been significantly expanded to provide a more comprehensive picture to you, the stockholder, of both the rationale behind executive compensation decisions and the manner in which those decisions are made. In developing our enhanced disclosure, the Compensation Committee of the Board, or Committee, relied upon the principles contained in the newly adopted regulations governing public company executive compensation disclosure that were recently approved by the Securities and Exchange Commission.

Compensation Objectives and Philosophy

The Committee is responsible for reviewing and approving the compensation payable to our named executive officers and other key employees. As part of such process, the Committee seeks to accomplish the following objectives with respect to our executive compensation programs:

- motivate, recruit and retain executives capable of meeting our strategic objectives;
- provide incentives to ensure superior executive performance and successful financial results for NovaDel; and
- align the interests of the named executive officers with the long-term interests of our stockholders.

The Committee seeks to achieve these objectives by:

- establishing a compensation structure that is both market competitive and internally fair;
- linking a substantial portion of compensation to our achievement of financial objectives and the individual's contribution to the attainment of those objectives;
- providing upward leverage for overachievement of goals; and
- providing long-term equity-based incentives.

In order to achieve the above goals, our total compensation package includes base salary and annual bonus, all paid in cash, as well as long-term compensation in the form of stock options and restricted stock. We believe that appropriately balancing the total compensation package is necessary in order to provide market-competitive compensation.

Setting Executive Compensation

Role of Compensation Committee and Chief Executive Officer. The Committee oversees the design, development and implementation of the compensation program for the Chief Executive Officer and the other named executive officers. The Committee evaluates the performance of the Chief Executive Officer and determines the Chief Executive Officer's compensation in light of the goals and objectives of the compensation program. The Chief Executive Officer and the Committee together assess the performance of the other named executive officers employed by us as of December 31 and determine their compensation, based on initial recommendations from the Chief Executive Officer. The Chief Executive Officer provided the Committee with a detailed review of the performance of the other named executive officers and made recommendations to the Committee with respect to the compensation packages for those officers for the 2006 fiscal year.

The other named executive officers do not play a role in their own compensation determination, other than discussing individual performance objectives and results with the Chief Executive Officer.

Role of Compensation Consultant. In 2006, the Committee utilized Compensation Resources, Inc., or CRI, a nationally recognized compensation consulting firm to provide competitive compensation data and general advice in the design of programs that affect the named executive officers compensation, including the Chief Executive Officer. Our named executive officers did not participate in the selection of the consultant. We have not used the services of any other compensation consultant in matters affecting the named executive officers or Director compensation. In the future, we, or the Committee, may engage or seek the advice of other compensation consultants. During 2006, CRI performed a market analysis of the compensation paid by comparable pharmaceutical and drug delivery companies and provided the Committee with recommended compensation ranges for each named executive officer position based on the competitive data.

Competitive Position

The Committee has structured our annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Board and reward the executives for achieving such goals. At the end of the year, the Committee reviews the performance of each named executive officer in achieving the established objectives. These results are included with the overall performance review provided by the Chief Executive Officer, after which the Committee votes upon any recommendations for salary adjustments, stock option grants and cash incentives. The Chief Executive Officer then executes the actions recommended by the Committee with respect to such matters.

The relevant peer group for compensation and benefit programs consists primarily of companies of comparative size, similar businesses and geographic scope. These are the firms with which NovaDel competes for talent. The comparator group was chosen to include companies with similar market capitalization, similar revenue size, and some direct competitors. The comparator group is different from the companies used in the "Performance Graph" on page 46 of our Transition Report on Form 10-K for the period ended December 31, 2006. The reason for this is that NovaDel has business competitors with whom we benchmark against for financial performance, but also have business and talent competitors against whom we benchmark for pay purposes. Additionally, the positions were compared to published survey data from nationally recognized sources to ensure the accuracy and validity of the proxy peer group. The companies from the peer analysis are listed below:

Components of Compensation

The key components of NovaDel's executive compensation package are cash compensation (salary & annual incentives), long term incentives and company-sponsored benefit plans. These components are administered with the goal of providing total compensation that recognizes meaningful differences in individual performance, is competitive, varies the opportunity based on individual and corporate performance, and is valued by our named executive officers. We seek to achieve our compensation objectives through five key compensation elements:

- base salary;
- annual short-term cash incentives;
- long-term equity incentive awards;
- special benefits; and
- change in control and other severance agreements.

Base Salary. In General □ It is the Committee's objective to set a competitive rate of annual base salary for each named executive officer. The Committee believes competitive base salaries are necessary to attract and retain top quality executives, since it is common practice for public companies to provide their named executive officers with a guaranteed annual component of compensation that is not subject to performance risk. The Committee works with CRI to establish salary ranges for the named executive officers, with minimum to maximum opportunities that cover the normal range of market variability. The actual base salary for each named executive officer is then derived from those salary ranges based on his responsibility, tenure and past performance and market comparability.

Annual base salaries for the named executive officers are reviewed and approved by the Committee in the first fiscal quarter following the end of the previous performance year. Changes in base salary are based on the scope of an individual's current job responsibilities, individual performance in the previous performance year, target pay position relative to the peer group, and our salary budget guidelines. The Committee reviews established goals and objectives and determines an individual's achievement of those goals and objectives and considers the recommendations provided by the Chief Executive Officer to assist it in determining appropriate salaries for the named executive officers other than the Chief Executive Officer. For any given performance year, actual salary increases may range from 0% to 10% of the salary guidelines based on individual performance. This broad range allows for meaningful differentiation on a pay for performance basis.

Changes for Fiscal Year 2007 □ The Committee met in December 2006 and January 2007 to evaluate the performance and compensation for each named executive officer. The Committee reviewed compensation of comparable companies and recognized the need to retain current management given individual and collective performance. Dr. Bergstrom joined NovaDel in December 2006 and was not considered by the Committee for a merit increase. In addition, Ms. Frydman ceased to be employed by us effective April 24, 2006 and Mr. Cohen ceased to be employed by us effective March 16, 2007. The Committee recommended in January 2007 that the Board take action regarding a merit increase for our Chief Financial Officer and Corporate Secretary. The table below shows annual 2006 and 2007 base salary rates for such individual:

Name	Title	2006 Salary	2007 Salary	% Increase
Michael E. Spicer, CPA	Chief Financial Officer and Corporate Secretary	\$244,000	\$256,200	5%

Annual Bonuses. In General □ As part of their compensation package, our named executive officers have the opportunity to earn annual bonuses. Annual bonuses are designed to reward superior executive performance while reinforcing our short-term strategic operating goals. Pursuant to the individual employment agreements, the Committee establishes each year a target award for each named executive officer based on a percentage of base salary. Annual bonus targets as a percentage of salary increase with executive rank so that for the more senior executives, a greater proportion of their total cash compensation is contingent upon annual performance.

At the beginning of the performance year, each named executive officer, in conjunction with the Chief Executive Officer, establishes annual goals and objectives. Actual bonus awards are based on an assessment against the pre-established goals for each named executive officer's individual performance, the performance of the business function for which he is responsible, and/or our overall performance for the year. For any given performance year, proposed annual bonuses may range from 0% to 100% of target, or higher under certain circumstances, based on corporate and individual performance. Corporate and individual performance has a significant impact on the annual bonus amounts because the Committee believes it is a precise measure of how the named executive officer contributed to business results.

Fiscal 2006 Performance Measures and Payouts □ In 2006, annual bonus targets ranged from 30% to 50% of base salary for the named executive officers and were payable based on the Committee's subjective review of both the performance of NovaDel as well as individual performance. The Committee utilizes annual bonuses to compensate officers for achieving financial and operational goals and for achieving individual annual performance objectives. These objectives will vary depending on the individual executive, but will relate generally to (i) operational goals such as the development of our product candidates and the identification and advancement of additional product candidates, (ii) strategic goals such as the establishment of operating plans and budgets, review of organization and staff, and (iii) the enhancement of stockholder value.

At the end of each fiscal year, the Committee determines the level of achievement with respect to each corporate goal, and decides the overall percent of corporate goal achievement for purposes of annual bonuses. For this assessment, the Committee evaluates the status of NovaDel's development programs and clinical progress, corporate development and regulatory compliance activities. These qualitative factors are also typically used by comparable companies to evaluate performance and involve a subjective assessment of corporate performance by the Committee. Moreover, the Committee does not base its considerations on a single performance factor, but rather considers a mix of factors and evaluates company and individual performance against that mix. The Chief Executive Officer provides written evaluations for the named executive officers, other than himself, to the Committee along with his recommendations for each individual performance factor. The Committee reviews the performance and assessment of each named executive officer and then evaluates the Chief Executive Officer and assigns a weight to each individual achievement factor. The table below details fiscal 2006 annual bonus targets and actual payouts for our Chief Executive Officer and our Chief Financial Officer.

Name	Title	2006 Target	2006 Target	2006 Actual	2006 Actual
		Bonus (\$)	Bonus (% Salary)	Bonus (\$)	Bonus (% Salary)
Jan H. Egberts, M.D.	President and Chief Executive Officer	\$175,000	50%	\$116,667	33.33%
Michael E. Spicer, CPA	Chief Financial Officer and Corporate Secretary	\$73,200	30%	\$73,200	30%

Change for Fiscal Year 2007 [As in 2006, annual bonuses for 2007, if any, will be based on achievement of pre-established company objectives and individual goals for each named executive officer and, for each named executive officer other than the Chief Executive Officer, a subjective review of that individual's performance. Corporate performance targets may include such measures as strategic plan metrics while individual performance targets may include operational and financial metrics, regulatory compliance metrics, and delivery of specific programs, plans, and budgetary objectives identified and documented at the beginning of each fiscal year. It is the Committee's intention to base a greater percentage of the annual award payout on corporate as opposed to individual performance for higher level executives, with 100% of the Chief Executive Officer's annual bonus tied to the attainment of corporate performance objectives.

For the 2007 fiscal year awards, the potential payout may range from 0 [100% of target, or higher under certain circumstances. The Committee has also retained the discretion to reduce the dollar amount of the awards otherwise payable to the named executive officers. As previously announced, our objectives relating to development and clinical goals for 2007 include the following:

- pursuit of strategic partners for the European rights to our oral spray formulation of ondansetron;
- filing of a New Drug Application, or NDA, in 2007, for zolpidem oral spray, following the conclusion of the compound's current pivotal study; and
- filing of a NDA in 2007, for sumatriptan oral spray, following the conclusion of the compound's current pivotal study.

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

The table below shows the dollar amount of the 2006 and 2007 annual target bonus for each named executive officer, together with percentage of base salary represented by that target:

Name	Title	2006 Target		2007 Target	
		2006 Target Bonus (\$)	Bonus (% Salary)	2007 Target Bonus (\$)	Bonus (% Salary)
Jan H. Egberts, M.D.	President and Chief Executive Officer	\$175,000	50%	\$175,000	50%
David H. Bergstrom, Ph.D.(1)	Senior Vice President and Chief Operating Officer	□	□	\$100,000	33.33%
Michael E. Spicer, CPA	Chief Financial Officer and Corporate Secretary	\$73,200	30%	\$76,860	30%
Deni M. Zodda, Ph.D.(2)	Senior Vice President and Chief Business Officer	□	□	\$82,500	30%

(1) Dr. Bergstrom joined NovaDel in December 2006 and, therefore, did not receive an annual bonus for 2006.

(2) Dr. Zodda joined NovaDel in February 2007 and, therefore, did not receive an annual bonus for 2006.

Long-Term Incentive Equity Awards. In General - We believe that long-term performance is achieved through an ownership culture that encourages high performance by our named executive officers through the use of stock-based awards. Our equity plans have been established to provide our employees, including our named executive officers, with incentives to help align employees' interests with the interests of our stockholders. The Committee believes that the use of stock-based awards offers the best approach to achieving our compensation goals. We have historically elected to use stock options as the primary long-term equity incentive vehicle; however, the Committee has used restricted stock and may in the future utilize restricted stock as part of our long-term incentive program. We have expensed stock option grants under Statement of Financial Accounting Standards 123R, Share-Based Payment (SFAS 123R), since August 1, 2005. Due to the early stage of our business and our desire to preserve cash, we expect to provide a greater portion of total compensation to our named executive officers through stock options and restricted stock grants than through cash-based compensation.

Stock Options. Our stock plans authorize us to grant options to purchase shares of Common Stock to our employees, Directors and consultants. The Committee generally oversees the administration of our stock option plans. In 2007, the Committee delegated the authority to our Chief Executive Officer to make initial option grants to certain new employees within an approved range. All new employee grants in excess of the Chief Executive Officer's limit and any grant to a named executive officer are approved by the Committee. Stock options may be granted at the commencement of employment, annually, occasionally following a significant change in job responsibilities or to meet other objectives.

The Committee reviews and approves stock option awards to named executive officers based upon a review of competitive compensation data, its assessment of individual performance, a review of each named executive officer's existing long-term incentives, and retention considerations. Periodic stock option grants are made at the discretion of the Committee to eligible employees and, in appropriate circumstances, the Committee considers the recommendations of members of management, such as Jan H. Egberts, our President and Chief Executive Officer.

In 2006, certain named executive officers were awarded stock options in the amounts included in the Grants of Plan-Based Awards table on page 32. These grants included a merit-based grant to a named executive officer in April 2006 made by the Committee and in December 2006 in connection with the commencement of employment of one named executive officer. Stock options granted by us have an exercise price equal to the fair market value of our Common Stock on the day of grant, typically vest annually over a three-year period or upon the achievement of certain performance-based milestones and are based upon continued employment, and generally expire ten years after the date of grant. The fair value of the options granted to the named executive officers in the Summary Compensation Table on page 31, is determined in accordance with SFAS 123R. The Committee has also granted performance based options to certain of our named executive officers. Incentive stock options also include certain other terms necessary to ensure compliance with the Internal Revenue Code of 1986, as amended.

We expect to continue to use stock options as a long-term incentive vehicle because:

- Stock options align the interests of our named executive officers with those of our stockholders, supporting a pay-for performance culture, foster employee stock ownership, and focus the management team on increasing value for our stockholders.
- Stock options are performance based. All of the value received by the recipient of a stock option is based on the growth of the stock price.
- Stock options help to provide a balance to the overall executive compensation program as base salary and annual bonuses focus on the short-term compensation, while the vesting of stock options increases stockholder value over the longer term.
- The vesting period of stock options encourages executive retention and the preservation of stockholder value. In determining the number of stock options to be granted to our named executive officers, we take into account the individual's position, scope of responsibility, ability to affect profits and stockholder value and the individual's historic and recent performance and the value of stock options in relation to other elements of the individual named executive officer's total compensation.

Restricted Stock. Our 2006 Equity Incentive Plan authorizes us to grant restricted stock. As of December 31, 2006, we granted 100,000 shares of restricted stock to one named executive officer at a fair market value of \$1.71 per share. In order to implement our long-term incentive goals, we anticipate that we may grant additional shares of restricted stock in the future.

Executive Benefits and Perquisites

Our named executive officers, who are parties to employment agreements, will continue to be parties to such employment agreements in their current form until the expiration of the employment agreement or until such time as the Committee determines in its discretion that revisions to such employment agreements are advisable. In addition, consistent with our compensation philosophy, we intend to continue to maintain our current benefits for our named executive officers, including medical, dental and life insurance and the ability to contribute and receive a company match to a 401(k) plan; however, the Committee in its discretion may revise, amend or add to the officer's executive benefits if it deems it advisable. We believe these benefits are currently comparable to benefit levels for comparable companies. We have no current plans to change either the employment agreements (except as required by law or as required to clarify the benefits to which our named executive officers are entitled as set forth herein) or level of benefits.

Chief Executive Officer's Employment Agreement

We have an existing employment agreement with our President and Chief Executive Officer with an initial two year term measured from September 26, 2005. The principal terms of the employment agreement are summarized in the Employment Agreements section beginning on page 35. Pursuant to this agreement, Dr. Egberts will become entitled to severance benefits should his employment terminate under certain defined circumstances in the absence of a change in control.

Severance and Change in Control Arrangements

The specific terms of our severance and change in control arrangements are discussed in detail below under the headings Potential Payments Upon Termination or Change in Control on page 34 and Employment Agreements beginning on page 35. As a general matter, however, we believe that reasonable severance and change in control protection for our named executive officers is necessary in order for us to recruit and retain qualified executives.

Equity Grant Policy

All grants to our named executive officers are at the discretion of the Board, following review and input by the Committee.

IRC Section 162(m) compliance

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid to our named executive officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met. In general, our compensation program is designed to reward executives for the achievement of our performance objectives. The stock plan is designed in a manner intended to comply with the performance-based exception to Section 162(m). Nevertheless, compensation attributable to awards granted under the plans may not be treated as qualified performance-based compensation under Section 162(m). In addition, the Committee considers it important to retain flexibility to design compensation programs that are in the best interests of NovaDel and its stockholders and, to this end, the Committee reserves the right to use its judgment to authorize compensation payments that may be subject to the limitations under Section 162(m) when the Committee believes that compensation is appropriate and in the best interests of NovaDel and our stockholders, after taking into consideration changing business conditions and performance of our employees.

Compensation Committee Report

The Compensation Committee evaluates and establishes compensation for the named executive officers, NovaDel's stock plans, and other management incentive, benefit and perquisite programs. Management has the primary responsibility for our financial statements, including the disclosure of executive compensation. With this in mind, the Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis section beginning on page 23 of this Proxy Statement. The Compensation Committee is satisfied that the Compensation Discussion and Analysis fairly and completely represents the philosophy, intent, and actions of the Compensation Committee with regard to executive compensation. The Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement for filing with the Securities and Exchange Commission.

All stock options that have not vested (or been deemed pursuant to the immediately preceding sentence to have vested) as of the date of termination shall be deemed to have expired as of such date. Any stock options that have vested as of the date of Dr. Bergstrom's death (including the options described in the immediately preceding sentence) shall remain exercisable for a period of one hundred and eighty (180) days after the date of his death; in the event of a disability, any unexercised option may be exercised in whole or in part, within the first ninety (90) days after such termination of employment or service. If Dr. Bergstrom's employment is terminated by us for "Cause" or by Dr. Bergstrom other than for "Good Reason," we shall pay: (i) base salary through the date of termination; (ii) all options that have not vested as of the date of any such termination shall be deemed to have expired; (iii) Dr. Bergstrom's right to exercise any vested options shall terminate as of such date; and (iv) any restricted shares that are then forfeitable shall be forfeited immediately. However, our obligation will be reduced if compensation is received from other employment for these amounts otherwise actually earned by Dr. Bergstrom during the one year period following the termination of his employment.

Michael E. Spicer. Mr. Spicer's agreement expires on December 20, 2007. His agreement provides for:

- an annual base salary of \$235,000, subject to periodic and customary review for increase by the Board or Compensation Committee;
- eligible to receive an annual bonus equal to 30% of base salary; and
- options to purchase 100,000 shares of Common Stock pursuant to our 1998 Stock Option Plan.

On September 2, 2005 and March 12, 2007, we entered into amendments to our employment agreement with Mr. Spicer. The amendments provide that Mr. Spicer will receive remuneration for relocation expenses and for expenses for temporary housing and commuting to and from his residence prior to his relocation. If Mr. Spicer's employment is terminated as a result of his death, we shall (i) pay to Mr. Spicer's estate his base

salary and any accrued and unpaid bonus and expense reimbursement amounts through the date of his death and (ii) for the shorter of six (6) months following his death or the balance of the agreement (as if such termination had not occurred) provide continuation coverage to the members of Mr. Spicer's family under all major medical and other health, accident, life or other disability plans and programs in which such family members participated immediately prior to his death. Any stock options that have not vested as of the date of Mr. Spicer's death shall be deemed to have expired as of such date. If Mr. Spicer's employment is terminated by us due to disability, we shall pay Mr. Spicer his base salary and any accrued bonus and expense reimbursement amounts through the date of termination and for the shorter of six (6) months following any such termination or the balance of the agreement (as if such termination had not occurred), we shall (i) continue to pay Mr. Spicer his base salary in effect at the time of such termination, less the amount, if any, then payable to Mr. Spicer under any disability benefits programs and (ii) provide Mr. Spicer continuing coverage under all major medical and other health, accident, life or other disability plans and programs in which Mr. Spicer participated immediately prior to such termination. All stock options that have not vested as of the date of termination due to Mr. Spicer's disability shall be deemed to have expired as of such date. If Mr. Spicer's employment is terminated by us for "Cause" or by Mr. Spicer other than for "Good Reason," we shall pay (i) base salary through the date of termination; (ii) all options that have not vested shall be deemed to have expired as of such date and; (iii) all rights to exercise any vested options shall terminate. If Mr. Spicer is terminated by us (or our successor) upon a "Change of Control," we (or our successor, as applicable) shall pay: (i) base salary for a period of one year following termination; (ii) any prorated accrued and unpaid bonus that would otherwise be due to Mr. Spicer by the end of the calendar end of the year in which such termination occurs; (iii) any expense reimbursement amounts owed through the date of termination; and (iv) all options not vested shall be accelerated and deemed to have vested. However, our obligation will be reduced by amounts otherwise actually earned by Mr. Spicer during the one year period following the termination of his employment. If Mr. Spicer is terminated by us other than as a result of death or disability or Mr. Spicer terminates for "Good Reason," we shall pay: (i) base salary for a period of one (1) year following termination; and (ii) any accrued and unpaid bonus and expense reimbursement amounts through the date of termination. However, our obligation shall be reduced, by amounts otherwise actually earned by Mr. Spicer during the one year period following termination.

Deni M. Zodda, Ph.D. Dr. Zodda's agreement expires on February 22, 2010. His agreement currently provides for:

- annual base salary of \$275,000, subject to periodic and customary review for increase by the Board or Compensation Committee;
- eligible to receive an annual bonus equal to 30% of base salary; and
- an incentive stock option to purchase 68,027 shares of Common Stock and a non-qualified stock option to purchase 598,973 shares of Common Stock pursuant to our 2006 Equity Incentive Plan.

If Dr. Zodda's employment is terminated as a result of his death or disability, we shall (i) pay to Dr. Zodda or to Dr. Zodda's estate, as applicable, (x) his base salary through the date of his death or disability and (y) the bonus, if any, that would otherwise have been due at the end of the calendar year in which such death or disability occurs; and the pro rata portion of the stock options earned by Dr. Zodda during the year of his death or disability, prorated in accordance with the number of full months in such year during which Dr. Zodda was employed by us; (ii) for the longer of twelve (12) months following his death or disability or the balance of the agreement (as if such termination had not occurred) provide continuation coverage to the members of Dr. Zodda's family and, in the case of termination for disability, to Dr. Zodda under all major medical and other health, accident, life or other disability plans and programs in which such family members and, in the case of termination for disability, Dr. Zodda participated immediately prior to his death or disability; and (iii) pay any expense reimbursement amounts owed through the date of death or disability. All stock options that are scheduled to vest by the end of the calendar year in which such termination occurs shall be accelerated and deemed to have vested as of the termination date. All stock options that have not vested (or been deemed pursuant to the immediately preceding sentence to have vested) as of the date of termination shall be deemed to have expired as of such date. Any stock options that have vested as of the

date of Dr. Zodda's death (including the options described in the immediately preceding sentence) shall remain exercisable for a period of one hundred and eighty (180) days after the date of his death; in the event of a disability, any unexercised option may be exercised in whole or in part, within the first ninety (90) days after such termination of employment or service. If Dr. Zodda's employment is terminated by us for "Cause" or by Dr. Zodda other than for "Good Reason," we shall pay (i) base salary through the date of termination; (ii) all options that have not vested shall be deemed to have expired as of such date and; (iii) all rights to exercise any vested options shall terminate. If Dr. Zodda is terminated by us (or our successor) upon a "Change of Control," we (or our successor, as applicable), upon receiving a copy of a release and separation agreement signed by Dr. Zodda, shall pay within ten (10) business days: (i) a lump sum equivalent to twelve (12) months of base salary, and (ii) a lump sum equivalent to the bonus, if any, that would otherwise have been due at the end of the calendar year in which such termination occurs; and (iii) any expense reimbursement amounts owed through the date of termination; and (iv) all stock options that have not vested as of the date of such termination shall be accelerated and deemed to have vested. During the first year of Dr. Zodda's agreement, if he is terminated by us other than as a result of death or disability or Dr. Zodda terminates for "Good Reason," we shall pay: (i) base salary for a period of six (6) months following termination; and (ii) any accrued and unpaid bonus and expense reimbursement amounts through the date of termination. However, our obligation shall be reduced, by amounts otherwise actually earned by Dr. Zodda during the six (6) month period following termination. If Dr. Zodda is terminated during the second and third year of the agreement by us other than as a result of death or disability or Dr. Zodda terminates for "Good Reason," we shall pay: (i) base salary for a period of twelve (12) months following termination; and (ii) any accrued and unpaid bonus and expense reimbursement amounts through the date of termination. However, our obligation shall be reduced, by amounts otherwise actually earned by Dr. Zodda during the twelve (12) month period following termination.

Barry C. Cohen. On March 16, 2007, the Employment Agreement between Mr. Cohen and us was terminated in connection with Mr. Cohen entering into a Settlement/Release Agreement with us. The Settlement/Release Agreement provides Mr. Cohen with payments of approximately \$114,000 over a six-month period. In addition, Mr. Cohen received a bonus payment in the amount of \$34,200 and a grant of 10,000 options for certain licensing agreements closed during 2006. Mr. Cohen is also entitled to a continuation of health benefits for a period of six months. Mr. Cohen released NovaDel from any further obligations related to his departure.

Jean W. Frydman. On June 6, 2006, the Employment Agreement, as amended, between Ms. Frydman and us, was terminated in connection with Ms. Frydman entering into a Settlement/Release Agreement with us. The Settlement/Release Agreement provided Ms. Frydman with severance payments of approximately \$120,000 over a six-month period, paid on a bi-weekly basis. The Employment Agreement was scheduled to expire on May 17, 2007.

The foregoing agreements also provide for certain non-competition and non-disclosure covenants on the part of such executive. However, with respect to the non-competition covenants, a court may determine not to enforce such provisions or only partially enforce such provisions. Additionally, each of the foregoing agreements provides for certain fringe benefits, such as inclusion in pension, profit sharing, stock option, savings, hospitalization and other benefit plans at such times as we may adopt them.

Section 16(a) Beneficial Ownership Reporting Compliance

Directors, named executive officers and beneficial owners of more than 10% of our Common Stock are required by Section 16(a) of the Securities Exchange Act of 1934 and related regulations to file ownership reports on Forms 3, 4 and 5 with the Securities and Exchange Commission and the principal exchange upon which such securities are traded or quoted and to furnish us with copies of the reports. Based solely on a review of the copies of such forms furnished to us, we believe that from January 1, 2006 to December 31, 2006, that all Section 16(a) filing requirements applicable to our named executive officers, with the exception of Mr. Spicer, Directors and greater than 10% holders of our Common Stock were in compliance. Mr. Spicer was not

in compliance with his respective Section 16(a) filing requirements as one Form 4 reporting one transaction was filed late. We have revised our administrative procedures to enhance the ability of our named executive officers and Directors to comply with such requirements.

Certain Relationships and Related Transactions

To the best of management's knowledge, other than (i) compensation for services as named executive officers and Directors or (ii) as set forth below, there were no material transactions, or series of similar transactions, or any currently proposed transactions, or series of similar transactions, to which we were or were to be a party, in which the amount involved exceeds \$120,000 during fiscal 2006, and in which any Director or named executive officer, or any security holder who is known by us to own of record or beneficially more than 5% of any class of the Common Stock, or any member of the immediate family of any of the foregoing persons, has an interest.

In April 2003, we entered into a license and development agreement with Manhattan Pharmaceuticals, Inc., or Manhattan Pharmaceuticals, for the worldwide, exclusive rights to our oral spray technology to deliver propofol for pre-procedural sedation. During the five months ended December 31, 2006 and for the year ended July 31, 2006, we did not invoice Manhattan Pharmaceuticals for any reimbursable expenses. Dr. Rosenwald may be deemed to be an affiliate of Manhattan Pharmaceuticals.

In September 2004, we entered into a license and development agreement with Velcera Pharmaceuticals Inc., or Velcera, in connection with veterinary applications for currently marketed veterinary drugs. We may receive additional milestone payments and royalty payments over the 20-year term of the agreement. During the five months ended December 31, 2006 and for the year ended July 31, 2006, we invoiced Velcera approximately \$0 and \$228,000, respectively, for reimbursable expenses. Dr. Rosenwald may be deemed to be an affiliate of Velcera.

In October 2004, we entered into a license agreement with Hana Biosciences Inc., or Hana Biosciences, for the marketing rights in the U.S. and Canada for our ondansetron oral spray technology. During the five months ended December 31, 2006 and the fiscal year ended July 31, 2006, we received \$1,000,000 and \$1,500,000, respectively, in milestone payments from Hana Biosciences. During the five months ended December 31, 2006 and for the year ended July 31, 2006, we invoiced Hana Biosciences approximately \$0 and \$13,000, respectively, for pass-through expenses incurred by us on behalf of Hana Biosciences. In January 2006, Hana Biosciences announced positive study results of a pivotal clinical trial for Zensana. Hana Biosciences submitted its NDA on June 30, 2006 and such NDA was accepted for review by the FDA in August 2006. Previously, Hana Biosciences targeted final approval from the FDA and commercial launch in calendar 2007. However, on February 20, 2007, we announced that Hana Biosciences notified us that ongoing scale-up and stability experiments indicate that there is a need to make adjustments to the formulation and/or manufacturing process, and that there is likely to be a delay in the FDA approval and commercial launch of Zensana as a result thereof. On March 23, 2007, Hana Biosciences announced its plan to withdraw, without prejudice, its pending NDA for Zensana with the FDA, and that it plans to re-direct the development plan for Zensana using our patent-protected European formulation of the product. Subject to the successful scale-up and manufacturing tests of our European formulation of ondansetron, Hana Biosciences expects to conduct the appropriate clinical trials and re-file the NDA for Zensana in 2008. Because we rely upon Hana Biosciences to develop and file the NDA for Zensana we can give no assurances as to the amount of delay resulting from Hana Biosciences' re-directing the development plan relating to Zensana or that Hana Biosciences will be able to re-file the NDA for Zensana in 2008, if at all, and ultimately receive final FDA approval. We will receive a milestone payment from Hana Biosciences upon final approval from the FDA. In addition, we will receive royalty payments based upon a percentage of net sales. We retain the rights to our ondansetron oral spray outside of the U.S. and Canada. Dr. Rosenwald may be deemed to be an affiliate of Hana Biosciences.

In April 2006, we closed a private placement of 8,092,796 shares of Common Stock and warrants to purchase a total of 2,427,839 shares of Common Stock with an exercise price of \$1.60 per share of Common Stock. We received proceeds, net of offering costs, of approximately \$10,593,000. Griffin Securities, Inc. and Paramount BioCapital, Inc., or Paramount, a NASD broker-dealer, acted as the placement agents for this private placement. The placement agents were paid an aggregate fee for acting as placement agents of cash equal to 7% of the gross proceeds from the sale of the Common Stock, or \$792,400, and warrants equal to 6% of the shares of Common Stock purchased, subject to certain exclusions, or warrants to purchase 468,329 shares of Common Stock. Such warrants have the same terms as those issued to the investors. On the date of grant, the warrants had an approximate fair value of \$0.92 per warrant. The placement agents were also entitled to a non-accountable expense allowance of up to \$55,000 as reimbursement for out of pocket expenses incurred in connection with the offering. We agreed to indemnify the placement agents against certain liabilities, including liabilities under the Securities Act of 1933, incurred in connection with the offering. In December 2006, we paid a total of \$100,000 to Paramount Biosciences Inc., in compensation for waiver of certain ongoing rights associated with the private placement in April 2006.

In September 2006, our Board appointed Mr. Steven B. Ratoff as Chairman of the Board. In connection with Mr. Ratoff's appointment as Chairman of the Board, the Board entered into a consulting arrangement to compensate Mr. Ratoff for his efforts. This arrangement is on a month-to-month basis and compensates Mr. Ratoff at a rate of \$17,500 per month. Pursuant to this consulting arrangement, we paid Mr. Ratoff approximately \$61,000 for the five months ended December 31, 2006. In March 2007, Mr. Ratoff's monthly compensation was reduced to \$10,000 to reflect his decreased day-to-day time involvement with NovaDel.

GENERAL

Stockholder Proposals for the next Annual Meeting of Stockholders

In order for a stockholder proposal to be considered for inclusion in NovaDel's Proxy Statement for the next Annual Meeting pursuant to Rule 14a-8 of the Securities and Exchange Commission, the proposal must be received at our offices no later than the close of business on January 15, 2008. Proposals submitted thereafter will be opposed as not timely filed.

If a stockholder intends to present a proposal for consideration at the next Annual Meeting outside the processes of the Securities and Exchange Commission's Rule 14a-8, NovaDel must receive notice of such proposal not later than March 15, 2008. Otherwise the proposal will be considered untimely, and NovaDel's proxies will have discretionary voting authority on any vote with respect to such proposal, if presented at the meeting, without including information regarding the proposal in our proxy materials.

Transition Report on Form 10-K

A copy of our Transition Report on Form 10-K for the period ended December 31, 2006 is enclosed with these materials. Upon written request, we will provide each stockholder being solicited by this Proxy Statement with a copy, free of charge, of any of the documents referred to in this Proxy Statement. All such requests should be directed to NovaDel Pharma Inc., 25 Minneakoning Road, Flemington, New Jersey 08822, Attn: Michael E. Spicer, Chief Financial Officer and Corporate Secretary.

Householding

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (e.g., brokers, banks and nominees) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies and intermediaries. This year, some banks, brokers or other nominee record holders may be "householding" our proxy materials. This means that only one copy of our proxy statement and annual report to stockholders may have been sent to multiple stockholders in your household unless contrary instructions have been received by the broker, bank or nominee from you. If you would like to receive a separate proxy statement and annual report, we will promptly send you additional copies if you call or write our investor relations department at our offices located at 25 Minneakoning Road, Flemington, New Jersey 08822; telephone 908-782-3431. If you are a beneficial owner, you can request additional copies of the proxy statement and annual report, or you can request a change in your householding status, by notifying your broker, bank or nominee.

Solicitation of Proxies

We will bear the cost of preparing, printing, assembling and mailing all proxy materials that may be sent to our stockholders in connection with this solicitation. Arrangements will also be made with brokerage houses, other custodians, nominees and fiduciaries, to forward soliciting material to the beneficial owners of our Common Stock held by such persons. We will reimburse such persons for reasonable out-of-pocket expenses incurred by them. In addition to the solicitation of proxies by use of the mails, officers and regular employees of ours may solicit proxies without additional compensation, by telephone or facsimile transmission. We do not expect to pay any compensation for the solicitation of proxies.

Management of NovaDel does not know of any matters, other than those stated in this Proxy Statement, that are to be presented for action at the Annual Meeting. If any other matters should properly come before the Annual Meeting, proxies will be voted on those other matters in accordance with the judgment of the persons voting the proxies. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

Sincerely,

Jan H. Egberts, M.D.
President and Chief Executive Officer
