Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Amendment to Bylaws

On September 17, 2015, the DTE Energy Company (the Company) Board of Directors (the Board) adopted amendments to the Bylaws of the Company, effective September 17, 2015 primarily to implement proxy access. Article I, Section 12 of the Bylaws permits a group of up to 20 shareholders owning 3% or more of the Company's outstanding common stock continuously for at least three years to nominate and include in the Company's proxy materials a candidate for the Board (a Shareholder Nominee), provided that the shareholder(s) and the nominee satisfy the requirements specified in the Bylaws. The total number of Shareholder Nominees that the Company must include in the Company's proxy materials in a given year shall not exceed 20% of the number of directors in office at the time of the nomination.

The amendments also change the title of the Company's "Presiding Director" to "Lead Independent Director." Finally, the amendments remove references to a State of Michigan statute regulating control share acquisitions, which has been repealed.

The description of the amendments to the Bylaws is qualified in its entirety by reference to the text of the Bylaws filed as Exhibit 3.1 to this report.
