Item 1.01 Entering into a Material Definitive

On January 3, 2006, the Company received a material contract from the Emirates Simulation Academy, LLC, located in the United Arab Emirates. The contract value is approximately \$15 million and is for five real-time, high fidelity training simulators including a gas turbine power plant simulator, a desalination plant simulator, a combined cycle plant simulator, a petroleum refinery simulator and an oil platform simulator. In addition, GSE will develop the training programs associated with the simulators, as well as the development of traditional classroom and online training content.

The Emirates Simulation Academy, LLC is a three party venture that includes
