Item 8.01 Other Events.

On August 9, 2010, the United States District Court for the Eastern District of Louisiana entered an order preliminarily approving settlement of a shareholder derivative action pending on behalf of Pool Corporation (the "Company") captioned In re Pool Corporation Derivative Litigation, No. 06-10447 (Consolidated with Nos. 06-10547 and 07-116) and providing for notice of the settlement. The derivative suit asserts claims on behalf of the Company against certain of its current and former directors and officers and relates primarily to certain historical stock option grants. As previously disclosed by the Company on August 9, 2006, the Company identified certain issues with its historical option granting process, but concluded that there was no material impact to its prior period financial statements and, as such, was not required to restate its previously filed financial statements.

The individual defendants have denied liability and wrongdoing of any kind with respect to the claims made in the derivative suit and make no admission of any wrongdoing in connection with the proposed settlement.

The Court has set a settlement hearing date of September 29, 2010 as described in the notice of proposed settlement of derivative action ("Notice"), which is attached as Exhibit 99.1. Pursuant to such preliminary order, the Company is required to file this current report, the attached Notice, and a copy of the stipulation of settlement ("Stipulation") attached hereto as Exhibit 99.2.

Item 9.01 Financial Statements and Exhibits.

99.1 Notice of Proposed Settlement of Derivative Action.
