Item 1.01 Entry into a Material Definitive Agreement.

The information set forth under Item 2.03 of this report on Form 8-K is incorporated in this Item 1.01 by reference.

On October 11, 2013, the Company and certain of its subsidiaries closed a new, two-year accounts receivable securitization facility with a peak seasonal funding capacity of up to \$120,000,000 between March 1 and August 31 and up to \$80,000,000 between September 1 and February 28. An additional seasonal facility limit of up to \$40,000,000 may be available between April 1 and June 30.

SCP Distributors LLC, Horizon Distributors, Inc., Superior Pool Products LLC and Poolfx Supply LLC (collectively, the “Originators”) entered into a Receivables Sale and Contribution Agreement dated as of October 11, 2013 with Superior Commerce LLC (the “Securitization Subsidiary”) pursuant to which the Originators agreed to sell and, as applicable, contribute, all of their right, title and interest in and to their trade receivables and certain related rights to the Securitization Subsidiary without representation, warranty or recourse as to the collectability of the receivables or the creditworthiness of the obligors thereon. The Receivables Sale and Contribution Agreement contains terms and conditions (including representations, covenants and conditions precedent) customary for transactions of this type.

The Securitization Subsidiary, as Seller, also entered into a Receivables Purchase Agreement dated as of October 11, 2013 with SCP Distributors LLC, as the Servicer, the purchasers from time to time party thereto (the “Purchasers”), The Bank of Tokyo-Mitsubishi UFJ, Ltd., New York Branch, as the Victory Group Co-Agent and Wells Fargo Bank, National Association, as the Wells Group Co-Agent and as Administrative Agent, pursuant to which the Securitization Subsidiary may sell or otherwise transfer to the Purchasers variable undivided percentage interests in the receivables and related rights acquired from the Originators. The Receivables Purchase Agreement contains terms and conditions (including representations, covenants and conditions precedent) customary for transactions of this type. Additionally, an amortization event will occur if the Company fails to maintain a maximum average total leverage ratio (average total funded debt/EBITDA) of 3.25 to 1 and a minimum fixed charge coverage ratio (EBITDAR/cash interest expense plus rental expense) of 2.25 to 1.

All of the obligations of the Originators and the Servicer under both the Receivables Sale and Contribution Agreement and the Receivables Purchase Agreement are guaranteed by the Company pursuant to a Performance Undertaking. The Performance Undertaking does not, however, guarantee collectability of the receivables or any obligations of the Securitization Subsidiary to the Purchasers.

The foregoing description of the new securitization facility is not complete and is qualified in its entirety by the actual terms of the Receivables Sale and Contribution Agreement, the Receivables Purchase Agreement, and the Performance Undertaking, a copy of each of which is filed as an exhibit hereto.

In the ordinary course of business, the Company and its affiliates have engaged, and may in the future engage, certain parties to the Receivables Purchase Agreement or the affiliates of such parties to provide commercial banking, investment banking, and other services for which the Company or its affiliates pay customary fees and commissions.

The descriptions of the agreements set forth above are qualified by reference to the Agreements, which are filed as Exhibits 10.1, 10.2 and 10.3 to this Form 8-K.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 above is incorporated herein by reference.
