US Retirement Benefit Plan litigation

The BOC Group's preliminary results statement issued on 13 November 2003 included details of an action filed against The BOC Group Cash Balance Retirement Plan (the Plan) in the US. The Plan was contesting the action and the maximum potential liability was estimated at US\$116 million. Subsequently the parties have reached agreement in principle to settle at US\$69 million.

The settlement will be paid out of Plan assets. A provision of US\$69 million has been made in the audited financial statements of the Group for the year ending on 30 September 2003, which will be published in December. Under UK pension accounting rules (FRS 17) this amount has been recognised in the Group's profit and loss account and has been treated as an exceptional item.
