30 November 2004

African Oxygen Limited today issued the following announcement to the
Johannesburg Stock Exchange.

REVISED TERMS FOR BEE TRANSACTION - AFROX TO INVEST 25% IN BIDCO

African Oxygen Limited (Afrox) today announced that it would replace Medi-Clinic as the 25% shareholder in Bidco, the black empowerment consortium which has agreed to purchase AHealth. In an agreement announced between Afrox, AHealth, Bidco and MediClinic, MediClinic have agreed to terminate its involvement with Bidco on all levels. The previous shareholders agreement and the disposal agreement whereby MediClinic were to have acquired certain AHealth beds have been cancelled with immediate effect.

All parties have worked together to find a solution to facilitate the satisfactory outcome of the Bidco transaction. The revised proposal involves the introduction of new BEE funders and the commitment by Afrox to invest in Bidco. Bidco was incorporated solely for the purpose of acquiring the issued share capital of AHealth. A consortium of Black Economic Empowerment investors ("Beeco"), led by Brimstone ("Brimstone") and Mvelaphanda Strategic Investments ("Mvelaphanda") will together, directly or indirectly, hold 75% of the ordinary issued shares of Bidco; Afrox will hold the remaining 25%.

Afrox will distribute the net proceeds from the disposal of its 69% shareholding in AHealth to its shareholders. In a separate transaction, on the operative date of the Shareholder Scheme, Afrox will subscribe for further shares in, and

advance loans to Bidco in an amount of R 375 million.

Commenting on this revised deal, Afrox CEO Rick Hogben, said: "It became clear to us that continued opposition to the deal could be protracted and would not be in anyone's interests. We have found a solution, acceptable to all parties, which enables us to continue to pursue this landmark BEE transaction, which is particularly important in the context of the anticipated Healthcare Charter."

Hogben continued: "The healthcare business needs to be protected; this has been a difficult period for all our staff and doctors and we value their continued hard work and loyalty. Afrox continues to believe that a deal which provides AHealth with a BEE partner is a significant advantage in remaining competitive and well-positioned to pursue new investment opportunities in the healthcare sector, both locally and internationally. With the evolving South African national healthcare system, an empowered AHealth will be ideally positioned for growth and profitability."

Any continued interference with the transaction can only be indicative of an effort to interfere with black economic empowerment, as all other grounds for objection have now been removed.

Commenting on the revised deal, Prof Jakes Gerwel, Chairman of Bidco and Brimstone Investment Corporation said:

"All parties have worked steadily to find an acceptable solution. The provision of funding is moving ahead as planned, and Bidco is hopeful of having all of the issues pertaining to independent funding in place before the Tribunal reconvenes in January 2005."

Gerwel continued: "We look forward to working within the revised shareholding structure. We welcome Afrox's reinvestment as it facilitates the conclusion of the transaction. It is also our intention to bring our

supporting doctors in as shareholders in AHealth, once this deal has been finalised and settled, in a manner yet to be determined. It is important to us to have the interest and support of our Doctors."

Afrox's original decision to dispose of its entire shareholding in AHealth, was based on the fact that Afrox had derived substantial growth from AHealth and its belief that the healthcare business had attained the requisite scale and level of sophistication such that operating as an autonomous empowered entity would enable it to pursue its own growth initiatives without restriction. Afrox firmly believes this still holds true.

Afrox, AHealth and Bidco have also agreed to further extend the Merger Agreement and the date for fulfillment of the Competition Condition in the Shareholder Scheme and of the Shareholder Scheme Condition in the Employee Scheme to 23 January 2005. Provided that Bidco's funding is in place by that date, there will be a further extension to enable the Competition Tribunal to make its decision.

An application has been brought in the South African High Court by two shareholders in AHealth to have the Scheme of Arrangement declared to have lapsed. This application, which is being opposed, is currently due to be heard in the week commencing 29 November 2004. The parties hope that following the announcement of this revised transaction, the applicants will withdraw their application.

Dr Jackie Mphafudi, Chairman of Mvelaphanda Strategic Investments, expects the Competition Tribunal to approve the acquisition of Ahealth: "This new arrangement brings no material change, other than significant empowerment ownership, to the healthcare industry. With the Healthcare Charter that is in the process of being formulated, this is a welcome development and a landmark deal. Any possible intervening party will now only be trying to feather its own nest."

Hogben concluded, "I extend my appreciation to Bidco, Mediclinic and Afrox stakeholders for their commitment to finding a workable solution for this deal."
