Mr. Sternberg was part of the original founding team at Metropolitan Fiber Systems that was eventually sold for \$12 billion to MCI. One other notable venture included the start up of a satellite company that achieved \$30 million in revenue within 18 months of the company's inception, including the negotiated purchase and launch of the only two satellites launched by a U.S. company from Russia. At KMC Telecom, Mr. Sternberg helped grow the company from 7 to 1,300 employees, with sales and operations throughout the U.S. KMC Telecom under his leadership increased its value from \$6 million to \$1.8 billion in less than four years by building 35 city networks (switching, lightwave and fiber optics). KMC Telecom secured over \$1 billion in funding with Mr. Sternberg's assistance. Mr. Sternberg also led the company to sixteen consecutive quarters of performance at or above plan before leaving.

2

During the fiscal year ended December 31, 2001, SPEEDCOM's Board held one regular meeting and seven special meetings. All Directors attended at least 75% of the meetings of the Board and Committees of the Board on which they served.

Compensation Committee

The Compensation Committee is responsible for recommending compensation and benefits for SPEEDCOM Executive Officers to the Board of Directors. Mr. Roos, Mr. Sternberg, Mr. Haidri and Mr. McKinney are the current members of SPEEDCOM's Compensation Committee. The Compensation Committee met one time during the 2001 fiscal year.

Audit Committee

The Audit Committee is responsible for nominating SPEEDCOM's independent accountants for approval by the Board of Directors, reviewing the scope, results and costs of the audit with SPEEDCOM's independent accountants and reviewing the financial statements, audit practices and internal controls of SPEEDCOM. Audit Committee Report

Edgar Filing: SPEEDCOM WIRELESS CORP - Form DEF 14A

The Audit Committee oversees SPEEDCOM's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the annual report on Form 10-KSB for the year ended December 31, 2001 with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent certified public accountants, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of SPEEDCOM's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee discussed with the independent accountants the accountants' independence from management and SPEEDCOM, including the matters in the written disclosures received from the accountants as required by the Independence Standards Board.

The Committee discussed with SPEEDCOM's independent accountants the overall scope and plans for their respective audits. The Committee meets with the independent accountants, with and without management present, to discuss the results of their examinations, their evaluations of SPEEDCOM's internal controls, and the overall quality of SPEEDCOM's financial reporting.

3

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended December 31, 2001 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to shareholder approval, the selection of Ernst & Young LLP, as SPEEDCOM's independent certified public accountants.

COMPLIANCE WITH SECTION 16(a)

Edgar Filing: SPEEDCOM WIRELESS CORP - Form DEF 14A

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In May 2000, Mr. Roos, a Director, purchased 25,000 shares of pre-merger SPEEDCOM common stock at \$4.00 per share, the market price of the stock on that date. As payment for the shares, Mr. Roos delivered to SPEEDCOM a promissory note in the principal amount of \$95,000, payable in three months with interest at the rate of 6%. The amount of the note was arrived at by taking the aggregate purchase of the stock (\$100,000) and reducing the note by the amount of director fees which would otherwise be payable to Mr. Roos for the months of May and June 2000. In November 2000, SPEEDCOM restructured the note to extend its term to January 31, 2001, and to increase the interest rate to 8%. SPEEDCOM has reduced the note each month by the amount of cash director fees otherwise due to Mr. Roos. Mr. Roos made a \$25,000 cash payment on the note in January 2001. Mr. Roos paid the balance of the note in March 2001.

In December 2000, Mr. Sanguinetti, the former President and former Director of SPEEDCOM, loaned SPEEDCOM \$250,000. SPEEDCOM executed a one year promissory note for this amount providing for interest at an annual rate of 12% with quarterly payments of interest due beginning March 31, 2001. In connection with this loan, SPEEDCOM also granted Mr. Sanguinetti immediately exercisable warrants to purchase 25,000 shares of SPEEDCOM's common stock at \$3.60 per share. The warrants terminate two years after the grant date. On August 23, 2001, this loan was converted to 111,111 shares of preferred stock, 88,889 Series A Warrants and 132,111 Series B Warrants. The proceeds of this loan were used for working capital.

In January 2001, Mr. Sanguinetti loaned SPEEDCOM an additional \$250,000. SPEEDCOM executed a promissory note for this amount providing for interest at an annual rate of 12% with all principal and interest due three months after the date of the loan. In connection with this loan, SPEEDCOM also granted Mr. Sanguinetti immediately exercisable warrants to purchase 11,500 shares of SPEEDCOM's common stock at \$5.40 per share. Warrants to purchase 7,000 common shares vested immediately with options to purchase the remaining shares vesting in equal monthly installments of 1,500 on each month anniversary of the date of grant. The warrants terminate two years after the date of grant. The proceeds of this loan were used for working capital.

In June 2001, SPEEDCOM issued another \$250,000 promissory note to SPEEDCOM's former President. The note had an interest rate of 10% and was payable in April 2002. SPEEDCOM concurrently granted a total of 73,333 warrants with a \$3.25 strike price in connection with this note. On June 29, 2001, this loan plus accrued interest was converted to 111,667 shares of redeemable preferred stock, 83,751 Series A Warrants and 111,667 Series B Warrants. On August 23, 2001, the redeemable preferred stock was exchanged for 111,667 shares of preferred stock, 89,334 Series A Warrants and 132,773 Series B Warrants. The proceeds of this loan were used for working capital.
