- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant

On February 24, 2005, Pennsylvania Real Estate Investment Trust (the "Company") fully repaid its obligations under a \$59.0 million second mortgage on Cherry Hill Mall in Cherry Hill, New Jersey. To repay this second mortgage, which had carried an interest rate of 5.0%, the Company borrowed an additional \$55.0 million under its \$500 million unsecured revolving credit facility (the "Credit Facility"). After the borrowing on February 24, 2005, there was a total of \$326.0 million outstanding under the Credit Facility, with interest rates on amounts outstanding ranging from 3.63% to 3.67% per annum, subject to adjustment as provided under the terms of the Credit Facility. Under the Credit Facility, the Company must repay the entire principal amount outstanding at the end of the term, which is November 20, 2007. The Company has an option to extend the term for a further 14 months, to January 20, 2009, provided that there is no event of default at that time.

The Credit Facility agreement was filed with the Securities and Exchange Commission as Exhibit 10.1 to the Company's Current Report on Form 8-K filed on December 4, 2003. An amendment to the Credit Facility was filed as Exhibit 10.1 to the Company's Current Report on Form 8-K filed on February 3, 2005.
