PROXY STATEMENT

2005 ANNUAL MEETING OF STOCKHOLDERS

FEBRUARY 28, 2005

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of NovaDel Pharma Inc. (the "Company" or "NovaDel"), of proxies to be voted at the 2005 Annual Meeting of Stockholders (the "Annual Meeting") to be held at 9:30 a.m., Eastern Standard Time, on Monday, February 28, 2005, at the principal office of the Company located at 25 Minneakoning Road, Flemington, New Jersey 08822, and at any adjournments or postponements thereof.

A copy of the Company's Annual Report on Form 10-KSB for the fiscal year ended July 31, 2004 is enclosed with these materials. Upon written request, the Company will provide each stockholder being solicited by this Proxy Statement with a copy, free of charge, of any of the exhibits to this Proxy Statement. All such requests should be directed to NovaDel Pharma Inc., 25 Minneakoning Road, Flemington, New Jersey 08822, Attn: Jean W. Frydman, Esq., Corporate Secretary.

The Annual Meeting has been called to consider and take action on the following proposals: (i) to elect six Directors to the Company's Board of Directors (the "Board of Directors") to serve until the 2006 Annual Meeting of Stockholders or until their successors have been duly elected or appointed and qualified; (ii) to ratify the selection of J.H. Cohn LLP as the Company's independent registered public accounting firm for the fiscal year ending July 31, 2005; and (iii) to consider and take action upon such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

The Board of Directors knows of no other matters to be presented for action at the Annual Meeting. However, if any other matters properly come before the Annual Meeting, the persons named in the proxy will vote your shares in their discretion. The Board of Directors recommends that the stockholders vote in favor of each of the proposals. Only holders of record of the Company's common stock, \$.001 par value, per share (the "Common Stock"), at the close of business on February 1, 2005 (the "Record Date"), will be entitled to notice of and to vote at the Annual Meeting.

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

The Company's principal executive offices are located at 25 Minneakoning Road, Flemington, New Jersey 08822 and its telephone number is (908) 782-3431. The approximate date on which this Proxy Statement, the proxy card and other accompanying materials are first being sent or given to stockholders is February 7, 2005.

Voting Rights, Proxies and Voting Procedures

Each share of Common Stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. We do not have any other class of capital stock outstanding. At the close of business on the Record Date, there were issued and outstanding 33,834,294 shares of Common Stock. The presence at the Annual Meeting in person or by proxy of holders of record of a majority of the outstanding shares of voting stock is required to constitute a quorum for the transaction of all business at the Annual Meeting.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. When voting by proxy for each proposal to be voted upon, stockholders may (i) vote in favor of, or FOR, the item, (ii) vote AGAINST the item or (iii) ABSTAIN from voting on one or more items. Stockholders should specify their choices on the enclosed proxy. If any other business is presented at the meeting, the Proxy will be voted in accordance with the recommendations of the Board of Directors.

Shares represented by valid proxies will be voted in accordance with instructions contained therein, or, in the absence of such instructions, in accordance with the Board of Director's recommendations. Any person signing and mailing the enclosed proxy may, nevertheless, revoke the proxy at any time prior to the actual voting thereof by attending the Annual Meeting and voting in person, by providing written notice, sent to the attention of the Corporate Secretary of the Company at the address set forth above, of revocation of the proxy or by submitting a signed proxy bearing a later date.

A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote (the non-vote) on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, both the election of Directors and the ratification of the selection of the independent registered public accounting firm are routine matters on which a broker has the discretion to vote if instructions are not received from the client in a timely manner. Abstentions will be counted as present for purposes of determining a quorum but will not be counted FOR or AGAINST the election of Directors or the ratification of the selection of the independent registered public accounting firm. As to Proposal 1, the Proxy confers authority to vote FOR all of the six persons listed as nominees for a position on the Board of Directors even though the block in Proposal 1 is not marked unless the names of one or more nominees are lined out. The Proxy will be voted FOR Proposals 2 and 3 unless AGAINST or ABSTAIN is indicated. If any other business is presented at the meeting, the Proxy shall be voted in accordance with the recommendations of the Board of Directors.

Questions and Answers

Q. What am I voting on?

Election of six Directors (Gary A. Shangold, M.D., William F. Hamilton, Ph.D., Lawrence Jay Kessel, M.D., FACP, Mark A. Rachesky, M.D., Charles Nemeroff, M.D., Ph.D., and Robert G. Savage) for a term of one year; and

Ratify the selection of J.H. Cohn LLP as the Company's independent registered public accounting firm for the fiscal year ending July 31, 2005.

Q. Who is entitled to vote?

Only stockholders of record at the close of business on the record date, February 1, 2005, are entitled to vote shares held by such stockholders on that date at the Annual Meeting. Each outstanding share entitles its holder to cast one vote.

Q. How do I vote?

Vote By Mail: Sign and date the proxy card you receive and return it in the enclosed stamped, self-addressed envelope. If you return your signed proxy and do not indicate your voting preferences, your shares will be voted on your behalf FOR the election of the six nominated Directors and FOR the ratification of the selection of J.H. Cohn LLP to audit NovaDel's books and accounts for the fiscal year ending July 31, 2005.

Vote By Telephone: If you are a stockholder of record (that is, if you hold your stock in your own name), you may vote by telephone by following the instructions on your proxy card. The telephone number is toll-free, so voting by telephone is at no cost to you. If you vote by telephone you do not need to return your proxy card.

If your shares are held in the name of a bank, broker or other holder of record (i.e., in street name), you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Telephone and Internet voting will be offered to stockholders owning shares through most banks and brokers.

Q. Can I access the proxy materials and annual report on Form 10-KSB electronically?

This Proxy Statement and the Company's Annual Report on Form 10-KSB for the fiscal year ended July 31, 2004, are available on NovaDel's website at www.NovaDel.com.

Q. Can I change my vote or revoke my proxy?

Yes. You may change your vote or revoke your proxy at any time before the proxy is exercised. If you submitted your proxy by mail, you must (a) file with the Corporate Secretary a written notice of revocation or (b) timely deliver a valid, later-dated proxy. If you submitted your proxy by telephone, you may change your vote or revoke your proxy with a later telephone proxy, as the case may be. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Corporate Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting.

Q. What happens if I return my signed proxy card but forget to indicate how I want my shares of Common Stock voted?

If you sign, date and return your proxy card and do not mark how you want to vote, your proxy will be counted as a vote FOR all of the nominees for Directors set forth on the Proxy and FOR ratification of the selection of J.H. Cohn LLP as the Company's independent registered public accounting firm.

Q. What is the process for admission to the Annual Meeting?

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

If you are a record owner of your shares (*i.e.*, your shares are held in your name), you must show government issued identification. Your name will be verified against the stockholder list. If you hold your shares through a bank, broker or trustee, you must also bring a copy of your latest bank or broker statement showing your ownership of your shares as of the Record Date.

3

Q. What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock outstanding on the record date will constitute a quorum. On February 1, 2005, the Record Date, there were 33,834,294 outstanding shares of Common Stock entitled to vote at the Annual Meeting.

Abstentions and broker non-votes are counted only for purposes of determining whether a quorum is present at the Annual Meeting but are not counted FOR or AGAINST the election of Directors or FOR the ratification of the selection of the independent registered public accounting firm.

Q. What vote is required to approve each item?

The affirmative vote of a plurality of the votes cast at the meeting by stockholders entitled to vote thereon is required for the election of Directors. For the ratification of the selection of J.H. Cohn LLP, the affirmative vote of a majority of the votes cast by stockholders entitled to vote thereon will be required.

Abstentions and broker non-votes will not be included in determining the number of votes cast concerning any matter. Under the rules of the American Stock Exchange, absent instructions from the beneficial owners, brokers who hold shares in street name for beneficial owners have the authority to vote on the election of Directors and the ratification of the selection of the Company's independent registered public accounting firm.

Q. What are the recommendations of the Board of Directors?

Unless you give other instructions when you vote, the persons named as proxy holders will vote:

FOR the election of the six nominated Directors; and

FOR ratification of the selection of J.H. Cohn LLP as NovaDel's independent registered public accounting firm for the fiscal year ending July 31, 2005.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

The foregoing proposals do not give rise to any statutory right of a stockholder to dissent and obtain the appraisal of or payment for such stockholder's shares.

Information Regarding Board of Directors and Committees

Pursuant to NovaDel's By-Laws, generally the number of Directors of the Company is fixed and may be increased or decreased from time to time by resolution of NovaDel's Board of Directors. Currently, the Board of Directors has fixed the number of Directors at seven members. There is one vacancy on the Board of Directors at this time and the Company is searching for a qualified individual to fill this vacancy. Directors are elected annually and the Board of Directors is recommending six nominees to serve as Directors until the next Annual Meeting or until their successors are duly elected, appointed and qualified. All of the individuals who are nominated for election to the Board of Directors are existing Directors of the Company. In the event one or more of the named nominees is unable to serve, the persons designated as proxies may cast votes for other persons as substitute nominees. The Board of Directors has no reason to believe that any of the nominees will not be a candidate or will be unable to serve as a Director.

The Business Conduct Policy is intended to be designed to deter wrong-doing and promote honest and ethical behavior, full, fair, timely, accurate and understandable disclosure, and compliance with applicable laws. The Board of Directors adopted the Business Conduct Policy before the end of calendar year 2003 and a subsequent revised Business Conduct Policy was adopted by the Board of Directors in August 2004. A copy of the Business Conduct Policy can be obtained and will be provided to any person without charge upon written request to the Corporate Secretary at our principal office located at 25 Minneakoning Road, Flemington, New Jersey 08822. We are presently seeking to identify an individual willing to serve on our Board who would qualify as an Audit Committee financial expert.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discusses these matters with the Company's independent registered public accounting firm and with appropriate Company financial personnel. Meetings are held with participation from the independent registered public accounting firm. The independent registered public accounting firm is given unrestricted access to the Audit Committee. The Audit Committee also recommends to the Board of Directors the appointment of the independent registered public accounting firm and reviews periodically their performance and independence from management. In addition, the Audit Committee reviews the Company's financing plans and reports its recommendations to the full Board of Directors for approval and to authorize action.

A copy of the Audit Committee's written charter is attached as Exhibit A and is also available on NovaDel's website at www.NovaDel.com.

The Corporate Governance and Nominating Committee is developing those guidelines and expects approval by the Board of Directors in early 2005. Those guidelines will be available on NovaDel's website at www.NovaDel.com. A complete description of the Corporate Governance and Nominating Committee's responsibilities is set forth in the Corporate Governance and Nominating Committee's written charter. Proposal 1

Election of Directors

The stockholders are being asked to elect Dr. Shangold, Dr. Hamilton, Dr. Kessel, Dr. Nemeroff, Dr. Rachesky and Mr. Savage to a one-year term ending with the annual meeting of stockholders to be held in 2006, or until a successor is elected and qualified or until his earlier death, resignation or removal. The Board of Directors nominated the same six nominees for election at the 2004 annual meeting of stockholders. Mr. Robert Schaul resigned as a Director in July 2004. Each nominee is currently a Director of the Company. For more information regarding the nominees for Director, see *Information Regarding Board of Directors and Committees* beginning at page 4.

We are also searching for a qualified person to add to the Board of Directors to fill a vacancy. Because this person was not known at the time this Proxy Statement was delivered to stockholders, the Board of Directors has determined to leave this seat vacant until an appropriate individual has been found. Proxies cannot be voted for a greater number of persons than the number of nominees named.

The Board of Directors does not contemplate that any of the nominees will be unable to stand for election, but should any nominee become unable to serve or for good cause, will not serve, all proxies (except proxies marked to the contrary) will be voted for the election of a substitute nominee nominated by the Board of Directors or the size of the Board of Directors will be fixed at a lower number. A plurality of the votes cast by the stockholders present or represented by proxy and entitled to vote at the Annual Meeting is required for the election of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR

ALL OF THE NOMINEES SET FORTH ABOVE FOR DIRECTOR

Cohn LLP as our independent registered public accounting firm for the purpose of auditing and reporting upon the financial statements of the Company for the fiscal year ending July 31, 2005. J.H. Cohn LLP has no direct or indirect financial interest in the Company.

A formal statement by representatives of J.H. Cohn LLP is not planned for the Annual Meeting. However, representatives of J.H. Cohn LLP are expected to be present at the Annual Meeting and will be available to respond to appropriate questions by stockholders.

On November 26, 2003, Wiss, the Company's then independent accounting firm, advised the Company that it was resigning as the independent accountant to audit the Company's financial statements. Accordingly, on such date, the Board of Directors, upon the recommendation of the Audit Committee, following extensive evaluation of several accounting firms, engaged J.H. Cohn LLP as the Company's independent registered public accounting firm to replace Wiss. J.H. Cohn LLP's report on the Company's financial statements for fiscal year 2004 and Wiss' report on the Company's financial statements for fiscal year 2003 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. Wiss' report was modified as to uncertainty relative to going concern for the year ended July 31, 2003. During fiscal years 2004 and 2003 and through the date of Wiss' resignation, there were no disagreements with Wiss on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Wiss satisfaction, would have caused Wiss to make reference to the subject matter in connection with its report of the financial statements for such periods and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-B during such period preceding Wiss' resignation.

Report of the Audit Committee

In September 2003, the Board of Directors adopted an Audit Committee Charter, which conforms to the requirements of the Sarbanes-Oxley Act of 2002 and the listing standards of AMEX. The Audit Committee Charter is attached hereto as Exhibit A and is also available on the Company's website at www.NovaDel.com.

Management is responsible for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements present fairly the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles and discuss with the Audit Committee any issues they believe should be raised with the Audit Committee.

The Audit Committee reviews the Company's audited financial statements and meets with both management and the Company's independent registered public accounting firm, to discuss such audited financial statements. Management has represented to the Audit Committee that the financial statements have been prepared in accordance with generally accepted accounting principles. The Audit Committee has received from and discussed with J.H. Cohn LLP, the Company's independent registered public accounting firm, the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from the Company. The Audit Committee also discussed with the Company's independent registered public accounting firm any matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended July 31, 2004.

The Audit Committee has the sole authority to pre-approve all audit and non-audit services provided by the independent registered public accounting firm to the Company. As described in the Audit Committee Charter, it is the Audit Committee's policy and procedure to review and consider and ultimately pre-approve, where appropriate, all audit and nonaudit engagement services to be performed by the Company's independent registered public accounting firm. For fiscal year 2004, all of audit related fees, tax fees and all other fees were approved by the Audit Committee. The Audit Committee does not currently have a policy for the pre-approval of audit and non-audit services performed for the Company by the independent registered public accounting firm.

Stock Option Plans

The Company has three stock option plans which were adopted in 1992 (the 1992 Plan), 1997 (the 1997 Plan) and 1998 (the 1998 Plan), respectively (collectively referred to as the Plans). All three Plans have been approved by the Company's stockholders. The 1992 Plan and 1997 Plan each provide for the issuance of options to purchase 500,000 shares of Common Stock, and the 1998 Plan provides for the issuance of options to purchase 3,400,000 shares of Common Stock, for a total of 4,400,000 shares. The 1997 Plan is administered by Dr. Hamilton, Dr. Kessel and Dr. Nemeroff who constitute the Compensation Committee of the Board of Directors and the 1992 Plan and the 1998 Plan are administered by the entire Board of Directors. For purposes of the following discussion, the term Committee will be used to reference the Committee with respect to the 1997 Stock Option Plan and the entire Board of Directors with respect to the 1992 Plan and the 1998 Plan, as applicable. The Committee has sole discretion and authority, consistent with the provisions of the Plans, to select the eligible participants to whom options will be granted under the Plans, the number of shares which will be covered by each option and the form and terms of the agreement to be used. All of the Company's employees and officers are eligible to participate in the Plans.

At July 31, 2004, options to purchase 0, 0 and 1,829,500 shares of Common Stock were reserved for issuance pursuant to the 1992 Plan, the 1997 Plan and the 1998 Plan, respectively. The exercise prices for the outstanding options reserved under the 1992 Plan and the 1997 Plan range between \$.63 and \$2.00 per share; and the exercise prices for the outstanding options reserved under the 1998 Plan range between \$1.30 and \$1.99 per share.

The Committee is empowered to determine the exercise price of options granted under the Plans, but the exercise price of ISOs issued under the 1998 Plan must be equal to or greater than the fair market value of a share of common stock on the date the option is granted (110% with respect to optionees who own at least 10% of the Company's outstanding common stock). The Committee has the authority to determine the time or times at which options granted under the Plans become exercisable, but options expire no later than 10 years from the date of grant (five years with respect to optionees who own at least 10% of the outstanding Common Stock). Options are nontransferable, other than by will and the laws of descent, and generally may be exercised only by an employee while employed by the Company or within 90 days after termination of employment (one year from termination resulting from death or disability).

No ISO may be granted to an employee if, as the result of such grant, the aggregate fair market value (determined at the time each option was granted) of the shares with respect to which ISOs are exercisable for the first time by such employee during any calendar year (under all such Plans) exceeds \$100,000. The Plans do not confer upon any employee any right with respect to the continuation of employment by the Company, nor do the Plans interfere in any way with the employee's right or the Company's right to terminate the employee's employment at any time.

Non-Plan Options

As of July 31, 2004, the Company had 3,950,000 non-plan options outstanding as follows: 600,000 options exercisable at \$1.84 per share; 1,050,000 options exercisable at \$.75 per share; 1,000,000 options exercisable at \$1.93 per share; 200,000 options exercisable at \$1.30 per share; 200,000 options exercisable at \$1.51 per share; 250,000 options exercisable at \$3.18 per share; 150,000 options exercisable at \$3.02 per share; 300,000 options exercisable at \$1.95 per share; 100,000 options exercisable, at \$1.85 per share; and 100,000 options exercisable at \$1.65 per share.

The foregoing agreements also provide for certain non-competition and non-disclosure covenants on the part of such executive. However, with respect to the non-competition covenants, a court may

determine not to enforce such provisions or only partially enforce such provisions. Additionally, each of the foregoing agreements provides for certain fringe benefits, such as inclusion in pension, profit sharing, stock option, savings, hospitalization and other benefit plans at such times as the Company may adopt them.

Report of the Compensation Committee on Executive Compensation

The Compensation Committee is responsible for the establishment and review of the Company's compensation policies and programs.

Compensation Philosophy

Compensation of the Company's executives is intended to attract, retain and reward persons who are essential to the enterprise. The fundamental policy of the Company's executive compensation program is to offer competitive compensation to executives that appropriately reward the individual executive's contribution to corporate performance. The Board of Directors utilizes subjective criteria for evaluation of individual performance. The Board of Directors focuses on three primary components of the Company's executive compensation program, each of which is intended to reflect individual and corporate performance: base salary compensation, cash bonuses and long-term incentive compensation.

Except as set forth herein, the Company does not have any annuity, retirement, pension, deferred or incentive compensation plan or arrangement under which any Executive Officer is entitled to benefits, nor does the Company have any long-term incentive plan pursuant to which performance units or other forms of compensation are paid. Executive Officers who qualify will be permitted to participate in the Company's Plans which were adopted in May 1992, February 1997 and June 1998, respectively. In September 1998, the Board of Directors adopted an investment retirement account plan, and in December 2003, a 401(K) Plan, in which all employees of the Company are eligible to participate. Executive Officers may participate in group life, health and hospitalization plans, if and when such plans are available generally to all employees. The Compensation Committee is satisfied that the compensation and Plans provided to the Executive Officers of the Company are structured and operated to create strong alignment with the long-term best interests of the Company and its stockholders.

Chief Executive Officer Compensation

The compensation of the Company's Chief Executive Officer is determined by his employment agreement with the Company dated December 3, 2002 which entitles him to an annual base salary of \$350,000. See "Employment Agreements and Change in Control Arrangements" on page 16. Dr. Shangold was paid an annual salary of \$350,000 through July 31, 2004. In addition, Dr. Shangold's employment agreement provides for a guaranteed bonus of \$150,000 and an annual discretionary bonus of up to \$262,500, which shall be determined at the sole discretion of the Board. Dr. Shangold received his guaranteed bonus of \$150,000 for the fiscal year ending July 31, 2004. Upon execution of his employment agreement, Dr. Shangold was also granted non-plan options to purchase 1,000,000 shares of Common Stock (at an exercise price of \$1.93 per share) which vest over a three year period beginning in December 2003. On February 24, 2004, Dr. Shangold was granted an option to purchase 125,000 shares of Common Stock (at an exercise price of \$1.82 per share) which vested immediately.

The determination by the Compensation Committee of Dr. Shangold's remuneration is based upon methods consistent with those used for other senior executives. The Compensation Committee considers certain quantitative factors, including the Company's financial, strategic and operating performance for the year. The qualitative criteria include such person's leadership qualities and management skills, as exhibited by their innovations, time and effort devoted to the Company and other general considerations. The Compensation Committee also takes note of comparable remuneration of other similarly situated executives at comparable companies. Based on the performance of the Company, the Compensation Committee believes that such compensation was appropriate.

Policy on Deductibility of Compensation. Section 162(m) of the Internal Revenue Code limits the tax deduction to \$1 million for compensation paid to any one executive officer, unless certain requirements are met. The Compensation Committee may award compensation that is not deductible under Section 162(m) if it believes that such awards would be in the best interest of the Company and its stockholders.

In accordance with the rules of the SEC, the information contained in the Report of the Compensation Committee set forth above shall not be deemed to be soliciting material, or to be filed with the SEC or subject to the SEC's Regulation 14A, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

Section 16(a) Beneficial Ownership Reporting Compliance

Directors, Executive Officers and beneficial owners of more than 10% of our Common Stock are required by Section 16(a) of the Exchange Act and related regulations to file ownership reports on Forms 3, 4 and 5 with the Securities and Exchange Commission and the principal exchange upon which such securities are traded or quoted and to furnish us with copies of the reports. Based solely on a review of the copies of such forms furnished to us, we believe that from August 1, 2003, to July 31, 2004, Dr. Shangold, Dr. Hamilton, Dr. Kessel, Dr. Nemeroff, Dr. Rachesky, Mr. Savage, Mr. Cohen and Dr. El-Shafy were not in compliance with their respective Section 16(a) filing requirements. The Company has revised its administrative procedures to enhance the ability of the Company's Executive Officers and Directors to comply with such requirements. All others required to file reports have done so.

Certain Relationships and Related Transactions

To the best of management's knowledge, other than (i) compensation for services as Executive Officers and Directors or (ii) as set forth below, there were no material transactions, or series of similar transactions, or any currently proposed transactions, or series of similar transactions, to which the Company was or was to be a party, in which the amount involved exceeds \$60,000, and in which any Director or Executive Officer, or any security holder who is known by the Company to own of record or beneficially more than 5% of any class of the Common Stock, or any member of the immediate family of any of the foregoing persons, has an interest.

As part of the purchase agreement, NovaDel agreed to elect to the Board of Directors, a Director to be nominated by Dr. Rosenwald (as of the date hereof, no such nominee had been selected) and to permit Dr. Rosenwald, or his representative, to attend meetings of the Board of Directors. Appropriate confidentiality and non-disclosure agreements are in place to protect the Company's confidential information. Dr. Rosenwald is a significant stockholder of the Company and is the Managing Member of Biomedical Investment Group.

The Company also agreed to pay to Paramount a non-accountable expense allowance equal to \$25,000 to reimburse Paramount for its out-of-pocket expenses. Lastly, the Company agreed to indemnify Paramount against certain liabilities, including liabilities under the Securities Act.

In November 2003, the Company engaged Paramount to assist it in the placement of units on a best efforts basis in connection with a private placement. In connection with such offering, the Company entered into a non-exclusive Placement Agent Agreement dated as of January 15, 2003, with Paramount, pursuant to which the Company made a cash payment equal to approximately \$850,000 and issued to Paramount (and its designees) unit purchase options to purchase 1,330,303 shares of Common Stock at an exercise price equal to \$1.40 per share and warrants to purchase an additional 399,091 shares of Common Stock at an exercise price of \$1.40 per share. During fiscal year 2004, the Company paid John H. Klein, the Company's former Chairman of the Board of Directors, approximately \$186,000 and approximately \$300,000 for fiscal year 2003, pursuant to a consulting agreement between Mr. Klein and the Company, as well as additional finder fees relating to the Company's licensing agreements. The amount of the additional fees will be determined by the net revenue received by the Company in connection with a license and supply agreement the Company entered into with Par Pharmaceutical, Inc. The amount of fees paid to Mr. Klein will fluctuate over the term of the agreement, primarily dependent on the amount of milestone payments received by the Company from Par Pharmaceutical. At no time will the fees be more than four percent (4%) of the net revenue received by the Company in connection with the Par Pharmaceutical agreement.
