ITEM 8.01 - OTHER EVENTS

FISCAL YEAR 2004 EARNINGS

On February 7, 2005, UniSource Energy Corporation ("UniSource Energy") reported earnings for 2004 of \$45 million, or \$1.30 per share of UniSource

Edgar Filing: TUCSON ELECTRIC POWER CO - Form 8-K

Energy common stock. UniSource Energy also announced that its board of directors has increased its quarterly dividend by 19 percent to \$0.19 per share.

The audit of the financial results of UniSource Energy for the year ended December 31, 2004 is not yet complete. Subsequent to reporting its earnings, UniSource Energy has determined in the course of the audit that certain noncash adjustments to its reported earnings for 2004 will be made which will increase earnings for 2004 to \$46 million, or \$1.34 per share of UniSource Energy common stock. The increase in earnings for 2004 results from a recalculation of depreciation and interest expense related to a capitalized lease transaction which has debt that was refinanced in 1999 and 2003. The net cumulative amounts recorded since 1999 for depreciation and interest expense for this lease were overstated by \$1 million. UniSource Energy determined that the impact of these adjustments on current and prior year results was not material and, as a result, has recorded the amount in the fourth quarter of 2004. The earnings of Tucson Electric Power Company ("TEP"), UniSource Energy's principal subsidiary, for 2004 described below also have been adjusted from those previously reported as a result of these recalculations.

In 2004, TEP had earnings of \$46 million, or \$1.34 per share of UniSource Energy common stock, compared to 2003 earnings of \$129 million, or \$3.81 per share of UniSource Energy common stock. Excluding the impact of adopting FAS 143, TEP's earnings in 2003 were \$61 million, or \$1.82 per share of UniSource Energy common stock. TEP's earnings in 2003 also include the recognition of \$15 million in tax benefits related to net operating losses and investment tax credits from prior years.

Notwithstanding the adjustments to UniSource Energy's 2004 earnings and results of operations described above, the audit of UniSource Energy's financial results for the year ended December 31, 2004 continues and is not yet complete. Therefore, the results for the quarter and the year ended December 31, 2004 remain subject to change until completion of the audit.
