**Explanatory Note**

(Not a part of the prospectus)

On May 31, 2002, we successfully completed, on behalf of our indirect wholly owned subsidiary NRG Acquisition Company, LLC, our offer to exchange 0.5000 (the Exchange Ratio ) of a share of our common stock, and the associated share purchase rights, for each publicly held share of Common Stock of NRG Energy, Inc. ( NRG ), par value \$0.01, in accordance with the terms and conditions set forth in the prospectus, dated April 3, 2002, as amended and supplemented, including by the prospectus supplements dated April 4, and May 31, 2002. On June 3, 2002, our indirect wholly owned subsidiary NRG Merger Corporation was merged with and into NRG with NRG being the surviving corporation.

As a result of the offer and the merger, no shares of NRG Common Stock are held by the public nor will any shares of NRG Common Stock be issued in the future upon the exercise of the outstanding NRG options the terms and conditions of which are governed by the 2000 Long-Term Incentive Compensation Plan. On June 3, 2002, the NRG Board of Directors adjusted the terms of the outstanding NRG options to the extent necessary to provide that upon exercise of the options, the holders thereof will receive shares of Xcel Energy common stock, and the associated share purchase rights, applying the Exchange Ratio, instead of shares of NRG Common Stock.

By Registration Statement No. 333-84264, we registered under the Securities Act of 1933, as amended, shares of our common stock, and the associated share purchase rights, to be issued (i) in the offer and the merger, (ii) upon the exercise from time to time of all outstanding options of NRG, and (iii) upon settlement of the NRG equity units. That registration statement became effective on May 31, 2002.

This Post-Effective Amendment No. A-1 pertains to the 3,607,625 shares of our common stock, and the associated share purchase rights, that were registered by Registration Statement No. 333-84264 and that may be issued by Xcel Energy from time to time upon the exercise of the NRG options.

The letter A in the designation of this Post-Effective Amendment No. A-1 denotes that this Post-Effective Amendment relates only to shares of Xcel Energy's common stock to be issued or delivered upon the exercise of the NRG options, and the number 1 in such designation denotes that this is the first post-effective amendment to the Registration Statement filed with respect to such shares. This system of designation will continue to be used for any future post-effective amendments to the Registration Statement that we may file relating to shares of our common stock and which may be issued or delivered upon exercise of the NRG options, subject to the requirements of the Securities and Exchange Commission applicable from time to time.

**Item 9. Undertakings**

- (a) The undersigned registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
    - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
    - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;
    - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;
  - (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
  - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be in the initial *bona fide* offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such
