The close of business on April 11, 2003 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the meeting and at any adjournment. Each stockholder shall be entitled to one vote for each share held of record in his or her name on that date. In accordance with the By-Laws of the Company, a majority of the outstanding shares of Common Stock entitled to vote, present in person or represented by proxy at the meeting, is required to constitute a quorum for the transaction of business. The affirmative vote of a majority of the shares present shall be required to pass any measure properly presented to the meeting, except Proposal 3 which requires the affirmative vote of a majority of the outstanding shares of Common Stock and Proposal 1 which requires a plurality of the votes cast for the election of directors. Shares which abstain from voting on any matter shall be included for purposes of determining the presence of a quorum, but shall be excluded in tabulating votes cast for or against any proposal to which an abstention pertains. Abstention may not be specified on the proposal relating to the election of directors. However, votes that are withheld will be excluded entirely from the vote and have no effect. Broker non-votes will count only in the determination of a quorum.

All costs of preparing, assembling and mailing the enclosed proxy material, and any additional material which may hereafter be sent in connection with the solicitation and collection of the enclosed proxy, will be paid by the Company and no part will be paid directly or indirectly by any other person. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION;
BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The members of the Board Compensation Committee during 2002 were Messrs. Pflugfelder, DePerrior and Bloomberg. None of them is or was (a) an officer or employee of the Company or its subsidiary, or (b) an employee of an entity whose board of directors (or compensation committee) includes an executive officer of the Company or (c) an employee of a entity who directly or indirectly benefits from its transactions with the Company or (d) a family member of a person whose compensation is in any way affected by any Company executive officer.

The Compensation Committee's considerations in determining the 2002 compensation recommended to the Board for its Chief Executive Officer included the fact that Mr. Riedman is not a full-time employee of the Company and the leadership which he has provided in identifying and pursuing growth initiatives, disposing of underperforming properties, reducing the Company's indebtedness and enhancing the perception of the Company's stock, all factors directly related to the Company's performance in 2002. The Committee's recommendation was approved

Edgar Filing: PHOENIX FOOTWEAR GROUP INC - Form DEF 14A

by the Board. With Mr. Riedman becoming a full-time Chief Executive Officer on March 1, 2003, the Compensation Committee recommended to the Board that his annual compensation be increased to \$225,000 and that he be awarded a stock option for 33,333 shares to vest one-third after one year, two-thirds after two years and all after three years. The exercise price is \$6.26 per share, the market price of the Company's common stock at the close of business on March 1, 2003 and the term is 10 years. Mr. Bloomberg dissented from the Committee's recommendation as to the option. The Board approved the Committee's recommendation.

7

The Committee's compensation policies with respect to the other executive officers are similar, namely, to reward performance in achieving targeted goals for the Company as a whole or the officer's area of responsibility.

Respectfully submitted,

The Compensation Committee:
Gary E. Pflugfelder
Steven M. DePerrior
Edward Bloomberg

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Riedman Corporation, a holding company which, until January, 2000, included a commercial insurance agency, obtained property and casualty insurance for the Company. During 2000, the Company paid approximately \$162,569 for such insurance coverage. Riedman Corporation's total fees in connection with this transaction was less than approximately \$30,000.

In connection with bank financing, the Company has in the past required the guaranties of Riedman Corporation. In consideration therefor, the Board of Directors (Mr. Riedman abstaining) granted Riedman Corporation three options to purchase the Company's Common Stock. The first was granted on July 17, 1997 to purchase 25,000 shares at an exercise price of \$4.75 per share, the market price. The second and third were for 50,000 shares each. The second was granted on September 1, 1999 and has an exercise price of \$4.75 per share, \$1.00 per share more than the market price on that date. The third was granted on January 19, 2001 and has an exercise price of \$3.75 per share, the market price on that date. Each option is for 10 years.

In order to assist the Company with its working capital requirements, Mr. Riedman loaned the Company \$750,000 on April 11, 2001. The convertible note evidencing the indebtedness was due in one year and was converted in accordance with its terms into 203,804 shares of Common Stock on April 11, 2002. At the same time, Mr. Riedman was granted an option to purchase 25,000 shares for 10 years at \$3.68 per share. The Company's continuing cash requirements necessitated an increase in the Company's bank line and on June 1, 2001 Mr. Riedman guaranteed a portion thereof for which he was granted an option to purchase 50,000 shares for 10 years at \$3.50 per share, the market price of the stock on that date.

On June 1, 2001 the Board of Directors of the Company and the Retirement Committee of the Retirement Plan approved the Company's sale and the Plan's purchase of 391,297 newly issued shares of common stock at \$5.15 per share (\$2,015,180 aggregate) the "fair market price" determined by an independent

appraisal company. The shares are allocated to the accounts of Retirement Plan participants (Company employees) annually over seven years. The funds for the purchase were transferred to the Retirement Plan from surplus funds remaining after termination of the pension plan of the Company's subsidiary, Penobscot Shoe Company. Messrs. Riedman and DePerrior are members of the Retirement Committee which has the right to vote the Retirement Plan's shares which total 418,501.

PROPOSAL 2 -- RATIFICATION OF THE SELECTION OF AUDITORS

The Company's consolidated financial statements for the year ended December 31, 2002 were audited by Deloitte & Touche LLP ("Deloitte"), independent certified public accountants. Deloitte (or a predecessor firm) has served as the

Edgar Filing: PHOENIX FOOTWEAR GROUP INC - Form DEF 14A

Company's independent auditors since 1973. The Board of Directors, on the recommendation of the Audit Committee, has appointed Deloitte as the independent auditors of the Company for 2003, subject to ratification by the stockholders.

A representative of Deloitte will be present at the meeting to answer questions and make a statement if he desires to do so.

The Board of Directors recommends a vote FOR the ratification of its selection of Deloitte & Touche LLP as the Company's independent auditors. In the event that stockholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee and the Board of Directors.

Deloitte has provided the Committee with the written disclosures and letter required by Independent Standards Board Statement No. 1 and the Committee has discussed with Deloitte, Deloitte's independence. Based on the review and discussions mentioned, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for 2002 for filing with the Securities Exchange Commission.

Respectfully submitted,

The Audit Committee:

ALL OTHER FEES

The aggregate fees billed by Deloitte for services rendered to the Company, other than the services for which "Audit Fees" and "IT Fees" were charged for the fiscal year ended December 31, 2002 were \$87,372, including audit related services of approximately \$5,800 and non-audit services of \$81,572. Audit related services include audits of employee benefit plans.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

PROPOSAL 3 -- AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED SHARES OF COMMON STOCK

On February 28, 2003, the Board unanimously approved a resolution, subject to stockholder approval, to amend Paragraph 4 of the Company's Certificate of Incorporation ("Certificate") to increase the number of authorized shares of common stock from 6,000,000 to 50,000,000 and to increase the number of authorized shares of preferred stock from 1,000 to 500,000. The affirmative vote of holders of a majority of the outstanding shares of common stock entitled to vote is required to adopt the proposed amendment. The amendment, if approved by the stockholders, will take effect at the close of business on May 22, 2003.

The Board of Directors recommends a vote FOR approval of the amendment, a copy of which is attached as Exhibit A.

The Company presently is authorized to issue 6,000,000 shares of common stock having a par value of \$.01 per share. As of March 28, 2003, there were 2,147,098 shares of common stock issued and outstanding. Of the remaining shares, 421,328 shares are reserved for unexercised options [200,000 to Mr. Riedman, Riedman Corporation and another (see "Security Ownership of Certain Beneficial Owners and Management")] and 221,328 to employees and directors under the Company's Long-Term Incentive Plan (the "Plan")] and 62,922 shares are reserved for future grants under the Plan.

The Board also approved on February 28, 2003 a two-for-one split of the Company's common stock, par value \$.01 per share, subject to the stockholders' approval of the Proposal to increase authorized shares. If Proposal 3 is approved, stockholders of record on a date to be selected by the Executive Committee shall be entitled to receive stock certificates representing one share of common stock for each share held by them on the record date. Certificates would be mailed shortly thereafter.

The purpose of the amendment is to provide the Company with additional shares of common stock which may be made available for future financing and acquisition transactions, stock dividends or splits, employee benefit plans and other general corporate purposes. If the amendment is approved, the Company also will have greater flexibility in the future to issue shares in excess of those presently authorized, without the expense and delay of a special stockholders meeting.

Except in connection with its stock option plans discussed above, the Company currently has no arrangements or understandings for the issuance of additional shares of common stock and, as set forth in the

Company's Certificate, no holder of common stock has any preemptive right with respect to the common stock. If the Board deems it in the best interests of the

Edgar Filing: PHOENIX FOOTWEAR GROUP INC - Form DEF 14A

Company and the stockholders to issue additional shares of common stock in the future, the Board will have the authority to determine the terms of the issuance and, generally, would not seek further authorization by vote of the stockholders unless such authorization is required by applicable law or regulations.

Should the Board desire to issue additional shares of common stock in the future, such issuance of additional shares could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Company's Board. The Company has no knowledge that any person intends to effect such a transaction.

PROPOSAL 4 -- AMENDMENT TO THE COMPANY'S 2001 LONG-TERM INCENTIVE PLAN TO INCREASE SHARES OF COMMON STOCK RESERVED FOR AWARDS

On February 28, 2003 the Board of Directors unanimously approved a resolution, subject to stockholder approval, to amend Section 4(a) of the Company's 2001 Long-Term Incentive Plan (the "Plan") to increase from 300,000 to 500,000 the number of shares of Common Stock which may be awarded thereunder. As of March 28, 2003, options to purchase 221,328 shares are outstanding and 62,922 shares remain available for future awards. Management believes that more shares are needed for it to provide adequate incentives to more employees and to afford it flexibility in negotiating terms of possible acquisitions.

The Board of Directors recommends a vote FOR approval of the amendment to the Plan to increase from 300,000 to 500,000 the number of shares of common stock which an be awarded thereunder.

PROPOSALS FOR NEXT ANNUAL MEETING

A stockholder proposal submitted for inclusion in the proxy and proxy statement relating to the next Annual Meeting of Stockholders of the Company must be received by the Company no later than December 28, 2003.

STOCKHOLDERS OF RECORD AS OF THE CLOSE OF BUSINESS ON APRIL 11, 2003 AND BENEFICIAL OWNERS OF THE COMPANY'S COMMON STOCK ARE ENTITLED TO RECEIVE A COPY WITHOUT CHARGE OF THE COMPANY'S 2002 ANNUAL REPORT TO THE SEC ON FORM 10-K.
