

GENERAL ELECTRIC CAPITAL CORP

Form 424B2

March 28, 2005

PROSPECTUS

General Electric Capital Corporation

\$12,000,000,000 Variable Denomination Floating Rate Demand Notes

The GE Interest Plus Notes (the Notes) are designed to provide you with a convenient means of investing funds directly with General Electric Capital Corporation (GE Capital). The Notes will pay interest above the average rate of taxable U.S. money market funds. The Notes are not a money market fund, in which investors purchase an equity interest in a diversified fund consisting of investments in short term debt securities of many companies. The initial interest rate applicable to the Notes and all subsequent changes to the initial interest rate will be disclosed in pricing supplements filed with the SEC in accordance with Rule 424(b) under the Securities Act of 1933.

An investment in the Notes involves risks. You should carefully consider the following risk factors, as well as the other information contained or incorporated by reference in this prospectus.

We reserve the right to modify, withdraw, or cancel the offer made by this prospectus at any time.

The Notes are not equivalent to a deposit or other bank account and are not subject to the protection of the Federal Deposit Insurance Corporation or any other insurance. The Notes are not a brokerage account with GECC Capital Markets Group, Inc. or any other broker/dealer and are not protected by the Securities Investor Protection Corporation under the Securities Investors Protection Act of 1970.

The Notes are not a money market fund, in which investors purchase an equity interest in a diversified fund consisting of investments in short term debt securities of many companies, and are not subject to the requirements of the Investment Company Act of 1940 (including diversification of investments) or the Employee Retirement Income Security Act of 1974, as amended.

All investments in the Notes are senior, unsecured obligations of GE Capital and are not obligations of or guaranteed by General Electric Company, the Agent Bank or any other company. It is possible to lose money if GE Capital is unable to pay its debts.

The weekly interest rate on investments in the Notes may not provide a basis for comparison with other investments which use a different method of calculating a variable yield or which pay a fixed yield for a stated period of time. The all-in return may also vary between this and other investments based on the frequency of reinvestment of interest earned. See The GE Interest Plus Notes Interest below for a detailed description of how interest is calculated and paid.

The Notes are not listed on any securities exchange and there is no secondary market for the Notes.

For information regarding the GE Interest Plus Notes, please call 1-800-433-4480 or access our website at www.geinterestplus.com.

Please read this prospectus carefully and retain for future reference.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

The Notes are offered through GECC Capital Markets Group, Inc., as agent.

The date of this Prospectus is March 24, 2005

WHERE YOU CAN GET MORE

INFORMATION ON GE CAPITAL

The Notes are a debt instrument of GE Capital and only GE Capital's assets are available to pay the principal and interest payable on the Notes. GE Capital files annual, quarterly and current reports with the SEC. You can learn more information about GE Capital by reading these reports. You may read and copy any document we file with the SEC at the SEC's Public Reference Room at 450 Fifth Street N.W., Washington, D.C., 20549. You may obtain information on the operation of the Public Reference Room by calling the SEC at 1-800-SEC-0330. Our SEC filings are also accessible through the Internet at the SEC's website at <http://www.sec.gov>.

The SEC allows us to incorporate by reference into this prospectus the information in documents we file with it, which means that we can disclose important information to you by referring you to those documents. The information incorporated by reference is considered to be a part of this prospectus, and information that we file later with the SEC will automatically update and supersede information contained in documents filed earlier with the SEC or contained in this prospectus. We incorporate by reference the document listed below and any future filings and all filings after the date of the initial registration statement and prior to effectiveness of the registration statement we make with the SEC under Sections 13(a), 13(c), 14, or 15(d) of the Securities Exchange Act of 1934, as amended, until we sell all the securities that may be offered by this prospectus; provided, however, that we are not incorporating any information furnished to the SEC under either Item 2.02 or Item 7.01 of any Current Report on Form 8-K unless, and except to the extent, specified in any such Current Report on Form 8-K:

- (i) GE Capital's Annual Report on Form 10-K for the year ended December 31, 2004.

THE GE INTEREST PLUS NOTES

Interest

The Notes will have no stated maturity and will earn interest at floating rates, to be determined by the GE Interest Plus Committee. The rate of interest on the Notes will always be greater than the most recent seven-day average yield (non-compounded) for taxable money market funds in the United States as published in Money Fund Report^{TM*}, a service of iMoneyNet, Inc. (formerly IBC Financial Data, Inc.). The Notes are not a money market fund, in which investors purchase an equity interest in a diversified fund consisting of investments in short term debt securities of many companies. Rates vary by an investor's principal amount of Notes or other factors as determined by the GE Interest Plus Committee. Interest on the Notes will accrue daily. The rate of interest paid for any period on the Notes is not an indication or representation of future rates. Accrued interest will be credited and automatically reinvested in additional Notes monthly and will begin to accrue interest on the first day following the date of such reinvestment. If in any week the Money Fund ReportTM is not available or publication of such seven-day average yield is suspended, the seven-day average yield at such time shall be an approximately equivalent rate determined by the GE Interest Plus Committee.

Fees

There are no maintenance fees or charges for check redemptions, no sales loads, and no charges for investing or for ongoing management. There are fees for checks returned for insufficient funds, wire redemptions, stop payment requests, checks written for less than the \$250 minimum requirement, and other unusual services, which will be directly debited from the aggregate principal amount of your Notes.

Investor Statements

You will receive regular statements (via mail or electronically) showing a summary of all of your transactions in the Notes, interest earned, the principal amount of Notes held by you at the open and close of the period, and other important information. Redemption checks on which payment has been made will not be returned to you, but the check number, date of payment and the amount of each check will be indicated on your statement. However, if you have established on-line access, you may view redemption check images on-line at the GE Interest Plus website.

* Money Fund Report is a registered trademark of iMoneyNet, Inc. and is published weekly. Money Fund Report states that the yield information obtained from the money market funds is screened by the publisher, but no guarantee of the accuracy of the information contained therein is made by iMoneyNet, Inc.

Initial Investment Incentives

We may from time to time offer marketing incentives to certain investors making an initial investment in the Notes, depending on the amount of the initial investment and/or enrollment in an automatic investment option or certain payroll deduction programs. These incentives have in the past, and may in the future, include offers to issue to initial investors an additional principal amount of Notes. Whether these or other incentives will be available at any time will be determined by the GE Interest Plus Committee in its sole discretion and will be disclosed in pricing supplements filed with the SEC in accordance with Rule 424(b) under the Securities Act of 1933.

Agent Bank and Servicing Agent

We have engaged Union Federal Bank of Indianapolis to process funds receipts and disbursements and related services. We refer to Union Federal Bank of Indianapolis as the Agent Bank in this prospectus. We have also engaged BISYS, Inc. to perform recordkeeping, investor servicing and other services in connection with the Notes. We refer to BISYS, Inc. as the Servicing Agent. For these services, we pay the Agent Bank and the Servicing Agent an administrative fee.

How to Invest

To invest in the Notes, complete an application and enclose a check for your initial investment (or, if applicable, a GE payroll deduction card). Currently, the minimum initial investment is \$500, or \$250 if you enroll in the Auto Invest service. If the principal amount of your Notes falls below these minimum investment levels, we reserve the right to redeem your Notes and return the proceeds to you, or deduct a monthly maintenance fee from the principal amount of your Notes.

After your initial investment in the Notes, you may invest in additional Notes at any time, without charge, by any of the following methods:

BY QUICK INVEST. If you indicated on your application that you wish to participate in the Quick Invest service, you may instruct the Servicing Agent by telephone at any time during regular business hours to withdraw any amount of funds (minimum \$25) from your pre-designated bank account and invest the funds in additional Notes through an electronic automated clearinghouse (ACH) transfer. To set up Quick Invest, you must have provided us with a voided blank check to verify your checking account. Your investment will be made and interest will begin to accrue on the same day your money is transferred. Investments made by ACH cannot be redeemed until the later of (1) three business days after the electronic transfer is first completed or (2) when the electronic transfer clears.

BY AUTO INVEST (automatic monthly investment from a bank account). You may withdraw a fixed amount from your checking account on a monthly basis through an ACH transfer (minimum \$25) and use the funds to invest in additional Notes. To set up Auto Invest, you must provide us with a voided blank check to verify your checking account. Your investment will be made and

interest will begin to accrue on the same day your money is transferred. Investments made by ACH cannot be redeemed until the later of (1) three business days after the electronic transfer is completed or (2) when the electronic transfer clears.

BY CHECK MAILED TO AGENT BANK. Mail your investment to: GE Interest Plus, P.O. Box 6293, Indianapolis, Indiana 46206-6293. Your investment will be made and interest will begin to accrue on the first business day that the Agent Bank's processing unit receives your check provided that the check is received prior to 3:00 p.m. Eastern Time. Investments made by check cannot be redeemed until the later of (1) twelve business days after the check is first invested in the Notes or (2) when the check clears. Third party checks, foreign checks, credit card checks, cash and traveler's checks are not acceptable.

BY WIRE TRANSFER. Wire funds to GE Interest Plus, Union Federal Bank, Indianapolis, IN, ABA No. 274070442. Include your name and account number in the wire instruction. Your investment will be made and you will begin earning interest on the same business day the wire is received provided that the funds have been received by 2:30 p.m. Eastern Time. Investments made by wire transfer can be redeemed one business day after the date of credit.

BY DIRECT INVESTMENT OF YOUR PAYROLL, PENSION OR SOCIAL SECURITY CHECK. You may instruct your employer or the Social Security Administration, as appropriate, to invest your entire payroll, pension or social security check directly in the Notes. Your investment will begin to accrue interest on the day it is transferred for investment in the Notes. Investments made in this manner can be redeemed one business day after the date of credit.

BY PAYROLL DEDUCTION. General Electric Company, its subsidiaries, and certain other companies allow employees to have a fixed amount deducted from each paycheck (minimum \$25) and invested in the Notes. (GE employees who invest in the Notes and elect payroll deduction do not need to make any initial investment). Your investment will begin to accrue interest on the business day it is transferred for investment in the Notes. Investments made by payroll deduction can be redeemed one business day after the date of credit.

All investments must be made in U.S. dollars drawn on a U.S. bank. You may change or terminate your investments by payroll deduction or other automatic investment at any time.

For purposes of investments in the Notes, a business day is a day on which both the Agent Bank and the Federal Reserve Bank of Chicago are fully open for business.

How To Redeem

You may redeem any part of your Notes at any time as described below. Interest on redeemed investments will accrue to, but not including, the date of redemption. You may redeem all of your Notes only by use of the written redemption option described below. Checks will be mailed to you automatically shortly after you make an initial investment in the Notes.

REDEMPTION BY CHECK. You may make redemption checks payable to anyone in the amount of \$250 or more. If the amount of the redemption check is less than \$250, the check will be honored, but a fee of \$10 will be debited from the principal amount of your Notes by the Agent Bank. If the amount of the redemption check is greater than the principal amount of your Notes, the check will not be honored and we will deduct from the principal amount of your Notes a returned check fee, in an amount periodically determined by the GE Interest Plus Committee (currently \$20). Generally, your redemption will be made on the day the Agent Bank's processing unit receives your redemption check for payment. Even if your Notes are held jointly with someone else, only one signature will be required on a redemption check unless you have otherwise specified. The check redemption feature does not create a deposit or a banking relationship with the Agent Bank, GE Capital or General Electric Company.

WRITTEN REDEMPTION. You may redeem any part of or all of your Notes by written request, including the signatures of all registered owners (including joint owners) of the Notes. A check, payable to the registered owners, for the requested amount (or in an amount equal to the principal amount of your Notes if you are redeeming all of your Notes) will be mailed to the registered noteholder's address.

WIRE REDEMPTION. You can redeem any part of your Notes, subject to a \$2,500 minimum, by wire transfer if you have pre-authorized the wire redemption option. Wire redemption proceeds can only be wired to the U.S. bank account you have designated on your application. To change this designation, a written request signed by all registered owners of the Notes, with all signatures guaranteed by a financial institution that is a member of the Securities Transfer Agents Medallion Program 2000 (STAMP 2000), for example, a brokerage firm, commercial bank or other financial institution, must be submitted to the Agent Bank. Funds will be wired on the same business day as the receipt of your wire redemption request, provided that your request is received by the Agent Bank by 12:00 noon Eastern Time. Wire redemption requests received after 12:00 noon Eastern Time on any business day will be processed on the next business day. If your designated bank is not a member of the Federal Reserve system, there may be a delay in wiring funds. Each wire transfer will incur a processing charge of \$15 from the Agent Bank, and may also incur an additional charge from your bank or financial institution. The Agent Bank's records of the wire instructions are binding.

GE Interest Plus Committee

The GE Interest Plus Committee consists of officers of GE Capital designated by our Board of Directors. The Committee has the full power and authority to amend procedures and options for investing in and redeeming the Notes as described below under Termination, Suspension, or Modification. The Committee may also interpret applicable provisions, adopt rules and regulations and make certain determinations regarding the Notes. The members of the Committee are our

Vice Chairman and Chief Financial Officer, our Senior Vice President, Corporate Treasury and Global Funding Operation and one of our Vice Presidents and Assistant Treasurers.

Alternate members of the Committee may also serve from time to time. Members of the Committee receive no additional compensation for Committee services.

Termination, Suspension or Modification

We expect that you will be able to invest in the Notes indefinitely, but we reserve the right at any time to suspend or terminate the Notes offering entirely, or from time to time to modify the procedures for investing in or redeeming the Notes in part. We also reserve the right to modify, suspend or terminate particular investment options and redemption methods described above under How To Invest and How To Redeem. Written notice of any material modification, suspension or termination will be provided to you at least fifteen calendar days prior to the effective date. See Certain Terms Of The Notes Modification Of The Indenture.

Taxes

Investments in Notes are only open for accounts that are taxable for U.S. Federal income purposes.

Interest accrued and reinvested in Notes is taxable in the year in which such interest is accrued and reinvested. The amount of any investment incentive you receive will be reported as interest income. No part of such interest is excludible from taxable income. Backup withholding and information reporting requirements may apply to certain non-corporate U.S. holders. The interest income also may be subject to taxation by some state and local governments. Holders of Notes that are individuals will receive a statement from the Servicing Agent each year that states the full amount reported to the Internal Revenue Service as taxable income.

Withholding tax may apply to certain non-U.S. persons unless certain certifications or statements are provided to the Servicing Agent and certain other requirements are satisfied. Information reporting and backup withholding generally will not apply to payments made to non-U.S. persons provided the Issuer receives certain certifications or statements.

The U.S. Federal income tax discussion set forth above is included for general information only and may not be applicable depending upon a holder's particular situation. Holders should consult their own tax advisors with respect to the tax consequences to them of the ownership and disposition of the Notes, including the tax consequences under state, local, foreign and other tax laws and the possible effects of changes in federal or other tax laws.

GE CAPITAL

GE Capital was incorporated in 1943 in the State of New York, under the provisions of the New York Banking Law relating to investment companies, as successor to General Electric Contracts Corporation, which was formed in 1932. Until November 1987, our name was General Electric Credit Corporation. On July 2, 2001, we changed our state of incorporation to Delaware. All of our outstanding common stock is owned by General Electric Capital Services, Inc., the common stock of which is in turn wholly owned, directly or indirectly, by General Electric Company (GE Company). Financing and services offered by us are diversified, a significant change from the original business of GE Capital, that is, financing distribution and sale of consumer and other GE Company products. GE Company manufactures few of the products financed by us.

We operate in four key operating segments: GE Commercial Finance, GE Consumer Finance, GE Insurance and GE Equipment and Other Services. GE Capital's principal executive offices are located at 260 Long Ridge Road, Stamford, CT 06927, telephone number (203) 357-4000. At December 31, 2004, our employment totaled approximately 76,300.

CONSOLIDATED RATIO OF EARNINGS TO FIXED CHARGES OF GE CAPITAL

| Year Ended December 31, | | | | |
|-------------------------|------|------|------|------|
| 2000 | 2001 | 2002 | 2003 | 2004 |
| 1.52 | 1.72 | 1.65 | 1.83 | 1.87 |

For purposes of computing the consolidated ratio of earnings to fixed charges, earnings consist of net earnings adjusted for the provision for income taxes, minority interest and fixed charges. Fixed charges consist of interest and discount on all indebtedness and one-third of rentals, which we believe is a reasonable approximation of the interest factor of such rentals.

USE OF PROCEEDS

The net proceeds from the sale of the Notes will be added to the general funds of GE Capital and will be available for financing our operations.

CERTAIN TERMS OF THE NOTES

The Notes are issued under an Amended and Restated Indenture dated as of January 25, 2001, between GE Capital and JPMorgan Chase Bank, N.A. The statements under this heading are subject to the detailed provisions of the Indenture, a copy of which is an exhibit to the Registration Statements filed with the SEC covering the offering of Notes. Wherever particular provisions of the Indenture or terms defined therein are referred to, such provisions or definitions are incorporated by reference as a part of the statements made and the statements are qualified in their entirety by such reference.

General

The Notes are issuable in any amount and will mature on demand by you. The Notes are unsecured and rank equally and ratably with all other unsecured and unsubordinated indebtedness of GE Capital. GE Capital has outstanding approximately \$327,268 million in senior, unsecured debt obligations as of December 31, 2004, that rank equally with the Notes. GE Capital has not issued any secured debt or securities that have priority over the Notes. Neither the Indenture, nor any other instrument to which GE Capital is a party, limits the principal amount of the Notes or any other indebtedness of GE Capital that may be issued. The Notes will not be subject to any sinking fund. The Notes will be issued in uncertificated form and you will not receive any certificate or other instrument evidencing the Notes other than the confirmation of your initial investment and periodic statements sent to you. All funds invested in Notes, together with interest accrued thereon, and redemptions, if any, will be recorded on a register maintained by the Servicing Agent.

Optional Redemption by GE Capital

We may redeem, at any time at our option, all or any part of the Notes. Any partial redemption of Notes will be effected by lot, or pro rata, or by any other method that is deemed fair and appropriate by the trustee for the Notes, except that we may redeem all of the Notes not meeting guidelines established from time to time by the GE Interest Plus Committee. We will give at least 30 days prior written notice to you if we decide to redeem your Notes. The Notes (or portion thereof) being so redeemed, plus accrued and unpaid interest thereon to, but not including, the date of redemption, will be paid by check to the registered holder of the Notes, less any tax withholding, if applicable. Interest on the redeemed amount shall cease to accrue on and after the effective date of redemption.

Modification of the Indenture

The Indenture permits us and the trustee for the Notes, with the consent of the holders of not less than 66 2/3% in aggregate principal amount of the Notes at the time outstanding:

to add any provisions to or change in any manner or eliminate any of the provisions of the Indenture, or

to modify in any manner the rights of the holders of Notes.

However, the Indenture provides that, unless each holder agrees, we cannot:

change the character of the Notes from being payable upon demand,

reduce the principal amount of any Note, or

reduce the 66 2/3 percentage of the aggregate principal amount of Notes needed to make any addition or modification.

Events of Default

An event of default with respect to the Notes is defined in the Indenture as being:

default for 20 days in payment of any principal or interest on any Note which is not due to administrative error. An administrative error shall not be considered an event of default unless such error shall have continued uncorrected for a period of 30 days after written notice to the Agent Bank and the trustee for the Notes (with a copy to GE Capital). The trustee for the Notes will be the sole judge of whether an administrative error has been corrected;

default for 60 days after written notice to GE Capital in the performance of any other covenant with respect to the Notes; or

certain events of bankruptcy, insolvency or reorganization.

Each year, the Indenture requires us to file with the trustee for the Notes a written statement as to the presence or absence of certain defaults under the Indenture. The trustee for the Notes shall, within 90 days after the occurrence of a default in respect of the Notes, give to the holders thereof notice of all uncured and unwaived defaults known to it (the term default to mean the events specified above without grace periods). The trustee for the Notes shall be protected in withholding such notice if it in good faith determines that the withholding of such notice is in the interests of the holders of the Notes except in the case of default in the payment of principal or interest on any of the Notes. The Indenture provides that during the continuance of an event of default, either the trustee for the Notes or the holders of 25% in aggregate principal amount of the outstanding Notes may declare the principal of all such Notes to be due and payable immediately. However, under certain conditions such declaration may be annulled by the holders of a majority in principal amount of such Notes then outstanding. The holders of a majority in principal amount of Notes then outstanding may also waive on behalf of all holders past defaults with respect to the Notes except, unless previously cured, a default in payment of principal of or interest on any of the Notes.

Concerning the Trustee

The trustee for the Notes acts as trustee under several other indentures with GE Capital, pursuant to which a number of series of senior, unsecured notes of GE Capital are presently outstanding.

PLAN OF DISTRIBUTION

The Notes are offered in the United States only, on a continuing basis through GECC Capital Markets Group, Inc., a wholly owned subsidiary of GE Capital, acting as agent. No commissions will be paid to such agent for any sales of the Notes. We will pay the agent's expenses incurred in connection with the offering of the Notes. GECC Capital Markets Group, Inc. may be deemed to be an underwriter within the meaning of the Securities Act of 1933, as amended (the Securities Act). We have agreed to indemnify the agent against certain liabilities, including liabilities under the Securities Act, or to contribute to payments that they may be required to make in connection with such indemnification. We also may from time to time designate other agents through whom Notes may be offered.

The Notes are being offered only to persons whose registered addresses are in the United States. If at any time your registered address is outside of the United States, we may redeem all of your Notes. See Certain Terms Of The Notes Optional Redemption By GE Capital. We reserve the right to withdraw, cancel or modify the offer to sell Notes at any time. We have the sole right to accept offers to purchase Notes and may reject any proposed purchase of Notes in whole, or in part.

NASD Regulations

GECC Capital Markets Group, Inc. is an affiliate of GE Capital and participates as an agent in the distribution of the securities issued pursuant to this prospectus. Rule 2720 of the Conduct Rules of the National Association of Securities Dealers, Inc. imposes certain requirements when a NASD member such as GECC Capital Markets Group, Inc. distributes an affiliated company's securities. As a result, we will conduct any offering in which GECC Capital Markets Group, Inc. acts as agent in compliance with the applicable requirements of Rule 2720.

NASD rules require that the maximum compensation we will pay to underwriters in connection with any offering of the securities will not exceed 8% of the maximum proceeds of such offering. As previously noted, we will not pay GECC Capital Markets Group, Inc. any commissions relating to sales of the Notes, although we will pay expenses incurred in connection with such sales. All post-effective amendments relating to the offering of securities will be submitted to the NASD Corporate Financing Department at the same time they are filed with the SEC. The NASD Corporate Financing Department will be advised if any of our 5% or greater shareholders is or becomes an affiliate or associated person of an NASD member participating in the distribution of such securities. All NASD members participating in offerings of the securities understand the requirements that have to be met in connection with SEC Rule 415 and Notice to Members 88-101.

LEGAL OPINION

Alan M. Green, General Counsel, Corporate Treasury and Assistant Secretary of GE Capital will provide an opinion for us regarding the validity of the Notes. Mr. Green beneficially owns or has rights to acquire an aggregate of less than 0.01% of GE Company's common stock.

EXPERTS

The consolidated financial statements and schedule of GECC as of December 31, 2004 and 2003, and for each of the years in the three-year period ended December 31, 2004, and management's assessment of the effectiveness of internal control over financial reporting as of December 31, 2004 incorporated herein by reference from GECC's Annual Report on Form 10-K for the year ended December 31, 2004 have been so incorporated by reference herein in reliance upon the report, also incorporated by reference herein, of KPMG LLP, an independent registered public accounting firm, and upon the authority of said firm as experts in accounting and auditing.

You should rely only on the information contained in this document or that we have referred you to. We have not authorized anyone else to provide you with information that is different. We are not making an offer of these Notes in any state where the offer is not permitted. The information in this document is current only as of the date of this document, regardless of the time of delivery of this document or any sale of the Notes.
