We believe that each member of the audit committee is financially literate and possesses sufficient experience, both professionally and by virtue of his service as a director and member of the audit committee of API, to be fully capable of discharging his duties as a member of our audit committee. However, none of the members of our audit committee has a professional background in accounting or preparing, auditing, analyzing or evaluating financial statements. If our audit committee determines that it requires additional financial expertise, it will either engage professional advisers or seek to recruit a member who would qualify as an audit committee financial expert within the meaning of Item 401(h) of Regulation S-K.
