The Board also appointed Mr. Homi Khusrokhhan and Mr. Partho Datta as special advisors to the Board, to assist in the management and finance areas, respectively. Mr. Khusrokhhan is currently retired but continues to serve in a non-executive capacity on the boards of directors of Rallis India Ltd., a publicly listed company in India, and in three private companies, Khet-Se Agri Produce India (Private) Ltd., Advinus Therapeutics (Private) Ltd. and Indigene Pharmaceuticals, Inc. Mr. Khusrokhhan was formerly a Managing Director of Tata Chemicals Ltd. from October 2006 to December 2008, Tata Tea Ltd. from 2001 to 2004, Glaxo Laboratories (India) Ltd. from 1996 to 2000 and Burroughs Wellcome (India) Ltd. from 1995 to 2000, a President of the Organization of Pharmaceutical Producers of India from 1996 to 2000 and a Vice President of the Bombay Chamber of Commerce and Industry from 1999 to 2000. Mr. Datta is a finance professional with over 33 years of corporate experience, including serving at Murugappa Group of Chennai from 1998 to December 2006, most recently as Group Director Finance and a member of the Group Supervisory Board, and at Indian Aluminium Company Limited (Indal) from 1973 to 1998, most recently as Director and Chief Financial Officer.

The Board determined that it would be in the best interest of the Company, its shareholders, employees and other stakeholders to identify an investor to provide capital to, and take control of, the Company. On February 17, 2009, the Company applied to the CLB to do so. On February 19, 2009, the Company received the approval of the CLB (the ***CLB Order***) to (i) select a new investor to become a controlling shareholder of the Company and (ii) increase the authorized share capital of the Company and issue new Shares to the investor without seeking the consent of the shareholders of the Company which would have been otherwise required.

On February 21, 2009, the Board accepted the resignation of PW as the Company's statutory auditors, effective immediately. The Company remains in the process of selecting new statutory auditors.

On March 3, 2009, the Company received in-principle approval from SEBI to facilitate a global competitive bidding process (the ***Competitive Bidding Process***) which, subject to receipt of all approvals, and in accordance with the CLB Order and under the direction of the Board, contemplated the selection of an investor to acquire a 51% ownership interest in the Company. Based on SEBI's in-principle approval granting relaxations/exemptions from certain requirements under Indian law, on March 9, 2009, the Company commenced the Competitive Bidding Process and invited all interested bidders to register their interest by March 12, 2009 by way of a simple electronic registration process.

The Board was of the view that the Competitive Bidding Process should be overseen by a retired Supreme Court judge or a former Chief Justice of India. The CLB in its order dated February 19, 2009 had also approved the Competitive Bidding Process subject to it being overseen by a retired Supreme Court judge or a former Chief Justice of India. Accordingly, the Board requested that the Former Chief Justice of India, Mr. Justice S.P. Bharucha, oversee and

guide the Board throughout the selection process, which Mr. Justice S.P. Bharucha agreed to do. The Board met with Mr. Justice S.P. Bharucha on March 11, 2009 and discussed the proposed process for the induction of a strategic investor. All aspects of the Competitive Bidding Process were finalized by the Board in consultation with Mr. Justice S.P. Bharucha through this and subsequent meetings and discussions between the Board and Mr. Justice S.P. Bharucha.

On March 13, 2009, with a total of 141 bidders having been registered through the electronic registration process, the Company announced that it had received adequate response from Indian and international bidders, including private equity firms, and that it was releasing a request for proposal to all registered bidders. Under the procedure for the Competitive Bidding Process, interested bidders at this point were required to submit an Expression of Interest (*EOI*) along with proof of funds of Rs. 15.00 billion (US\$290 million based on an exchange rate of Rs. 51.635 to US\$1.00) by March 20, 2009. Bidders who submitted compliant EOIs and provided satisfactory proof of funds (the *Second Round Bidders*) were then eligible to move on to the next stage of the Competitive Bidding Process. There were seven Second Round Bidders.

On March 23, 2009, the Second Round Bidders were sent a bid process letter setting forth the next steps in the Competitive Bidding Process. At this stage, the Second Round Bidders were required to execute certain pre-transaction documents, including a non-disclosure and non-solicitation agreement and a standstill agreement, and provide a performance guarantee for Rs. 50 million (US\$1.0 million) in order to be given access to certain data and information regarding the Company to enable them to submit technical and financial bids. Three of the Second Round Bidders fulfilled these requirements and went on to submit technical and financial bids in the final step of the Competitive Bidding Process: (a) Venturbay; (b) L&T EmSyS Private Limited (*L&T*), a wholly owned subsidiary of Larsen & Toubro Limited; and (c) a consortium of WL Ross funds (the *WL Ross Funds*) comprising the India Asset Recovery Fund Limited and Solaris Mauritius. Venturbay, L&T and the WL Ross Funds are together referred to herein as the *Final Bidders*.

On March 24, 2009, the Company submitted a letter to SEBI setting forth the procedures of the Competitive Bidding Process to be followed by the Company in order to select an investor as well as the in-principle exemptions/relaxations granted by SEBI from applicable SEBI regulations and guidelines. On April 2, 2009, the Company submitted a letter to SEBI relating to a slight modification in the bidding process to be followed by the Company to select an investor.

Commencing March 25, 2009, the three Final Bidders and their persons acting in concert were given access to certain data and information relating to the Company.

On April 13, 2009, the three Final Bidders submitted their technical and financial bids. The Board, under the supervision of Mr. Justice S.P. Bharucha, first evaluated the technical bids based on predetermined criteria previously notified to the bidders. The technical criteria covered information on the bidder, its promoters (if any) and persons acting in concert. The technical criteria included:

corporate governance and management track record;

Table of Contents

corporate behavior record, including corporate social responsibility policies and information pertaining to past conduct in companies managed by the bidder;

organizational ability and experience in owning, operating and managing IT companies, global companies of the scale and scope of the Company and distressed companies;

track record in managing distressed companies;

revenues and profitability from Indian and overseas operations; and

strategic plan for the Company.

After evaluating each bidder's technical bid and determining that each bidder qualified, the Board and Mr. Justice S.P. Bharucha proceeded to the next round that would evaluate the financial bids of each of the qualified bidders and rank them based on price. The qualified bidders and the prices they offered in their financial bids were as follows:

Venturbay, with a bid of Rs. 58 (US\$1.16) per Share;

L&T, with a bid of Rs. 45.90 (US\$0.91) per Share; and

The WL Ross Funds, with a bid of Rs. 20 (US\$0.50) per Share.

Venturbay's bid was determined to be the highest. Since there was no bid within at least 90% of Venturbay's bid, under the bidding process established in advance there were no further rounds of bidding. The Board verified Venturbay's sources of funding, found Venturbay's bid and its sources of funding to be satisfactory and in the interests of the Company and declared Venturbay as the highest bidder to acquire a controlling interest in the Company, subject to the approval of the CLB.

Upon the Board's declaration of Venturbay as the highest bidder, the Company, Venturbay and Tech Mahindra executed the Share Subscription Agreement. See Item 3 for a description of the terms of the Share Subscription Agreement. Simultaneously, the Company, Venturbay, Tech Mahindra and The Hong Kong and Shanghai Banking Corporation Limited executed an escrow agreement dated April 13, 2009 (the ***Escrow Agreement***) in connection with the holding in escrow and release of the subscription amount for the Initial Allotment.

On April 14, 2009, the Company applied to NYSE Euronext, the regulated market of Euronext Amsterdam (***Euronext Amsterdam***), for delisting of its ADSs (the ADSs were at that time listed on Euronext Amsterdam). This application was made after discussions with counsel and regulators in The Netherlands indicated that there may not be sufficient time available to obtain exemptive relief from the Dutch takeover rules applicable to the Open Public Offer from Dutch regulators to enable the Open Public Offer to be conducted according to the timetable required by Indian law following the Initial Allotment. Given the regulatory process in India, the Company's urgent need for the proceeds from the Initial Allotment, and the potential delay in

obtaining exemptive relief from Dutch regulators that could have delayed the commencement of the Open Public Offer and, in turn, the Initial Allotment, the Company determined that it was in the best interests of its shareholders to delist its ADSs from Euronext Amsterdam to avoid the application of the Dutch takeover rules to the Open Public Offer. In making this decision, the Company considered that the interests of holders of ADSs through Euroclear Nederland (*ECN Holders*) were safeguarded through the applicability of the Indian takeover rules and U.S. tender offer rules to the Open Public Offer, the continued listing of the ADSs on the NYSE and the underlying Shares on the BSE and NSE, and the ability of ECN Holders to participate in the Open Public Offer on such terms and conditions as are at least equal to those that apply to holders of ADSs through the Depository Trust Company who participate. The delisting application was approved by Euronext Amsterdam on April 17, 2009 and the delisting became effective on May 20, 2009 (the last day of trading for the ADSs on Euronext Amsterdam was May 19, 2009).

On April 15, 2009, the Company filed an application with the CLB seeking its approval in connection with the selection of the highest bidder and confirmation of the highest bidder as the successful bidder and certain other matters, including, but not limited to, the Initial Allotment to Venturbay, the appointment of Mr. C.P. Gurnani, Mr. Sanjay Kalra, Mr. Vineet Nayyar and Mr. Ulhas Yargop as Venturbay's nominees to the Board and certain other matters in respect of the statutory filings to be made by the Company.

By order, dated April 16, 2009, the CLB approved the selection of Venturbay as the successful bidder to acquire a controlling stake in the Company and granted Venturbay the right to appoint its nominees to the Board following the Initial Allotment, subject to compliance by Venturbay of certain terms and conditions contained in the request for proposal, the deposit by Venturbay of the necessary funds for the Initial Allotment to Venturbay and the deposit by Venturbay into escrow, in cash, the total funds necessary to consummate the Open Public Offer. The CLB indicated that the existing six directors of the Board appointed by the Ministry of Corporate Affairs of the GOI would continue to serve on the Board following appointment of the four nominees of Venturbay until the CLB issued further orders on this matter. The CLB also directed Indian state and central government agencies not to initiate any civil, criminal, punitive or coercive action, in exercise of their powers, against Venturbay's nominee directors for acts prior to January 9, 2009, without the prior leave of the CLB, for as long as the case relating to, among other things, the mismanagement of the Company is pending before the CLB.

On April 20, 2009, pursuant to the terms of the Share Subscription Agreement and the Escrow Agreement, Venturbay deposited into separate escrow funds (i) the Rs. 17.56 billion (US\$351 million) in funds necessary to consummate the Initial Allotment and (ii) the Rs. 11.54 billion (US\$231 million) in funds necessary to consummate the Open Public Offer. Also on April 20, 2009, representatives of Venturbay and Tech Mahindra met with the Board and key executives of the Company to discuss important transition issues. Venturbay had indicated in its technical bid that if it were to be selected as the highest bidder, the four Venturbay representatives who it expected to nominate to join the Board upon the closing of the Initial Allotment were Mr. C.P. Gurnani, Mr. Sanjay Kalra, Mr. Vineet Nayyar and Mr. Ulhas Yargop. All four of these directors are affiliates of Tech Mahindra and Venturbay.

By letter dated April 20, 2009, the SEBI granted certain relaxations/exemptions from strict compliance with applicable SEBI regulations. By a letter dated April 21, 2009, the SEBI issued a clarification to its letter dated April 20, 2009. As discussed above, SEBI had previously granted only in-principle approval with respect to these relaxations/exemptions. These relaxations/exemptions are, in effect, exemptions from certain provisions of SEBI guidelines and the Takeover Regulations that permitted the Company to follow the process set forth in the CLB Order without complying with those provisions of the Takeover Regulations. These relaxations/exemptions were from: (a) the applicability of a floor price under SEBI guidelines for the Initial Allotment and Subsequent Allotment, if any, and (b) the applicability of the minimum open offer price under the Takeover Regulations.

Also on April 22, 2009, Kotak Mahindra Capital Company Limited, for and on behalf of Venturbay and Tech Mahindra, as required by the Takeover Regulations and the Share Subscription Agreement, made the public announcement in India of the Open Public Offer.

On April 28, 2009, the Commission provided exemptive relief allowing the Open Public Offer to (a) remain open for 20 calendar days, as provided by Indian law, instead of 20 business days as required by Rule 14e-1(a) of the Exchange Act, and (b) provide holder of Shares withdrawal rights until three Indian working days prior to the expiration of the Open Public Offer instead, as provided by Indian law, instead of the unlimited withdraw rights provided for under Rule 14d-7(a)(1) under the Exchange Act (this limitation on withdraw rights will not apply to holders of ADSs tendering their ADSs through the ADS Escrow Account described in the Letter of Offer).

On May 5, 2009, the Initial Allotment was completed with the issuance and sale of 302,764,327 Shares to Venturbay at a price per Share of Rs. 58 (US\$1.16).

On May 6, 2009, Kotak Mahindra Capital Company Limited, for and on behalf of Venturbay and Tech Mahindra, filed the draft Letter of Offer in connection with the Open Public Offer with SEBI.

On May 22, 2009, as permitted by order of the CLB and the Takeover Regulations, Venturbay nominated four individuals to join the Board: Mr. Vineet Nayyar, Mr. C.P. Gurnani, Mr. Sanjay Kalra, and Mr. Ulhas Yargop. Such appointments to the Board became effective on May 27, 2009, bringing the total number of directors on the Board to ten. These four directors, serving in their capacity as directors of the Company, were not involved in any matter regarding the Open Public Offer and abstained in making the recommendation to shareholders contained in this Item 4 of this Schedule 14D-9.

On June 8, 2009, Venturbay and Tech Mahindra mailed the Letter of Offer in connection with the Open Public Offer to the holders of Shares and ADSs and filed the Schedule TO with the Commission.

Reasons for No Recommendation.

The Board's decision to express no opinion and remain neutral with respect to the Open Public Offer is based upon the following:

During the Competitive Bidding Process to select the highest bidder, the Board was comprised of six directors who were appointed on January 11, 2009 and January 15, 2009 by the Ministry of Corporate Affairs of the GOI following the revelation of alleged financial irregularities in the Mr. Raju Resignation Letter (the ***Government Directors***). The purpose of the appointment of the Government Directors was to protect the interests of stakeholders of the Company, infuse confidence in the minds of those connected with the Company and oversee the management of the Company. Four of the Government Directors participated in the discussions and decision of the Board to select Venturbay as the highest bidder and make no recommendation with respect to the Open Public Offer. The other two Government Directors abstained from the discussions and decision to select Venturbay and did not engage in the decision not to make any recommendation due to possible conflicts of interest. The four directors nominated by Venturbay and appointed to the Board on May 22, 2009 (effective May 27, 2009) were not on the Board at the time the decision was made to select Venturbay as the highest bidder. These four directors nominated by Venturbay, serving in their capacity as directors of the Company, abstained from the preparation of this Schedule 14D-9, including any decisions of the Board with respect to what, if any, recommendation to make to shareholders in respect of the Open Public Offer as described in this Item 4 of this Schedule 14D-9.

The Competitive Bidding Process was mandated by the GOI, in accordance with the CLB Order. The Former Chief Justice of India, Mr. Justice S.P. Bharucha, oversaw and guided the Board throughout the selection process, and the results of the Competitive Bidding Process were approved by the CLB. See the description of the process under **Background to the Transaction** above.

The Competitive Bidding Process was conducted in a manner pursuant to which: (i) indications of interest were publicly solicited from Indian and international bidders, including private equity firms, and those bidders were asked to register as bidders; (ii) a request for proposal was sent to all registered bidders asking those bidders to submit an EOI along with proof of sufficient funds; (iii) all bidders which had submitted satisfactory EOIs, provided satisfactory proof of sufficient funds and executed certain pre-transaction documents were given access to data and information regarding the Company to enable them to submit technical and financial bids; (iv) upon submission, the technical bids were evaluated to determine the bidders which qualified based on factors such as corporate governance and management track record, corporate behavior record, organizational ability and experience in owning, operating and managing IT companies, global companies of the scale and scope of the Company and distressed companies, track record in managing distressed companies, revenues and profitability and strategic plan for the Company; and (v) financial bids were received from each of the bidders that qualified based on technical criteria and ranked according to price, and the bidder with the highest financial bid was selected as the highest bidder to acquire the Company. This multi-step process was designed to evaluate the seriousness of each of the potential bidders, provide access to data and information about the Company only to such potential bidders as were

Table of Contents

determined to be serious and provide a competitive bidding environment to attempt to achieve the highest value for the Company's shareholders. As a result of the process, the field of interested bidders was progressively narrowed from 141 bidders which registered through the electronic registration process, to seven Second Round Bidders which submitted an EOI along with proof of sufficient funds, to three Final Bidders which executed certain pre-transaction documents, provided a performance guarantee, were given access to certain data and information regarding the Company and submitted technical and financial bids. From those three Final Bidders, Venturbay was selected as it offered the highest price per Share (Rs. 58 (US\$1.16)). The other bidders which made it to the final round of the process were L&T (offered Rs. 45.90 (US\$0.91) per Share) and the WL Ross Funds (offered Rs. 20 (US\$0.50) per Share). The Board believes this process was fair and transparent, and Mr. Justice S.P. Bharucha certified that the process was fair, transparent and open. The Share Subscription Agreement provides that Venturbay shall use its reasonable best efforts not to cause the Company to engage in a going-private transaction under Rule 13e-3 under the Exchange Act for at least one year after the Open Public Offer.

The Share Subscription Agreement provides that Venturbay shall use its reasonable best efforts to maintain the listing of the Company's ADSs on the NYSE for at least one year following the Open Public Offer.

The Board believes that making a recommendation supporting the Open Public Offer would be tantamount to recommending that the Company's shareholders sell their holdings in the Company. The Board is concerned that this might be construed as a negative statement regarding the fundamentals of and outlook for the Company, which could be misleading in light of the limited financial information that is available due to restated, audited financial statements of the Company since the quarter ended June 30, 2000 being unavailable at this time.

As discussed in Item 2 above, the Open Public Offer is being made pursuant to the provisions of Regulations 10 and 12 read with Regulation 29A of the Takeover Regulations, which, when triggered, require a purchaser that has made or has agreed to make a substantial acquisition of the shares of a listed company (defined under Indian law to include the acquisition of 15% or more of the outstanding shares or voting rights in such company) to make a mandatory tender offer for a minimum of 20% of the outstanding shares of such company (calculated in accordance with the provisions of the Takeover Regulations). Venturbay has purchased 31% of the Enhanced Share Capital through the Initial Allotment. As a result, Venturbay is required under Indian law to make the Open Public Offer.

In view of the above, the Board believes its most prudent course of action regarding the Open Public Offer is to express no opinion and remain neutral, thus permitting the Company's shareholders to make their own decisions regarding whether or not to participate in the Open Public Offer.

Table of Contents

Shareholders of the Company are urged to carefully review all of the information contained in or incorporated by reference in the following documents filed by Venturbay: (1) the Letter of Offer; and (2) the Schedule TO, as well as any other materials related to the Letter of Offer that Venturbay may file, and the Company's publicly available information. A letter to the shareholders of the Company communicating the Board's decision to express no opinion and remain neutral is attached hereto as Exhibit (1) and is incorporated herein by reference.

Intent to Tender

The Company, after making reasonable inquiry of its executive officers, directors, affiliates and subsidiaries, has received indication from one of its executive officers that such executive officer is considering tendering all or a portion of the Shares held of record or beneficially owned by such executive officer in to the Open Public Offer. The remainder of such executive officers, directors, affiliates and subsidiaries who responded to the Company's inquiry have indicated that they intend to hold the Shares held of record or beneficially owned by them. None of the Company's executive officers, directors, affiliates and subsidiaries who responded to the Company's inquiry has indicated that it intends to sell the Shares held of record or beneficially owned by them.

Under Indian laws, Venturbay, as a party to the initial acquisition of 31% of the Enhanced Share Capital through the Initial Allotment, may not tender its Shares into the Open Public Offer. In addition, each of L&T and the WL Ross Funds, which were bidders in the Competitive Bidding Process, and each party that was a person acting in concert with L&T or the WL Ross Funds, and any of their respective affiliates or representatives which received or had access to Company information during the due diligence stage of the Competitive Bidding Process, have agreed not to deal in the Shares of the Company for a period of six months commencing from April 22, 2009. Accordingly, such persons may not tender any Shares beneficially owned by them into the Open Public Offer.

Item 5. Persons/Assets Retained, Employed, Compensated or Used

Neither the Company nor any person acting on its behalf has employed, retained or compensated any person to make solicitations or recommendations to holders of Shares concerning the Open Public Offer.

Item 6. Interest in Securities of the Subject Company

As described in Item 3, on May 5, 2009, Venturbay purchased 302,764,327 Shares from the Company at a purchase price of Rs. 58 (US\$1.16) per Share, in cash, pursuant to the Initial Allotment subject to the terms and conditions contained in the Share Subscription Agreement.

Table of Contents

The following table sets forth all transactions that have occurred in the Shares effected by the Company's directors, executive officers, affiliates and subsidiaries during the past 60 days from the date of this filing:

| Identity of Person | Date of Transaction | Amount of Securities Involved | Price per Share | Details of Transaction |
|---|----------------------------|--------------------------------------|--|--|
| Ravi Shanker Bommakanti (Group Head ADMS) | April 9, 2009 | 6,250 Shares | Rs. 15 (including fringe benefits tax) | Exercise of restricted stock units under employee stock option plan approved by the Board. |

Other than as set forth above, there have been no transactions in the Shares or the ADSs by the Company or the Company's directors, executive officers, affiliates and subsidiaries during the past 60 days from the date of this filing.

Item 7. Purpose of the Transaction and Plans or Proposals

The Takeover Regulations prohibit the making of an open public offer by a third party that is competitive with a prior open public offer for companies such as the Company where the control of the board has been taken over by the GOI and its regulatory agencies and relaxations/exemptions from the Takeover Regulations have been granted by SEBI. Hence, an open public offer that is competitive with the Open Public Offer is prohibited under Indian law.
