PROXY STATEMENT
For
ANNUAL MEETING OF SHAREHOLDERS
To Be Held May 17, 2010

This proxy statement is being furnished to shareholders by the Board of Directors (the Board) of First Business Financial Services, Inc. (the Company) beginning on or about April 1, 2010 in connection with a solicitation of proxies by the Board for use at the annual meeting of shareholders to be held on Monday, May 17, 2010, at 4:00 P.M., local time, at the Fluno Center for Executive Education at 601 University Avenue, Madison, Wisconsin 53715, and all adjournments or postponements thereof (the Annual Meeting) for the purposes set forth in the attached Notice of Annual Meeting of Shareholders.

Execution of a proxy given in response to this solicitation will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Presence at the Annual Meeting of a shareholder who has signed a proxy does not in itself revoke a proxy. Any shareholder giving a proxy may revoke it at any time before it is exercised by giving notice thereof to the Company in writing or at the Annual Meeting.

A proxy, in the enclosed form, that is properly executed, duly returned to the Company and not revoked, will be voted in accordance with the instructions contained in the proxy. The shares represented by executed but unmarked proxies will be voted FOR the three persons nominated for election as directors referred to in this proxy statement, FOR the ratification of the selection of KPMG LLP as the Company's independent auditor for 2010 and on such other business or matters which may properly come before the Annual Meeting in accordance with the best judgment of the persons named as proxies in the enclosed form of proxy. Other than the election of three directors and the ratification of the selection of KPMG LLP as the Company's independent auditor for 2010, the Board has no knowledge of any matters to be presented for action by the shareholders at the Annual Meeting.

Only holders of record of the Company's common stock, par value \$0.01 per share (the Common Stock), at the close of business on March 17, 2010 are entitled to vote at the Annual Meeting. On that date, the Company had outstanding and entitled to vote 2,540,141 shares of Common Stock, each of which is entitled to one vote.

ITEM 1 ELECTION OF DIRECTORS

The Company's By-Laws provide that the directors shall be divided into three classes, with staggered terms of three years each. At the Annual Meeting, the shareholders will elect three directors to hold office until the 2013 annual meeting of shareholders and until their successors are duly elected and qualified. Unless shareholders otherwise specify, the shares represented by the proxies received will be voted in favor of the election as directors of the three persons named as nominees herein. The Board has no reason to believe that the listed nominees will be unable or unwilling to serve as directors if elected. However, in the event that any nominee should be unable to serve or for good cause will not serve, the shares represented by proxies received will be voted for another nominee selected by the Board. Each director will be elected by a plurality of the votes cast at the Annual Meeting (assuming a quorum is present). Consequently, any shares not voted at the Annual Meeting, whether due to abstentions, broker non-votes or otherwise, will have no impact on the election of the directors. Votes will be tabulated by an inspector of elections appointed by the Board.

The following sets forth certain information, as of February 8, 2010, about the Board's nominees for election at the Annual Meeting and each director of the Company whose term will continue after the Annual Meeting.

CORPORATE GOVERNANCE PRINCIPLES AND PRACTICES

Independent Directors and Meeting Attendance

Of the nine directors currently serving on the Board of Directors, the Board has determined that Leland C. Bruce, Mark D. Bugher, Jan A. Eddy, John M. Silseth, Barbara H. Stephens, Dean W. Voeks and Gary E. Zimmerman are independent directors as that term is defined in the listing standards of The Nasdaq Stock Market, Inc.

Directors are expected to attend the Company's annual meeting of shareholders each year. All directors who were directors at the time of the Company's 2009 Annual Meeting attended the meeting.

The Board held nine meetings in 2009. Eight of the nine directors who were directors in 2009 attended at least 75% of the aggregate of (1) the total number of meetings of the Board during the period in which the director served and (2) the total number of meetings held by all committees of the Board on which such director served during the period in which the director served in 2009.

Board Leadership Structure

The roles of Board Chair and Chief Executive Officer are held separately. Mr. Smith serves as Chair, and Mr. Chambas serves as Chief Executive Officer. The Board believes that at the time of this filing, separation of these roles is in the best interest of the Company and its shareholders because separation:

Allows for additional talents, perspectives and skills on the Board;

Preserves the distinction between the CEO's leadership of management and the Chair's leadership of the Board;

Promotes a balance of power and an avoidance of conflict of interest;

Serves as an effective channel for the Board to express its views on management;

Allows the CEO to focus on leading the Company while the Chair can focus on leading the Board, as well as on monitoring corporate governance and shareholder issues; and

Is considered an industry best practice.

Since Mr. Smith is the Company's former CEO, this separation also provides the Company with the benefit of a Chair who fully understands the risks, issues and opportunities relating to the Company and the financial services industry and allows for the effective management transition between the former CEO and the current CEO.

Committees

The Board has a standing Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee. Each of these committees has the responsibilities set forth in formal written charters adopted by the Board. Copies of these charters are available free of charge on the Company's website located at www.firstbusiness.com.

The Audit Committee's primary function is to assist the Board in fulfilling its oversight responsibilities by overseeing the Company's accounting and financial reporting processes and the audits of the financial statements of the Company. The Audit Committee presently consists of Dean W. Voeks (Chair), Mark D. Bugher, Jan A. Eddy and John M. Silseth, each of whom meets the independence standards of The Nasdaq Stock Market, Inc. and the Securities and Exchange Commission for audit committee members. The Board has determined that John M. Silseth qualifies as an audit committee financial expert, as that term is defined by the Securities and Exchange Commission, because he has the requisite attributes through his education and experience. The Audit Committee held five meetings in 2009.

The Compensation Committee reviews and recommends to the Board the compensation structure for the Company's directors and executive officers, including salary rates, participation in incentive compensation and benefit plans, fringe benefits, non-cash perquisites and other forms of compensation, and administers the Company's equity incentive plans. John M. Silseth (Chair), Leland C. Bruce, Mark D. Bugher, Barbara H. Stephens and Gary E. Zimmerman are the current members of the Compensation Committee, each of whom meets the independence standards of The Nasdaq Stock Market, Inc. for compensation committee members. The Compensation Committee held five meetings in 2009.

The Corporate Governance and Nominating Committee's primary functions are to recommend persons to be selected by the Board as nominees for election as directors, recommend persons to be elected to fill any vacancies on the Board, lead the Board in its annual review of Board performance and develop and recommend to the Board corporate governance principles, policies and procedures. The Corporate Governance and Nominating Committee consists of Jan A. Eddy (Chair), Leland C. Bruce, Dean W. Voeks and Gary E. Zimmerman, each of whom meets the independence standards of The Nasdaq Stock Market, Inc. for nominating committee members. The Corporate Governance and Nominating Committee held four meetings in 2009.

Nominations of Directors

The Corporate Governance and Nominating Committee will consider persons recommended by shareholders to become nominees for election as directors. Recommendations for consideration by the Corporate Governance and Nominating Committee should be sent to the Corporate Secretary of the Company in writing together with appropriate biographical information concerning each proposed nominee. The Company's By-laws also set forth certain requirements for shareholders wishing to nominate director candidates directly for consideration by the shareholders. With respect to an election of directors to be held at an annual meeting, a shareholder must, among other things, give notice of an intent to make such a nomination to the Corporate Secretary of the Company not less than 60 days or more than 90 days prior to the date of the previous year's annual meeting (subject to certain exceptions if the annual meeting is advanced or delayed a certain number of days.)

In making recommendations to the Company's Board of nominees to serve as directors, the Corporate Governance and Nominating Committee will examine each director nominee on a case-by-case basis regardless of who recommended the nominee and take into account all factors it considers appropriate, which may include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen and industry knowledge. In evaluating director nominees, the Board with the assistance of the Corporate Governance and Nominating Committee, considers diversity of viewpoint, backgrounds, technical skills, industry knowledge and experience and local or community ties. The Board believes the following minimum qualifications must be met by a director nominee to be recommended by the Corporate Governance and Nominating Committee:

1. Each director must display high personal and professional ethics, integrity and values.
2. Each director must have the ability to exercise sound business judgment.
3. Each director must be accomplished in his or her respective field as an active or former executive officer of a public or private organization, with broad experience at the administrative and/or policy-making level in business, government, education, technology or public interest.

4. Each director must have relevant expertise and experience, and be able to offer advice and guidance based on that expertise and experience.
5. Each director must be independent of any particular constituency, be able to represent all shareholders of the Company and be committed to enhancing long-term shareholder value.
6. Each director must have sufficient time available to devote to activities of the Board of Directors and to enhance his or her knowledge of the Company's business.

Director Diversity Policy

The Company's Corporate Governance and Nominating Committee considers diversity in making director nominee recommendations. In evaluating director nominees, the Board considers diversity of viewpoint, background, technical skills, industry knowledge and experience and local or community ties. The Board believes directors should be selected so the Board is balanced with each director contributing talents, skills and experiences the Board needs as a team, supplementing existing resources and providing talent for future needs so the Board is a diverse body.

The Board implements this Policy through the Corporate Governance and Nominating Committee's ongoing needs assessment process. The Committee identifies the key attributes needed for the Board as a whole, identifies director qualifications currently in place and prioritizes skills desired in nominees. These desired skills and attributes are considered in the recruiting and nominating process and evaluated on a regular basis.

Board Role in Risk Oversight

The full Board is responsible for oversight of the Company's enterprise wide risk management including strategic risk, financial reporting risk, credit risk, liquidity risk and operational risk. Given the critical link between strategy and risk, the full Board is also responsible for developing strategies based on an assessment of the Company's overall risk tolerance, the related opportunities and the capacity to manage the resulting risk. The Board may delegate the responsibility for identifying, analyzing and managing risk to the appropriate Committees of the Board in accordance with the Committee Charters. The Committees report back to the Board with recommendations and updates. The Committee Charters are reviewed annually to reflect the changing risk environment. To best coordinate the management of shared risk issues, Committees work together and share common membership. Management responsible for day to day risk management responsibilities report to the Board and/or to the appropriate Committees at the Board direction.

Communications with the Board of Directors

Shareholders may communicate with the Board by writing to First Business Financial Services, Inc., Board of Directors (or, at the shareholder's option, to a specific director), c/o Barbara M. Conley, SVP, General Counsel and Corporate Secretary, 401 Charmany Drive, Madison, Wisconsin 53719. The Corporate Secretary will ensure that the communication is delivered to the Board or the specified director, as the case may be.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter, the Audit Committee's primary function is to assist the Board in fulfilling its oversight responsibilities by overseeing the Company's accounting and financial reporting processes and the audits of the financial statements of the Company.

In fulfilling its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements contained in the 2009 Annual Report on Form 10-K with the Company's management and independent registered public accounting firm. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent registered public accounting firm is responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 114, *The Auditor's Communication With Those Charged With Governance*. In addition, the Company's independent registered public accounting firm provided to the Audit Committee the written disclosures required by the Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and the Audit Committee discussed with the independent registered public accounting firm the firm's independence. The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm on a case-by-case basis. The Audit Committee has considered whether the provision of the services related to the *Audit-Related Fees*, *Tax Fees* and *All Other Fees* set forth in *Miscellaneous Independent Registered Public Accounting Firm* was compatible with maintaining the independence of the independent registered public accounting firm and determined that such services did not adversely affect the independence of the firm.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2009, for filing with the Securities and Exchange Commission.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and shall not otherwise be deemed filed under such Acts.

**DISCLOSURE REGARDING TERMINATION AND
AND CHANGE IN CONTROL PROVISIONS**

Corey A. Chambas

On January 1, 2005, First Business Bank, a subsidiary of the Company, amended and restated an agreement with Corey Chambas, President and Chief Executive Officer of the Company and former President and Chief Executive Officer of First Business Bank. The agreement provides Mr. Chambas with retirement and death benefits as well as certain change in control benefits as outlined below.

Mr. Chambas is entitled to a change in control benefit if, within two years after the change in control, one of the following occurs:

- i) The Company terminates Mr. Chambas' employment without cause;
- ii) Mr. Chambas terminates his employment within three months after being demoted or moved outside Milwaukee, Ozaukee, Waukesha, or Dane counties;
- iii) Mr. Chambas terminates his employment within three months after his salary is reduced by 10% or more without his agreement; or
- iv) Mr. Chambas voluntarily terminates his employment within three months of the change in control.

If Mr. Chambas' employment is terminated pursuant to (i), (ii), or (iii), then the amount of the change in control benefit payable to Mr. Chambas is equal to the aggregate of the fair value of Mr. Chambas' unvested stock options and restricted shares issued by the Company calculated as of the date of his termination or separation from employment, plus such additional amount as will, when added to any parachute payment, as defined in Section 280G of the Internal Revenue Code, made to Mr. Chambas contingent upon the change in control, equal 2.99 times his salary. In the event the amount is greater than the amount allowable as defined in Section 280G, Mr. Chambas will be paid the lesser amount. If Mr. Chambas' employment is terminated pursuant to (iv), then the change in control benefit payable to Mr. Chambas is equal to two times his salary, unless it is greater than the amount allowable as defined in Section 280G, in which event the lesser amount would be paid to Mr. Chambas.

Under the agreement, Mr. Chambas is prohibited from competing with the Company for a period of two years after the termination of his employment.

A change in control of the Company is deemed to have occurred if: (i) any person becomes the beneficial owner of securities of the Company representing at least fifty percent of the combined voting power of the Company's then outstanding securities; (ii) during any twelve consecutive months, individuals who, at the beginning of the twelve month period constitute the Board, cease for any reason to constitute a majority of the Board; provided, however, a change in control shall not occur pursuant to this provision, if a new director is approved by a vote of at least a majority of the directors serving on the Board, and these directors either were directors at the beginning of the twelve month period or whose election or nomination for election was so approved; or (iii) the shareholders of the Company approve: (A) a plan of complete liquidation of the Company; (B) an agreement for the sale or disposition of all or substantially all of the Company's assets; or (C) a merger, consolidation, or reorganization of the Company with or involving any other corporation, other than a merger, consolidation, or reorganization that would result in the voting securities of the Company outstanding prior thereto continuing to represent at least fifty percent of the combined voting power of the voting securities of the Company (or such surviving entity) outstanding immediately after or within one year following such merger, consolidation, or reorganization.

The following table describes the potential payments upon termination or a change in control for Mr. Chambas. The table assumes that his employment was terminated on December 31, 2009, and the price per share was \$9.62, the closing price of the Company's Common Stock on December 31, 2009. A description of the circumstances that would trigger payments or the provision of benefits to Mr. Chambas, how such payments and benefits are determined under the circumstances, material conditions and obligations applicable to the receipt of payments or benefits and other material factors regarding the agreement, as well as other material assumptions that the Company has made in calculating the estimated compensation in the following table.

	Termination by Company for Cause or by Executive		Termination by Company not for Cause	Death	Change in Control	(a) Termination by Company not for Cause or by Executive for Good Reason Following Change in Control	(a) Voluntary Termination by Executive Within Three Months of a Change in Control

Total	0	770,835	1,569,572	69,572	937,241	770,835	

(a) The total benefit to Mr. Chambas excludes the value received through the acceleration of unvested stock options and restricted stock

because the value is transferred upon the occurrence of a change in control and is not contingent upon a separation from the Company.

The amounts listed in the table above are those benefits and payments that would become due and payable as if the event occurred on December 31, 2009. Mr. Chambas' other potential benefits do not become vested either partially or completely until December 1, 2016.

The agreement also provides that, in the event Mr. Chambas dies while in the employ of the Company, the Company shall pay to his designated beneficiary or to his estate, the sum of \$1,500,000. The death benefit is paid over a period of ten years beginning on the 15th day of the month immediately following Mr. Chambas' death. Under normal circumstances, the death benefit is paid in lieu of, rather than in addition to the retirement benefit. If, however, the amount of normal or early retirement benefit Mr. Chambas would be entitled to on the day of his death exceeds the amount of the death benefit, then the retirement benefit shall be paid as a replacement for the death benefit.

If Mr. Chambas is terminated for a reason other than cause prior to a change in control or more than two years after a change in control, then he will be entitled to a severance benefit equal to the greater of two times his salary (defined above) or the amount of any early or normal retirement benefit. If Mr. Chambas is terminated for cause, all of the Company's obligations to pay any benefit under the agreement shall immediately become null and void.

Cause shall be determined by the Board, in the exercise of good faith and reasonable judgment, and shall generally mean any of the following:

- i) The willful, intentional, and continued failure by Mr. Chambas to substantially perform his duties to the best of his ability after a written demand for performance is delivered by the Board to Mr. Chambas that identifies the failure to perform such duties if such failure is not remedied within ninety calendar days after receipt of the written demand by Mr. Chambas; or

- ii) The occurrence of Mr. Chambas' conviction for committing an act of fraud, embezzlement, theft, or other act constituting a felony substantially related to the circumstances of his duties; or material breach by Mr. Chambas of the bank laws of Wisconsin or the United States or any regulation issued by state or federal regulatory authority having jurisdiction over the banking affairs of the First Business Bank, or any of its subsidiary, parent, or affiliated organizations; or an act that disqualifies Mr. Chambas from serving as an officer or director of a bank under Wisconsin or federal banking laws.

Charles H. Batson

On February 6, 2006, First Business Capital Corp. (FBCC), a subsidiary of First Business Bank, entered into an Executive Change in Control Severance Agreement with Charles H. Batson, President and Chief Executive Officer of FBCC. The Agreement was amended and restated on February 1, 2007 and again on August 6, 2007.

The agreement is triggered by a change in control of FBCC or the Company and requires FBCC or the Company to make payment of severance benefits to Mr. Batson if any event defined as a qualifying termination occurs. A qualifying termination is defined as:

- i) Separation from service with FBCC or the Company due to FBCC's or the Company's involuntary termination of Mr. Batson's employment without cause; or
- ii) Separation from service with FBCC or the Company due to Mr. Batson's termination of employment for good reason, meaning any one or more of the following:
 - A material reduction of Mr. Batson's authorities, duties, or responsibilities as President and CEO;
 - A requirement that Mr. Batson move to a location in excess of one hundred miles from his principal job location;
 - A reduction in Mr. Batson's base salary in effect at the time of the change in control;
 - The failure of the FBCC or the Company to continue Mr. Batson's participation in employee benefit programs, non-equity incentive programs, or other compensation arrangements then in effect;
 - The failure of FBCC or the Company to obtain a satisfactory agreement from any successor to the Company to perform the Company's obligations under this agreement; or
 - A material breach of this agreement by FBCC or the Company that is not remedied within ten business days of receipt of a written notice of the breach delivered to FBCC or the Company by Mr. Batson.

The following table describes the payments that would be made to Mr. Batson if a qualified termination had occurred on December 31, 2009. The table assumes that his employment was terminated on December 31, 2009, and the price per share was \$9.62, the closing price of the Company's Common Stock on December 31, 2009.

Subject to certain exceptions, a change in control will occur if any of the following events occur, provided that, for purposes of this definition, Company includes both FBCC and First Business Financial Services, Inc.:

- i) The acquisition by any individual, entity, or group, of beneficial ownership of more than fifty percent of the combined voting power of the Company's outstanding securities with respect to the election of directors of the Company;
- ii) The consummation of a reorganization, merger or consolidation of the Company or sale or other disposition of all or substantially all of the assets of the Company (a Corporate Transaction); excluding, however a Corporate Transaction pursuant to which all or substantially all of the individuals or entities who are the beneficial owners of the Company immediately prior to the Corporate Transaction will beneficially own, directly or indirectly, more than fifty percent of the outstanding shares of common stock of the resulting entity and of the combined voting power of the outstanding securities entitled to vote for the election of directors of such entity; or

- iii) During any period of not more than twelve consecutive months, individuals who at the beginning of such period constitute the Board of Directors of the Company, and any new director whose election by the Board of Directors of the Company or nomination for election by the Company's stockholders was approved by a vote of at least a majority of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority.

Michael J. Losenegger

On August 6, 2007, the Company entered into an Executive Change in Control Severance Agreement with Michael J. Losenegger, Chief Operating Officer of the Company. The agreement is triggered by a change in control of the Company and requires the Company to make payment of severance benefits to Mr. Losenegger if any event defined as a qualifying termination occurs. A qualifying termination is defined as:

 - A requirement that Mr. Losenegger move to a location in excess of one hundred miles from his principal job location;
 - A reduction in Mr. Losenegger's base salary in effect at the time of the change in control;
 - The failure of the Company to continue Mr. Losenegger's participation in employee benefit programs, non-equity incentive programs, or other compensation arrangements then in effect;
 - The failure of the Company to obtain a satisfactory agreement from any successor to the Company to perform the Company's obligations under this agreement; or
 - A material breach of this agreement by the Company that is not remedied within ten business days of receipt of a written notice of the breach delivered to the Company by Mr. Losenegger.

The following table describes the payments that would be made to Mr. Losenegger if a qualified termination had occurred on December 31, 2009. The table assumes that his employment was terminated on December 31, 2009, and the price per share was \$9.62, the closing price of the Company's Common Stock on December 31, 2009.

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and holders of 10% or more of the outstanding Common Stock of the Company (10% holders) to file reports concerning their ownership of Company equity securities with the Securities and Exchange Commission and the Company. Based

solely upon information provided to the Company by individual directors and executive officers, the Company believes that, during the fiscal year ended December 31, 2009, all of its directors and executive officers complied with the Section 16(a) filing requirements. The Company has not been able to confirm that Sam Jacobsen (or his estate), who the Company believes owns over 10% of its outstanding shares, filed all reports required to be filed pursuant to Section 16(a).

RELATED PARTY TRANSACTIONS

Under its written charter, the Audit Committee is responsible for reviewing related party transactions and potential conflicts of interest. The Audit Committee is also responsible for reviewing, on an annual basis, the FRB Regulation O Report prepared by management and the FR Y-6 Report filed with the Federal Reserve Bank. The Company's executive officers and directors and their associates have been, and the Company anticipates that they will continue to be, clients of the Company's subsidiary banks, First Business Bank and First Business Bank-Milwaukee (the Banks) in the ordinary course of business, which includes maintaining deposit, trust and other fiduciary accounts and obtaining loans. The Banks have granted various types of loans to the Company's executive officers and directors, and to entities controlled by them. As of December 31, 2009, such loans were made consistent with similar practices in the banking industry generally, were made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the Bank's other clients, did not involve more than the normal risk of collectability or present other unfavorable features, and were subject to and made in accordance with Federal Reserve Bank Regulation O. All extensions of credit made to the Company's directors are approved by the Banks' Boards as insider loans under Regulation O requirements.

MISCELLANEOUS**Independent Registered Public Accounting Firm**

KPMG LLP acted as the independent registered public accounting firm for the Company in 2009. The Audit Committee is solely responsible for the selection, retention, oversight and, when appropriate, termination of the Company's independent registered public accounting firm. Representatives of KPMG LLP are expected to be present at the Annual Meeting with the opportunity to make a statement if they so desire. Such representatives are also expected to be available to respond to appropriate questions.

The fees to KPMG LLP for the fiscal years ended December 31, 2009 and 2008 were as follows:

	2009	2008
Audit Fees ⁽¹⁾	\$ 221,080	\$ 156,000
Audit-Related Fees		
Tax Fees ⁽²⁾	16,320	135,930
All Other Fees		
Total	\$ 237,400	\$ 291,930

(1) Audit fees consist of fees incurred in connection with the audit of annual financial statements, the review of interim financial statements included in the quarterly reports on Form 10-Q, the issuance of consents, assistance with and review of documents filed with the Securities and Exchange Commission.

(2) In 2009, tax fees consist of fees incurred in connection with tax advice. In 2008, tax fees consist of fees

incurred in
connection with
tax return
preparation, tax
planning, tax
compliance and
related tax
advice.

The Audit Committee has established pre-approval policies and procedures with respect to audit and permitted non-audit services to be provided by its independent registered public accounting firm. Pursuant to these policies and procedures, the Audit Committee may form, and delegate authority to, subcommittees consisting of one or more members when appropriate to grant such pre-approvals, provided that decisions of such subcommittee to grant pre-approvals are presented to the full Audit Committee at its next scheduled meeting. The Audit Committee's pre-approval policies do not permit the delegation of the Audit Committee's responsibilities to management. During 2009, no fees to the independent registered public accounting firm were approved pursuant to the de minimis exception under the Securities and Exchange Commission's rules.

Compensation Consultant

In 2009 the Board did not engage a compensation consultant for the purpose of providing compensation consulting services to the Board, Compensation Committee or management.

ITEM 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected KPMG LLP as the Company's independent auditors for the year ending December 31, 2010. Although not required to be submitted to a stockholder vote, the Board of Directors believes it appropriate to obtain shareholder ratification of the Audit Committee's action in appointing KPMG LLP as the Company's independent registered public accounting firm. Should such appointment not be ratified by the shareholders, the Audit Committee will reconsider the matter. The Audit Committee expects that the full Board of Directors will ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm at their first meeting after the Annual Meeting.

THE BOARD RECOMMENDS THE RATIFICATION OF THE AUDIT COMMITTEE'S SELECTION OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM AND URGES EACH SHAREHOLDER TO VOTE FOR SUCH RATIFICATION. SHARES OF COMMON STOCK REPRESENTED BY EXECUTED BUT UNMARKED PROXIES WILL BE VOTED FOR SUCH NOMINEES.

Proposals that shareholders of the Company intend to include in the Company's proxy statement for the 2011 annual meeting and present at the 2011 annual meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (Rule 14a-8), must be received by the Company by the close of business on December 2, 2010. In addition, a shareholder who otherwise intends to present business at the 2011 annual meeting (including nominating persons for election as directors) must comply with the requirements set forth in the Company's By-Laws. Among other things, to bring business before an annual meeting, a shareholder must give written notice thereof, complying with the By-Laws, to the Corporate Secretary of the Company not less than 60 days and not more than 90 days prior to the date of the previous year's annual meeting (subject to certain exceptions if the annual meeting is advanced or delayed a certain number of days). Under the By-Laws, if the Company does not receive notice of a shareholder proposal submitted otherwise than pursuant to Rule 14a-8 (i.e., proposals shareholders intend to present at the 2011 annual meeting but do not intend to include in the Company's proxy statement for such meeting) after February 13, 2011 and before March 18, 2011, then the notice will be considered untimely and the Company will not be required to present such proposal at the 2011 annual meeting. If the Board chooses to present such proposal at the 2011 annual meeting, then the persons named in proxies solicited by the Board for the 2011 annual meeting may exercise discretionary voting power with respect to such proposal.

Other Matters

The cost of soliciting proxies will be borne by the Company. In addition to soliciting proxies by mail, proxies may be solicited personally and by telephone by certain officers and regular employees of the Company. The Company will reimburse brokers and other nominees for their reasonable expenses in communicating with the persons for whom they hold Common Stock.

Pursuant to the rules of the Securities and Exchange Commission, services that deliver the Company's communications to shareholders that hold their stock through a bank, broker or other holder of record may deliver to multiple shareholders sharing the same address a single copy of the Company's annual report to shareholders and proxy statement. Upon written or oral request, the Company will promptly deliver a separate copy of the annual report to shareholders and/or proxy statement to any shareholder at a shared address to which a single copy of each document was delivered. Shareholders may notify the Company of their requests by calling or writing Barbara M. Conley, SVP, General Counsel and Corporate Secretary, First Business Financial Services, Inc., 401 Charmany Drive, Madison, Wisconsin 53719.
