PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board," the members of which are referred to as "Directors") of The Gabelli Global Multimedia Trust Inc. (the "Fund"), a Maryland Corporation for use at the Annual Meeting of Shareholders of the Fund to be held on [_____] , 2010, at [_____] , at The Cole Auditorium, The Greenwich Library, 101 West Putnam Avenue, Greenwich, Connecticut 06830, and at any adjournments thereof (the "Meeting"). A Notice of Annual Meeting of Shareholders and [white] proxy card accompany this Proxy Statement, all of which are first being mailed to shareholders on or about May [__], 2010.

THE FUND'S MOST RECENT ANNUAL REPORT, INCLUDING AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED DECEMBER 31, 2009, IS AVAILABLE UPON REQUEST, WITHOUT CHARGE, BY WRITING TO THE ACTING SECRETARY OF THE FUND AT ONE CORPORATE CENTER, RYE, NEW YORK 10580-1422, BY CALLING THE FUND AT 800-422-3554, OR VIA THE INTERNET AT www.gabelli.com.

If the enclosed proxy is properly executed and returned in time to be voted at the Meeting, the Shares (as defined below) represented thereby will be voted "FOR" the election of the nominees as Directors as described in this Proxy Statement, and "against" the Shareholder Proposal if properly presented at the Meeting, unless instructions to the contrary are marked thereon, and at the discretion of the proxy holders as to the transaction of any other business that may properly come before the Meeting. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her shares in person or by submitting a letter of revocation or a later-dated proxy to the Fund at the above address prior to the date of the Meeting.

A quorum of shareholders is constituted by the presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote at the Meeting. In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the persons named as proxies may propose one or more adjournments of such Meeting to permit further solicitation of proxies. A shareholder vote may be taken on one or more of the proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote "FOR" any proposal in favor of such adjournment and will vote those proxies required to be voted "AGAINST" any proposal against such adjournment. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting must take place not more than

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

120 days after the record date. At such adjourned Meeting, any business may be transacted which might have been transacted at the original Meeting. If a quorum is present, a shareholder vote may be taken on one or more of the proposals properly brought before the Meeting prior to any adjournment if sufficient votes have been received and it is otherwise appropriate.

PROPOSAL 1: TO ELECT THREE (3) DIRECTORS OF THE FUND

NOMINEES FOR THE BOARD OF DIRECTORS

The Board consists of eight Directors, seven of whom are not "interested persons" of the Fund (as defined in the Investment Company Act of 1940, as amended (the "1940 Act")). The Fund divides the Board into three classes, each class having a term of three years. Each year the term of office of one class will expire. Mario J. Gabelli, Thomas E. Bratter, and Anthony J. Colavita have each been nominated by the Board for election to serve for a three-year term to expire at the Fund's 2013 Annual Meeting of Shareholders and until their successors are duly elected and qualified. Anthony J. Colavita has been nominated by the Board for election by the holders of the Fund's Preferred Stock for a three-year term to expire at the Fund's 2013 Annual Meeting of Shareholders or until his successor is duly elected and qualified.

The Fund has received notice from a dissident shareholder group of its intention to nominate a separate slate of individuals for election to the Board at the Meeting. It is possible that the dissident shareholder group will prepare and mail proxy materials to solicit your vote in favor of its alternate nominees. Members of the Board's Nominating Committee have met with these alternate nominees. After further discussion, the Board has decided to nominate for election to the Board three current directors -- Mario J. Gabelli, Thomas E. Bratter and Anthony J. Colavita -- rather than either of the dissident shareholder group's nominees.

Each of the Directors of the Fund has served in that capacity since the April 6, 1994 organizational meeting of the Fund with the exception of (i) Mr. Fahrenkopf, who became a Director of the Fund on August 18, 1999, (ii) Dr. Roeder, who became a Director of the Fund on November 17, 1999, and (iii) Mr. Colavita, who became a Director of the Fund on August 15, 2001. All of the Directors of the Fund are also directors or trustees of other investment companies for which Gabelli Funds, LLC (the "Adviser") or its affiliates serve as investment adviser. The classes of Directors are indicated below:

Under the Fund's Articles of Incorporation, Articles Supplementary, and the 1940 Act, holders of the Fund's outstanding Preferred Stock, voting as a separate class, are entitled to elect two Directors, and holders of the Fund's outstanding Common Stock and Preferred Stock, voting together as a single class, are entitled to elect the remaining Directors, subject to the provisions of the 1940 Act and the Fund's Articles of Incorporation, Articles Supplementary, and By-Laws. The holders of the Fund's outstanding Preferred Stock would be entitled to elect the minimum number of additional Directors that would represent a majority of the Directors in the event that dividends on the Fund's Preferred Stock are in arrears for two full years. No dividend arrearages exist as of the date of this Proxy Statement. Messrs. Colavita and Conn are currently the Directors elected solely by the holders of the Fund's Preferred Stock. Mr. Conn's term as Trustee is scheduled to expire at the Fund's 2012 Annual Meeting of Shareholders and therefore he is not standing for election at this meeting. A quorum of the Preferred Stockholders must be present in person or by proxy at the Meeting in order for the proposal to elect Mr. Colavita to be considered.

3

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy "FOR" the election of the nominees named above. Each nominee has indicated that he has consented to serve as a Director if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

The Board believes that each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of other Directors lead to the conclusion that each Director should serve in such capacity. Among the attributes or skills common to all Directors are their ability to review critically and to evaluate, question and discuss information provided to them, to interact effectively with the other Directors, the Adviser, the sub-administrator, other service providers, counsel and the Fund's independent registered public accounting firm, and to exercise effective and independent business judgment in the performance of their duties as Directors. Each Director's ability to perform his duties effectively has been attained in large part through the Director's business, consulting or public service positions and through experience from service as a member of the Board and one or more of the other funds in the Gabelli/GAMCO Fund Complex, public companies, or non-profit entities or other organizations as set forth above and below. Each Director's ability to perform his duties effectively also has been enhanced by his education, professional training and other life experiences.

DIRECTORS -- LEADERSHIP STRUCTURE AND OVERSIGHT RESPONSIBILITIES

Overall responsibility for general oversight of the Fund rests with the Board. The Board has appointed Mr. Conn as the lead independent Director. The lead independent Director presides over executive sessions of the Directors and also serves between meetings of the Board as a liaison with service providers, officers, counsel and other Directors on a wide variety of matters including scheduling agenda items for Board meetings. Designation as such does not impose on the lead independent Director any obligations or standards greater than or different from other Directors. The Board has established a Nominating Committee and an Audit Committee to assist the Board in the oversight of the management and affairs of the Fund. The Board also has an ad hoc Proxy Voting Committee that exercises beneficial ownership responsibilities on behalf of the Fund in selected situations. From time to time the Board establishes additional committees or informal working groups, such as pricing committees related to

8

securities offerings by the Fund, to deal with specific matters or assigns one of its members to participate with Directors or directors of other funds in the Gabelli/GAMCO Fund Complex on special committees or working groups that deal with complex-wide matters, such as the multi-fund ad hoc Compensation Committee relating to compensation of the Chief Compliance Officer for all the funds in the Fund Complex and a separate multi-fund Compensation Committee relating to certain officers of the closed-end funds in the Fund Complex.

All of the Fund's Directors other than Mr. Gabelli are independent Directors, and the Board believes they are able to provide effective oversight of the Fund's service providers. In addition to providing feedback and direction during Board meetings, the Directors meet regularly in executive session and chair all committees of the Board.

The Fund's operations entail a variety of risks including investment, administration, valuation and a range of compliance matters. Although the Adviser, the sub-administrator and the officers of the Fund are responsible for managing these risks on a day-to-day basis within the framework of their established risk management functions, the Board also addresses risk management of the Fund through its meetings and those of the committees and working groups. In particular, as part of its general oversight, the Board reviews with the Adviser at Board meetings the levels and types of risks, including options risk,

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

being undertaken by the Fund, and the Audit Committee discusses the Fund's risk management and controls with the independent registered public accounting firm engaged by the Fund. The Board reviews valuation policies and procedures and the valuations of specific illiquid securities. The Board also receives periodic reports from the Fund's Chief Compliance Officer regarding compliance matters relating to the Fund and its major service providers, including results of the implementation and testing of the Fund's and such providers' compliance programs. The Board's oversight function is facilitated by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks and the controls and policies and procedures used to mitigate those risks. The Board reviews its role in supervising the Fund's risk management from time to time and may make changes in its discretion at any time.

The Board has determined that its leadership structure is appropriate for the Fund because it enables the Board to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight and allows the Board to devote appropriate resources to specific issues in a flexible manner as they arise. The Board periodically reviews its leadership structure as well as its overall structure, composition and functioning and may make changes in its discretion at any time.

Appendix A hereto sets forth purchases and sales during the past two years of equity securities of the Fund by the Directors and nominees for election as Director.

The Fund pays each Director who is not affiliated with the Adviser or its affiliates a fee of \$6,000 per year plus \$500 per Board meeting attended, including standing Committee meetings, together with the Director's actual out-of-pocket expenses relating to his attendance at such meetings. In addition, the lead independent Director receives an annual fee of \$1,000, the Audit Committee Chairman receives an annual fee of \$3,000 and the Nominating Committee Chairman receives an annual fee of \$2,000. A Director may receive a single meeting fee, allocated among the participating funds, for participation in certain meetings on behalf of multiple funds. The aggregate remuneration (not including out-of-pocket expenses) paid by the Fund to such Directors during the fiscal year ended December 31, 2009 amounted to \$66,830. During the fiscal year ended December 31, 2009, the Directors of the Fund met six times, two of which were special meetings of Directors. Each Director then serving in such capacity attended at least 75% of the meetings of Directors and of any Committee of which he is a member.

THE AUDIT COMMITTEE AND AUDIT COMMITTEE REPORT

The role of the Fund's Audit Committee (the "Audit Committee") is to assist the Board of Directors in its oversight of (i) the quality and integrity of the Fund's financial statement reporting process and the independent audit and reviews thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls, and, as appropriate, the internal controls of certain of its service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent registered public accounting firm's qualifications, independence, and performance. The Audit Committee also is required to prepare an audit committee report pursuant

to the rules of the Securities and Exchange Commission (the "SEC") for inclusion

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Audit Charter") that was most recently reviewed and approved by the Board of Directors on February 24, 2010. The Audit Charter is available on the Fund's website at www.gabelli.com/corporate/closed/corp_gov.html.

Pursuant to the Audit Charter, the Audit Committee is responsible for conferring with the Fund's independent registered public accounting firm, reviewing annual financial statements, approving the selection of the Fund's independent registered public accounting firm, and overseeing the Fund's internal controls. The Audit Charter also contains provisions relating to the pre-approval by the Audit Committee of audit and non-audit services to be provided by PricewaterhouseCoopers LLP ("PricewaterhouseCoopers") to the Fund and to the Adviser and certain of its affiliates. The Audit Committee advises the full Board with respect to accounting, auditing, and financial matters affecting the Fund. As set forth in the Audit Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews. The independent registered public accounting firm is ultimately accountable to the Board of Directors and to the Audit Committee, as representatives of shareholders. The independent registered public accounting firm for the Fund reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on February 23, 2010, the Audit Committee reviewed and discussed with management of the Fund and PricewaterhouseCoopers the audited financial statements of the Fund as of and for the fiscal year ended December 31, 2009, and discussed the audit of such financial statements with the independent registered public accounting firm.

In addition, the Audit Committee discussed with the independent registered public accounting firm the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent registered public accounting firm as required by Statement of Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board (United States) ("PCAOB") in Rule 3200T. The Audit Committee also received from the independent registered public accounting firm the written disclosures and statements required by the SEC's independence rules, delineating relationships between the independent registered public accounting firm and the Fund, and discussed the impact that any such relationships might have on the objectivity and independence of the independent registered public accounting firm.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management, or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the Fund's independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with the standards of the PCAOB or that the financial statements are presented in accordance with generally accepted accounting principles (United States).

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent registered public accounting firm, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Charter and those discussed above, the Audit Committee recommended to the Fund's Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended December 31, 2009.

SUBMITTED BY THE AUDIT COMMITTEE OF THE FUND'S BOARD OF DIRECTORS

Anthony R. Pustorino, Chairman
Werner J. Roeder
Salvatore J. Zizza

February 24, 2010

The Audit Committee met twice during the fiscal year ended December 31, 2009. The Audit Committee is composed of three of the Fund's Independent Directors, namely Messrs. Pustorino, Roeder, and Zizza. Each member of the Audit Committee has been determined by the Board of Directors to be financially literate.

NOMINATING COMMITTEE

The Board of Directors has a Nominating Committee composed of three Independent Directors, namely Messrs. Colavita (Chairman), Roeder, and Zizza. The Nominating Committee met once during the fiscal year ended December 31, 2009. The Nominating Committee is responsible for identifying and recommending qualified candidates to the Board in the event that a position is vacated or created. The Nominating Committee will consider recommendations by shareholders if a vacancy were to exist. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board, the qualifications of the candidate, and the interests of shareholders. The Nominating Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. To recommend a candidate for consideration by the Nominating Committee, a shareholder must submit the recommendation in writing and must include the following information:

- The name of the shareholder and evidence of the shareholder's ownership of shares of the Fund, including the number of shares owned and the length of time of ownership;
- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Director of the Fund, and the person's consent to be named as a Director if selected by the Nominating Committee and nominated by the Board of Directors; and
- If requested by the Nominating Committee, a completed and signed director's questionnaire.

The shareholder recommendation and information described above must be sent to the Fund's Secretary, c/o Gabelli Funds, LLC at One Corporate Center, Rye, NY 10580-1422, and must be received by the Secretary no less than 120 days prior to the anniversary date of the proxy statement for the Fund's most recent annual meeting of shareholders or, if the meeting has moved by more than 30 days, a

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

reasonable amount of time before the meeting.

The Nominating Committee believes that the minimum qualifications for serving as a Director of the Fund are that the individual demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board of Directors' oversight of the business and affairs of the Fund and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest, and independence from management and the Fund.

The Nominating Committee considers the overall composition of the Board, bearing in mind the benefits that may be derived from having members who have a variety of experiences, qualifications, attributes or skills useful in overseeing a publicly-traded, highly-regulated entity such as the Fund. The Fund's governing documents state that a nominee for Director shall be at least 21 years of age and not older than such age, if any, as the Directors may determine and shall not be under legal disability. The Directors have not determined a maximum

13

age. The Nominating Committee does not have a formal policy regarding the consideration of diversity in identifying trustee candidates. For a discussion of experiences, qualifications, attributes or skills supporting the appropriateness of each Director's service on the Fund's Board, see the biographical information of the Directors above in the section entitled "Information about Directors and Officers."

The Fund's Nominating Committee adopted a charter on May 12, 2004, and amended the charter on November 17, 2004. The charter is available on the Fund's website at www.gabelli.com/corporate/closed/corp_gov.html.

The Fund's Audit Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent registered public accounting firm to the Fund, and all non-audit services to be provided by the

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

independent registered public accounting firm to the Fund's Adviser and service providers controlling, controlled by, or under common control with the Fund's Adviser ("affiliates") that provide on-going services to the Fund (a "Covered Services Provider"), if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report his decision(s) to the Audit Committee, at its next regularly scheduled meeting after the Chairman's pre-approval of such services. The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the Adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Adviser, and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit, audit-related, and tax services described above for which PricewaterhouseCoopers billed the Fund fees for the fiscal years ended December 31, 2008 and December 31, 2009 were pre-approved by the Audit Committee.

For the fiscal years ended December 31, 2008 and 2009, PricewaterhouseCoopers has represented to the Fund that it did not provide any non-audit services (or bill any fees for such services) to the Adviser or any affiliates thereof that provide services to the Fund.

THE INVESTMENT ADVISER AND ADMINISTRATOR

Gabelli Funds, LLC is the Fund's Adviser and Administrator and its business address is One Corporate Center, Rye, New York 10580-1422.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's executive officers and Directors, executive officers and directors of the Adviser, certain other affiliated persons of the Adviser, and persons who own more than 10% of a registered class of the Fund's securities to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on the Fund's review of the copies of such forms it received for the fiscal year ended December 31, 2009, the Fund believes that during that year such persons complied with all such applicable filing requirements. The Fund also determined that Agnes Mullady omitted to file her Form 3 filing due upon taking office in 2006. Ms. Mullady is on a leave of absence for a limited period of time.

BROKER NON-VOTES AND ABSTENTIONS

For purposes of determining the presence of a quorum for transacting

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

business at the Meeting, abstentions and broker "non-votes" (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present but that have not been voted. Accordingly, shareholders are urged to forward their voting instructions promptly.

The affirmative vote of a plurality of votes cast for each nominee by the shareholders entitled to vote for a particular nominee is necessary for the election of a Director. Abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of a quorum.

Shareholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semi-Annual Report for the six months ended June 30, 2010.

"HOUSEHOLDING"

Please note that only one annual or semi-annual report or Proxy Statement or Notice of Annual Meeting of Shareholders may be delivered to two or more shareholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or semi-annual report or this Proxy Statement or Notice of Annual Meeting of Shareholders, or for instructions regarding how to request a separate copy of these documents or regarding how to request a single copy if multiple copies of these documents are received, shareholders should contact the Fund at the address and phone number set forth above.

SOLICITATION EXPENSES

The Fund will pay the cost of soliciting proxies and the expenses incurred in connection with preparing and distributing the Proxy Statement, its enclosures and additional soliciting materials. The Fund will reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of its shares. In addition to the solicitation of proxies by mail, officers of the Fund and officers and regular employees of Computershare Trust Company, N.A. ("Computershare"), the Fund's transfer agent, and affiliates of Computershare or other representatives of the Fund may also solicit proxies by telephone, facsimile, Internet or in person. In addition, the Fund has retained Morrow & Co., LLC ("Morrow") to assist in the solicitation of proxies for a fee of \$[_____] plus reimbursement of expenses. Morrow will employ up to [__] people to solicit proxies. The Fund estimates that, in light of the expected dissident solicitation, the Fund's solicitation expenses, including fees for attorneys, proxy solicitors, advertising, printing, distribution and other related expenses, may aggregate to approximately \$[_____] , of which approximately \$[_____] has been spent to date. These amounts do not include costs that are normally expended for a solicitation for an election of directors in the absence of a contest.

PROPOSAL 2: SHAREHOLDER PROPOSAL

The Fund has received one shareholder proposal from a Mr. David Massey, of 2550 Webb Avenue #7S, Bronx, New York 10468, requesting that the Board take steps to eliminate the Fund's classified board structure that has been in place since the Fund's inception. Mr. Massey is a holder of 1,900 shares of Common Stock of the Fund who was encouraged to submit this shareholder proposal by Western Investment, which is sponsoring a slate of dissident nominees for election as directors at the Meeting. In consideration of Mr. Massey's submission of this shareholder proposal, Western Investment has taken the highly unusual step of agreeing to indemnify Mr. Massey for any claims against him

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

arising out of such submission, including those resulting from his own negligence.

If properly presented, the following proposal will be voted on at the Meeting. Voting on this matter would serve only as an advisory vote for the Board to reconsider its classified board structure. As required by the rules of the SEC, the text of the resolution and supporting statement of Mr. Massey, for which the Fund accepts no responsibility, are included below exactly as submitted by him. The Board's statement in opposition to Mr. Massey's proposal immediately follows.

FOR THE REASONS DISCUSSED BELOW, YOUR BOARD OF DIRECTORS STRONGLY SUPPORTS
THE FUND'S CLASSIFIED BOARD STRUCTURE AND THEREFORE UNANIMOUSLY
RECOMMENDS THAT SHAREHOLDERS VOTE IN FAVOR OF THE BOARD OF DIRECTORS'
POSITION AND AGAINST MR. MASSEY'S PROPOSAL

SHAREHOLDER PROPOSAL

REPEAL CLASSIFIED BOARD

BE IT RESOLVED, that the stockholders of Gabelli Global Multimedia Trust, Inc. ("GGT" or the "Corporation") request that the Board of Directors take the necessary steps to declassify the Board of GGT and establish annual elections of directors whereby directors of the Corporation would be elected annually and not by classes. This policy would take effect immediately, and be applicable to the re-election of any incumbent director whose term, under the current classified system, subsequently expires.

SUPPORTING STATEMENT

I believe that the ability to elect directors is the single most important use of the stockholder franchise. Accordingly, directors of GGT should be accountable to the stockholders on an annual basis. Currently, the Board of Directors is divided into three classes. Each class serves staggered three-year terms. Because of this structure, stockholders may only vote on roughly one-third of the directors each year. The election of directors by classes, for three-year terms, in my opinion, minimizes accountability and precludes the full exercise of the rights of the stockholders to approve or disapprove annually the performance of a director or the entire Board.

The staggered term structure of the Corporation's Board is not in the best interest of stockholders because it reduces accountability and is an unnecessary anti-takeover device. Stockholders should have the opportunity to vote on the performance of the entire Board of Directors each year. I feel that such annual accountability serves to keep directors closely focused on the performance of the Corporation and its top executives and on increasing stockholder value. Annual election of all directors gives stockholders the power to either completely replace their Board, or replace a majority of directors, if a situation arises which warrants such action.

There are indications from studies that classified boards and other anti-takeover devices have an adverse impact on stockholder value. A 1991 study by Lilli Gordon of the Gordon Group and John Pound of Harvard University found that companies with restrictive corporate governance structures, including those with classified boards, are "significantly less likely to exhibit outstanding long-term performance relative to their industry peers." SEE ALSO Council of Institutional Investors Corporate Governance Policies (Updated May 1, 2009), at

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

Section 2.1 "Annual Election of Directors: All directors should be elected annually. Boards should not be classified (staggered)."

I urge your support for the proposal to repeal the classified Board of Directors of GGT and establish that all directors of GGT be elected annually. Thank you.

Very truly yours,

/s/ David Massey

THE BOARD'S RESPONSE - STATEMENT IN FAVOR OF THE DIRECTORS' POSITION AND IN OPPOSITION TO THE SHAREHOLDER PROPOSAL

Y(our) Fund was spun-off from the Gabelli Equity Trust in 1994. The Gabelli Equity Trust has had a classified board structure since its formation in 1986.

The Board of Directors believes that, in contrast to industrial companies, as a closed-end fund subject to extensive regulation by the SEC, the Fund and its shareholders have been well served by the classified board structure. This structure continues to provide the Fund and its shareholders with important benefits. The structure strengthens the independence of the Board and provides stability and continuity of management. The closed-end

18

fund structure, in turn, enables the portfolio team to focus on investment opportunities, such as occurred in the first quarter of 2009, without concern over the flow of funds into or out of the Fund. This provides the underpinning for an informed and focused pursuit of the Fund's investment objectives.

ACADEMIC STUDIES

Mr. Massey cites a 1991 study by Lilli Gordon and John Pound to support the assertion that classified boards have an adverse impact on shareholder value. Shareholders should be aware that respected commentators (including Joseph A. Grundfest, a former member of the United States Securities and Exchange Commission, in a 1993 article in *The Stanford Law Review*) have noted that the study cited by Mr. Massey does not establish a cause and effect relationship between governance structures, including classified boards, and company performance. Accordingly, the Board believes that shareholders should not rely on the results of Mr. Massey's suggested study in determining how to vote on the proposal.

Because the Board believes that the Fund's classified board structure provides significant long-term benefits, the Board believes that Mr. Massey's proposal to eliminate the Fund's classified board structure is NOT in the best interests of the Fund and its shareholders. THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF THE BOARD OF DIRECTORS' POSITION AND AGAINST THIS PROPOSAL.

STABILITY AND CONTINUITY

The Fund's classified board structure is designed to provide stability and continuity to the Fund by seeking to ensure that, at any given time, a majority

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

of directors serving on the Board are familiar with the Fund and its investment objectives. As a closed-end investment company, the Fund is subject to significant regulation and requires an active and experienced Board. If all directors were elected annually, most or all of the Fund's directors could be replaced at one time, potentially resulting in a loss of the Board's accrued institutional knowledge and requiring all or most directors to devote substantial time and resources to familiarizing themselves with the regulatory environment. The Board believes that experienced directors who are knowledgeable about the Fund's regulated operating environment and its investment objectives are a valuable resource and are better positioned to make fundamental decisions that serve the best interests of the Fund's shareholders.

ENHANCED INDEPENDENCE OF THE BOARD

The Board believes that electing directors to three-year terms, rather than one-year terms, enhances the independence of directors by providing them with a longer elected term of office, thereby insulating them from pressures from management, the investment adviser and from special interest groups that may have agendas that are contrary to the long-term interests of all shareholders. As a result of being elected to a three-year - rather than a one-year - term, the Fund's directors may be more likely to express their views freely and take the actions they believe to be in the best long-term interests of the Fund and its shareholders, without the distraction of annual nominations and elections.

ACCOUNTABILITY TO SHAREHOLDERS

Mr. Massey's assertion that the classified board structure minimizes a director's accountability to the Fund's shareholders is unfounded. The mere fact that a director is up for election each year does not guarantee improved accountability to shareholders. Directors elected to three-year terms are as accountable to shareholders as are directors elected annually because all directors have the same fiduciary duties and legal obligations to the Fund and its shareholders regardless of their term of office. Shareholders have the right to replace approximately one-third of the Fund's directors each year and all of the directors over a three-year period.

Moreover, the Fund's shareholders already have a variety of tools at their disposal to ensure that directors who are elected to a classified Board are accountable to them. These tools include withholding votes from directors who are standing for election, publicity campaigns and meeting with directors to express shareholder concerns. Shareholders have successfully used these accountability tools at many public companies, including closed-end investment companies like the Fund.

19

REQUIRED VOTE

The presence in person or by proxy of the holders of record of a majority of the shares of the Fund issued and outstanding and entitled to vote at the Meeting shall constitute a quorum at the Meeting. The approval of the shareholder proposal and all other matters to be decided upon at the Meeting will require the affirmative vote of a majority of the shares so represented in person or by proxy at the Meeting and entitled to vote.

OTHER MATTERS TO COME BEFORE THE MEETING

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

The Directors of the Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying proxy will vote thereon in accordance with their judgment.

SHAREHOLDER PROPOSALS

All proposals by shareholders of the Fund which are intended to be presented at the Fund's next Annual Meeting of Shareholders to be held in 2011 (the "2011 Annual Meeting") must be received by the Fund for consideration for inclusion in the Fund's proxy statement and proxy relating to that meeting no later than December [__], 2010. There are additional requirements regarding proposals of shareholders, and a shareholder contemplating submission of a proposal for inclusion in the Fund's proxy materials is referred to Rule 14a-8 under the 1934 Act.

The Fund's By-Laws require shareholders that wish to nominate Directors or make proposals to be voted on at an Annual Meeting of the Fund's Shareholders (and which are not proposed to be included in the Fund's proxy materials pursuant to Rule 14a-8 under the 1934 Act) to provide timely notice of the nomination or proposal in writing. To be considered timely for the 2011 Annual Meeting, any such notice must be delivered to or mailed and received at the principal executive offices of the Fund at the address set forth on the first page of this proxy statement no earlier than 9:00 a.m. Eastern time on January [__], 2011 and no later than 5:00 p.m. Eastern time on February [__], 2011; provided, however, that if the 2011 Annual Meeting is to be held on a date that is earlier than April [__], 2011 or later than June [__], 2011, such notice must be delivered to or received by the Fund no later than 5:00 p.m. Eastern time on the tenth day following the date on which public announcement of the date of the 2011 Annual Meeting was first made. Any such notice by a shareholder shall set forth the information required by the Fund's By-Laws with respect to each nomination or matter the shareholder proposes to bring before the 2011 Annual Meeting.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY.

SHAREHOLDERS MAY PROVIDE THEIR VOTE BY TELEPHONE OR THE INTERNET BY FOLLOWING THE INSTRUCTIONS ACCOMPANYING THE [WHITE] PROXY CARD.

(the "Fund"), a Maryland Corporation for use at the Annual Meeting of Shareholders of the Fund to be held on [_____], 2010, at [_____], at The Cole Auditorium, The Greenwich Library, 101 West Putnam Avenue, Greenwich, Connecticut 06830, and at any adjournments thereof (the "Meeting"). A Notice of Annual Meeting of Shareholders and [white] proxy card accompany this Proxy Statement, all of which are first being mailed to shareholders on or about May [___], 2010.

THE FUND'S MOST RECENT ANNUAL REPORT, INCLUDING AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED DECEMBER 31, 2009, IS AVAILABLE UPON REQUEST, WITHOUT CHARGE, BY WRITING TO THE ACTING SECRETARY OF THE FUND AT ONE CORPORATE CENTER, RYE, NEW YORK 10580-1422, BY CALLING THE FUND AT 800-422-3554, OR VIA THE INTERNET AT www.gabelli.com.

If the enclosed proxy is properly executed and returned in time to be voted at the Meeting, the Shares (as defined below) represented thereby will be voted "FOR" the election of the nominees as Directors as described in this Proxy Statement, and "against" the Shareholder Proposal if properly presented at the Meeting, unless instructions to the contrary are marked thereon, and at the discretion of the proxy holders as to the transaction of any other business that may properly come before the Meeting. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her shares in person or by submitting a letter of revocation or a later-dated proxy to the Fund at the above address prior to the date of the Meeting.

A quorum of shareholders is constituted by the presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote at the Meeting. In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the persons named as proxies may propose one or more adjournments of such Meeting to permit further solicitation of proxies. A shareholder vote may be taken on one or more of the proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote "FOR" any proposal in favor of such adjournment and will vote those proxies required to be voted "AGAINST" any proposal against such adjournment. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting must take place not more than 120 days after the record date. At such adjourned Meeting, any business may be transacted which might have been transacted at the original Meeting. If a quorum is present, a shareholder vote may be taken on one or more of the proposals properly brought before the Meeting prior to any adjournment if sufficient votes have been received and it is otherwise appropriate.

The close of business on April 1, 2010 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the

PROPOSAL 1: TO ELECT THREE (3) DIRECTORS OF THE FUND

NOMINEES FOR THE BOARD OF DIRECTORS

The Board consists of eight Directors, seven of whom are not "interested persons" of the Fund (as defined in the Investment Company Act of 1940, as amended (the "1940 Act"). The Fund divides the Board into three classes, each class having a term of three years. Each year the term of office of one class will expire. Mario J. Gabelli, Thomas E. Bratter, and Anthony J. Colavita have each been nominated by the Board for election to serve for a three-year term to expire at the Fund's 2013 Annual Meeting of Shareholders and until their successors are duly elected and qualified. Anthony J. Colavita has been nominated by the Board for election by the holders of the Fund's Preferred Stock for a three-year term to expire at the Fund's 2013 Annual Meeting of Shareholders or until his successor is duly elected and qualified.

The Fund has received notice from a dissident shareholder group of its intention to nominate a separate slate of individuals for election to the Board at the Meeting. It is possible that the dissident shareholder group will prepare and mail proxy materials to solicit your vote in favor of its alternate nominees. Members of the Board's Nominating Committee have met with these alternate nominees. After further discussion, the Board has decided to nominate for election to the Board three current directors -- Mario J. Gabelli, Thomas E. Bratter and Anthony J. Colavita -- rather than either of the dissident shareholder group's nominees.

Each of the Directors of the Fund has served in that capacity since the April 6, 1994 organizational meeting of the Fund with the exception of (i) Mr. Fahrenkopf, who became a Director of the Fund on August 18, 1999, (ii) Dr. Roeder, who became a Director of the Fund on November 17, 1999, and (iii) Mr. Colavita, who became a Director of the Fund on August 15, 2001. All of the Directors of the Fund are also directors or trustees of other investment companies for which Gabelli Funds, LLC (the "Adviser") or its affiliates serve as investment adviser. The classes of Directors are indicated below:

Under the Fund's Articles of Incorporation, Articles Supplementary, and the 1940 Act, holders of the Fund's outstanding Preferred Stock, voting as a separate class, are entitled to elect two Directors, and holders of the Fund's outstanding Common Stock and Preferred Stock, voting together as a single class, are entitled to elect the remaining Directors, subject to the provisions of the

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

1940 Act and the Fund's Articles of Incorporation, Articles Supplementary, and By-Laws. The holders of the Fund's outstanding Preferred Stock would be entitled to elect the minimum number of additional Directors that would represent a majority of the Directors in the event that dividends on the Fund's Preferred Stock are in arrears for two full years. No dividend arrearages exist as of the date of this Proxy Statement. Messrs. Colavita and Conn are currently the Directors elected solely by the holders of the Fund's Preferred Stock. Mr. Conn's term as Trustee is scheduled to expire at the Fund's 2012 Annual Meeting of Shareholders and therefore he is not standing for election at this meeting. A quorum of the Preferred Stockholders must be present in person or by proxy at the Meeting in order for the proposal to elect Mr. Colavita to be considered.

3

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy "FOR" the election of the nominees named above. Each nominee has indicated that he has consented to serve as a Director if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

INFORMATION ABOUT DIRECTORS AND OFFICERS

Set forth in the table below are the existing Directors, including those Directors who are not considered to be "interested persons," as defined in the 1940 Act (the "Independent Directors"), three of whom are nominated for re-election to the Board of the Fund, and officers of the Fund, including information relating to their respective positions held with the Fund, a brief statement of their principal occupations and, in the case of the Directors, their other directorships during the past five years, (excluding other funds managed by the Adviser), if any.

The Board believes that each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of other Directors lead to the conclusion that each Director should serve in such capacity. Among the attributes or skills common to all Directors are their ability to review critically and to evaluate, question and discuss information provided to them, to interact effectively with the other Directors, the Adviser, the sub-administrator, other service providers, counsel and the Fund's independent registered public accounting firm, and to exercise effective and independent business judgment in the performance of their duties as Directors. Each Director's ability to perform his duties effectively has been attained in large part through the Director's business, consulting or public service positions and through experience from service as a member of the Board and one or more of the other funds in the Gabelli/GAMCO Fund Complex, public companies, or non-profit entities or other organizations as set forth above and below. DIRECTORS -- LEADERSHIP STRUCTURE AND OVERSIGHT RESPONSIBILITIES

Overall responsibility for general oversight of the Fund rests with the Board. The Board has appointed Mr. Conn as the lead independent Director. The lead independent Director presides over executive sessions of the Directors and also serves between meetings of the Board as a liaison with service providers, officers, counsel and other Directors on a wide variety of matters including scheduling agenda items for Board meetings. Designation as such does not impose on the lead independent Director any obligations or standards greater than or different from other Directors. The Board has established a Nominating Committee

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

and an Audit Committee to assist the Board in the oversight of the management and affairs of the Fund. The Board also has an ad hoc Proxy Voting Committee that exercises beneficial ownership responsibilities on behalf of the Fund in selected situations. From time to time the Board establishes additional committees or informal working groups, such as pricing committees related to

8

securities offerings by the Fund, to deal with specific matters or assigns one of its members to participate with Directors or directors of other funds in the Gabelli/GAMCO Fund Complex on special committees or working groups that deal with complex-wide matters, such as the multi-fund ad hoc Compensation Committee relating to compensation of the Chief Compliance Officer for all the funds in the Fund Complex and a separate multi-fund Compensation Committee relating to certain officers of the closed-end funds in the Fund Complex.

All of the Fund's Directors other than Mr. Gabelli are independent Directors, and the Board believes they are able to provide effective oversight of the Fund's service providers. In addition to providing feedback and direction during Board meetings, the Directors meet regularly in executive session and chair all committees of the Board.

The Fund's operations entail a variety of risks including investment, administration, valuation and a range of compliance matters. Although the Adviser, the sub-administrator and the officers of the Fund are responsible for managing these risks on a day-to-day basis within the framework of their established risk management functions, the Board also addresses risk management of the Fund through its meetings and those of the committees and working groups. In particular, as part of its general oversight, the Board reviews with the Adviser at Board meetings the levels and types of risks, including options risk, being undertaken by the Fund, and the Audit Committee discusses the Fund's risk management and controls with the independent registered public accounting firm engaged by the Fund. The Board reviews valuation policies and procedures and the valuations of specific illiquid securities. The Board also receives periodic reports from the Fund's Chief Compliance Officer regarding compliance matters relating to the Fund and its major service providers, including results of the implementation and testing of the Fund's and such providers' compliance programs. The Board's oversight function is facilitated by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks and the controls and policies and procedures used to mitigate those risks. The Board reviews its role in supervising the Fund's risk management from time to time and may make changes in its discretion at any time.

The Board has determined that its leadership structure is appropriate for the Fund because it enables the Board to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight and allows the Board to devote appropriate resources to specific issues in a flexible manner as they arise. The Board periodically reviews its leadership structure as well as its overall structure, composition and functioning and may make changes in its discretion at any time.

affiliates a fee of \$6,000 per year plus \$500 per Board meeting attended, including standing Committee meetings, together with the Director's actual out-of-pocket expenses relating to his attendance at such meetings. In addition, the lead independent Director receives an annual fee of \$1,000, the Audit Committee Chairman receives an annual fee of \$3,000 and the Nominating Committee Chairman receives an annual fee of \$2,000. A Director may receive a single meeting fee, allocated among the participating funds, for participation in certain meetings on behalf of multiple funds. The aggregate remuneration (not including out-of-pocket expenses) paid by the Fund to such Directors during the fiscal year ended December 31, 2009 amounted to \$66,830. During the fiscal year ended December 31, 2009, the Directors of the Fund met six times, two of which were special meetings of Directors. Each Director then serving in such capacity attended at least 75% of the meetings of Directors and of any Committee of which he is a member.

THE AUDIT COMMITTEE AND AUDIT COMMITTEE REPORT

The role of the Fund's Audit Committee (the "Audit Committee") is to assist the Board of Directors in its oversight of (i) the quality and integrity of the Fund's financial statement reporting process and the independent audit and reviews thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls, and, as appropriate, the internal controls of certain of its service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent registered public accounting firm's qualifications, independence, and performance. The Audit Committee also is required to prepare an audit committee report pursuant

11

to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Audit Charter") that was most recently reviewed and approved by the Board of Directors on February 24, 2010. The Audit Charter is available on the Fund's website at www.gabelli.com/corporate/closed/corp_gov.html.

Pursuant to the Audit Charter, the Audit Committee is responsible for conferring with the Fund's independent registered public accounting firm, reviewing annual financial statements, approving the selection of the Fund's independent registered public accounting firm, and overseeing the Fund's internal controls. The Audit Charter also contains provisions relating to the pre-approval by the Audit Committee of audit and non-audit services to be provided by PricewaterhouseCoopers LLP ("PricewaterhouseCoopers") to the Fund and to the Adviser and certain of its affiliates. The Audit Committee advises the full Board with respect to accounting, auditing, and financial matters affecting the Fund. As set forth in the Audit Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews. The independent registered public accounting firm is ultimately accountable to the Board of Directors and to the Audit Committee, as representatives of shareholders. The independent registered public accounting firm for the Fund reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on February 23, 2010, the Audit Committee reviewed and discussed with management of the Fund and PricewaterhouseCoopers the audited financial statements of the Fund as of and for the fiscal year ended December 31, 2009, and discussed the audit of such financial statements with the independent registered public accounting firm.

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

In addition, the Audit Committee discussed with the independent registered public accounting firm the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent registered public accounting firm as required by Statement of Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board (United States) ("PCAOB") in Rule 3200T. The Audit Committee also received from the independent registered public accounting firm the written disclosures and statements required by the SEC's independence rules, delineating relationships between the independent registered public accounting firm and the Fund, and discussed the impact that any such relationships might have on the objectivity and independence of the independent registered public accounting firm.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management, or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the Fund's independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with the standards of the PCAOB or that the financial statements are presented in accordance with generally accepted accounting principles (United States).

12

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent registered public accounting firm, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Charter and those discussed above, the Audit Committee recommended to the Fund's Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended December 31, 2009.

Anthony R. Pustorino, Chairman
Werner J. Roeder
Salvatore J. Zizza

February 24, 2010

The Audit Committee met twice during the fiscal year ended December 31, 2009. The Audit Committee is composed of three of the Fund's Independent Directors, namely Messrs. Pustorino, Roeder, and Zizza. Each member of the Audit Committee has been determined by the Board of Directors to be financially literate.

NOMINATING COMMITTEE

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

The Board of Directors has a Nominating Committee composed of three Independent Directors, namely Messrs. Colavita (Chairman), Roeder, and Zizza. The Nominating Committee met once during the fiscal year ended December 31, 2009. The Nominating Committee is responsible for identifying and recommending qualified candidates to the Board in the event that a position is vacated or created. The Nominating Committee will consider recommendations by shareholders if a vacancy were to exist. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board, the qualifications of the candidate, and the interests of shareholders. The Nominating Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. To recommend a candidate for consideration by the Nominating Committee, a shareholder must submit the recommendation in writing and must include the following information:

- The name of the shareholder and evidence of the shareholder's ownership of shares of the Fund, including the number of shares owned and the length of time of ownership;
- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Director of the Fund, and the person's consent to be named as a Director if selected by the Nominating Committee and nominated by the Board of Directors; and
- If requested by the Nominating Committee, a completed and signed director's questionnaire.

The shareholder recommendation and information described above must be sent to the Fund's Secretary, c/o Gabelli Funds, LLC at One Corporate Center, Rye, NY 10580-1422, and must be received by the Secretary no less than 120 days prior to the anniversary date of the proxy statement for the Fund's most recent annual meeting of shareholders or, if the meeting has moved by more than 30 days, a reasonable amount of time before the meeting.

The Nominating Committee believes that the minimum qualifications for serving as a Director of the Fund are that the individual demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board of Directors' oversight of the business and affairs of the Fund and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest, and independence from management and the Fund.

The Nominating Committee considers the overall composition of the Board, bearing in mind the benefits that may be derived from having members who have a variety of experiences, qualifications, attributes or skills useful in overseeing a publicly-traded, highly-regulated entity such as the Fund. The Fund's governing documents state that a nominee for Director shall be at least 21 years of age and not older than such age, if any, as the Directors may determine and shall not be under legal disability. The Directors have not determined a maximum

age. The Nominating Committee does not have a formal policy regarding the consideration of diversity in identifying trustee candidates. For a discussion of experiences, qualifications, attributes or skills supporting the

appropriateness of each Director's service on the Fund's Board, see the biographical information of the Directors above in the section entitled "Information about Directors and Officers."

The Fund's Nominating Committee adopted a charter on May 12, 2004, and amended the charter on November 17, 2004. The charter is available on the Fund's website at www.gabelli.com/corporate/closed/corp_gov.html.

OTHER BOARD-RELATED MATTERS

The Board of Directors has established the following procedures in order to facilitate communications between the Board and the shareholders of the Fund and other interested parties.

RECEIPT OF COMMUNICATIONS

Shareholders and other interested parties may contact the Board or any member of the Board by mail or electronically. To communicate with the Board or any member of the Board, correspondence should be addressed to the Board or the Board member(s) with whom you wish to communicate by either name or title. All such correspondence should be sent c/o the Fund at Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580-1422. To communicate with the Board electronically, shareholders may go to the corporate website at www.gabelli.com under the heading "Our Firm/Contact Us/Email Addresses/Board of Directors (Gabelli Closed-End Funds)."

FORWARDING THE COMMUNICATIONS

All communications received will be opened by the office of the General Counsel of the Adviser for the sole purpose of determining whether the contents represent a message to one or more Directors. The office of the General Counsel will forward promptly to the addressee(s) any contents that relate to the Fund and that are not in the nature of advertising, promotion of a product or service, or patently offensive or otherwise objectionable material. In the case of communications to the Board of Directors or any committee or group of members of the Board, the General Counsel's office will make sufficient copies of the contents to send to each Director who is a member of the group or committee to which the envelope or e-mail is addressed.

The Fund does expect Directors or nominees for election as Director to attend the Annual Meeting of Shareholders. Mr. Gabelli attended the Fund's Annual Meeting of Shareholders held on May 18, 2009.

ADDITIONAL INFORMATION

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

PricewaterhouseCoopers, 300 Madison Avenue, New York, NY 10017, has been selected to serve as the Fund's independent registered public accounting firm for the fiscal year ending December 31, 2010. PricewaterhouseCoopers acted as the Fund's independent registered public accounting firm for the fiscal year ended December 31, 2009. The Fund knows of no direct financial or material indirect financial interest of PricewaterhouseCoopers in the Fund. A representative of PricewaterhouseCoopers will not be present at the Meeting, but will be available by telephone and will have an opportunity to make a statement, if asked, and will be available to respond to appropriate questions.

Set forth in the table below are audit fees and non-audit related fees billed to the Fund by PricewaterhouseCoopers for professional services received during and for the fiscal years ended December 31, 2008 and 2009, respectively.

FISCAL YEAR ENDED DECEMBER 31	AUDIT FEES	AUDIT-RELATED FEES*	TAX FEES**	ALL OTHER FEES
-----	-----	-----	-----	-----
2008	\$58,200	\$ 9,212	\$4,000	--
2009	\$47,400	\$13,000	\$4,000	--

* "Audit-Related Fees" are those estimated fees billed to the Fund by PricewaterhouseCoopers in connection with the preparation of Preferred Shares Reports to Moody's Investors Service, Inc., Standard & Poor's Rating Services and Fitch Ratings.

** "Tax Fees" are those fees billed by PricewaterhouseCoopers in connection with tax compliance services, including primarily the review of the Fund's income tax returns.

The Fund's Audit Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent registered public accounting firm to the Fund, and all non-audit services to be provided by the independent registered public accounting firm to the Fund's Adviser and service providers controlling, controlled by, or under common control with the Fund's Adviser ("affiliates") that provide on-going services to the Fund (a "Covered Services Provider"), if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report his decision(s) to the Audit Committee, at its next regularly scheduled meeting after the Chairman's pre-approval of such services. The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the Adviser or the Fund's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Adviser, and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit, audit-related, and tax services described above for which PricewaterhouseCoopers billed the Fund fees for the fiscal years ended December 31, 2008 and December 31, 2009 were pre-approved by the Audit Committee.

For the fiscal years ended December 31, 2008 and 2009, PricewaterhouseCoopers has represented to the Fund that it did not provide any

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

non-audit services (or bill any fees for such services) to the Adviser or any affiliates thereof that provide services to the Fund.

THE INVESTMENT ADVISER AND ADMINISTRATOR

Gabelli Funds, LLC is the Fund's Adviser and Administrator and its business address is One Corporate Center, Rye, New York 10580-1422.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's executive officers and Directors, executive officers and directors of the Adviser, certain other affiliated persons of the Adviser, and persons who own more than 10% of a registered class of the Fund's securities to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on the Fund's review of the copies of such forms it received for the fiscal year ended December 31, 2009, the Fund believes that during that year such persons complied with all such applicable filing requirements. The Fund also determined that Agnes Mullady omitted to file her Form 3 filing due upon taking office in 2006. Ms. Mullady is on a leave of absence for a limited period of time.

BROKER NON-VOTES AND ABSTENTIONS

For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker "non-votes" (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present but that have not been voted. Accordingly, shareholders are urged to forward their voting instructions promptly.

The affirmative vote of a plurality of votes cast for each nominee by the shareholders entitled to vote for a particular nominee is necessary for the election of a Director. Abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of a quorum.

Shareholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semi-Annual Report for the six months ended June 30, 2010.

"HOUSEHOLDING"

Please note that only one annual or semi-annual report or Proxy Statement or Notice of Annual Meeting of Shareholders may be delivered to two or more shareholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or semi-annual report or this Proxy Statement or Notice of Annual Meeting of Shareholders, or for instructions regarding how to request a separate copy of these documents or regarding how to request a single copy if multiple copies of these documents are received, shareholders should contact the Fund at the address and phone number set forth above.

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

SOLICITATION EXPENSES

The Fund will pay the cost of soliciting proxies and the expenses incurred in connection with preparing and distributing the Proxy Statement, its enclosures and additional soliciting materials. The Fund will reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of its shares. In addition to the solicitation of proxies by mail, officers of the Fund and officers and regular employees of Computershare Trust Company, N.A. ("Computershare"), the Fund's transfer agent, and affiliates of Computershare or other representatives of the Fund may also solicit proxies by telephone, facsimile, Internet or in person. In addition, the Fund has retained Morrow & Co., LLC ("Morrow") to assist in the solicitation of proxies for a fee of \$[_____] plus reimbursement of expenses. Morrow will employ up to [__] people to solicit proxies. The Fund estimates that, in light of the expected dissident solicitation, the Fund's solicitation expenses, including fees for attorneys, proxy solicitors, advertising, printing, distribution and other related expenses, may aggregate to approximately \$[_____] , of which approximately \$[_____] has been spent to date. These amounts do not include costs that are normally expended for a solicitation for an election of directors in the absence of a contest.

PROPOSAL 2: SHAREHOLDER PROPOSAL

The Fund has received one shareholder proposal from a Mr. David Massey, of 2550 Webb Avenue #7S, Bronx, New York 10468, requesting that the Board take steps to eliminate the Fund's classified board structure that has been in place since the Fund's inception. Mr. Massey is a holder of 1,900 shares of Common Stock of the Fund who was encouraged to submit this shareholder proposal by Western Investment, which is sponsoring a slate of dissident nominees for election as directors at the Meeting. In consideration of Mr. Massey's submission of this shareholder proposal, Western Investment has taken the highly unusual step of agreeing to indemnify Mr. Massey for any claims against him arising out of such submission, including those resulting from his own negligence.

If properly presented, the following proposal will be voted on at the Meeting. Voting on this matter would serve only as an advisory vote for the Board to reconsider its classified board structure. As required by the rules of the SEC, the text of the resolution and supporting statement of Mr. Massey, for which the Fund accepts no responsibility, are included below exactly as submitted by him. The Board's statement in opposition to Mr. Massey's proposal immediately follows.

17

FOR THE REASONS DISCUSSED BELOW, YOUR BOARD OF DIRECTORS STRONGLY SUPPORTS
THE FUND'S CLASSIFIED BOARD STRUCTURE AND THEREFORE UNANIMOUSLY
RECOMMENDS THAT SHAREHOLDERS VOTE IN FAVOR OF THE BOARD OF DIRECTORS'
POSITION AND AGAINST MR. MASSEY'S PROPOSAL

SHAREHOLDER PROPOSAL

REPEAL CLASSIFIED BOARD

BE IT RESOLVED, that the stockholders of Gabelli Global Multimedia Trust, Inc. ("GGT" or the "Corporation") request that the Board of Directors take the necessary steps to declassify the Board of GGT and establish annual elections of directors whereby directors of the Corporation would be elected annually and not

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

by classes. This policy would take effect immediately, and be applicable to the re-election of any incumbent director whose term, under the current classified system, subsequently expires.

SUPPORTING STATEMENT

I believe that the ability to elect directors is the single most important use of the stockholder franchise. Accordingly, directors of GGT should be accountable to the stockholders on an annual basis. Currently, the Board of Directors is divided into three classes. Each class serves staggered three-year terms. Because of this structure, stockholders may only vote on roughly one-third of the directors each year. The election of directors by classes, for three-year terms, in my opinion, minimizes accountability and precludes the full exercise of the rights of the stockholders to approve or disapprove annually the performance of a director or the entire Board.

The staggered term structure of the Corporation's Board is not in the best interest of stockholders because it reduces accountability and is an unnecessary anti-takeover device. Stockholders should have the opportunity to vote on the performance of the entire Board of Directors each year. I feel that such annual accountability serves to keep directors closely focused on the performance of the Corporation and its top executives and on increasing stockholder value. Annual election of all directors gives stockholders the power to either completely replace their Board, or replace a majority of directors, if a situation arises which warrants such action.

There are indications from studies that classified boards and other anti-takeover devices have an adverse impact on stockholder value. A 1991 study by Lilli Gordon of the Gordon Group and John Pound of Harvard University found that companies with restrictive corporate governance structures, including those with classified boards, are "significantly less likely to exhibit outstanding long-term performance relative to their industry peers." SEE ALSO Council of Institutional Investors Corporate Governance Policies (Updated May 1, 2009), at Section 2.1 "Annual Election of Directors: All directors should be elected annually. Boards should not be classified (staggered)."

I urge your support for the proposal to repeal the classified Board of Directors of GGT and establish that all directors of GGT be elected annually. Thank you.

Very truly yours,

/s/ David Massey

THE BOARD'S RESPONSE - STATEMENT IN FAVOR OF THE DIRECTORS' POSITION AND IN OPPOSITION TO THE SHAREHOLDER PROPOSAL

Y(our) Fund was spun-off from the Gabelli Equity Trust in 1994. The Gabelli Equity Trust has had a classified board structure since its formation in 1986.

The Board of Directors believes that, in contrast to industrial companies, as a closed-end fund subject to extensive regulation by the SEC, the Fund and its shareholders have been well served by the classified board structure. This structure continues to provide the Fund and its shareholders with important benefits. The structure strengthens the independence of the Board and provides stability and continuity of management. The closed-end

fund structure, in turn, enables the portfolio team to focus on investment opportunities, such as occurred in the first quarter of 2009, without concern over the flow of funds into or out of the Fund. This provides the underpinning for an informed and focused pursuit of the Fund's investment objectives.

ACADEMIC STUDIES

Mr. Massey cites a 1991 study by Lilli Gordon and John Pound to support the assertion that classified boards have an adverse impact on shareholder value. Shareholders should be aware that respected commentators (including Joseph A. Grundfest, a former member of the United States Securities and Exchange Commission, in a 1993 article in *The Stanford Law Review*) have noted that the study cited by Mr. Massey does not establish a cause and effect relationship between governance structures, including classified boards, and company performance. Accordingly, the Board believes that shareholders should not rely on the results of Mr. Massey's suggested study in determining how to vote on the proposal.

Because the Board believes that the Fund's classified board structure provides significant long-term benefits, the Board believes that Mr. Massey's proposal to eliminate the Fund's classified board structure is NOT in the best interests of the Fund and its shareholders. THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF THE BOARD OF DIRECTORS' POSITION AND AGAINST THIS PROPOSAL.

STABILITY AND CONTINUITY

The Fund's classified board structure is designed to provide stability and continuity to the Fund by seeking to ensure that, at any given time, a majority of directors serving on the Board are familiar with the Fund and its investment objectives. As a closed-end investment company, the Fund is subject to significant regulation and requires an active and experienced Board. If all directors were elected annually, most or all of the Fund's directors could be replaced at one time, potentially resulting in a loss of the Board's accrued institutional knowledge and requiring all or most directors to devote substantial time and resources to familiarizing themselves with the regulatory environment. The Board believes that experienced directors who are knowledgeable about the Fund's regulated operating environment and its investment objectives are a valuable resource and are better positioned to make fundamental decisions that serve the best interests of the Fund's shareholders.

ENHANCED INDEPENDENCE OF THE BOARD

The Board believes that electing directors to three-year terms, rather than one-year terms, enhances the independence of directors by providing them with a longer elected term of office, thereby insulating them from pressures from management, the investment adviser and from special interest groups that may have agendas that are contrary to the long-term interests of all shareholders. As a result of being elected to a three-year - rather than a one-year - term, the Fund's directors may be more likely to express their views freely and take the actions they believe to be in the best long-term interests of the Fund and its shareholders, without the distraction of annual nominations and elections.

ACCOUNTABILITY TO SHAREHOLDERS

Mr. Massey's assertion that the classified board structure minimizes a director's accountability to the Fund's shareholders is unfounded. The mere fact that a director is up for election each year does not guarantee improved

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

accountability to shareholders. Directors elected to three-year terms are as accountable to shareholders as are directors elected annually because all directors have the same fiduciary duties and legal obligations to the Fund and its shareholders regardless of their term of office. Shareholders have the right to replace approximately one-third of the Fund's directors each year and all of the directors over a three-year period.

Moreover, the Fund's shareholders already have a variety of tools at their disposal to ensure that directors who are elected to a classified Board are accountable to them. These tools include withholding votes from directors who are standing for election, publicity campaigns and meeting with directors to express shareholder concerns. Shareholders have successfully used these accountability tools at many public companies, including closed-end investment companies like the Fund.

19

REQUIRED VOTE

The presence in person or by proxy of the holders of record of a majority of the shares of the Fund issued and outstanding and entitled to vote at the Meeting shall constitute a quorum at the Meeting. The approval of the shareholder proposal and all other matters to be decided upon at the Meeting will require the affirmative vote of a majority of the shares so represented in person or by proxy at the Meeting and entitled to vote.

OTHER MATTERS TO COME BEFORE THE MEETING

The Directors of the Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying proxy will vote thereon in accordance with their judgment.

SHAREHOLDER PROPOSALS

All proposals by shareholders of the Fund which are intended to be presented at the Fund's next Annual Meeting of Shareholders to be held in 2011 (the "2011 Annual Meeting") must be received by the Fund for consideration for inclusion in the Fund's proxy statement and proxy relating to that meeting no later than December [__], 2010. There are additional requirements regarding proposals of shareholders, and a shareholder contemplating submission of a proposal for inclusion in the Fund's proxy materials is referred to Rule 14a-8 under the 1934 Act.

The Fund's By-Laws require shareholders that wish to nominate Directors or make proposals to be voted on at an Annual Meeting of the Fund's Shareholders (and which are not proposed to be included in the Fund's proxy materials pursuant to Rule 14a-8 under the 1934 Act) to provide timely notice of the nomination or proposal in writing. To be considered timely for the 2011 Annual Meeting, any such notice must be delivered to or mailed and received at the principal executive offices of the Fund at the address set forth on the first page of this proxy statement no earlier than 9:00 a.m. Eastern time on January [__], 2011 and no later than 5:00 p.m. Eastern time on February [__], 2011; provided, however, that if the 2011 Annual Meeting is to be held on a date that is earlier than April [__], 2011 or later than June [__], 2011, such notice must be delivered to or received by the Fund no later than 5:00 p.m. Eastern time on

Edgar Filing: GABELLI GLOBAL MULTIMEDIA TRUST INC - Form PRER14A

the tenth day following the date on which public announcement of the date of the 2011 Annual Meeting was first made. Any such notice by a shareholder shall set forth the information required by the Fund's By-Laws with respect to each nomination or matter the shareholder proposes to bring before the 2011 Annual Meeting.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY.

SHAREHOLDERS MAY PROVIDE THEIR VOTE BY TELEPHONE OR THE INTERNET BY FOLLOWING THE INSTRUCTIONS ACCOMPANYING THE [WHITE] PROXY CARD.
