-

**Item 3.01 Notice of Failure to Satisfy a Continued Listing Rule or Standard.**

On October 12, 2010, BankAtlantic Bancorp, Inc. (the Company) was notified by NYSE Regulation, Inc. that the Company's Class A Common Stock did not satisfy one of the New York Stock Exchange (the NYSE) standards for continued listing. The NYSE requires a listed company's stock to maintain an average closing price per share in excess of \$1.00 for a consecutive 30-trading-day period. As of October 1, 2010, the average closing price per share of the Company's Class A Common Stock over the preceding 30-trading-day period was \$0.99.

Under the NYSE's rules, the Company has a period of six months, subject to possible extension, to bring its share price and 30-trading-day average share price back over \$1.00. The Company's Class A Common Stock will continue to be listed and traded on the NYSE during this period, subject to the Company's compliance with other continued listing standards of the NYSE. The Company intends to provide notification to the NYSE of its intent to regain compliance and steps it will take to attempt to do so. There is no assurance that the Company will be able to satisfy the NYSE's requirement within the six-month cure period and maintain the listing of its Class A Common Stock.

---

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
