Montreal, Quebec, July 26, 2011 CGI Group Inc. (TSX: GIB.A) (NYSE: GIB) reported fiscal 2011 third quarter revenue of \$1.04 billion, an increase of 15.1% compared with the same period last year. Revenue on a constant currency basis was up 18.0% after adjusting for foreign exchange fluctuations that unfavorably impacted revenue in the quarter by \$26.3 million, or 2.9% compared with the same period last year.

Adjusted EBIT was \$144.3 million compared with \$128.7 million in the same quarter last year, an improvement of 12.2%. This represents an adjusted EBIT margin of 13.9%.

Net earnings were \$118.4 million or 11.4% of revenue compared with \$85.9 million in the same quarter last year, representing an increase of 37.9% year-over-year.

Diluted earnings per share were 43 cents compared with 30 cents in the same period last year, representing an improvement of 43.3%.

On a comparable basis, excluding \$15.2 million in favourable tax adjustments offset by the impact of acquisition and integration related costs; net earnings would have been \$103.6 million or 10.0% of revenue in Q3-F2011, compared with \$86.5 million, or 9.6% of revenue in the same period last year. Diluted earnings per share would have been 38 cents, up 26.7% compared with 30 cents in the third quarter of 2010.

The Company generated \$90.1 million in cash from operating activities during the quarter and over the last twelve months has generated \$536.9 million or \$1.93 in cash per diluted share.

During the quarter, the Company booked \$1.44 billion in new contract wins, extensions and renewals, bringing the total bookings over the last twelve months to \$4.5 billion, for a book-to-bill of 104%. At the end of June 2011, the Company's backlog of signed orders stood at \$12.7 billion, up \$1.3 billion compared with the same period last year after incorporating the unfavourable currency impact. The backlog represents approximately 3 times revenue on a trailing twelve month basis.

We remain focused on the fundamentals of delivering quality services to our clients, while proactively expanding our capabilities and offerings by investing in high growth areas such as cloud computing, cyber security and software solutions, said Michael E. Roach, President and Chief Executive Officer. The strength in bookings during Q3 reinforces the relevance of our services and solutions to our clients' requirements and demonstrates our commitment to increasing our competitive position in the global market. We remain in an excellent position to continue executing our *Build and Buy* profitable growth strategy.

The Company purchased 2.8 million CGI shares during the quarter for \$56.9 million at an average price of \$20.51. Since the beginning of the fiscal year, 13.0 million shares have been purchased at an average price of \$18.50 for a total investment of \$241.3 million. Under the current program, which ends in February 2012, the Company can still acquire 16.6 million shares.

At the end of Q3 F2011, the Company had \$686.8 million in available cash and unused credit facilities. Net debt was \$913.4 million representing a net debt to capitalization of 28.3%.

Subsequent to the end of the quarter, on July 13, 2011, the Company entered into a private debt placement with six large US investors providing for an additional US\$475 million in available liquidity. The placement is comprised of three tranches maturing on average in 8.2

years and carrying an average coupon fixed at 4.57%. Under the terms of the placement, the Company does not have to draw down the funds before December 15, 2011. In addition, it plans to execute interest rate swaps subject to favorable market conditions in order to reduce its financing costs and maximize flexibility.
