As of May 24, 2001, management and affiliates of the Company held of record and beneficially 7,420,430 Shares representing approximately 62.7% of the shares of Common Stock outstanding. There will be no cumulative voting for the election of directors. If any nominee is unable to serve or will not serve (an event which is not anticipated), then the proxy holder will cast votes for the remaining nominees and, unless the Board of Directors takes action to reduce the number of directors, for such other person(s) as he or she may select in place of such nominee(s).

Audit Committee Report

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In

4

addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2000 for filing with the Securities and Exchange Commission. The Committee has also recommended, subject to Board approval, the selection of the Company's independent auditors.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934.

Under the securities laws of the United States, the Company's directors, executive officers, and any persons holding more than 10 percent of the Company's shares of Common Stock are required to report their ownership of the Company's shares and any changes in that ownership to the Securities and Exchange Commission (the "Commission") and the New York Stock Exchange. Specific due dates for these reports have been established and the Company is required to report any failure to file by these dates during 2000. All of these filing requirements were satisfied by the Company's directors and executive officers and 10 percent holders. In making these statements, the Company has relied on the written representations of its incumbent directors, executive officers and 10 percent holders and copies of the reports that they have filed with the Commission.

THE ADVISOR

Although the Board of Directors is directly responsible for managing the affairs of the Company and for setting the policies which guide it, the day-to-day operations are performed by BCM under the supervision of the Board of Directors. The duties of BCM include, among other things, investigating, evaluating and recommending real estate and mortgage loan investment opportunities as well as financing and refinancing sources. BCM also serves as a consultant in connection with the Company's business plan and investment policy decisions made by the Board of Directors.

BCM has served as advisor to the Company since February 1989. BCM is a company owned by a trust for the benefit of the children of Gene E. Phillips. As of May 24, 2001, BCM owned 6,218,058 shares of the Company's Common Stock, approximately 52.6 percent of the shares then outstanding. Karl L. Blaha, the President and a Director of the Company, serves as President of BCM, ART, NMC, IORI and TCI.

The Advisory Agreement provides for the advisor to receive monthly base compensation at the rate of 0.0625% per month (0.75% on an annualized basis) of the average of the aggregate book value of the Company's assets invested in equity interests in and loans secured by real estate before non-cash reserves (the "Average Invested Assets").

In addition to base compensation, BCM or its affiliate or assignee, receives the following forms of additional compensation:

(a) an acquisition fee for locating, leasing or purchasing real estate for the Company in an amount equal to the lesser of (1) the amount of compensation customarily charged in similar arm's-length

6

9

transactions or (2) up to 6% of the costs of acquisition, inclusive of commissions, if any, paid to nonaffiliated brokers;

(b) a disposition fee for the sale of each equity investment in real estate in an amount equal to the lesser of (1) the amount of compensation customarily charged in similar arm's-length transactions or (2) 3% of the sales price of each property, exclusive of fees, if any, paid to non-affiliated brokers;

Edgar Filing: AMERICAN REALTY TRUST INC - Form DEF 14A

(c) a loan arrangement fee in an amount equal to 1% of the principal amount of any loan made to the Company arranged by BCM;

(d) an incentive fee equal to 10% of net income for the year in excess of a 10% return on stockholders' equity, and 10% of the excess of net capital gains over net capital losses, if any, realized from sales of assets; and

(e) a mortgage placement fee, on mortgage loans originated or purchased, equal to 50%, measured on a cumulative basis, of the total amount of mortgage origination or placement fees on mortgage loans made by the Company for the fiscal year.

The Advisory Agreement further provides that BCM shall bear the cost of certain expenses of its employees, excluding fees paid to the Company's Directors; rent and other office expenses of both BCM and the Company (unless the Company maintains office space separate from that of BCM); costs not directly identifiable to the Company's assets, liabilities, operations, business or financial affairs; and miscellaneous administrative expenses relating to the performance by BCM of its duties under the Advisory Agreement.

If and to the extent that the Company shall request BCM, or any director, officer, partner or employee of BCM, to render services to the Company other than those required to be rendered by BCM under the Advisory Agreement, such additional services, if performed, will be compensated separately on terms agreed upon between such party and the Company from time to time.

The Advisory Agreement automatically renews from year to year unless terminated in accordance with its terms. The Company's management believes that the terms of the Advisory Agreement are at least as fair as could be obtained from unaffiliated third parties.

Situations may develop in which the interests of the Company are in conflict with those of one or more directors or officers of the Company in their individual capacities or of BCM, or of their respective affiliates. In addition to services performed for the Company, as described above, BCM actively provides similar services as agent for, and advisor to, other real estate enterprises, including persons and entities involved in real estate development and financing, including TCI and IORI. The Advisory Agreement provides that BCM may also serve as advisor to other entities.

As advisor, BCM is a fiduciary of the Company's public investors. In determining to which entity a particular investment opportunity will be allocated, BCM will consider the respective investment objectives of each entity and the appropriateness of a particular investment in light of each such entity's existing mortgage note and real estate portfolio and which entity has had uninvested funds for the longest period of time. To the extent any particular investment opportunity is appropriate to more than one such entity, such investment opportunity will be allocated to the entity that has had uninvested funds for the longest period of time or if

7

10

appropriate, the investment may be shared among various entities. See "Certain Business Relationships and Related Party Transactions -- Certain Business Relationships" below.

The directors and principal officers of BCM are set forth below:

PROPERTY MANAGEMENT

Affiliates of BCM have provided property management services to the Company. Currently, Triad Realty Services, Ltd. ("Triad") provides such property management services for a fee of 5% or less of the monthly gross rents collected on residential properties under its management and 3% or less of the monthly gross rents collected on the commercial properties under its management. Triad subcontracts with other entities for the provision of the property-level management services to the Company at various rates. The general partner of Triad is BCM. The limited partners of Triad are Gene E. Phillips and GS Realty, Inc. ("GS Realty"), a related party. Triad subcontracts the property-level management of 14 of the Company's commercial properties (office buildings, shopping centers and a merchandise mart) and eight hotels to Regis Realty, Inc. ("Regis"), a related party, which is a company owned by GS Realty. Regis is entitled to receive property and construction management fees and leasing commissions in accordance with the terms of its property-level management agreement with Triad.

REAL ESTATE BROKERAGE

Regis, a related party, also provides real estate brokerage services to the Company and receives brokerage commissions in accordance with the Advisory Agreement.

EXECUTIVE COMPENSATION

The Company has no employees, payroll or employee benefit plans and pays no compensation to its executive officers. The directors and executive officers of the Company who are also officers or employees of BCM are compensated by BCM. Such affiliated directors and executive officers perform a variety of services for BCM and the amount of their compensation is determined solely by the advisor. BCM does not allocate the cash compensation of its officers among the various entities for which it serves as advisor.

Director Compensation

The only direct remuneration paid by ARI is to those Directors who are not officers or employees of BCM or its affiliated companies. Until December 31,

Edgar Filing: AMERICAN REALTY TRUST INC - Form DEF 14A

2000, each Independent Director was compensated at the rate of \$20,000 per year, plus \$300 per Audit Committee meeting attended and the Chairman of the Audit Committee received an annual fee of \$500. Effective January 1, 2001, the annual fee was increased from \$20,000 to \$45,000. In addition, each Independent Director receives an additional fee of \$1,000 per day for any special services rendered outside of their ordinary duties as Director, plus reimbursement of expenses. During 2000, \$177,865 was paid to Independent Directors in total Directors' fees for all services including the annual fee for service during the period January 1, 2000 through December 31, 2000, and 2000 special service fees as follows: Roy E. Bode, \$52,669; Collene C. Currie, \$54,825; Al Gonzalez (a Director until April 2000), \$10,000; Cliff Harris, \$32,563; Joseph Mizrahi, \$10,000; and Richard D. Morgan, \$17,809. Certain of the Directors have, from time to time in the past, engaged, directly or indirectly in transactions with the Company. See "Certain Business Relationships and Related Party Transactions."

Independent Director Stock Option Plan

In January 1999, ART's stockholders approved the Director Stock Option Plan ("Director Plan") which provides for options to purchase up to 40,000 shares of Common Stock. In August 2000, the Company acquired all of the outstanding common stock of ART and the options under the Director Plan converted to options to purchase the Common Stock of the Company. Options granted pursuant to the Director Plan are immediately exercisable and expire on the earlier of the first anniversary of the date on which a director ceases to be a director or ten years from the date of grant. Each independent director was granted an option to purchase 1,000 shares at an exercise price of \$17.71 per share on January 11, 1999, the date the stockholders approved the Director Plan. On January 1, 2000, each independent director was granted an option to purchase 1,000 shares at an exercise price of \$18.53 per share. Each independent director will be awarded an option to purchase an additional 1,000 shares on January 1 of each year. At December 31, 2000, 2000 options were exercisable at \$17.71 per share and 3,000 options were exercisable at \$18.53 per share.

1997 Stock Option Plan

The Company's 1997 Stock Option Plan (the "1997 Plan") was originally approved by the ART stockholders in January 1998. In August 2000, the Company acquired all of the outstanding common stock of ART and the options under the 1997 Plan converted to options to purchase the Common Stock of the Company. The 1997 Plan is intended principally as an incentive for and as a means of encouraging ownership of the Company's Common Stock, by eligible persons, including certain directors and officers of the Company. Options may be granted either as incentive stock options (which qualify for certain favorable tax treatment) or as non-qualified stock options. Incentive stock options cannot be granted to, among others, persons who are not employees of the Company or of any parent or subsidiary of the Company, or to persons who fail to satisfy certain criteria concerning ownership of less than 10 percent of the shares of the Company. The 1997 Plan is administered by the Stock Option Committee, which currently consists of three independent directors of the Company. The exercise price per share of an option will not be less than 100% of the fair market value per share on the date of grant thereof. The Company receives no consideration for the grant of an option.

In October 1997, ART entered into leases with BCM and an affiliate of BCM, for space at the One Hickory Centre Office Building, construction of which was completed in December 1998. The BCM and affiliate leases, effective upon ART obtaining permanent financing of the building, were for 75,852 sq. ft. (approximately 75% of the building), had terms of ten and fifteen years and provided for annual base rent of \$19.25 per sq. ft. for the first year. In January 2001, both leases were terminated, and the Company entered into a new lease with BCM, effective October 1, 2000. The new lease is for 59,463 sq. ft. (approximately 62% of the building), has a term of three years, and provides for annual base rent of \$1.3 million or \$21.50 per sq. ft.

In 1998 and 1999, Garden Capital, L.P. ("GCLP"), an NRLP subsidiary partnership, funded \$124.4 million of a \$125.0 million loan commitment to ART. The loan was secured by second liens on six properties in Minnesota, Mississippi and Texas and by a pledge of the stock of ART Holdings, Inc., a wholly-owned subsidiary of the Company that owned 3,349,535 NRLP units of limited partner interest, a pledge of the stock of NMC, the general partner of NRLP, a pledge of 678,475 NRLP units of limited partner interest owned by BCM, and a pledge of 283,034 NRLP units of limited partner interest owned by ART. The loan bore interest at 12.0% per annum, required monthly payments of interest only and would have matured in November 2003. In February and October 1999, ART made a total of \$1.1 million in paydowns on the loan. Upon the merger of ART and NRLP into wholly owned subsidiaries of the Company in August 2000, this loan was canceled.

Edgar Filing: AMERICAN REALTY TRUST INC - Form DEF 14A

In December 1998, in connection with the settlement of litigation relating to the original formation of NRLP, NMC, a wholly-owned subsidiary and the general partner to NRLP, agreed to reimburse NRLP for \$12.2 million paid by NRLP to settle such litigation. The loan bore interest at a variable rate and required annual payments of accrued interest plus principal payments of \$500,000 in each of the first three years, \$750,000 in each of the next three years, \$1.0 million in each of the next three years, with payment in full of the remaining balance in the tenth year. The note was guaranteed by ART. The note was to mature upon the earlier of the liquidation or dissolution of NRLP, NMC ceasing to be general partner or March 31, 2009. Upon the merger of ART and NRLP into wholly owned subsidiaries of the Company in August 2000, the loan was canceled.

In April 1999, the Company funded a \$2.0 million loan commitment to Lordstown, L.P. The loan is secured by a second lien on land in Ohio and Florida, by 100% of the general and limited partner interest in Partners Capital, Ltd., the limited partner of Lordstown, L.P., and a profits interest in subsequent land sales. The loan bears interest at 14.0% per annum and matured in March 2000. At December 2000, the loan remained unpaid. A corporation controlled by Richard D. Morgan, is the general partner of Lordstown, L.P. Mr. Morgan serves as a Director of the Company.

Also in April 1999, the Company funded a \$2.4 million loan commitment to 261, L.P. The loan is secured by 100% of the general and limited partner interest in Partners Capital, Ltd., the limited partner of 261, L.P., and a profits interest in subsequent land sales. The loan bore interest at 14.0% per annum and matured in March 2000. In August 2000, the loan was collected in full, including accrued but unpaid interest. A corporation controlled by Richard D. Morgan, is the general partner of 261, L.P. Mr. Morgan serves as a Director of the Company.

In February 1999, a \$5.0 million unsecured line of credit was funded to One Realco Corporation ("One Realco") which owns approximately 12.8% of the outstanding shares of the Company's Common Stock. All principal and interest are due at maturity of this loan in February 2002, and the line of credit is guaranteed by BCM, the Company's advisor. In March 2000, the line was modified and extended, increasing the loan commitment to \$11.0 million, and an additional \$1.2 million was funded. In exchange for the modification, the borrower paid all accrued interest and pledged collateral consisting of a \$10.0 million promissory note secured

15

by the stock of World Trade Company, Ltd. ("World Trade"), which owns 80% of an entity that owns a hotel in Sofia, Bulgaria. In July 2000, the line was again modified, increasing the loan commitment to \$15.0 million. In September 2000, the line of credit with a then principal balance of \$14.6 million was paid in full, including accrued but unpaid interest. Subsequently, the Company acquired 100% of the stock of World Trade for \$18.0 million. The unsecured line of credit remains available to be drawn upon by One Realco.

In October 1999, GCLP funded a \$4.7 million loan to Realty Advisors, Inc., the corporate parent of BCM. The loan is secured by a pledge of 100% of Realty Advisors, Inc.'s interest in an insurance company. The loan bears interest at a variable rate, currently 10.25% per annum and matures in November 2001. All principal and interest are due at maturity.

In 1998, a loan commitment of \$1.8 million was funded to Warwick of Summit, Inc. ("Warwick"). The loan was secured by a second lien on a shopping center in Rhode Island, by 100% of the stock of the borrower and by the personal guarantee of the principal shareholder of the borrower. The loan bears interest at 14.0% per annum and had a maturity date of December 2000. All principal and interest were due at maturity. In December 1999, Warwick sold the property serving as

Edgar Filing: AMERICAN REALTY TRUST INC - Form DEF 14A

collateral for this loan and \$810,000 of the net proceeds were paid to the Company, of which \$386,000 was applied to interest and the remaining \$424,000 was applied to principal, reducing the principal balance to \$1.7 million. Additional payments of \$377,000 were to be received from Warwick in 2000. However, through December 31, 2000, only \$50,000 had been received. The loan is currently unsecured. Richard D. Morgan, a Warwick shareholder, serves as a Director of the Company.

Beginning in 1997 through January 1999, a \$1.6 million loan commitment was funded to Bordeaux Investments Two, L.L.C. ("Bordeaux"). The loan is secured by (1) a pledge by the holder thereof of a 100% interest in Bordeaux, which owns a shopping center in Oklahoma City, Oklahoma; (2) a pledge by the holder thereof of 100% of the stock of Bordeaux Investments One, Inc., which owns 6.5 acres of undeveloped land in Oklahoma City, Oklahoma; and (3) the personal guarantees of the Bordeaux members. The loan bears interest at 14.0% per annum. In November 1998, the loan was modified to allow payments based on monthly cash flow of the collateral property and the maturity date was extended to December 1999. In the second quarter of 1999, the loan was again modified, increasing the loan commitment to \$2.1 million and an additional \$33,000 was funded. In the third quarter of 1999, an additional \$213,000 was funded. The property has had no cash flow, therefore, interest on the loan ceased being accrued in the second quarter of 1999. In October 1999, a \$724,000 paydown was received, which was applied first to accrued interest due of \$261,000 then to principal, reducing the loan balance to \$1.4 million. In June 2000, the note was further modified, increasing the loan commitment to \$1.5 million, extending the maturity date to December 2000, and payments to net revenues of the shopping center. The loan was not repaid at maturity. Richard D. Morgan, a Bordeaux member, serves as a Director of the Company.

In 2000, the Company paid BCM and its affiliates \$5.0 million in advisory fees, \$1.6 million in incentive fees, \$1.2 million in real estate brokerage commissions, \$1.2 million in loan arrangement fees and \$1.4 million in property and construction management fees and leasing commissions, net of property management fees paid to subcontractors, other than Regis. In addition, as provided in the Advisory Agreement, in 2000 BCM received cost reimbursements from the Company of \$5.3 million.
