Item 5. Other Events

Xcel Energy officials said recent published reports of merger talks naming specific companies were untrue and that the company continues to review its options with regard to subsidiary NRG Energy.

For more information, see the Press Release attached as exhibit 99.01.

This report includes forward-looking statements that are subject to certain risks, uncertainties and assumptions. Such forward-looking statements are intended to be identified in this document by the words anticipate, estimate, expect, objective, outlook, possible, potential and similar expressions. Actual results may vary materially. Factors that could cause actual results to differ materially include, but are not limited to: general economic conditions, including their impact on capital expenditures; business conditions in the energy industry; competitive factors; unusual weather; changes in federal or state legislation; regulation; risks associated with the California power market; currency translation and transaction adjustments; the higher degree of risk associated with Xcel Energy's nonregulated businesses compared with Xcel Energy's regulated business; and the other risk factors listed from time to time by Xcel Energy in reports filed with the Securities and Exchange Commission (SEC), including Exhibit 99.01 to Xcel Energy's report on Form 10-Q for the quarter ended Sept. 30, 2001.
