Narrative Description of Activities for Reporting Period

XERS Inc. XERS, a nonregulated subsidiary of Xcel Energy, operates as a retailer of electric power in targeted U.S. markets. XERS functions as an intermediary between energy producers, resellers and end-users and is exposed to the business risks involved with these operations. Therefore, XERS enters into fixed or full requirements contracts ranging from one month to several years.

Cadence Network Inc. Cadence Network Inc. provides a single source for both energy management services and products designed to lower energy costs for national companies that operate at multiple locations.

Planergy International Inc. and subsidiaries Planergy International Inc. consists of operating subsidiaries providing energy management, consulting and demand side management services to industrial, commercial, utility and municipal customers.

e prime Energy Marketing Inc. e prime Energy Marketing Inc. provides energy related products and services, which include natural gas marketing and trading.

e prime Florida Inc. e prime Florida Inc. provides energy related products and services.

Texas-Ohio Pipeline Inc. Small pipeline company that connects two major interstate pipelines.

James River Cogeneration Co. Owns the James River Station 110 MW facility in Virginia.

NRG Woodland Operations LLC Operates a facility in Woodland, CA.

NRG Power Marketing Inc. Established to maximize the utilization and return of NRG s generation assets and to mitigate the risk associated with those assets. NRG Power Marketing purchases and markets energy and energy related commodities including electricity, natural gas, oil, coal and emission allowances.

NRG PacGen Inc. Owns interests in cogeneration and competitive power producing projects.

Graystone Corporation General partner in Louisiana Energy Services LP which provides uranium enrichment services.

NRG Cadillac Inc. Owns 50 percent of Cadillac Renewable Energy LLC. Which owns a 38 MW wood fired plant located in Cadillac, Michigan.

O Brien Cogeneration Inc. II Owns and/or operates cogeneration facilities.
