PROXY STATEMENT

The Board of Directors of ARI Network Services, Inc. (the Company) submits the enclosed proxy for the annual meeting to be held on the date, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Each shareholder of record at the close of business on October 24, 2003 will be entitled to one vote for each share of Common Stock registered in such shareholder's name. As of October 24, 2003, the Company had outstanding 5,718,444 shares of Common Stock. The presence, in person or by proxy, of a majority of the shares of Common Stock outstanding on the record date is required for a quorum at the meeting. This proxy statement and the accompanying proxy and Annual Report to Shareholders are being sent to the Company's shareholders commencing on or about November 4, 2003.

Any shareholder executing and delivering the enclosed proxy may revoke the same at any time prior to the voting thereof by written notice of revocation given to the Secretary of the Company.

Unless otherwise directed, all proxies will be voted FOR the election of the individuals nominated to serve as director and FOR the other proposal. The directors will be elected by a plurality of votes cast at the meeting (assuming a quorum is present). In other words, the two nominees receiving the largest number of votes will be elected. Any shares not voted, whether by withheld authority, broker non-vote or otherwise, will have no effect on the election of directors except to the extent that a failure to vote for an individual results in another individual receiving a larger number of votes. Any votes attempted to be cast against a candidate are not given legal effect and are not counted as votes cast in an election of directors. The other proposal will be approved if the affirmative votes exceed the votes cast against. Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present at the meeting but are not affirmative votes or votes against and, therefore, will have no effect on the outcome of the voting.

The Company has entered into Change of Control Agreements (Change of Control Agreements) with each of its executive officers. The Change of Control Agreements are intended to retain the services of these officers and provide for continuity of management in the event of any Change of Control, as defined below. These Change of Control Agreements provide that each officer shall receive severance benefits equal to two times the sum of salary and targeted bonuses and medical and dental plan continuation for two years if, within two years following a Change of Control, as defined below, the officer's employment is terminated without cause. For this purpose, without cause is defined to include: (i) a significant reduction in the executive's compensation, duties, title or reporting responsibilities; (ii) a change in the executive's job location; or (iii) the termination by the officer of his employment for certain enumerated reasons. In addition, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. If the officer's employment with ARI terminates, for any other reason, within two years following a Change of Control, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. The officer is under no obligation to mitigate amounts payable under the Change of Control Agreements. In addition, upon a Change of Control, all stock options and similar awards become immediately vested and all deferred compensation becomes payable.

For purposes of the Change of Control Agreements, a Change of Control means any of the following events: the acquisition (other than from ARI) by any individual, entity or group, subject to certain exceptions, of beneficial ownership, directly or indirectly, of 50% or more of the combined voting power of ARI's then outstanding voting securities; (ii) a merger, consolidation, share exchange, or sale or disposition of substantially all of the assets of the Company; or (iii) approval by the Company's shareholders of a complete liquidation or dissolution of the Company.

CERTAIN TRANSACTIONS

On August 7, 2003, the Company repurchased 1,025,308 shares of common stock, a warrant to purchase 30,000 shares of common stock at \$0.24 per share, and 20,350 shares of series A preferred stock with an approximate face value plus accrued and undeclared dividends of \$3.5 million from WITECH Corporation. In exchange, the Company paid \$200,000 in cash and issued a four-year note for \$800,000 bearing interest at a rate of prime plus 2.0%. Prior to the repurchase, WITECH Corporation held approximately 17.8% of the Company's outstanding common stock.

On July 8, 1999, Briggs & Stratton Corporation (Briggs) executed a Master Agreement with the Company (the Customer Contract). The Customer Contract provides for the Company to license its electronic commerce and electronic cataloging software to Briggs and its dealers and distributors and to provide certain related professional services. The Customer Contract has an initial term of one year and automatically renews for additional terms of one year each unless either party gives written notice of termination to the other party. On March 30, 2000 and July 31, 2000, ARI and Briggs signed additional contracts for the license of the Company's Web-based communications and catalog software. The Company invoiced Briggs \$393,127 for products and services provided during fiscal 2003.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon its review of Forms 3, 4 and 5 and amendments thereto furnished to the Company pursuant to Section 16 of the Securities Exchange Act of 1934, as amended, all of such forms were filed on a timely basis by reporting persons.

RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee has appointed Wipfli Ullrich Bertelson LLP to serve as the Company's independent accountant to audit the books and accounts of the Company and its subsidiaries for the fiscal year ending July 31, 2004. The Board of Directors has recommended that shareholders ratify this appointment. It is intended that the shares represented by the proxy will be voted (unless the proxy indicates to the contrary) for ratification of the appointment. A representative of Wipfli Ullrich Bertelson LLP is expected to be present at the meeting with the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to appropriate questions.

Ernst & Young LLP previously served as the Company's independent accountant. On May 30, 2003, the Company notified Ernst & Young LLP that they will be dismissed as the Company's independent accountants, effective with the filing of the Company's third quarter Form 10-Q. The Company also appointed Wipfli as its new independent accountants, beginning with the fourth quarter of the last fiscal year. The decision to dismiss Ernst & Young and to retain Wipfli was approved by ARI's Audit Committee. The decision to change auditors was made for financial reasons and was not made because of dissatisfaction with Ernst & Young's performance. A representative of Ernst & Young is not expected to be present at the meeting.

Ernst & Young's reports on the Company's consolidated financial statements as of and for the fiscal years ended July 31, 2002 and 2001 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to audit scope or accounting principles. The initial reports for the fiscal years ended July 31, 2002 and 2001 contained an uncertainty paragraph regarding the Company's ability to continue as a going concern. Ernst & Young's updated report for those years indicates that the conditions that raised substantial doubt about the Company's ability to continue as a going concern no longer exist.

During the Company's two most recent fiscal years ended July 31, 2002, and the subsequent interim period through May 30, 2003, there were no disagreements between ARI and Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Ernst & Young's satisfaction, would have caused them to make reference to the subject matter of the disagreement in connection with their reports.

Table of Contents

There were no reportable events, as that term is described under Item 304(a)(1)(v) of Regulation S-K during the Company's two most recent fiscal years ended July 31, 2002 and the subsequent interim period through May 30, 2003.

During the Company's two most recent fiscal years ended July 31, 2002, and the subsequent interim period through May 30, 2003, ARI did not consult with Wipfli regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The primary responsibility of the Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors and to report the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. A complete description of the Committee's duties is set forth in its charter, a copy of which is attached to this proxy statement.

In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examination and their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held four meetings during fiscal 2003.

In reliance on the views and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended July 31, 2003 for filing with the Securities and Exchange Commission. The Committee has also approved the selection of the Company's independent auditors.
