PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

I. General

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Peoples Financial Corporation (the Company) of Proxies for the Annual Meeting of Shareholders (the Annual Meeting) to be held at The Peoples Bank, 152 Lameuse Street, Biloxi, Mississippi, on April 14, 2004, at 7:00 P.M., local time, and any adjournment thereof, for the purposes stated in the foregoing Notice of Annual Meeting of Shareholders.

Shareholders of record of the Company's Common Stock (the Common Stock), at the close of business on February 20, 2004, (the Record Date) are entitled to receive notice of and to vote at the Annual Meeting or any adjournments thereof. On the Record Date, the Company had outstanding 5,557,379 shares. A majority of the outstanding shares constitutes a quorum. Except in the election of directors, each share of Common Stock entitles the holder thereof to one vote on each matter presented at the Annual Meeting for Shareholder approval. Action on a matter is approved if the votes cast in favor of the action exceed the votes cast opposing the action. Abstentions are counted for purposes of determining a quorum, but are otherwise not counted.

Any person giving a Proxy has the right to revoke it at any time before it is exercised. A shareholder may revoke his Proxy (1) by revoking it in person at the Annual Meeting, (2) by written notification to the Secretary of the Company which is received prior to the exercise of the Proxy, or (3) by a subsequent Proxy presented to the Company prior to the exercise of the Proxy. All properly executed Proxies, if not revoked, will be voted as directed. If the shareholder does not direct to the contrary, the shares will be voted FOR the nominees listed thereon and FOR each of the proposals described. Solicitation of Proxies will be primarily by mail. Officers, directors, and employees of The Peoples Bank (hereinafter referred to as the Bank) also may solicit Proxies personally. The Company will reimburse brokers and other persons holding shares in their names, or in the names of nominees, for the expense of transmitting Proxy materials. The cost of soliciting Proxies will be borne by the Company.

The Board of Directors is not aware of any matters other than as set forth herein which are likely to be brought before the meeting. If other matters do come before the meeting, the persons named in the accompanying Proxy or their substitutes will vote the shares represented by such Proxies in accordance with the recommendations of the Board of Directors of the Company.

Table of Contents

II. Election of Directors

The following nominees have been proposed by the Board of Directors for election at the Annual Meeting. The shares represented by properly executed Proxies will, unless authority to vote is withheld, be voted in favor of these persons. In the election of directors, each shareholder may vote his shares cumulatively by multiplying the number of shares he is entitled to vote by the number of directors to be elected. This product shall be the number of votes the shareholder may cast for one nominee or by distributing this number of votes among any number of nominees. If a shareholder withholds authority for one or more nominees and does not direct otherwise, the total number of votes that the shareholder is entitled to cast will be distributed equally among the remaining nominees. Should any of these nominees be unable to accept the nomination, the shares will be voted for such other persons as the Board of Directors shall nominate. Each director is elected to hold office until the next annual meeting of shareholders and until his successor is elected and qualified.

The persons who will be elected to the Board of Directors will be the five nominees receiving the largest number of votes.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Bank determines the salaries and bonuses of the executive officers.

In establishing the salary of the chief executive officer for 2003, the Committee primarily considered Mr. Swetman's performance and the performance of the Company during 2002 and the compensation levels of chief executive officers of comparable financial institutions. In considering the performance of the Company, the Committee considered the Company's return on average assets and asset growth, but utilized no objective criteria. The Committee utilized asset size peer group compensation data as provided by the Mississippi Bankers Association (MBA) and the Bank Administration Institute (BAI).

For 2003, Mr. Swetman was eligible to receive a bonus of up to 30 percent of his salary if the Company achieved specified return on average asset goals. In establishing Mr. Swetman's bonus for 2003, the Committee also considered the Company's return on average assets and asset growth during the year, branch development, market penetration and other accomplishments; however, no objective criteria were established.

Table of Contents

For other executive officers, the Committee's recommendation concerning salaries was based upon the compensation levels of executive officers of comparable financial institutions, the performance of the Company during 2002 and the individual performance of these officers. The performance of the Company for purposes of establishing salaries was evaluated based on return on average assets. Individual performance was measured using criteria such as level of job responsibility, achievement of work goals and management skills. The Committee also considered asset size peer group compensation data as provided by the MBA and BAI for executive officers with similar duties and responsibilities.

The executive officers' bonuses for 2003 were based on the Company's performance and the performance of these individuals. The Company's performance was measured by the Company's return on average assets, and each executive officer was eligible to receive a bonus of a specified percentage of the officer's salary if the Company achieved prescribed return on asset goals. Individual performance was measured using the criteria described above in establishing salaries.

Performance Graph

The following graph compares the Company's annual percentage change in cumulative total shareholder return on common shares over the last five years with the cumulative total return of a broad equity market index of companies, the NASDAQ Market Index, and a peer group consisting of the Media General Financial Services Industry Group 413- Regional Southeast Banks. The performance of the Company's stock is calculated using the same formula used by Media General in its computation. The market price utilized in this computation is an aggregate of the trading prices known by the transfer agent for each reporting period.

This presentation assumes that \$100 was invested in shares of the relevant issuers on January 1, 1999, and that dividends received were immediately invested in additional shares. The graph plots the value of the initial \$100 investment at one year intervals. For purposes of constructing this data, the returns of each component issuer have been weighted according to that issuer's market capitalization.

However, in accordance with the

Table of Contents

Company's by-laws, shareholders may make nominations for election to the Board by delivering written nominations to the Company's President not less than 14 days nor more than 50 days prior to the meeting when the election is to be held. If the Company does not give at least 21 days notice of the meeting, shareholders are allowed to make nominations by mailing or delivering same to the President not later than the close of business on the seventh day following the day on which the notice of meeting is mailed. The Company welcomes nominations from its shareholders; however, nominations not made in accordance with the by-laws may be disregarded by the Chairman of the meeting.

In its Nominating Committee Charter, the Company sets forth the criteria for selecting individuals to be nominated for election to the Board of Directors. It is the Company's intention that all nominees, including those recommended by shareholders be considered using this same criteria. Further, it is the Company's intention that the minimum qualifications for nominees be those individuals who have an understanding of the Company's role in the local economy and who have demonstrated integrity and good business judgment. The Committee is encouraged to consider geographic and demographic diversity among candidates with financial, regulatory and/or business experience, but not so as to compromise the goal of attracting the most qualified individual candidates.

There were four meetings of the Board of Directors of the Company held during 2003. All directors attended 75% or more of the total number of meetings of the Board of Directors and the total number of meetings held by the committees on which they served.

The Board of Directors has established an Audit Committee, whose responsibilities are set forth in the Audit Committee Charter. All members of the Audit Committee are deemed to be independent, as such term is defined by NASDAQ. The Audit Committee oversees the operation of the Company's Audit Department. The Audit Committee also periodically meets with the independent public accountants for the Company and its subsidiaries, and makes recommendations to the Board of Directors concerning any matters related to the independent public accountants.

The Audit Committee has considered whether the independent auditors' provision of non-audit services is compatible with maintaining the auditors' independence.

The Audit Committee has discussed with management and the independent auditors the process used for certifications by the Company's chief executive officer and chief financial officer which are required for certain periodic filings by the Company with the SEC. The Board of Directors adopted a new Audit Committee Charter, which meets the new requirements of the Sarbanes-Oxley Act of 2002, and new rules promulgated by the SEC.

Based upon the reviews and discussions with management and the independent auditors as referenced above, the Audit Committee has recommended to the Board of Directors that the financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the SEC.

Exhibit B

PEOPLES FINANCIAL CORPORATION
Audit and Non-Audit Service Pre-Approval Policy

I Purpose of Policy

Under the Sarbanes-Oxley Act of 2002 (the Act), and the rules of the Securities and Exchange Commission (the SEC), the Audit Committee of the Company s Board of Directors (the Audit Committee), is responsible for the appointment, compensation and oversight of the work of the independent auditor.

The purpose of the provisions of the Act and the SEC rules for the Audit Committee role in retaining the independent auditor is twofold. First, the authority and responsibility for the appointment, compensation and oversight of the auditor should be with directors who are independent of management. Second, any non-audit work performed by the auditor should be reviewed and approved by these independent directors to ensure that any non-audit services performed by the auditor do not impair the independence of the independent auditor.

To implement the provisions of the Act, the SEC has issued rules specifying the types of services that an independent auditor may not provide to its audit client and governing the Audit Committee s administration of the engagement of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the Company s independent auditor in order to assure that they do not impair the auditor s independence. Accordingly, the Audit Committee is adopting this Audit and Non-Audit Services Pre-Approval Policy (the Policy), which sets forth the procedures and the conditions pursuant to which services to be performed by the independent auditor are to be pre-approved.

II Prohibited Services

The Audit Committee will not approve nor will the Company s independent auditor perform for the Company any services that constitute Prohibited Activities as defined by the Act or by regulations promulgated by the SEC. These prohibited activities include:

- (1) bookkeeping or other services related to the accounting records or financial statements of the audit client;
- (2) financial information systems design and implementation;
- (3) appraisal or valuation services or fairness opinions;
- (4) actuarial services;
- (5) internal audit outsourcing services;
- (6) management functions;
- (7) human resources;
- (8) broker-dealer services;
- (9) legal services; and

Table of Contents

(10) any other service that the Public Company Accounting Oversight Board determines, by regulation, is impermissible.

III Non-Prohibited Services

The SEC's rules establish two different approaches to pre-approving non-prohibited services. Proposed non-prohibited services may be pre-approved either by the Audit Committee agreeing to a general framework with descriptions of allowable services (general pre-approval) or by the Audit Committee pre-approving specific services (specific pre-approval).

The Company's Audit Committee believes that the use of the specific pre-approval approach will result in an effective and efficient procedure to pre-approve services that may be performed by the independent auditor.

IV Procedures

The procedures the Audit Committee will employ in implementing this policy are as follows:

The CFO and the Internal Auditor jointly submit to the Audit Committee engagement letters for services to be rendered by the independent auditor that are subject to specific pre-approval. These services include audit, audit-related, tax, and other non-audit services. The Audit Committee will review the types of services and the projected fees. Specifically, the Committee will ensure that the engagement letter relates to a non-prohibited service. After the Committee has approved the engagement, the Chairman of the Committee is authorized to approve the engagement letter. Any proposed changes to the engagement, including scope of services and fees, will be discussed as necessary at subsequent Audit Committee Meetings.

V Delegation

As provided in the Act and the SEC's rules, the Audit Committee may delegate the specific pre-approval authority to its chairperson or any other Audit Committee member or members. The member to whom such authority is delegated should report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next meeting. The Audit Committee will not delegate to management the Audit Committee's responsibilities to pre-approve services performed by the independent auditor.
