Item 8.01 Other Events.

On April 14, 2008, Fremont General Corporation (Fremont General or the Company), doing business primarily through its wholly-owned bank subsidiary, Fremont Investment & Loan (Bank), issued a press release providing additional information with respect to the net premium associated with its public announcement earlier today that the Company and the Bank had entered into a definitive purchase and sale agreement (the Agreement) with CapitalSource TRS Inc. (the Purchaser), a wholly-owned subsidiary of CapitalSource, Inc. (CapitalSource), that provided for the purchase of substantially all of the Bank s assets, which includes the Bank s participation interest in certain previously sold commercial real estate loans, the assumption of all the Bank s deposits and the acquisition of all the Bank s branches, by a California industrial and loan bank to be organized and wholly owned by the Purchaser.

In response to questions that it has received, the Company is advising that, after giving effect to a deposit premium of approximately \$112 million (based on estimated deposits of \$5.6 billion at March 31, 2008), the additional referenced cash payment of \$58 million, less the discount given on the commercial real estate participation interest of approximately \$80 million, the Company estimates that the net effect of the proposed transaction results in a premium to the Bank of approximately \$90 million.

For further information, see the full text of the press release issued, which is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
