Mariner Energy, Inc. (Mariner) entered into Master Assignment, Agreement and Amendment No. 6, dated as of June 2, 2008, among Mariner and Mariner Energy Resources, Inc., as borrowers, the Lenders (as defined in the Credit Agreement described below), and Union Bank of California, N.A., as administrative agent and as issuing lender for such Lenders (the Amendment), which further amends the Amended and Restated Credit Agreement, dated as of March 2, 2006, among the same parties (as so amended, the Credit Agreement). The Credit Agreement provides for a senior secured revolving credit facility of \$1 billion, including up to \$50 million in letters of credit, subject to a borrowing base which is redetermined periodically. The Amendment accommodates an increased borrowing base of \$850 million as of June 2, 2008 resulting from a regular borrowing base redetermination, an increase of \$100 million since the last redetermination in January 2008 when the facility s maximum credit availability was increased.

A copy of the Amendment is attached as Exhibit 4.1 and incorporated herein by reference. The above description of the Credit Agreement is a summary and is qualified in its entirety by the complete text of the Amendment and the Credit Agreement which previously was filed.

Item 8.01 Other Events.

In May 2008, Mariner agreed to a settlement with its insurers and underwriters for certain excess coverage claims related to property damage caused by Hurricanes Katrina and Rita, which struck the Gulf Coast in 2005. Agreed net proceeds to Mariner are approximately \$48.5 million. The settled excess coverage claims encompass assets on the continental shelf acquired from Forest Oil Corporation in 2006, including properties located in the South Pass, Grand Isle, Garden Banks, Main Pass, South Timbalier, and Eugene Island lease areas. Settled claims include those for costs associated with physical impairment, debris removal, seepage and pollution clean up, and well control, as well as increased costs associated with plugging and abandonment of wells and facilities at those fields.

The settled excess coverage claims are independent of Mariner s pending claims made through its primary insurance coverage provider, OIL Insurance, Ltd., an energy industry insurance cooperative.
