## SCHEDULE 13D

### Item 1. Security and Issuer

This Amendment No. 2 to Schedule 13D amends the Schedule 13D filed on July 12, 2005, as amended by the Schedule 13D/A filed on September 7, 2005 relating to the common shares, \$.01 par value (the Common Stock), of Targeted Genetics Corporation, a Washington corporation (the Issuer). The Issuer has its principal executive offices at 1100 Olive Way, Suite 100, Seattle, Washington.

Except as otherwise described herein, the information contained in the Schedule 13D and Schedule 13D/A, as previously filed, remains in effect, and all capitalized terms shall have the meaning previously ascribed to them. Information given in response to each item in this Schedule 13D shall be deemed incorporated by reference in all other items.

### Item 2. Identity and Background

(a)-(c); (f) This Statement is being jointly filed by Biogen Idec Inc., a Delaware corporation formerly known as IDEC Pharmaceuticals Corporation ( Biogen Idec ), and its wholly-owned subsidiary, Biogen Idec MA Inc., a Massachusetts corporation ( Biogen MA, and together with Biogen Idec, the Reporting Persons ). Biogen Idec is a global biotechnology and pharmaceutical company, with its principal place of business at 14 Cambridge Center, Cambridge, Massachusetts. Biogen MA (formerly known as Biogen, Inc.) became a wholly-owned subsidiary of Biogen Idec in November 2003, when a subsidiary of Biogen Idec merged with and into Biogen MA, and shareholders of Biogen MA received common stock of Biogen Idec in the merger in exchange for their shares of Biogen MA. Concurrently with the closing of this merger, Biogen Idec's name was changed to Biogen Idec Inc. from IDEC Pharmaceuticals Corporation. Biogen MA has its principal place of business at 14 Cambridge Center, Cambridge, Massachusetts. For information required by General Instruction C to Schedule 13D, reference is made to Exhibit A attached hereto, which is incorporated herein by reference to this Item 2.

(d)-(e) Neither of the Reporting Persons, nor, to the knowledge of the Reporting Persons, any person listed on Exhibit A hereto, has during the last five years (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) been a party to any civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

### Item 3. Source and Amount of Funds or Other Contribution

Biogen MA's acquisition of 1,000,000 shares of Common Stock of the Issuer on November 7, 2006 pursuant to Amendment No. 3 to the Funding Agreement dated as of November 7, 2006 between the Issuer and Biogen MA was in consideration for the forgiveness of \$5.65 million in indebtedness owing by the Issuer to Biogen MA. The foregoing description is qualified in its entirety by reference to Amendment No. 3 (Exhibit I of this Statement), which is specifically incorporated herein by reference to this Item 3.

This Item 3 is not applicable to the persons listed on Exhibit A hereto.

### Item 4. Purpose of Transaction

The response to Item 4 is hereby amended and restated as follows:

On September 19, 2000, pursuant to an Agreement and Plan of Merger (the Merger Agreement), dated August 8, 2000, among Genovo, Inc., a Delaware corporation ( Genovo ), the Issuer, TGC Acquisition Corp., a Delaware corporation and wholly owned subsidiary of the Issuer ( Merger Sub ), and Biogen MA, a stockholder of Genovo, TGC Acquisition Corp. merged with and into Genovo (the Merger), and Genovo became a wholly-owned subsidiary of the Issuer. Concurrently with entering into the Merger Agreement, the Issuer and Biogen MA entered into a Funding Agreement (the Funding Agreement), dated August 8, 2000. Biogen MA concurrently entered into the Merger Agreement, the Funding Agreement and certain other agreements, and acquired shares of the Issuer under the Merger Agreement and the Funding Agreement, for the purpose of continuing its gene therapy research and development program.

The Merger Agreement provided for the merger of Merger Sub with and into Genovo, with Genovo continuing as the surviving entity and a wholly-owned subsidiary of the Issuer. The Merger was completed on September 19, 2000. Pursuant to the Merger Agreement, the Issuer issued to Biogen MA 3,060,754 shares of the Issuer's Common Stock in

satisfaction of the liquidation preferences on the preferred stock of Genovo held by Biogen MA and 851,873 shares of the Issuer's Common Stock in exchange for the return by Biogen MA to Genovo of certain intellectual property and other rights. On September 30, 2002, Biogen MA received 104,854 shares of Common Stock as additional merger consideration related to the exercise of the Genovo stock option held by the Genzyme Corporation. Under the terms of an associated Escrow Agreement, dated August 8, 2000, among the Issuer, Genovo, Genovo stockholders (represented by Biogen MA) and Mellon Investor Services, LLC as escrow agent, (the Escrow Agreement), 1,095,849 shares of the Issuer's Common Stock issued to Genovo stockholders in the Merger, including 704,865 shares of the Issuer's Common Stock issued to Biogen MA, were held in escrow to secure the obligations of the Genovo stockholders under the Merger Agreement, including the indemnification obligations related to representations made under the Merger Agreement and obligations related to a clinical trial and the amendment of two license agreements. The escrow agent released 494,046 of the escrowed shares of the Issuer's Common Stock to Biogen MA, and on November 6, 2002 Biogen MA forfeited 210,819 shares of the escrowed Issuer's Common Stock to the Issuer in connection with certain claims by the Issuer under the Merger Agreement.

Under the Merger Agreement, the Issuer agreed to take all necessary action to appoint Joseph M. Davie (or a substitute Biogen MA nominee) to the Issuer's board of directors upon the completion of the Merger, and to nominate Dr. Davie (or a substitute Biogen MA nominee) for election to the Issuer's board of directors for two terms subsequent to his initial nomination. In

addition, Biogen MA had the right to substitute a nominee at any time, provided that the substitute was an executive officer of Biogen MA.

Pursuant to the Funding Agreement, and conditioned upon the completion of the Merger, Biogen MA agreed that, during a period of three years from the date of the Funding Agreement, at the option of the Issuer and on certain terms and conditions, Biogen MA would purchase shares of the Issuer's unregistered Common Stock having an aggregate market value of up to \$10 million. As a result of the Issuer's first exercise of this put option, on September 25, 2002 Biogen MA purchased 5,804,673 shares of Common Stock at \$0.69 per share, for an aggregate purchase price of approximately \$4.0 million, using its working capital funds. As a result of the Issuer's second exercise of the put option, on August 15, 2003 Biogen MA purchased 2,515,843 shares of Common Stock at \$1.91 per share, for an aggregate purchase price of approximately \$4.8 million, using its working capital funds. The price per share paid by Biogen MA was calculated in accordance with the Funding Agreement as the average daily closing price of the Common Stock, as quoted on the NASDAQ National Market, for the period of 10 trading days ending five trading days after the date of the Issuer's exercise of the put option. Pursuant to an Amendment to the Funding Agreement dated July 14, 2003, the Issuer's ability to exercise its put option expired September 15, 2003. Under the Funding Agreement, Biogen MA lent to the Issuer \$10,000,000 and, under the Merger Agreement, Biogen MA converted \$650,000 of debt payable by Genovo to Biogen MA into a \$650,000 promissory note payable by the Issuer.

Concurrently with entering into the Merger Agreement, Biogen MA, the Issuer and Genovo also entered into a Development and Marketing Agreement (the "Development Agreement"), whereby Biogen MA and the Issuer agreed to collaborate on the development and commercialization of gene therapy products following the Issuer's acquisition of Genovo. The Issuer and Biogen MA agreed to develop four new gene therapy products over a three year period beginning in September 2000, and the Issuer agreed to provide development assistance with respect to a Biogen MA gene therapy product in return for the payment by Biogen MA of an \$8 million up-front fee. The Development Agreement and the collaboration of Biogen MA and the Issuer provided for by such agreement expired in September 2003.

On September 1, 2005, Biogen MA and the Issuer entered into Amendment No. 2 to the Funding Agreement (the "Funding Amendment"), together with two Amended and Restated Promissory Notes, to restructure the repayment of the Issuer's outstanding debt to Biogen MA. Under these amendments, on September 1, 2005, the Issuer repaid \$2.5 million of its outstanding indebtedness to Biogen MA and agreed to repay the \$8.15 million balance of its outstanding indebtedness to Biogen MA over the next four years. The Issuer also agreed to apply one-third of certain up-front or milestone payments it receives from collaborations to the earlier repayment of its indebtedness to Biogen MA. In addition, on and subject to specified terms and conditions, the Issuer granted Biogen MA a right to co-sell shares of Common Stock of the Issuer held by Biogen MA in certain equity financings of the Issuer approved by the Issuer's board of directors before November 30, 2005. In connection with the foregoing, Biogen MA agreed to certain lock-up provisions. Biogen MA agreed not to sell, other than pursuant to such financing, any shares of Common Stock owed by it during the period from September 1, 2005 until the earlier of November 30, 2005 and the consummation of such financing by the Issuer, and Biogen MA agreed to enter into a customary form of lock-up agreement for a period of 90 days if the Issuer consummated a financing before November 30, 2005.

On November 7, 2006, Biogen MA and the Issuer entered into Amendment No. 3 to the Funding Agreement ("Amendment No. 3") together with an Amended and Restated Promissory Note, to restructure the repayment of the Issuer's outstanding debt to Biogen MA in an aggregate principal amount of \$8.15 million. Under Amendment No. 3, the Issuer agreed to make an initial repayment to Biogen MA of \$500,000 on November 7, 2006, Biogen MA agreed to cancel an aggregate of \$5.65 million of the Issuer's outstanding indebtedness and the Issuer agreed to issue 1,000,000 shares of its common stock to Biogen MA and to provide to Biogen MA a demand registration right covering of the resale of such shares on Form S-3, subject to certain terms and conditions. The Issuer also agreed repay the remaining principal balance owed to Biogen MA in two additional payments of \$1 million on each of August 1, 2007 and August 1, 2008, with accrued and unpaid interest to be paid on August 31, 2007 and upon maturity. Biogen MA will receive one-third of certain up-front milestone payments received by Issuer as prepayments of the remaining outstanding debt to be applied first to the payment of any accrued and unpaid interest on the principal being repaid and second to the payment of any outstanding principal in reverse order of maturity (starting with the

outstanding principal due on the latest payment date set forth above). In addition, upon a change of control of the Issuer (as defined in Amendment No. 3), the repayment amount due on August 1, 2007 shall accelerate and become immediately due and payable no later than the 30th business day following the change of control.

On May 11, 2006, the Issuer effectuated a 1-for-10 reverse stock split. Share numbers in this Statement prior to that date do not give effect to the reverse stock split.

The foregoing descriptions of the transactions contemplated by the Merger Agreement (Exhibit B of this Statement), the Funding Agreement (Exhibit C of this Statement), the Development Agreement (Exhibit D of this Statement), the Amendment No. 1 to the Funding Agreement (Exhibit E of this Statement), Funding Amendment (Exhibit F of this Statement), the two Amended and Restated Promissory Notes (Exhibit G and H of this Statement, respectively), Amendment No. 3 (Exhibit I of this Statement) and the Amended and Restated Promissory Note (Exhibit J of this Statement) are qualified in their entirety by reference to the respective documents, which documents are specifically incorporated herein by reference to this Item 4.
