The shares of Common Stock are issuable upon exercise of shares of Preferred Stock, par value \$0.001 per share ("Preferred Stock"), of the Company. The principal executive offices of the Company are located at 17 Computer Drive West, Albany, New York 12205.

ITEM 2. IDENTITY AND BACKGROUND.

(b) and (c) CFE is a wholly-owned subsidiary of GE Capital which is a wholly-owned subsidiary of GECS which, in turn, is a wholly-owned subsidiary of GE.

CFE is a Delaware corporation (it was formerly known as CFE, Inc.). CFE engages in financing services that include making equity investments in connection with lending transactions of GE Capital. CFE maintains its principal executive offices at 201 High Ridge Road, Stamford, Connecticut 06927.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

As previously reported, on July 20, 2000, CFE entered into a Stock Purchase Agreement dated as of July 20, 2000 (the "Stock Purchase Agreement") with the Company pursuant to which CFE acquired 49,045.86 shares of Preferred Stock for a purchase price of \$40.778 per share. Cash payment for the shares of Preferred Stock was made on July 21, 2000 out of the working capital of CFE.

Each share of Preferred Stock acquired by CFE is convertible into shares of Common Stock as provided in the Certificate of Powers, Designations, Preferences and Rights of The Series A Participating Convertible Preferred Stock, Par Value, \$0.001 per share, of the Company (the "Certificate of Powers, Designations, Preferences and Rights") which is part of the Company's Certificate of Incorporation filed with the Secretary of State of the State of Delaware. Each share of Preferred Stock is presently convertible into 10 shares of Common Stock, subject to adjustment as provided in the Certificate of Powers, Designations, Preferences and Rights. A copy of the Stock Purchase Agreement was filed as an Exhibit to the Statement and is incorporated by reference herein.

Edgar Filing: UNITED ROAD SERVICES INC - Form SC 13D/A

Shares of Preferred Stock cumulate dividends on a quarterly basis to the extent that such dividends are not paid in cash. The filing of this Amendment is necessitated solely because of cumulated dividends during the period from January 1, 2002 through December 31, 2002. As of the date of this filing, CFE has the ability to acquire up to 572,899 shares of Common Stock upon the conversion into Common Stock of its 49,045.86 shares of Preferred Stock plus cumulated dividends as of December 31, 2002 (the most recent quarterly dividend date in respect of the Preferred Stock), calculated as follows: (i) 49,045.86 shares of Preferred Stock each of which is convertible into 10 shares of Common Stock for a total of 490,459 shares of Common Stock, plus (ii) \$164,234 of cumulated dividends through December 31, 2001 and \$121,511 of cumulated dividends from January 1, 2002 through December 31, 2002 (the most recent quarterly dividend date in respect of the Preferred Stock) at the current Conversion Price calculated in accordance with the Certificate of Powers, Designations, Preferences and Rights, resulting in a total of an additional 82,440 shares of Common Stock issuable upon conversion of CFE's Preferred Stock. Under the terms of the Certificate of Powers, Designations, Preferences and Rights dividends may continue to cumulate on the Preferred Stock subsequent to the date of this Amendment.

ITEM 4. PURPOSE OF TRANSACTION.

CFE purchased the 49,045.86 shares of Preferred Stock from the Company in connection with two Preferred Stock transactions described in proxy materials mailed by the Company to its Stockholders on or about June 13, 2000 (the "Company's Proxy Statement") in connection with a Special Meeting of Stockholders of the Company held on July 20, 2000 to consider and act on, among other items, the two Preferred Stock transactions. At the Special Meeting of Stockholders the two Preferred Stock transactions, including CFE's purchase of the 49,045.86 shares of Preferred Stock pursuant to the terms of the Stock Purchase Agreement, were approved by the Company's stockholders. The other Preferred Stock transaction described in the Company's Proxy Statement was the purchase on July 20, 2000 by Blue Truck Acquisition, LLC, a Delaware limited liability company ("Blue Truck"), and an affiliate of KPS Special Situations Fund, L.P., a Delaware limited partnership ("KPS Special Situations Fund"), of 613,073.27 shares of Preferred Stock.

This Amendment is being filed solely to reflect the additional shares of Common Stock issuable to CFE based upon the conversion of the Preferred Stock held by CFE plus cumulated dividends thereon through December 31, 2002 (the most recent dividend date for the Preferred Stock). As previously reported on Amendment No. 1 to Statement on Schedule 13D ("Amendment No. 1"), cumulated dividends through December 31, 2001 (the date of the most recent quarterly dividend in respect of the Preferred Stock as of the filing of Amendment No. 1) were \$164,234. Cumulated dividends from January 1, 2002 through December 31, 2002 (the date of the most recent quarterly dividend in respect of the Preferred Stock as of the filing of this Amendment) were \$121,511. As described above in Item 3, cumulated dividends through December 31, 2002 result in CFE being able to acquire an additional 82,440 shares of Common Stock upon conversion at the current Conversion Price of the Preferred Stock acquired by CFE on July 20, 2000. Dividends may continue to cumulate on the Preferred Stock subsequent to the date of this

Amendment. The dividend features and Conversion Price provisions of the Preferred Stock are more fully described in the Certificate of Powers, Designations, Preferences and Rights.

Edgar Filing: UNITED ROAD SERVICES INC - Form SC 13D/A

CFE holds the shares of Preferred Stock as an investment. CFE intends to review its investment in the Company on a regular basis and as a result thereof may, at any time or from time to time, convert all or a portion of the Preferred Stock into Common Stock or dispose of all or a portion of the Preferred Stock owned by it, or the Common Stock issuable upon conversion of such Preferred Stock. Any such acquisition or disposition would be made in compliance with all applicable laws and regulations. CFE has no current intention of disposing of any of the securities.

Except as set forth or incorporated by reference in this Amendment or the Statement, as amended by Amendment No. 1, none of the Reporting Persons has any current plans or proposals which relate to or would result in the types of transactions set forth in subparagraphs (a) through (j) of Item 4.

ITEM 5. INTEREST IN SECURITIES OF THE COMPANY.

(a) As a result of its ownership of the Preferred Stock plus cumulated dividends on the Preferred Stock through December 31, 2002 (the most recent quarterly dividend date in respect of the Preferred Stock), CFE is the beneficial owner of 572,899 shares of Common Stock representing approximately 21.5% of the outstanding shares of Common Stock. Such 572,899 shares of Common Stock are issuable to CFE upon the conversion of its shares of Preferred Stock as follows: (i) 490,459 shares of Common Stock issuable upon the conversion of its 49,045.86 shares of Preferred Stock, each of which is convertible into 10 shares of Common Stock, plus (ii) 82,440 shares of Common Stock issuable in respect of \$285,745 of cumulated dividends as of December 31, 2002 (the most recent quarterly dividend date in respect of the Preferred Stock) at the current Conversion Price calculated in accordance with the Certificate of Powers, Designations, Preferences and Rights. As previously reported in Amendment No. 1, cumulated dividends through December 31, 2001 (the date of the most recent quarterly dividend in respect of the Preferred Stock as of the filing of Amendment No. 1) were \$164,234. Cumulated dividends from January 1, 2002 through December 31, 2002 were \$121,511 (the date of the most recent quarterly dividend in respect of the Preferred Stock as of the filing of this Amendment). Under the terms of the Certificate of Powers, Designations, Preferences and Rights, dividends may continue to cumulate on the Preferred Stock subsequent to the date of this Amendment. GECS, GE Capital, and GE disclaim beneficial ownership in any shares of Preferred Stock or Common Stock.

Except as disclosed in this Item 5(a) or elsewhere in this Amendment or the Statement, as amended by Amendment No. 1, none of the Reporting Persons, nor, to the best of their knowledge, any of their executive officers or directors, beneficially own any securities of the Company or has a right to acquire any securities of the Company.

(b) CFE has the sole power to vote or direct the voting and to dispose or direct the disposition of the shares of Preferred Stock held by CFE and the shares of Common Stock issuable upon conversion thereof.

Except as described in this Item 5(b) or elsewhere in this Amendment or the Statement, as amended by Amendment No. 1, none of the Reporting Persons, nor, to the best of their knowledge, any of their executive officers or directors presently has the power to vote or to direct the vote or to dispose or direct the disposition of any of the securities which they may be deemed to beneficially own.

(c) Except as disclosed elsewhere in this Amendment or the Statement, as amended by Amendment No. 1, none of the Reporting Persons, nor, to the best of their knowledge, any of their executive officers or directors, has effected any transaction in securities of the Company during the past 60 days.

Edgar Filing: UNITED ROAD SERVICES INC - Form SC 13D/A

(d) No person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, securities held by CFE except for CFE.

(e) Not applicable.

Neither the filing of this Amendment, the Statement or any amendment hereto or thereto, nor anything contained therein or herein is intended as, or should be construed as, an admission that any Reporting Person is the "beneficial owner" of any shares of Preferred Stock or Common Stock which any other Reporting Person is deemed to beneficially own.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS WITH RESPECT TO SECURITIES OF THE COMPANY.

Pursuant to the terms of the Certificate of Powers, Designations, Preferences and Rights, CFE has the right, exercisable at any time, to convert each share of Preferred Stock plus cumulated dividends thereon into shares of Common Stock as set forth in the Certificate of Powers, Designations, Preferences and Rights. A copy of the Certificate of Powers, Designations, Preferences and Rights was filed as an Exhibit to the Statement and is incorporated by reference herein.

CFE has entered into a Registration Rights Agreement, dated July 20, 2000 (the "Registration Rights Agreement"), with the Company and Blue Truck. The Registration Rights Agreement provides CFE with the right to request on one occasion that the Company file a registration statement under and in accordance with the provisions of the Securities Act of 1933, as amended, covering shares of Common Stock issued to CFE upon conversion of its Preferred Stock. In addition, if under certain circumstances, the Company files a registration statement covering shares of Common Stock (including shares of Common Stock issued to Blue Truck upon conversion of shares of Preferred Stock acquired by Blue Truck in the second Preferred Stock transaction described in the Company's Proxy Statement), CFE will be entitled to notice of such registration and, subject to the terms of the Registration Rights Agreement, may include in the offering

shares of Common Stock issued to CFE upon conversion of its Preferred Stock. A copy of the Registration Rights Agreement was filed as an Exhibit to the Statement and is incorporated by reference herein.

Pursuant to the terms of a letter, dated July 20, 2000 (the "Letter Agreement"), between CFE and Blue Truck, Blue Truck has provided CFE with the right to elect to sell its Preferred Stock, or Common Stock issuable upon conversion of such Preferred Stock, if Blue Truck determines to sell its Preferred Stock, or Common Stock issuable upon conversion of its Preferred Stock, in the same transaction and on the same terms as Blue Truck. The Letter Agreement contains certain specific enumerated exceptions to the right of CFE to elect to "tag along" in dispositions made by Blue Truck. A copy of the Letter Agreement was filed as an Exhibit to the Statement and is incorporated by reference herein.

GE Capital is a limited partner in KPS Special Situations Fund. Blue Truck is an affiliate of KPS Special Situations Fund.

Except as set forth or incorporated by reference in this Amendment or the Statement, as amended by Amendment No. 1, none of the Reporting Persons nor, to the best of their knowledge, any of their executive officers or directors, has any contracts, arrangements, understandings or relationship (legal or

Edgar Filing: UNITED ROAD SERVICES INC - Form SC 13D/A

otherwise) with any person with respect to any securities of the Company.
