Edgar Filing: PRIMUS GUARANTY LTD - Form S-8

Our principal business is selling credit protection under which we assume the risk of default on investment grade credit obligations. This prospectus relates to the resale of our common shares by our executive officers and directors. The common shares which may be sold have previously been acquired, or will be acquired, by these individuals under written compensation contracts or upon the exercise of options or other equity incentive awards granted to them under our 2002 Stock Incentive Plan or our 2004 Stock Incentive Plan. The 2004 Stock Incentive Plan replaced the 2002 Stock Incentive Plan.

We will not receive any of the proceeds from these sales. We will pay all expenses in connection with this offering, other than commissions and discounts of underwriters, brokers, dealers or agents.

Our common shares are listed on the New York Stock Exchange (NYSE: PRS). On December 10, 2004, the closing price of our common shares was \$14.55 per share.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

OUR BUSINESS

Our principal business is selling credit protection under which we assume the risk of default on investment grade credit obligations. The protection we sell takes the form of a credit default swap, or credit swap. In exchange for a fixed quarterly premium we agree, upon a default or other credit event (e.g., bankruptcy, moratorium or repudiation) affecting a designated issuer, which we refer to as a Reference Entity, to pay our customer, which we refer to as a counterparty, an agreed amount. We pay this agreed amount, which we call a notional amount, upon our counterparty's delivery to us of the Reference Entity's debt obligation. Credit swaps are an efficient and standardized mechanism to reduce credit risk exposure arising from the ownership of financial obligations such as bonds, loans and receivables. The primary purchasers of credit swaps are commercial and investment banks as well as credit portfolio managers, insurance companies and other financial institutions.

PROCEEDS

We will not receive any of the proceeds from the sale of the common shares by the individuals named herein.

PLAN OF DISTRIBUTION

The common shares covered by this prospectus will be sold, if at all, by the individuals named above or donees, pledgees or others on their behalf, and not by us. The common shares may be sold from time to time as follows:

- on the New York Stock Exchange, in the over-the-counter market, on an inter-dealer quotation system or on another national securities exchange (any of which may involve crosses and block transactions);
- to purchasers directly;
- in ordinary brokerage transactions in which the broker solicits purchasers;
- through underwriters, dealers and agents who may receive compensation in the form of underwriting discounts, concessions or commissions from a seller and/or the purchasers of the common shares for whom they may act as agent;
- through the writing of options on the common shares;
- through the granting of a security interest in any common share as collateral for any loan or obligation, including such grants to brokers or dealers who may from time to time effect distributions of the common shares or other interests in the common shares;
- through purchases by a broker or dealer as principal and resale by such broker or dealer for its own account pursuant to this prospectus;
- through block trades in which the broker or dealer so engaged will attempt to sell the common shares as agent or as riskless principal but may position and resell a portion of the block as principal to facilitate the transaction;
- through exchange distributions in accordance with the rules of the applicable exchange;
- in any combination of one or more of these methods; or
- in any other lawful manner.

These sales may be made at prices related to the then current market price or otherwise at prices and on terms then prevailing, or in privately negotiated transactions. In effecting sales, a broker or dealer engaged by an individual using this prospectus to sell common shares may arrange for other brokers or dealers to participate in the sale. In addition, any common shares covered by this prospectus which qualify for sale pursuant to Section 4(1) of the Securities Act or Rules 144 or 701(g) under the Securities Act may be sold thereunder rather than by this prospectus.

In connection with distributions of the common shares or otherwise, persons using this prospectus to sell common shares may enter into hedging transactions with broker-dealers. In connection with hedging a transaction, a broker-dealer may engage in short sales of common shares registered hereunder in the course of hedging the positions it assumes with the seller. The seller may also sell common shares short and deliver the common shares to close out

the short positions. The seller may also enter into an option or other transaction with a broker-dealer which requires the delivery to the broker-dealer of common shares we have registered, which the broker-dealer may resell by this prospectus.

A seller may pay a broker-dealer or an agent compensation in the form of commissions, discounts or concessions. The broker-dealer and any other participating broker-dealer may be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales and any such commission, discount or concession may be deemed to be underwriting discounts or commissions under the Securities Act.

We may be required to file a supplemented prospectus in connection with any activities involving a seller which may be deemed to be an "underwriting." In that case, a supplement to this prospectus would contain (1) information as to whether an underwriter selected by a seller, or any other broker-dealer, is acting as principal or agent for the seller, (2) the compensation to be received by an

6

underwriter selected by a seller or any broker-dealer, for acting as principal or agent for a seller and (3) the compensation to be received by any other broker-dealer, in the event the compensation of such other broker-dealers is in excess of usual and customary commissions. Any broker or dealer participating in any distribution of the common shares may be required to deliver a copy of this prospectus, including any prospectus supplement, to any individual who purchases any common shares from or through such a broker-dealer.

We have advised the people identified in this prospectus as potential sellers of common shares that during any period when they may be engaged in a distribution of the common shares offered by this prospectus, they are required to comply with Regulation M promulgated under the Securities Exchange Act. With certain exceptions, Regulation M precludes any seller, any affiliated purchaser and any broker-dealer or other individual who participates in such a distribution from bidding for or purchasing, or attempting to induce any individual to bid for or purchase any security, that is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of these factors may affect the marketability of our common shares.

The people identified in this prospectus as potential sellers of common shares offer to sell all, some or none of the common shares covered by this prospectus. Because it is possible that a significant number of common shares could be sold simultaneously by means of this prospectus, such sales, or the possibility thereof, may have an adverse effect on the market price of our common shares.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;
