PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 23, 2006
GENERAL INFORMATION

Our Board of Directors is soliciting your proxy for use at our annual meeting of shareholders to be held at the Great Wolf Lodge resort, 1 Great Wolf Drive, Scotrun, Pennsylvania, on Tuesday, May 23, 2006 at 9:00 a.m., Eastern Time, and at any adjournments of our annual meeting. You are invited to attend our annual meeting and vote your shares directly. However, even if you do not attend, you may vote by proxy, which allows you to instruct another person to vote your shares on your behalf at our annual meeting. For this purpose, we enclose one blank proxy card for your use.

The mailing address of our principal executive offices is 122 West Washington Avenue, Madison, Wisconsin 53703.

This proxy statement and the accompanying proxy card and Notice of Annual Meeting are being mailed to our shareholders on or about April 14, 2006.

Purposes of Our Annual Meeting

The purposes of our annual meeting are: (1) to elect seven directors to serve on our Board; and (2) to transact any other business that may properly come before our annual meeting and any adjournments of our annual meeting. Our Board knows of no matters, other than the election of directors, to be brought before our annual meeting.

This Proxy Solicitation

There are two parts to this proxy solicitation: the proxy card and this proxy statement. The proxy card is the means by which you actually authorize another person to vote your shares in accordance with your instructions. This proxy statement provides you information that you may find useful in deciding how to vote.

Proxies are being solicited by and on behalf of our Board, and the solicitation of proxies is being made primarily by the use of the mails. We will bear the cost of preparing and mailing this proxy statement and the accompanying material and the cost of any supplementary solicitations which may be made by mail, telephone or personally by our officers and employees, who will not be additionally compensated for their activities. We have retained Computershare, Inc. to provide administrative and record-keeping assistance in the solicitation of proxies.

No person is authorized to give any information or to make any representation not contained in this proxy statement and, if given or made, you should not rely on that information or representation as having been authorized by us. This proxy statement does not constitute the solicitation of a proxy, in any jurisdiction, from anyone to whom it is unlawful to make such proxy solicitation in that jurisdiction. The delivery of this proxy statement shall not, under any circumstances, imply that there has been no change in the information set forth since the date of this proxy statement.

VOTING

Record Date for Our Annual Meeting; Who Can Vote at Our Annual Meeting

Our Board has fixed the close of business on Thursday, April 6, 2006 as the record date for determining which of our shareholders are entitled to receive notice of, and to vote at, our annual meeting. You will be entitled to notice of, and to vote at, our annual meeting and any adjournments of our annual meeting, only if you were a shareholder of record at the close of business on the record date. At the close of business on our record date of April 6, 2006, we had issued and outstanding 30,277,308 shares of our common stock, which are entitled to vote at our annual meeting. See Required Votes.

How to Vote Your Shares and How to Revoke Your Proxy

How to Vote. You may vote your shares at our annual meeting in person, or if you cannot attend our annual meeting in person or you wish to have your shares voted by proxy even if you do attend our annual meeting, you may vote by duly authorized proxy. To vote in person, you must attend the annual meeting and obtain and submit a ballot, which will be provided at the meeting. To vote by proxy, you must complete and return the enclosed proxy card.

By completing and returning the proxy card and by following the specific instructions on the card, you will direct the designated persons (known as proxies) to vote your shares at our annual meeting in accordance with your instructions. Our Board has appointed John Emery and J. Michael Schroeder to serve as the proxies for our annual meeting.

Your proxy card will be valid only if you sign, date and return it before our annual meeting. If you complete all of the proxy card except the voting instructions, then the designated proxies will vote your shares for the election of the seven nominees for directors. If a nominee for election to our Board is unable to serve which we do not anticipate or if any other matters are properly raised at the annual meeting, then either Messrs. Emery or Schroeder as the designated proxies will vote your shares in accordance with his best judgment.

In voting by proxy as to the election of directors, you may either (1) vote in favor of one or more of the seven nominees or (2) withhold your votes as to one or more of the nominees. Abstentions will be treated as set forth below. You may not vote for persons other than Messrs. Neviasser, Emery, Blutinger, Churchey, Knetter, and Silver and Ms. Nolan in the election of directors.

Even if you plan to attend our annual meeting, we ask you to vote, sign, date and return the enclosed proxy card as soon as possible. If your shares are held in the name of a broker or other intermediary, you may vote and revoke a previously submitted vote only through, and in accordance with, procedures established by the record holder(s) or their agent(s).

How to Revoke a Proxy. If you have already returned your proxy to us, you may revoke your proxy at any time before it is exercised at our annual meeting by any of the following actions:

by notifying our Secretary in writing at or before the annual meeting that you would like to revoke your proxy,

by completing a proxy with a later date and by returning it to us at or before the annual meeting, or

by attending our annual meeting and voting in person. (Note, however, that your attendance at our annual meeting, by itself, will not revoke a proxy you have already returned to us; you must also vote your shares in-person at our annual meeting to revoke an earlier proxy.)

If you choose either of the first two means to revoke your proxy, you must submit either your notice of revocation or your new proxy card to our mailing address listed on page 1 of this proxy statement.

Table of Contents

Required Votes

Voting Rights. You are entitled to one vote for each share of our common stock that you hold. Cumulative voting of our shares is not allowed.

Quorum Requirements. Under Delaware law and our bylaws, a majority of votes entitled to be cast at the annual meeting, represented in person at the annual meeting or by proxy, will constitute a quorum for the consideration of the election of the nominees for directors and for each matter to properly come before our annual meeting.

Vote Required. The seven nominees receiving the highest number of affirmative votes will be elected as directors. This number is called a plurality.

Abstentions and Broker Non-Votes. Abstentions will not be counted for or against proposals, but will be counted for the purpose of determining the existence of a quorum.

Under applicable Nasdaq National Market, or Nasdaq, rules (the exchange on which our common stock is traded), brokers holding shares for beneficial owners in nominee or street name must vote those shares according to the specific instructions they receive from the beneficial owners. If you do not provide your broker with specific instructions regarding how to vote your shares, your broker still has authority to vote your shares on certain routine matters. However, under Nasdaq's rules do not have discretionary voting power on non-routine matters. In these cases, if no specific voting instructions are provided by the beneficial owner, the broker may not vote on non-routine proposals. This results in what is known as a broker non-vote. Broker non-votes will not be counted for or against a proposal, but will be counted only for the purpose of determining the existence of a quorum.

Because the election of directors is a routine matter for which specific instructions from beneficial owners are not required under Nasdaq's rules, no broker non-votes will arise in the context of voting for the nominees for directors.

If you do not vote your shares, your brokerage firm may either (1) vote your shares on routine matters, including this year's election of directors, or (2) leave your shares unvoted.

To be certain that your shares are voted at our annual meeting, we encourage you to provide instructions to your brokerage firm by voting your proxy.

THE ELECTION OF DIRECTORS

Election of Nominees for Directors

At our annual meeting, our shareholders will vote on the election of seven directors.

Our Nominating and Corporate Governance Committee has recommended to our Board as nominees, and our Board has nominated, Bruce D. Neviasser, John Emery, Elan Blutinger, Randy Churchey, Michael M. Knetter, Alissa N. Nolan, and Howard Silver for election to our Board. If re-elected, all of these individuals will serve as directors for a one-year term that will expire at our annual meeting of shareholders in 2007, or when their successors are duly elected and qualified. You will find below a brief biography of each nominee. See also *Ownership of Our Common Stock* on page 11 for information on their holdings of our common stock.

If any nominee becomes unavailable or unwilling to serve as a director for any reason, the persons named as proxies in the proxy card are expected to consult with our management in voting the shares represented by them and will vote in favor of any substitute nominee or nominees approved by our Board. Our Board has no reason to doubt the availability of any of the nominees for director. Each of the nominees has expressed his or her willingness to serve as a director if elected by our shareholders at our annual meeting.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**Formation Transactions**

Pursuant to separate transition services agreements, during fiscal year 2005 we provided certain services to each of Great Lakes Hospitality Partners, LLC and Great Lakes Housing Partners, LLC (the entities that succeeded to Great Lakes non-resort development and management business). Messrs. Neviasser and Emery, as well as Ms. Schaeffer, are members of each of these limited liability companies. These services ceased as of December 31, 2005. These services included, among others, administrative services, corporate services, accounting services, financing services, legal services, tax services, information technology services, human resources services, payroll services and operational services. These services were provided by us as and if any such service was reasonably requested. The fees for these services were determined as each such service was provided from time to time and were generally equal to the cost of such services had the services been provided by an unaffiliated third party. The agreements also provided for customary expense reimbursement. The total fees and expense reimbursements we collected during fiscal year 2005

were \$117,000 from Great Lakes Housing Partners, LLC and \$528,000 from Great Lakes Hospitality Partners, LLC.

Employment Agreements

We have entered into employment agreements, with Messrs. Emery, Martinez, Calder and Schroeder and Ms. Schaefer. The employment agreements provide for Mr. Emery to serve as our Chief Executive Officer, Mr. Martinez to serve as our Executive Vice President of Development, Mr. Calder to serve as our Chief Financial Officer, Mr. Schroeder to serve as our General Counsel and Corporate Secretary, and Ms. Schaefer to serve as our Chief Brand Officer. In March 2005, Ms. Schaefer was promoted to the position of Chief Operating Officer. On July 15, 2005, Mr. Martinez was promoted to the position of President of Development Division.

Each employment agreement has a term of three years and provides for automatic one-year extensions thereafter, unless either party provides at least 120 days notice of non-renewal.

The employment agreements provide for:

an annual base salary of \$400,000 for Mr. Emery, \$320,000 for Mr. Martinez, \$250,000 for each of Messrs. Calder and Schroeder, and \$225,000 for Ms. Schaefer. Ms. Schaefer's annual base salary was subsequently increased to \$265,000 upon her promotion to Chief Operating Officer in March 2005. Effective January 1, 2006, Mr. Emery's annual base salary was increased to \$416,000, Mr. Martinez's annual base salary was increased to \$375,000, Ms. Schaefer's annual base salary was increased to \$310,000, and Mr. Calder's annual base salary was increased to \$260,000;

eligibility for annual bonuses to be determined by our compensation committee;

eligibility for grants of (a) options to purchase our common stock and (b) shares of our common stock, as determined by our compensation committee; and

participation in employee benefit plans, programs and policies applicable generally to our senior executives.

The employment agreements provide that, if an executive's employment is terminated by us without cause or by the executive for good reason (each as defined in the applicable employment agreement), including non-renewal of the

employment agreement by us upon the end of its term, the executive will be

16

Table of Contents

entitled to the following severance payments and benefits, subject to his or her execution and non-revocation of a general release of claims:

a lump sum severance amount equal to the sum of that executive's then-current annual base salary and most recent annual bonus paid for each of Messrs. Martinez, Calder and Schroeder and Ms. Schaefer, and two times such amount for Mr. Emery;

acceleration of vesting of all outstanding options to purchase our common stock; and

a lump sum payment in an amount designed to roughly equal the pre-tax cost of health, life insurance and accidental death and dismemberment benefits in effect immediately prior to the termination of the executive's employment for a period of time following the termination of executive's employment.

Under the employment agreements, we have agreed to make an additional tax gross-up payment to the executive if any amounts paid or payable to the executive would be subject to the excise tax imposed on certain so-called excess parachute payments under Section 4999 of the Internal Revenue Code. However, if a reduction in the payments and benefits of \$25,000 or less would render the excise tax inapplicable, then the payments and benefits will be reduced by such amount, and we will not be required to make the gross-up payment.

Each employment agreement provides that, if the executive's employment is terminated by us without cause or by the executive for good reason within 180 days prior to, or eighteen months following, a change in control, then the executive will receive the above benefits and payments as though the executive's employment was terminated without cause or for good reason. However, the lump-sum cash severance payment will be equal to three times (in the case of Mr. Emery) or two times (in the case of each of Messrs. Martinez, Calder and Schroeder and Ms. Schaefer) the sum of the executive's then-current annual base salary and the most recent annual bonus paid to the executive.

Each employment agreement also provides that the executive or his or her estate will be entitled to certain severance benefits in the event of his or her death or disability.

The employment agreements also contain non-compete and standard confidentiality and non-solicitation provisions that apply during the term of the employment agreements and for a one-year period thereafter.

Noncompetition Agreements

We have entered into a noncompetition agreement with Mr. Neviasser, who is a member of our board of directors. The noncompetition agreement provides that Mr. Neviasser will not, during his term as a director of the company or officer of the company, as applicable, or for the one-year period following his removal or resignation from the board of directors or such office or in the event Mr. Neviasser is not re-elected to the board of directors, compete with us. We have also entered into a noncompetition agreement with Marc B. Vaccaro, who was formerly a member of our board of directors, which agreement provides that Mr. Vaccaro will not, for a one-year period following his removal or resignation from the board of directors, compete with us. These agreements also contain standard confidentiality and non-solicitation provisions. In exchange for these agreements, we have agreed to accelerate the vesting of these individuals' stock options if the individual is removed from or is not re-elected to our board of directors. Mr. Vaccaro resigned from our Board of Directors in February 2006; thus, his noncompetition obligations will expire in February 2007 and 138,333 of the stock options he received have lapsed.

of another entity that has or has had one or more executive officers who served as a member of the Board of Directors or the Compensation Committee during fiscal 2005.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is responsible for:

establishing and administering compensation policies;

establishing salaries of and awarding performance-based bonuses to our executive officers; and

determining awards of restricted stock and grants of stock options under our stock plans.

From time to time, the Compensation Committee may retain compensation and other management consultants to assist with, among other things, structuring our various compensation programs and determining appropriate levels of salary, bonus and other awards payable to our executive officers, as well as to guide us in the development of near-term individual performance objectives necessary to achieve long-term profitability.

Our committee's policy is to devise and implement compensation for our officers and employees commensurate with their position and determined with reference to compensation paid to similarly situated employees and officers of companies that the Compensation Committee deems to be comparable to our company. Each member of the Compensation Committee is independent as defined in the committee charter, as determined by the Board of Directors.

Components of Executive Compensation

Our committee's executive compensation methodology consists of three components: (1) base salary, (2) annual incentive and (3) long-term incentive compensation. These components provide elements of fixed income and variable compensation that is linked to the achievement of individual and corporate goals and the enhancement of value to our company's shareholders.

Base Salary. Base salary represents the fixed component of our executive compensation system. Executives receive salaries that are within a range established by the Compensation Committee for their respective positions based on the comparative analysis described above. Where each executive's salary falls within the salary range is based on a determination of the level of experience that the executive brings to the position and how successful the executive has been in achieving set goals. Salary adjustments are based on a similar evaluation and a comparison of adjustments made by competitors and any necessary inflationary adjustments.

Annual Incentives. Annual incentives exist in the form of bonuses available to each executive officer as a means of linking compensation to objective performance criteria that are within the control of the executive officer. At the beginning of each year, the Compensation Committee establishes a target bonus for each executive and identifies performance measures for each executive to meet in order to receive the full bonus. There was no bonus awarded to our Chief Executive Officer or our other executive officers for fiscal year 2005, with the exception of Mr. Martinez, who was awarded an incentive bonus of \$100,000 for fiscal year 2005. The actual amount of incentive bonus received by our Chief Executive Officer and other executive officers for fiscal year 2006 will be determined by the Compensation Committee after the end of the year. Incentive bonuses are paid in cash.

Long-Term Incentives. The third component of executive compensation is targeted toward providing rewards for long-term performance. The Compensation Committee believes that long-term incentives are important to motivate and reward our executives and employees for maximizing shareholder value. Long-term incentives are provided primarily by grants of stock options and stock under our 2004 Incentive Stock Plan, which is administered by the Compensation Committee. The purpose of our 2004 Incentive Stock Plan is to assist our company in recruiting and retaining key employees, by enabling such persons to participate in the future success of our company and to associate their interests with those of our company and our shareholders.

Table of Contents

No stock options or stock was granted as long-term incentives for executive performance to our named executive officers in fiscal year 2005.

Deferred Compensation: We maintain a deferred compensation plan for certain executives by depositing amounts into a trust for the benefit of the participating employees. Amounts in the trust earn investment income, which serves to increase the corresponding deferred compensation obligation. Investments, which are recorded at market value, are directed by the participants, and consist of our common stock and mutual funds.

HVS Compensation Study

The Compensation Committee engaged HVS International, an independent compensation consultant, to assist the Compensation Committee in determining appropriate fiscal year 2006 compensation for our executive officers. The consultant made recommendations to the Compensation Committee of appropriate levels of base salaries, annual incentives and long-term incentives for our executive officers, based upon a study of 23 companies of comparable size to us.

CEO Compensation

In devising an appropriate fiscal year 2006 compensation package for John Emery, our CEO, the Compensation Committee is guided by our company's performance, competitive practices, and the Compensation Committee's policy, discussed above, of determining compensation with reference to the compensation paid to similarly situated executives of comparable companies. The results of the HVS Consulting study, discussed above, were also considered. Appropriate adjustments in the compensation of our CEO are considered at the same time that we consider similar adjustments for our other executive officers. Based upon such considerations, the Compensation Committee adopted and approved \$416,000 as the appropriate base salary to be paid to Mr. Emery during our 2006 fiscal year. The Compensation Committee intends to apply the bonus award procedure discussed above under

Components of Executive Compensation to Mr. Emery and our other executive officers during our 2006 fiscal year.

Tax Deductibility of Compensation

Section 162(m) of the Internal Revenue Code generally limits the deductibility on our tax return of compensation over \$1 million to any of our officers unless the compensation is paid pursuant to a plan that is performance-related, non-discriminatory and has been approved by our stockholders. The Compensation Committee's policy with respect to Section 162(m) is to make every reasonable effort to ensure that compensation is deductible to the extent permitted. The Compensation Committee has the authority to award compensation in excess of the \$1 million limit, regardless of whether that compensation will be deductible, if the compensation committee determines in good faith that the compensation is appropriate to incent and compensate the recipient.

In addition, our committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). Our committee has also received the written disclosures and the letter from our independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and we have discussed with the independent auditors all significant relationships they have with our company to ensure their independence from our company.

We relied on the reviews and discussions referred to above. Based on this reliance, we have recommended to the Board, and the Board has approved, that the audited financial statements be included in our company's Annual Report on Form 10-K for the year ended December 31, 2005 filed with the SEC.

The Audit Committee has adopted procedures for pre-approving all audit and non-audit services provided by the independent auditors. Unless a type of service to be provided by the independent auditors has received general pre-approval, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved cost levels also will require specific pre-approval by the Audit Committee.

The Audit Committee's pre-approval procedures include reviewing a budget for audit and permitted non-audit services. The budget includes a description of, and a budgeted amount for, particular categories of audit and non-audit services that are recurring in nature and therefore anticipated at the time the budget is submitted. For pre-approval, the Audit Committee considers whether these services are consistent with the SEC's rules on auditor independence. The Audit Committee may delegate pre-approval authority to the chairman of the Audit Committee.

The Audit Committee has designated the Chief Financial Officer to monitor the performance of the services provided by the independent auditors and to determine whether these services are in compliance with the pre-approval policy.
