### **Item 8.01 Other Events**

In October 2007, Commerce Bancshares, Inc. (the Company), as a member of Visa U.S.A. Inc. (Visa U.S.A.), received shares of restricted stock in Visa, Inc. (Visa) as a result of its participation in the global restructuring of Visa U.S.A., Visa Canada Association, and Visa International Service Association in preparation for an initial public offering. On November 7, 2007, Visa announced that it had reached a settlement with American Express related to an antitrust lawsuit. As reported by Visa in a Current Report on Form 8-K filed with the Securities and Exchange Commission on November 13, 2007, the settlement became effective upon receipt of the requisite approval of Visa U.S.A. members on November 9, 2007. Visa U.S.A. member banks are obligated to share in potential losses resulting from this and certain other litigation. In consideration of the announced American Express settlement, the Company's proportionate membership share of Visa U.S.A. (0.33540%), and accounting guidance that we have been informed was provided by the Securities and Exchange Commission (SEC), the Company expects to record in the fourth quarter of 2007 a liability and corresponding expense of approximately \$6.9 million pre-tax. The other Visa litigation matters that are being evaluated may result in further litigation accruals by the Company in the current or future quarters.

As disclosed in Visa's Form 8-K filed with the SEC on November 9, 2007, Visa intends that payments related to the above litigation matters will be funded from an escrow account to be established with a portion of the proceeds from its planned initial public offering. The Company currently anticipates that its proportional share of the proceeds of the planned initial public offering by Visa will more than offset any liabilities related to Visa litigation.
