As previously disclosed in Tenneco Inc.'s Quarterly Report on Form 10-Q for the quarter ended March 31, 2009 (the Form 10-Q), Tenneco adopted the provisions of Statement of Financial Accounting Standards (SFAS) No. 160,

Noncontrolling Interests in Consolidated Financial Statements – an Amendment of ARB No. 51, effective as of January 1, 2009. SFAS 160 requires us to reclassify retrospectively for all periods presented, noncontrolling ownership interests (formerly called minority interests) from the mezzanine section of the balance sheet between liabilities and equity to the equity section of the balance sheet, and to change our presentation of net income (loss) in the condensed consolidated statements of cash flows to include the portion of net income (loss) attributable to noncontrolling ownership interests with a corresponding reduction in other operating activities.

We are also subject to the requirements of EITF Topic No. D-98, Classification and Measurement of Redeemable Securities (EITF D-98), which interprets Rule 5-02.28 of Regulation S-X. Rule 5-02.28 requires shares whose redemption are outside of the control of the issuer to be classified outside of permanent equity. We have noncontrolling interests in two joint ventures with redemption features that could require us to purchase the noncontrolling interest at fair value in the event of a change in control of Tenneco Inc. Additionally, a noncontrolling interest in a third joint venture requires us to purchase the noncontrolling interest at fair value in the event of default or under certain other circumstances. We do not believe that it is probable that the redemption features in any of these joint venture agreements will be triggered. However, the redemption of these shares is not solely within our control. Accordingly, in the Form 10-Q, the related noncontrolling interests were presented as Redeemable noncontrolling interests in the mezzanine section of our condensed consolidated balance sheets as of March 31, 2009 and December 31, 2008 in accordance with EITF D-98. EITF D-98 does not impact the accounting for noncontrolling interests on our condensed consolidated statements of net income (loss).

The principal effect on the prior year balance sheets related to the adoption of SFAS 160 is summarized as follows:

(millions)	December 31,	
	2008	2007
<b>Balance Sheets</b>		
Total Equity, as previously reported	\$ (251)	\$ 400
SFAS 160 reclass of non-controlling interest	24	25
Total equity under SFAS 160	\$ (227)	\$ 425

SFAS 160 also changes net income (loss) in the consolidated statement of income (loss). Prior to SFAS 160, net income (loss) excluded net income attributable to non-controlling interests. SFAS 160 now requires that net income include net income attributable to non-controlling interest. In addition, SFAS 160 requires a new separate caption for net income attributable to Tenneco Inc. be presented in the consolidated statement of income (loss) which is equal to net income (loss) as previously reported prior to the adoption of SFAS 160. Thus, after adoption of SFAS 160, net income (loss) will increase (decrease) due to the inclusion of the amount of net income attributable to non-controlling interests, by \$10 million, \$10 million and \$6 million for the fiscal years 2008, 2007 and 2006, respectively, and net income attributable to Tenneco Inc. will be equal to net income (loss) as previously reported prior to the adoption of SFAS 160.

A summary of the retrospective changes that will be made to the financial statements for periods prior to our adoption of SFAS 160 are set forth in the following updated financial statements and footnote, the originals of which were a part of Item 8 – Financial Statements and Supplementary Data of the company's Annual Report on Form 10-K for the year ended December 31, 2008 (the Form 10-K):
