PRECISION TRUST CONVERSION DOCUMENTATION BEING MAILED  
-----

CALGARY, ALBERTA, CANADA, October 4, 2005 - Precision Drilling Corporation ("Precision") announced today the mailing to securityholders of the Notice of Special Meeting of Securityholders and Information Circular with respect to the Plan of Arrangement for the reorganization of Precision into Precision Drilling Trust (the "Trust"). Copies of this documentation have been submitted for posting on SEDAR ([www.sedar.com](http://www.sedar.com)). The special meeting to consider the conversion is scheduled to take place on October 31, 2005 at 10:00 a.m. (Calgary time) at the Metropolitan Conference Centre, Royal Room, 333 - 4th Avenue S.W., Calgary, Alberta.

Pursuant to the reorganization, shareholders will be entitled to receive in exchange for each common share held (i) one unit of the Trust ("Trust Units"); (ii) their pro-rata share of the 26 million common shares of Weatherford International Ltd. owned by Precision ("Weatherford Shares"); and (iii) their pro-rata share of up to \$850 million of cash in aggregate. The Weatherford Shares will not be subject to any resale restrictions, however, Precision will not be able to complete the reorganization or transfer the Weatherford Shares until a Registration Statement to be filed by Weatherford is declared effective by the U.S. Securities and Exchange Commission. The Trust will own Precision's existing business and will make regular monthly distributions to holders of the Trust Units. Based on current business conditions, it is anticipated that the board of Trustees of the Trust will set the initial regular distributions to the Trust's unitholders at approximately \$0.24 per Trust Unit per month with the first such payment expected to be made in the month following the effective date of the reorganization.

## Edgar Filing: PRECISION DRILLING CORP - Form 6-K

The actual amount distributed will be dependent on various economic factors and is at the discretion of the Board of Trustees. The anticipated distribution policy targets the use of approximately 70% of available cash for distribution to Trust Unitholders. Based upon current economic factors and the size of the Trust's capital budget, it is expected that the remaining approximately 30% of cash available for distribution will fund the Trust's annual capital expenditure program.
