PROXY STATEMENT

This proxy statement is first being sent to stockholders on or about April 2, 2002, in connection with the solicitation of proxies by the Board of Directors of Paxson Communications Corporation (the "Company"), to be voted at the Annual Meeting of Stockholders to be held on May 3, 2002, and at any adjournment thereof (the "Meeting"). The Board of Directors has fixed the close of business on March 27, 2002, as the record date of the determination of stockholders entitled to notice of and to vote at the Meeting. At the close of business on the record date, we had outstanding (i) 56,542,077 shares of \$0.001 par value Class A Common Stock ("Class A Common Stock"), entitled to one vote per share, (ii) 8,311,639 shares of \$0.001 par value Class B Common Stock ("Class B Common Stock," and with the Class A Common Stock, collectively, the "Common Stock"), entitled to ten votes per share, and (iii) 10,566 shares of 9 3/4% Series A Convertible Preferred Stock ("Series A Convertible Preferred

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form DEF 14A

Stock"), entitled to 625 votes per share.

VOTING

Shares represented by duly executed proxies in the accompanying form received by us prior to the Meeting will be voted at the Meeting in accordance with the directions given. If a proxy card is signed and returned without specifying a vote or an abstention on any proposal, it will be voted according to the recommendation of the Board of Directors on that proposal. The Board of Directors recommends a vote FOR the election of the Class II directors and the appointment of PricewaterhouseCoopers LLP as our independent certified public accountants for 2002. The Board of Directors knows of no business to be transacted at the Meeting other than the proposals set forth in this Proxy Statement. If other matters are properly presented for action, it is the intention of the persons named as proxies to vote on such matters according to their best judgment.

If you hold your shares through an intermediary you must provide instructions on voting as requested by your bank or broker. If you sign and return a proxy, you may revoke it at any time before it is voted by taking one of the following three actions: (i) giving written notice of the revocation to the Secretary of the Company; (ii) executing and delivering a proxy with a later date; or (iii) voting in person at the Meeting. Attendance at the Meeting will not in itself constitute revocation of a proxy.

The presence in person or by proxy of the holders of shares of stock having a majority of the votes which could be cast by all outstanding shares of stock entitled to vote at the Meeting constitutes a quorum for the transaction of business at the Meeting. The election of directors will require the affirmative vote of a plurality of the votes cast at the Meeting, if a quorum is present. The affirmative vote of at least a majority of the votes cast in person or by properly executed proxy is required to approve each of the proposals to be considered at the Meeting. Votes cast by proxy or in person at the Meeting will be tabulated by one or more inspectors of election appointed at the Meeting, who will also determine whether a quorum is present for the transaction of business. Abstentions and broker non-votes will be counted as shares present at the Meeting for purposes of determining whether a quorum is present. Because only a plurality is required for the election of directors, abstentions or broker non-votes will have no effect on the election of directors. As to other matters to be considered at the Meeting, abstentions will be treated as votes AGAINST, and broker non-votes will not be counted as shares voting for the purpose of determining whether a proposal has been approved. Lowell W. Paxson, our Chairman and the beneficial owner of a majority of the voting power of our outstanding stock, has advised us that he intends to vote all shares which he is entitled to vote in favor of the proposals being submitted at the Meeting, therefore approval of the proposals by our stockholders is assured.

Simon & Sons, LLC, a private investment firm with which Mr. Brandon is employed.

POTENTIAL CHANGE IN CONTROL

On September 15, 1999, NBC, through subsidiaries, purchased \$415 million aggregate liquidation preference of shares of our 8% Series B Convertible Exchangeable Preferred Stock, which are convertible into 31,896,032 shares of Class A Common Stock, and acquired warrants to purchase an additional 32,032,127 shares of Class A Common Stock. Concurrently, NBC entered into an agreement with Mr. Paxson, our Chairman and controlling stockholder, and certain of his affiliates, pursuant to which NBC was granted the right to purchase all (but not less than all) 8,311,639 shares of our outstanding Class B Common Stock beneficially owned by Mr. Paxson, which shares are entitled to ten votes per share on all matters submitted to a vote of our stockholders.

Pursuant to these agreements and the related agreements entered into in connection with the transaction, NBC has the right to acquire voting and operational control of our company, subject to various conditions including approval of the Federal Communications Commission ("FCC"). Exercise of these rights by NBC would result in a change in control of our company.

In December 2001, we commenced a binding arbitration proceeding against NBC in which we asserted that NBC has breached its agreements with us and has breached its fiduciary duty to us and to our shareholders. We have asserted that NBC's proposed acquisition of Telemundo Communications Group, Inc. ("Telemundo Group") violates the terms of the agreements governing the investment and partnership between us and NBC. We also made two filings with the FCC, one of which requests a declaratory ruling as to whether conduct by NBC, including

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form DEF 14A

NBC's influence and apparent control over certain members of our board of directors selected by NBC (all of whom have since resigned from our board), has caused NBC to have an attributable interest in us in violation of FCC rules or has infringed upon our rights as an FCC license holder. The second FCC filing seeks to deny FCC approval of NBC's acquisition of the Telemundo Group's television stations.

The initiation of these proceedings by us casts significant uncertainty over the future direction of our relationship with NBC. The hearing in the arbitration proceeding is currently scheduled to occur in April 2002, and we expect that, under the applicable arbitration rules, the arbitrator will render a decision by the end of May 2002. If we do not prevail in the arbitration proceeding, and our position expressed in the FCC filings is not accepted by the FCC, NBC could consummate the acquisition of the Telemundo Group and thereby render it highly unlikely that NBC would be able to acquire control of our company.

PROPOSAL 1 -- ELECTION OF CLASS II DIRECTORS

Our Board of Directors is divided into three classes. A class of directors is elected each year to serve for a three year term and until their successors are elected and qualified. Any director appointed by the Board of Directors to fill a vacancy on the Board serves the balance of the unexpired term of the class of directors in which the vacancy occurred. The current term of our Class II directors will expire at the Meeting. The terms of the Class I directors (Messrs. Paxson, Sagansky and Brandon) expire upon the election and qualification of directors at the Annual Meeting of Stockholders to be held in 2004. Our Class III directors, all of whom were employees of NBC, resigned during November and December, 2001, and we currently have no Class III directors. The terms of any Class III directors who may be appointed by the Board of Directors will expire upon the election and qualification of directors at the Annual Meeting of Stockholders to be held in 2003.

The Board of Directors has nominated Bruce L. Burnham, James L. Greenwald and John E. Oxendine each of whom currently serves as a Class II director, for election as Class II directors. The Class II directors elected at the Meeting will serve for a term of three years expiring upon the election and qualification of their successors at our Annual Meeting of Stockholders to be held in 2005 or until their earlier resignation or removal.

Each of the nominees has indicated his willingness to serve, if elected. Should any nominee become unable or unwilling to accept nomination or election for any reason, the persons named as proxies may cast votes for a substitute nominee designated by the Board of Directors, which has no reason to believe the nominees named will be unable or unwilling to serve if elected.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE NOMINEES LISTED BELOW.

Biographical and other information concerning our directors and the nominees for election at the Meeting is set forth below.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

During 2001, the Board of Directors held six meetings. Other than Keith G. Turner, each incumbent director attended at least 75% of the total number of Board meetings and meetings of committees of which he is a member. In addition, the Board of Directors took action nine times during 2001 by unanimous written consent in lieu of a meeting, as permitted by applicable state law.

The Compensation Committee consists of James L. Greenwald and Bruce L. Burnham. Mr. Greenwald is the chairman of the Compensation Committee. The Compensation Committee recommends to the Board both base salary levels and bonuses for the Chief Executive Officer and our other officers. See "Board Compensation Committee Report on Executive Compensation." The Compensation Committee also reviews and makes recommendations with respect to our existing and proposed compensation plans, and serves as the committee responsible for administering our Stock Incentive Plans. During 2001, the Compensation

5

Committee met informally in conjunction with each of the meetings of the Board of Directors, and held two separate Committee meetings.

The Audit Committee consists of Bruce L. Burnham, James L. Greenwald and John E. Oxendine. Mr. Burnham is the chairman of the Audit Committee. Each of the members of the Audit Committee is an independent director as defined under the rules of the American Stock Exchange and the Audit Committee operates under a written charter adopted by the Board of Directors. The duties of the Audit Committee are to recommend to the Board of Directors the selection of independent certified public accountants, to meet with our independent certified public accountants to review the scope and results of the audit, and to consider various accounting and auditing matters related to our system of internal controls, financial management practices and other matters. During 2001, the Audit Committee met ten times.

The Company does not have a nominating committee. This function is performed by the Board of Directors.

COMPENSATION OF DIRECTORS

Directors who are not our employees receive an annual retainer of \$24,000 and are paid fees of \$1,500 for each board meeting attended, \$1,000 for each committee meeting attended and \$500 for each meeting chaired. All directors

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form DEF 14A

receive reimbursement of reasonable out-of-pocket expenses incurred in connection with meetings of the Board of Directors. In September 2001, Mr. Burnham and Mr. Greenwald each received options to purchase 50,000 shares of Class A Common Stock at an exercise price of \$7.25 per share, vesting ratably over a four year period commencing in May 2001. In connection with his commencement of service as a director, Mr. Oxendine received options to purchase 50,000 shares of Class A Common Stock at the same exercise price, vesting ratably over a five year period commencing in March 2000. In April 1999, Mr. Burnham and Mr. Greenwald each received a 50,000 share option grant at the same exercise price, vesting ratably over five years. No other directors receive separate compensation from us for services rendered as a director, including directors who are employed by us.

CERTAIN TRANSACTIONS INVOLVING DIRECTORS AND OFFICERS

NBC Transactions. On September 15, 1999, the Company, NBC and Mr. Paxson, our Chairman and controlling stockholder, entered into a series of agreements which created a significant strategic and financial relationship between the two companies and under which, subject to various conditions including FCC approval, NBC has the ability to acquire voting and operational control of our Company. We also entered into an agreement with NBC pursuant to which NBC serves as our exclusive sales representative to sell our PAX TV Network advertising time for agreed compensation. We have also entered into joint sales agreements with NBC with respect to 13 of our stations serving 11 markets also served by an NBC owned and operated station, and with 35 independently owned NBC affiliated stations serving our markets. Prior to their resignation in November and December 2001, directors Burgess, Turner and Wilson, employees of NBC, served as Class III Directors of the Company. Apart from their service as employees of NBC, we are not aware of any interest of Messrs. Burgess, Turner and Wilson in our transactions with NBC.

DP Media. On November 21, 1999, we agreed to purchase the television station assets (eight stations and a contractual right to acquire a television station, WBPX, and two full power satellite stations serving the Boston, Massachusetts market) of DP Media, Inc. and certain related corporations (collectively, "DP Media") which were then beneficially owned by family members of Mr. Paxson. In conjunction with the acquisition agreement, we advanced approximately \$106 million to DP Media pursuant to a secured loan agreement, which was used to repay DP Media's outstanding indebtedness to third party lenders. On March 3, 2000, we agreed with DP Media to convert the asset sale transaction into a purchase by us of all of the capital stock of DP Media. In June 2000, we completed the acquisition of DP Media for aggregate consideration of \$113.5 million, including the \$106 million previously advanced. DP Media's assets included a 32% equity interest in a limited liability company controlled by the former stockholders of DP Media, which owns television station WWDP in Norwell, Massachusetts. We have the right to require a sale of WWDP, which is

6

not a PAX TV network affiliate, if the station is not sold within a specified period, and the right to receive 45% of the net proceeds from the sale of the station.

The Christian Network, Inc. We have entered into several agreements with The Christian Network, Inc. and certain of its for-profit subsidiaries (individually and collectively referred to herein as "CNI"). The Christian Network, Inc. is a section 501(c)(3) not-for-profit corporation to which Mr. Paxson has been a substantial contributor and of which he was a member of the Board of Stewards through 1993.

On September 10, 1999, we entered into a Master Agreement with CNI for

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form DEF 14A

overnight programming and use of a portion of our digital capacity in exchange for CNI's providing public interest programming. The Master Agreement has a term of 50 years and is automatically renewable for successive ten year periods unless CNI ceases to exist, commences action to liquidate, ceases family values programming or the FCC revokes the licenses of a majority of our stations. Pursuant to the Master Agreement, we broadcast CNI overnight programming on each of our stations seven days a week from 1:00 a.m. to 6:00 a.m. If and when our stations begin digital programming in multiple channels, we are obligated to make a digital channel available for CNI's use. CNI will have the right to use the digital channel for 24 hour CNI digital programming.

We entered into an agreement with CNI in May 1994 (the "CNI Agreement") under which we agreed that, if the tax exempt status of CNI were jeopardized by virtue of its relationship with us, we would take certain actions to ensure that CNI's tax exempt status would no longer be so jeopardized. These steps could include rescission of one or more transactions or additional payments by us. We believe that our agreements with CNI have been on terms as favorable to CNI as it would obtain in arm's length transactions, and we intend any future agreements with CNI to be as favorable to CNI as CNI would obtain in arm's length transactions. Accordingly, if our activities with CNI are consistent with the terms governing our relationship, we should not be required to take any actions under the CNI Agreement. We cannot be sure, however, that we will not be required to take any actions under the CNI Agreement which might have a material cost to us.

We have contracted with CNI to lease CNI's television production and distribution facility, the Worship Channel Studio. We utilize this facility primarily as our network operations center and originate our PAX TV network signal from this location. During the year ended December 31, 2001, we incurred rental charges in connection with this agreement of \$205,000.

In March 1999, we entered into a three year agreement with CNI to license CNI's programming. During the year ended December 31, 2001, we paid license fees in connection with this agreement of \$215,000.

Aircraft Lease. During 1997, we entered into a three year lease with a company owned by Mr. Paxson for a Boeing 727 aircraft. The lease provided for monthly payments of \$63,600. The lease expired in December 2000 without being renewed.

Officer Loans. During December 1996, we approved a program to extend loans to members of our senior management to finance their purchase of shares of Class A Common Stock in the open market. The loans are full recourse promissory notes bearing interest at 5.75% per annum and are collateralized by a pledge of the shares of Class A Common Stock purchased with the loan proceeds. We extended the maturity date of all loans outstanding under this program until March 31, 2003. At March 1, 2002, the outstanding balances on such loans to our Named Executive Officers were as follows: Mr. Goodman, \$685,006; Mr. Morrison, \$370,917; and Mr. Grossman, \$164,574.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and officers and persons who own more than ten percent of our Common Stock ("Reporting Persons") to file initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company with the Securities and Exchange Commission and to furnish us with copies of all Section 16(a) reports they file. Based on our review of the copies of such reports received by us and written representations from certain Reporting Persons, we believe that during 2001, all required reports were filed on a timely basis, except that each of Mr. Greenwald and Mr. Morrison filed a late Form 5 reflecting option grants and Mr. Severson failed to file a Form 5

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form DEF 14A

reflecting option grants which were subsequently reported in a Form 4 filing.

STOCK INCENTIVE PLANS

We established our Stock Incentive Plan, 1996 Stock Incentive Plan and 1998 Stock Incentive Plan (collectively, the "Stock Incentive Plans") to provide incentives to officers, employees and others who perform services for us through awards of options and shares of restricted stock. Awards are granted under the Stock Incentive Plans at the discretion of our Compensation Committee and may be in the form of either incentive or nonqualified stock options or awards of restricted stock. Options granted under the Stock Incentive Plans generally vest over a four or five year period and expire ten years after the date of grant. As of December 31, 2001, 643,978 shares of Class A Common Stock were available for additional awards under the Stock Incentive Plans.

The exercise price per share of Class A Common Stock, vesting schedule and expiration date of each stock option granted under the Stock Incentive Plans is determined by the Compensation Committee at the date the option is granted and as provided in the terms of the Plans. The Compensation Committee may, in its sole discretion, accelerate the time at which any stock option may be exercised. Holders of more than ten percent (10%) of the combined voting power of our capital stock may be granted stock options, provided that if any of such options are intended to be incentive stock options, the exercise price must be at least 110% of the fair market value of Class A Common Stock as of the date of the grant and the term of the option may not

9

exceed five years. Options granted under the Stock Incentive Plans may be exercised by the participant to whom granted or by his or her legal representative. If a participant's employment is terminated for cause, each option which has not been exercised shall terminate.

The Compensation Committee also has the discretion to award restricted stock, consisting of shares of Class A Common Stock which vest over a period determined by the Committee and are subject to forfeiture in whole or in part if the recipient's employment is terminated prior to the end of the restricted period. Prior to vesting, the participant may transfer the restricted stock to a trust for the benefit of the participant or an immediate family member, but may not otherwise sell, assign, transfer, give or otherwise dispose of, mortgage, pledge or encumber such restricted stock. The Compensation Committee may, in its discretion, provide that a participant shall be vested in whole or with respect to any portion of the participant's award not previously vested if the participant's employment with us is terminated because of death, disability or retirement. To date, we have not awarded any restricted stock under the Stock Incentive Plans.

EXECUTIVE BONUS PLAN

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form DEF 14A

Under our Executive Bonus Plan, members of our senior management approved by the Compensation Committee may earn cash bonus compensation on an annual basis in such amounts as are determined by the Committee, based upon the achievement of operating and financial objectives and individual performance criteria. The bonus calculation criteria are established on an annual basis by the Committee, and generally consist of a set of operating and financial performance objectives which we must meet for any participant to be entitled to receive a bonus, and individualized performance criteria and bonus levels for each participant (generally expressed as a percentage of the participant's base salary). Bonuses awarded with respect to a fiscal year are to be paid during the following year.

PROFIT SHARING PLAN

We have a profit sharing plan under Section 401(k) of the Internal Revenue Code under which our employees must complete six months of service in order to be eligible to defer salary and, if available, receive matching contributions under the Section 401(k) portion of the plan. Participants may elect to contribute a specified percentage of their compensation to the plan on a pre-tax basis. We may, at our discretion, make matching contributions based on a percentage of deferred salary contributions at a rate to be determined by certain of our officers, which matching contributions may be paid in Company stock. In addition, we may make supplemental profit sharing contributions in such amounts as certain of our officers may determine. Participants earn a vested right to their profit sharing contribution in increasing amounts over a period of five years. After five years of service, a participant's right to his or her profit sharing contribution is fully vested. Thereafter the participant may receive a distribution of the entire value of his or her account at age 55, 62 or 65 or upon termination of employment, death or disability.

EMPLOYMENT AGREEMENTS

Mr. Paxson is employed as our Chairman, in which capacity he serves as our senior executive officer, pursuant to an employment agreement for a three year term commencing October 16, 1999, and renewing thereafter for successive one year periods so long as Mr. Paxson remains our "Single Majority Shareholder" as such term is defined under the rules of the FCC. Mr. Paxson's current base salary under the agreement is \$726,000, increasing 10% per year. Mr. Paxson may receive an annual bonus of up to twice his base salary if we attain financial targets established by our Compensation Committee. Mr. Paxson declined to accept the bonus which would otherwise have been payable to him under his agreement and our Executive Bonus Plan with respect to our 2001 fiscal year. In connection with the employment agreement, we granted Mr. Paxson nonqualified options to purchase 1,000,000 shares of Class A Common Stock, which vest in equal installments over a three year period and expire ten years from the date of grant. The exercise price for options which vested in October 2000 is \$10 per share, for options which vested in October 2001 is \$12.03 per share and for options vesting in October 2002 is \$9.03 per share. Mr. Paxson is eligible to participate in all employee benefit plans and arrangements that are generally available to our other senior executives. The Board of Directors may terminate Mr. Paxson's employment agreement before expiration for good cause, and Mr. Paxson may

10

terminate the agreement for good reason, each as defined in the agreement. If Mr. Paxson dies, becomes permanently disabled, terminates his employment for good reason or is terminated other than for good cause during the term of the agreement, we will pay Mr. Paxson or his estate, as the case may be, his then existing salary for the remaining term of the agreement, in the case of disability, termination for good reason or termination other than for good

Mr. Sagansky is employed as our President and Chief Executive Officer pursuant to an employment agreement entered into in September 1999 for a four year term expiring September 15, 2003. Mr. Sagansky's current base salary under the agreement is \$693,000, increasing 10% per year. Mr. Sagansky may receive an annual bonus of up to twice his base salary if we attain financial targets established by our Compensation Committee, which shall be the same targets established for purposes of Mr. Paxson's bonus compensation. In connection with the employment agreement, we granted Mr. Sagansky nonqualified options to purchase 2,000,000 shares of Class A Common Stock, vesting in four equal annual installments commencing September 15, 2000, and expiring ten years from the date of grant. The vesting of these options will be accelerated if, at any time after Mr. Paxson ceases to be our FCC Single Majority Shareholder, Mr. Sagansky's employment is terminated other than by reason of his death or disability and other than for good cause (as defined in the agreement). The exercise price for options which vested in September 2000 is \$10 per share, for options which vested in September 2001 is \$11.68 per share, for options vesting in September 2002 is \$10.85 per share, and for options vesting in September 2003 is the lower of \$21 per share or the average of the closing sale price of the common stock over the 45 trading days preceding September 15, 2002. Mr. Sagansky is eligible to participate in all employee benefit plans and arrangements that are generally available to our other senior executives. The Board of Directors may terminate Mr. Sagansky's employment agreement before expiration for good cause, and Mr. Sagansky may terminate the agreement for good reason, each as defined in the agreement. If Mr. Sagansky dies, becomes permanently disabled, terminates his employment for good reason or is terminated other than for good cause during the term of the agreement, we will pay Mr. Sagansky or his estate, as the case may be, his then existing salary for the remaining term of the agreement, in the case of disability, termination for good reason or termination other than for good cause, or 18 months, in the case of death.

Mr. Goodman is employed as our Executive Vice President and Chief Operating Officer under a four year employment agreement commencing January 1, 2001. Mr. Goodman is eligible to receive an annual bonus, to participate in all employee benefit plans and arrangements that are generally available to our other senior executives and to receive such other cash and non-cash bonus awards and compensation (including awards under our Stock Incentive Plans) as we may determine. We may terminate Mr. Goodman's employment for cause, as defined in the agreement. If Mr. Goodman's employment is terminated by reason of his death or disability or other than for cause, or if Mr. Goodman terminates his employment for cause, as defined in the agreement, we will continue to pay Mr. Goodman his base salary for the lesser of one year or the balance of the employment term.

Mr. Morrison is employed as our Executive Vice President and Chief Legal Officer under a four year employment agreement commencing January 1, 2001. Mr. Morrison is eligible to receive an annual bonus, to participate in all employee benefit plans and arrangements that are generally available to our other senior executives and to receive such other cash and non-cash bonus awards and compensation (including awards under our Stock Incentive Plans) as we may determine. We may terminate Mr. Morrison's employment for cause, as defined in the agreement. If Mr. Morrison's employment is terminated by reason of his death or disability or other than for cause, or if Mr. Morrison terminates his employment for cause, as defined in the agreement, we will continue to pay Mr. Morrison his base salary for the lesser of one year or the balance of the employment term.

Mr. Grossman is employed as our Executive Vice President and Chief Strategic Officer under a four year employment agreement commencing January 1, 2001. Mr. Grossman is eligible to receive an annual bonus, to participate in all employee benefit plans and arrangements that are generally available to our

other senior executives and to receive such other cash and non-cash bonus awards and compensation (including awards under our Stock Incentive Plans) as we may determine. We may terminate Mr. Grossman's employment for cause, as defined in the agreement. If Mr. Grossman's employment is terminated by reason of his death or

11

disability or other than for cause, or if Mr. Grossman terminates his employment for cause, as defined in the agreement, we will continue to pay Mr. Grossman his base salary for the lesser of one year or the balance of the employment term.

The terms of each of the employment agreements described above were approved by our Compensation Committee.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee was composed of Mr. Burnham and Mr. Greenwald during 2001. None of our executive officers served on the compensation committee of another entity or on any other committee of the board of directors of another entity performing similar functions during 2001.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Compensation Committee Report on Executive Compensation and the Performance Graph shall not be incorporated by reference into any such filings.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This report is submitted by the Compensation Committee of the Board of Directors, which is currently comprised of Mr. Burnham and Mr. Greenwald, each of whom is a non-employee director of the Company.

The Compensation Committee of the Board of Directors reviews and recommends the salaries and other compensation of the executive officers of the Company, including its Chairman and its Chief Executive Officer and other Named Executive Officers, and is responsible for administering the Company's Executive Bonus Plan and Stock Incentive Plans, and for reviewing proposed executive compensation and other compensation plans and making recommendations to the Board of Directors.

In making its recommendations as to executive compensation, the Committee seeks to recommend a level of base compensation which is competitive with the compensation offered to executives performing similar functions by others in the Company's line of business, and to link a significant portion of an executive's total potential cash compensation to the achievement of overall Company operating and financial goals and individual performance criteria. In administering the Executive Bonus Plan, the Committee establishes, on an annual basis, overall Company operating and financial goals and individual performance criteria which offer Company executives the opportunity to earn significant bonus compensation. In formulating its recommendations as to awards under the stock incentive plans, the Committee seeks to provide a means for Company executives to realize substantial additional compensation based upon appreciation in the public trading price of the Company's common stock, thereby aligning the executives' interests with those of the Company's stockholders.

For the 2001 fiscal year, the Committee established target levels of adjusted earnings before interest, taxes, depreciation and amortization ("EBITDA") as the financial performance goals to be used to determine bonus compensation under the Executive Bonus Plan. Based upon the Company's actual

Edgar Filing: PAXSON COMMUNICATIONS CORP - Form DEF 14A

adjusted EBITDA for the 2001 fiscal year, the participants in the Executive Bonus Plan were entitled to receive bonus compensation of between 5% and 50% of annual base compensation. Bonus compensation earned with respect to the 2001 fiscal year will be paid over the first six months of 2002.

During 2001, the Company entered into new four year employment agreements with each of Mr. Goodman, Mr. Morrison and Mr. Grossman. In connection with these agreements, these executive officers were granted options to purchase 150,000, 150,000 and 125,000 shares, respectively, of Class A

Common Stock, at an exercise price of \$7.25 per share, vesting over four year periods commencing January 1, 2001.

AUDIT COMMITTEE REPORT

This report is submitted by the Audit Committee of the Board of Directors, which is currently comprised of three independent directors and operates under a written charter adopted by the Board of Directors. The members of the committee are Bruce L. Burnham, James L. Greenwald and John E. Oxendine. Mr. Burnham is the chairman of the Audit Committee. The Audit Committee recommends to the Board of Directors the selection of the Company's independent accountants, subject to stockholder ratification.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and discussed the fiscal 2001 audited financial statements with management and the independent accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, entitled Communications with Audit Committees.

The Company's independent accountants also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, entitled Independence Discussions with Audit Committees, and the Audit Committee discussed with the independent accountants that firm's independence.

Based on the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommends that the Board of Directors include the audited financial statements for fiscal 2001 in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 filed with the Securities and Exchange Commission.
