GENERAL

Explanatory Note

This Amendment No. 1 to Form T-3 amends and restates items 2, 3, and 8.

ITEM 2. SECURITIES ACT EXEMPTION APPLICABLE.

Upon the terms set forth in an Amended and Restated Offering Memorandum dated September 12, 2002, and the related revised Letter of Transmittal (which together constitute the "Exchange Offer"), the Company is offering to exchange a combination of its newly issued 5 3/4% Series A Senior Subordinated Notes Due 2002 ("Series A Notes") and 10% Series B Convertible Senior Subordinated Notes Due 2008 ("Series B Notes") for up to \$126.0 million aggregate principal amount of its outstanding 5 3/4% Convertible Subordinated Debentures Due 2002 (the "Existing Debentures"). The Company will extend the Exchange Offer to all holders of its outstanding Existing Debentures. Each holder of Existing Debentures that participates in the Exchange Offer will receive, for each \$1,000 principal amount of Existing Debentures properly tendered and not withdrawn, a total of \$1,029 principal amount of Series A Notes and Series B Notes. The relative principal amount of the Series A Notes and the Series B Notes to be issued in the exchange offer will be determined based upon the aggregate principal amount of Existing Debentures that are tendered in the exchange. The Company will not issue more than \$16.0 million principal amount of Series B Notes in the exchange. If the Exchange Offer is completed, the Series B Notes will be governed by the indenture to be qualified under this Application for Qualification on Form T-3 (this "Application").

No tenders of the Series B Notes will be accepted before the effective date of this Application.

The Company has not and does not currently intend to sell, directly or indirectly, securities of the same class as the Series B Notes at or about the same time as the Exchange Offer.

The Company is making the Exchange Offer in reliance on Section 3(a)(9) of the Securities Act of 1933, as amended ("Securities Act"), to exempt the Exchange Offer from the registration requirements of the Securities Act. The Company has not paid or given, and will not pay or give, directly or indirectly, any commission or remuneration to any broker, dealer, salesman, agent or other person for soliciting tenders in the Exchange Offer. To the extent solicitations are undertaken by the Company's officers and employees, such officers and employees will not receive additional compensation for making such solicitations.

The Company has not retained a dealer-manager in connection with the Exchange Offer. The Company has engaged Cohen & Steers Capital Advisors for financial advisory services in connection with the Company's debt restructuring. The Company has also engaged Bass, Berry & Sims PLC for legal services in connection with the Company's debt restructuring and U.S. Bank National Association as exchange agent and D. F. King & Co., Inc. as information agent in connection with the Exchange Offer.

All of the above-mentioned advisors, consultants and agents will receive reasonable and customary fees. None of the fee arrangements are

Edgar Filing: AMERICAN RETIREMENT CORP - Form T-3/A

conditioned on the success of the Exchange Offer and none of such advisors, consultants and agents are authorized to solicit the exchange of Existing Debentures in the Exchange Offer.

No holder of Existing Debentures has made or will be requested to make any cash payment in connection with the Exchange Offer other than the payment of any applicable taxes, in accordance with the terms of the Offering Memorandum and Letter of Transmittal.

INDENTURE SECURITIES

ITEM 8. ANALYSIS OF INDENTURE PROVISIONS.

The Series B Notes will be issued pursuant to an Indenture (the "New Indenture") to be entered into between the Company, as issuer, and U.S. Bank National Association as trustee ("Trustee"). The following is an analysis of the New Indenture provisions required under Section 305(a)(2) of the Trust Indenture Act of 1939, as amended. Capitalized terms used below and not defined herein have the same meanings as in the New Indenture.

(a) Events of Default; Withholding of Notice of Default (Sections 6.1 and 7.5)

Pursuant to the New Indenture, an "Event of Default" means any one of the following events:

- 1. the Company defaults in the payment of interest on any Series B Note when due and such default continues for a period of 30 days (including the payment of interest by issuance of additional Series B Notes in lieu of cash payments);

Edgar Filing: AMERICAN RETIREMENT CORP - Form T-3/A

2. the Company defaults in the payment of the principal of or interest on any Series B Note when the same becomes due and payable at maturity or upon redemption, and such default continues for five business days;

3. the Company fails to comply with any of its other covenants, agreements or conditions in the Series B Notes or the New Indenture and the Company does not cure the default within 60 days after receipt of written notice from the Trustee or the Holders of a majority in principal amount of the Series B Notes then outstanding. The notice must specify the default, demand that it be remedied and state that the notice is a "Notice of Default." The Trustee shall give such notice to the Company only if directed to do so in writing by the Holders of a majority in principal amount of the Series A Notes then outstanding. Such notice by the Trustee shall not be deemed to be a certification by the Trustee as to whether an Event of Default has occurred;

4. there shall be a default under the Series A Notes or the Existing Debentures and either (i) such event of default results from the failure to pay the Series A Notes or the Existing Debentures at maturity or (ii) as a result of such event of default, the maturity of the Series A Notes or the Existing Debentures has been accelerated prior to their stated maturity and such acceleration shall not be rescinded or annulled or the accelerated amount paid within ten days after notice to the Company of such acceleration, or the Series A Notes or the Existing Debentures, as applicable, having been discharged;

5. the Company pursuant to or within the meaning of Title 11 of the U.S. Code or any similar Federal or state law for the relief of debtors ("Bankruptcy Law"):

- (A) commences a voluntary case or proceeding,
- (B) consents to the entry of an order for relief against it in an involuntary case or proceeding,
- (C) consents to the appointment of a Custodian of it or for all or substantially all of its property, or
- (D) makes a general assignment for the benefit of its creditors; or

6. a court of competent jurisdiction enters an order or decree under any Bankruptcy Law:

6

- (A) for relief against the Company in an involuntary case or proceeding,
- (B) appointing a Custodian of the Company or for all or substantially all of its property, or
- (C) ordering the liquidation of the Company, and the order or decree remains unstayed and in effect for 90 days.

If a Default or Event of Default occurs and is continuing and if it is actually known to the Trustee, the Trustee shall mail to each Holder of Series B Notes notice of the Default or Event of Default within 90 days after it becomes known to the Trustee. Except in the case of a default in payment of principal of or interest on any Series B Note, the Trustee may withhold the notice if and so

Edgar Filing: AMERICAN RETIREMENT CORP - Form T-3/A

long as a committee of its trust officers in good faith determines that withholding the notice is in the interests of Holders of Series B Notes. Notwithstanding anything to the contrary expressed in the New Indenture, the Trustee shall not be deemed to have knowledge of any Event of Default under the New Indenture unless and until a trust officer shall have actual knowledge thereof, or shall have received written notice thereof from the Company at its principal Corporate Trust Office. The Trustee shall not be deemed to have actual knowledge of an Event of Default under the New Indenture, except in the case of an Event of Default arising as a result of the Company's failure to pay principal or interest on the Series B Notes when due (provided that the Trustee is the Paying Agent), until a Trust Officer receives written notice thereof from the Company or any Noteholder that such a Default or an Event of Default has occurred.

(b) Execution and Authentication (Section 2.2)

Two officers that are designated to sign the Series B Notes in the New Indenture shall sign the Series B Notes for the Company by manual or facsimile signature. If an designated officer whose signature is on a Series B Note no longer holds that office at the time the Trustee authenticates the Series B Note, the Series B Note shall nevertheless be valid. A Series B Note shall not be valid until the Trustee manually signs the certificate of authentication on the Series B Note. Such signature shall be conclusive evidence that the Series B Note has been authenticated under the New Indenture. Notwithstanding the foregoing, if any Series B Note shall have been authenticated and delivered under the New Indenture but never issued and sold by the Company, and the Company shall deliver such Series B Note to the Trustee for cancellation, for all purposes of the New Indenture such Series B Note shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of the New Indenture.

The Trustee shall authenticate Series B Notes for original issue in the aggregate principal amount of up to \$23,940,000 from time to time after the execution of the New Indenture upon a written order or orders of the Company signed by two officers or by an officer and an assistant treasurer of the Company. The aggregate principal amount of the Series B Notes outstanding at any time may not exceed that amount, plus such amount of Additional Series B Notes as may be paid as interest. The Trustee may appoint an authenticating agent to authenticate Series B Notes. An authenticating agent may authenticate Series B Notes whenever the Trustee may do so. Each reference in the New Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an agent to deal with the Company or an Affiliate.

The Series B Notes shall be issuable only in registered form without coupons and shall initially be represented by a global note. The Series B Notes shall be issuable only in denominations of \$1,000 principal amount and any whole multiples thereof, except that (1) the Company may direct the Trustee to issue Series B Notes in denominations of \$1.00 or whole multiples thereof to avoid issuing a fractional Series B Note and (2) the additional Series B Notes issued as interest payments in lieu of cash interest payments may be issued in denominations of \$1.00 or whole multiples thereof.

Because the Series B Notes are being issued in exchange for the Existing Debentures, there will be no cash proceeds from the issuance of the Series B Notes.

(c) Release or Release and Substitution of Property Subject to the Lien of the Indenture

None

(d) Satisfaction and Discharge of Indenture (Sections 8.1 and 8.2)

The provisions of the New Indenture shall no longer be in effect in respect of the Series B Notes, and the Company shall be deemed to have paid and discharged the entire indebtedness on the Series B Notes after the date of the deposit referred to in paragraph (1) below; provided that the following conditions shall have been satisfied:

1. the Company has deposited or caused to be deposited with the Trustee irrevocably as trust funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of the Series B Notes, (a) money or (b) U.S. Government Obligations or (c) a combination thereof, sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge the entire indebtedness on all the Series B Notes for principal and interest to the maturity date of the Series B Notes as such principal or interest becomes due and payable in accordance with the terms of the New Indenture and the Series B Notes;

2. the Company has paid or caused to be paid all other sums payable hereunder by the Company in connection with all of the Series B Notes, including all fees and expenses of the Trustee; and

3. the Company has delivered to the Trustee an opinion of counsel and an officers' certificate, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the entire indebtedness on the Series B Notes and the discharge of the New Indenture and the termination of the Company's obligations under the New Indenture have been complied with.

Additionally, the Company may terminate all of its obligations under the New Indenture when:

1. all of the Series B Notes theretofore authenticated and delivered (other than (a) Series B Notes that have been destroyed, lost or stolen and that have been replaced or paid and (b) Series B Notes for whose payment money has theretofore been deposited with the Trustee or the Paying Agent in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust), have been delivered to the Trustee for cancellation (including any cancellation resulting from the conversion of such Series B Notes); and

2. the Company has paid or caused to be paid all other sums payable hereunder by the Company in connection with the outstanding Series B Notes, including all fees and expenses of the Trustee.

(e) Evidence of Compliance with Conditions and Covenants (Section 4.5)

For so long as the Series B Notes are outstanding, the Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company (which as of the date hereof is December 31), a written statement, which complies with Section 314(a)(4) of the Trust Indenture Act, signed by the principal executive officer, principal financial officer or principal accounting officer of the Company, stating, as to each signer thereof:

1. that a review of the activities of the Company during such year and of performance under the New Indenture has been made under his or her supervision;

Edgar Filing: AMERICAN RETIREMENT CORP - Form T-3/A

2. that to the best of his or her knowledge, based on such review, the Company has kept, observed, performed and fulfilled in all material respects each and every condition and covenant contained in the New Indenture throughout such year, or, if there has been a default in the fulfillment of any such condition or covenant, specifying each such default known to him or her and the nature and status thereof; and

3. the conversion price then in effect.

The Company will give the Trustee written notice of a change in the fiscal year of the Company, within a reasonable time after such change is effected.
