**ITEM 6. Indemnification of Directors and Officers.**

Subsection (a) of Section 14-2-851 of the Georgia Business Corporation Code (the "GBCC") provides that a corporation may indemnify an individual who is a party to a proceeding because he or she is or was a director against liability incurred in the proceeding if (1) such individual conducted himself or herself in good faith; and (2) such individual reasonably believed (A) in the case of conduct in his or her official capacity, that such conduct was in the best interests of the corporation, (B) in all other cases, that such conduct was at least not opposed to the best interests of the corporation; and (C) in the case of any criminal proceeding, that the individual had no reasonable cause to believe such conduct was unlawful. Subsection (d) of Section 14-2-851 of the GBCC provides that a corporation may not indemnify a director in connection with a proceeding by or in the right of the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct, or in connection with any proceeding with respect to conduct for which he or she was adjudged liable on the basis that personal benefit was improperly received by him or her, whether or not involving action in his or her official capacity. Notwithstanding the foregoing, pursuant to Section 14-2-854 of the GBCC, a court may order a corporation to indemnify a director if such court determines, in view of all the relevant circumstances, that it is fair and reasonable to indemnify the director even if the director has not met the relevant standard of conduct set forth in subsections (a) and (b) of Section 14-2-851 of the GBCC, failed to comply with Section 14-2-853 of the GBCC, or was adjudged liable in a proceeding referred to in paragraph (1) or (2) of subsection (d) of Section 14-2-851 of the GBCC, but if the director was adjudged so liable, the indemnification shall be limited to reasonable expenses incurred in connection with the proceeding.

Section 14-2-852 of the GBCC provides that a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he or she was a party because he or she was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding.

Section 14-2-857 of the GBCC provides that a corporation may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he or she is an officer of the corporation to the same extent as a director. If the officer is not a director, (or if the officer is a director but the sole basis on which he or she is made a party to the proceeding is an act or omission solely as an officer) to such further extent as may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors, or contract except for liability arising out of conduct that constitutes (1) appropriation, in violation of their duties, of any business opportunity of the corporation, (2) acts or omissions that involve intentional misconduct or a knowing violation of law, (3) the types of liability set forth in Section 14-2-832 of the GBCC or (4) receipt of an improper personal benefit. An officer of a corporation who is not a director is entitled to mandatory indemnification under Section 14-2-852 of the GBCC and may apply to a court under Section 14-2-854 of the GBCC for indemnification, in each case to the same extent to which a director may be entitled to indemnification under those provisions. Finally, a corporation may also indemnify an employee or agent who is not a director to the extent, consistent with public policy, that may be provided by its articles of incorporation, bylaws, general or specific action by its board of directors or contract.

The Registrant's Amended and Restated Articles of Incorporation (the Restated Charter) eliminate, to the fullest extent permitted by applicable law, the personal liability of directors to the Registrant or its shareholders for monetary damages for breaches of such directors' duty of care or other duties as a director. This provision of the Restated Charter will limit the remedies available to a shareholder in the event of breaches of any director's duties to such shareholder or the Registrant. Under current Georgia law, the Restated Charter does not provide for the elimination of or any limitation on the personal liability of a director for (i) any appropriation, in violation of the director's duties, of any business opportunity of the Registrant, (ii) acts or omissions which involve intentional misconduct or a knowing violation of law, (iii) unlawful corporate distributions or (iv) any transactions from which the director received an improper personal benefit.

Under the Registrant's Amended and Restated Bylaws, the Registrant shall indemnify to the fullest extent permitted under the GBCC any person made a party to a proceeding because he or she is or was a director or officer of the Registrant, if he or she acted in a manner he or she believed in good faith to be in or not opposed to the best interests of the Registrant and, in the case of any criminal proceeding, if he or she had no reasonable cause to believe his or her conduct was unlawful. The Registrant shall have the power to indemnify to the fullest extent permitted under the GBCC any person made a party to a proceeding because he or she is or was an employee or agent of the Registrant, if he or she acted in a manner he or she believed in good faith to be in or not opposed to the best interests of the Registrant and, in the case of any criminal proceeding, if he or she had no reasonable cause to believe his or her conduct was unlawful.

The Registrant's directors and executive officers are insured against damages from actions and claims incurred in the course of performing duties, and the Registrant is insured against expenses incurred in defending lawsuits arising from certain alleged acts against directors and executive officers.

The foregoing summaries are necessarily subject to the complete text of the statutes, Restated Charter and agreements referred to above and are qualified in their entirety by reference thereto.

- (a) Rule 415 Offering. The undersigned Registrant hereby undertakes:

## Edgar Filing: ALLIED HOLDINGS INC - Form S-8

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Filings Incorporating Subsequent Exchange Act Documents by Reference. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report

pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Filing of Registration Statement on Form S-8. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

**SIGNATURES**
