Item 2.02. Results of Operations and Financial Condition

The information in this item (including Exhibit 99.1) is being furnished pursuant to Item 2.02 and 9.01 and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be deemed to be incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act. On October 19, 2005, BankAtlantic Bancorp, Inc. (the Company) issued a press release announcing its financial results for the quarter and nine months ended September 30, 2005. The press release, and accompanying financial tables and deposit graphs are attached hereto as Exhibit 99.1 and are incorporated herein by reference. In addition to financial results determined in accordance with generally accepted accounting principles (GAAP), the press release also contains financial information determined by methods other than in accordance with GAAP. The Company s management uses these non-GAAP measures, which it defines as operating measures, in their analysis of the Company s performance. These operating measures adjust GAAP net income to exclude the impairment charge related to the Company s former headquarters, costs associated with debt redemptions and a litigation settlement gain. The Company believes that these non-GAAP operating measures supplement our GAAP financial information and provide useful measures of evaluating the Company s operating results and any related trends that may be affecting the Company s business. These disclosures should not be viewed as a substitute for operating results determined in accordance with GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies.
