PROXY STATEMENT
2002 Annual Meeting of Stockholders
April 25, 2002

This Proxy Statement and the enclosed Proxy Card are furnished in connection with the solicitation of proxies by the Board of Directors of CB Bancshares, Inc. (Bancshares) to be used for voting at the 2002 annual meeting of stockholders of Bancshares and at any adjournments or postponements thereof (the Meeting), which will be held on Thursday, April 25, 2002, at 9:00 a.m., Hawaii Standard Time, on the second floor, City Financial Tower, 201 Merchant Street, Honolulu, Hawaii. The accompanying Notice of Annual Meeting, this Proxy Statement and the Proxy Card are first being mailed to stockholders of Bancshares on or about March 22, 2002.

The annual report of Bancshares, which is being mailed with this Proxy Statement, is not deemed to be proxy solicitation material.

VOTING RIGHTS

Only holders of Bancshares common stock (Common Stock) of record at the close of business (4:00 p.m., Hawaii Standard Time) on March 5, 2002 (the Record Date), are entitled to notice of and to vote at the Meeting. On the Record Date, there were 3,510,091 shares of Bancshares Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote on any matter which may properly come before the Meeting. There is no cumulative voting with respect to Bancshares Common Stock.

VOTING BY PROXY

Proxies solicited by the Board of Directors which are properly executed and returned to Bancshares will be voted in accordance with directions given thereon. Executed proxies on which no directions are indicated will be voted FOR election of the Board s nominees for Class I directors. If for any reason a nominee should decline or be unable to stand for election at the 2002 annual meeting of stockholders, an event which Bancshares does not presently anticipate, proxies, if authorized to vote for the Board s nominees, may in their discretion vote for another candidate. The Board of Directors has appointed directors Mike K. Sayama, Calvin K.Y. Say and Dwight L. Yoshimura, to act as proxies on behalf of the Board of Directors.

Before the annual meeting, the Bancshares Board of Directors will appoint inspectors of election and tellers of vote. The inspectors and tellers will tally all votes cast in person or by proxy for the election of directors. With respect to the election of directors, abstentions and broker non-votes will not be counted as either a vote for or against the election of a director. Because elections for director will be determined according to votes actually cast, abstentions and broker non-votes will have no effect on the outcome of voting. Directors will be elected upon receiving a majority of the votes cast in person or by proxy at the annual meeting, provided a quorum is present. The presence in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Meeting is necessary to constitute a quorum. If a quorum is not present in person or represented by proxy, the stockholders entitled to vote, present or represented by proxy, have the power to adjourn the Meeting from time to time, without notice other than an announcement at the Meeting, until a quorum is present or represented. All other action to be taken at the Meeting requires the affirmative vote of a majority of the shares entitled to vote at the Meeting (accordingly, abstentions and broker non-votes will have the same effect as votes cast against any such action).

A stockholder may revoke his or her proxy at any time before its exercise by filing with the Secretary of Bancshares or the presiding officer of the meeting a written notice of revocation. A stockholder attending the 2002 annual meeting may revoke his or her proxy in person at the meeting at any time before its exercise, and a stockholder s proxy may be revoked or superseded by a duly executed proxy of later date.

Table of Contents

THE ENCLOSED PROXY IS SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS OF BANCSHARES and delegates discretionary authority with respect to any additional matters which may properly come before the meeting. Although the Board is not currently aware of any additional matter, if other matters do properly come before the meeting, proxies will vote thereon in accordance with their best judgment.

ELECTION OF DIRECTORS

Bancshares currently has a total of eleven (11) directors constituting the entire Board of Directors, divided into three (3) classes, CLASS I consisting of four (4) directors, CLASS II consisting of four (4) directors, and CLASS III consisting of three (3) directors. The Articles of Incorporation provide for each class of directors to be elected for three-year terms on a staggered basis. At the 2002 annual meeting, four (4) Class I directors are to be elected to serve until the 2005 annual meeting of stockholders and until their respective successors have been elected.

The Board of Directors four nominees for Class I directors are Colbert M. Matsumoto, Yoshiki Takada, Lionel Y. Tokioka and Maurice H. Yamasato. Mr. Matsumoto is an incumbent director of Bancshares and currently a director of City Bank (the Bank). Mr. Takada is an incumbent director of Bancshares. Mr. Tokioka is an incumbent director of Bancshares and currently a director of the Bank, Citibank Properties, Inc. (CB Properties) and Datatronix Financial Services, Inc. (Datatronix). Mr. Yamasato is currently a director of the Bank. The selection of nominees for the election of directors of the Bank and CB Properties is within the discretion of the Board of Directors of Bancshares. The Board of Directors of both the Bank and Datatronix, subsidiaries of Bancshares, is elected by the directors of Bancshares, as the sole stockholder of both the Bank and Datatronix. The Board of Directors of CB Properties, a subsidiary of the Bank, is elected by the directors of Bancshares, the directors of the Bank, and other stockholders.

**THE BANCSHARES BOARD OF DIRECTORS RECOMMENDS TO THE STOCKHOLDERS ITS FOUR
NOMINEES FOR CLASS I DIRECTORS**

Unless authority to vote for the election of directors or for a specified nominee is withheld, all proxies will be voted to elect the Board of Directors four (4) nominees. While Bancshares does not anticipate that any nominee will decline or be unable to stand for election at the 2002 annual meeting, if for any reason any nominee should decline or be unable to serve, proxies may vote for the election of such other person as the Board of Directors shall nominate or proxies shall otherwise select.

The following table sets forth certain information as of March 5, 2002 as to each nominee for Class I, Class II and Class III director now in office, executive officers, and for all executive officers and directors of Bancshares, as a group. Unless otherwise noted, each person listed below is the direct beneficial and record owner of the number of shares indicated, as to which he or she exercises sole voting and investment power. An executive who is a party to the Change of Control Agreements are referred to below as an Executive, and collectively the Executives. Bancshares, the Bank and ISL are sometimes referred to below as the Employer. As of the date of this Proxy Statement, Change of Control Agreements remain in effect for a total of eight (8) executives of Bancshares and the Bank.

The Change of Control Agreements were adopted by the Boards of Directors of the Bank, ISL and Bancshares to encourage continuity of management in the event of a change of control of Bancshares by granting certain benefits to certain senior executives. The Change of Control Agreements become operational upon the occurrence of a Change of Control, (the Effective Date). For the Change of Control Agreements, a Change of Control occurs when (i) a person acquires 20% or more of Bancshares voting stock; (ii) Bancshares shareholders approve a merger, consolidation, or other business combination, or a sale of substantially all of its

Table of Contents

assets or enters into a similar business transaction (a Transaction), unless after such Transaction, the shareholders immediately prior to the Transaction continue to control a majority of Bancshares voting power in the resulting entity; or (iii) within any 24-month period beginning on or after December 1995, the persons who were directors immediately prior to such period shall cease (for any reason other than death) to constitute at least a majority of the Board of Directors.

In the event of a Change of Control, the benefits that will be provided to the Executives include: (i) employment with the Employer for a three-year period commencing on the Effective Date (the Employment Period), in a commensurate position, with commensurate duties, as held 90 days before the Effective Date; (ii) during the Employment Period, a base salary equal to the highest monthly salary paid during the year prior to the Effective Date; (iii) for each of the years during the Employment Period, a bonus equal to the highest bonus paid with regard to the three fiscal years prior to the Effective Date; (iv) during the Employment Period, participation in all health and welfare, incentive, savings plans and programs, including stock option, retirement and life insurance plans, all on a basis equal to the highest level of participation received during the 90-day period prior to the Effective Date.

Upon an Executive s death, the Change of Control Agreement will automatically terminate. The Employer may terminate the Change of Control Agreements for an Executive, after having established that Executive s disability and giving that Executive required notice. Following a Change of Control, an Executive may terminate the Change of Control Agreement for any reason on 30-day s written notice. The Employer may terminate the Change of Control Agreement for cause.

The Employer is required to make certain payments to the Executives upon termination of the Change of Control Agreements. If a Change of Control Agreement is terminated for death or disability, the Executive will receive those payments that have accrued under the Change of Control Agreements to the date of death, including full base salary, annual prorated bonus and deferred compensation, and any other amounts owed under the Employer s employee benefit plans then in effect. If a Change of Control Agreement is terminated for cause or is voluntarily terminated by the Executive, the Executive will also receive those payments that have accrued under the Change of Control Agreement to the date of termination other than the prorated bonus.

If the Change of Control Agreement is terminated by the Employer, other than for cause, the Employer must pay to the Executive in a lump sum in cash the aggregate of the following amounts: (i) the Executive s base salary through the date of termination; (ii) a cash amount equal to 2.99 times the sum of: (a) the Executive s average annual base salary, as defined (based on the average of the five most recent taxable years); (b) the higher of the (x) annual bonus earned by the Executive for the last fiscal year, or (y) the higher of the annual bonus earned by the Executive for the fiscal year of the Employer including the Effective Date or the last fiscal year of the Employer ended before the Effective Date; and (c) the present value, calculated using an 8% discount rate, of the annual cost to the Employer of obtaining life insurance coverage and benefit plans for the Executive and certain other fringe benefits, all of such amounts being subject to proration based on the number of months remaining in the Employment Period; (iii) a cash amount equal to the difference between (x) the maximum payments the Executive would have received under any long-term incentive compensation or performance plan of the Employer for the remainder of the Employment Period if he had continued in the employ of the Employer for the remainder of the Employment Period, and (y) any amounts actually paid under any such plan with respect to such awards; (iv) a cash amount equal to the present value of the incremental retirement benefits that would have been payable or available to the Executive had the Executive continued in the Employer s employ for the remainder of the Employment Period; and (v) a cash amount equal to any deferred compensation and any other amounts owing to the Executive under the then applicable employee benefit plans. Any amount paid or payable under (ii)(a), (ii)(b) or (iv) above is reduced by any amount paid to the Executive under Bancshares severance procedures and guidelines or any agreement related thereto.

With respect to any stock options or restricted stock held by the Executive, upon the earlier of the merger of the Employer with and into another corporation following a Change of Control or six months after termination of the Change of Control Agreement, the Executive will be paid an amount equal to the sum of (i) the product of (a) the excess of (x) the greater of (I) the highest price offered for a share of common stock of Bancshares in conjunction with any tender offer or during the 60-day period immediately preceding the date of the Change of

Table of Contents

Control, if the Change of Control occurs other than pursuant to a tender offer or (II) the then fair market value of such a share of common stock over (y) the exercise price of any stock option held by the Executive on the date of the Change of Control times (b) the number of shares of common stock subject to such options and (ii) the product of (a) the excess of (x) the amount determined under sub-clause (i)(a) above over (y) the amount, if any, paid to acquire any shares of restricted common stock held by the Executive at the date of the Change of Control times (b) the number of such shares of restricted stock. If the Executive otherwise receives the value of any such stock option or restricted stock under the general provisions of any such award or any generally applicable provisions of any plan under which such options or restricted stock are issued, the number of shares of common stock take into account above is appropriately reduced.

Board Compensation Committee Report on Executive Compensation

The Compensation Committee (the Committee) considers compensation for executive officers of Bancshares and certain officers of the Bank and makes recommendation for approval by Bancshares Board of Directors.

The Committee designs executive compensation packages to attract and retain key executive officers and to maintain a competitive compensation package in comparison with banks and other financial institutions and business organizations of comparable size and complexity to Bancshares. Bancshares executive compensation program is comprised of three elements:

annual base salary;

annual bonus awards; and

stock compensation awards

Base Salaries. In determining the level of base salary for executive officers, the Committee evaluates a number of factors, including the span of control of each executive as well as the managerial and leadership skills and qualities possessed by the officer, the financial performance of Bancshares and its subsidiaries, including enhancement of value to stockholders, and related business matters such as community involvement and business relationships of the executive officer. In addition, the Committee avails itself of salary surveys prepared by external organizations for comparison purposes. There is no specific weighing of factors or objective formula by which the Committee applies these factors.

Qualitative Factors. In examining the personal skills and qualities of an executive officer, the Committee evaluates the executive officer's administrative, managerial, planning and leadership skills, including vision and motivation, implementation and other leadership qualities.

Financial Factors. In examining the financial performance of Bancshares and its subsidiaries, the Committee specifically examines, among other things, the amount of revenue and net income generated by Bancshares and its subsidiaries, earnings per share, the increase or decrease in total assets of Bancshares, appreciation in Bancshares stock price, if any, and other increases in shareholder value, the growth rate of Bancshares and its subsidiaries, and how such indicators compare to those of other comparable financial institutions.

Related Business Factors. The Committee also analyzes related business indicators such as an executive officer's relationship with other businesses on a local, national and international level, an executive officer's community involvement, the public image and reputation projected by the executive officer, the executive officer's communication skills, and the executive officer's relationship with stockholders, employees and government regulators.

Bonus Awards. In determining bonus payments, the Committee generally follows a bonus compensation program which focuses on specific performance measurements and achievement of strategic and tactical goals. Selected officers in addition to Mr. Migita and Mr. Lim received bonuses commensurate with their level of goal attainment.

Stock Compensation Awards. The CB Bancshares, Inc. Stock Compensation Plan was initially approved in 1995 to provide awards of stock option grants to executive officers and other key employees. The Stock Compensation Plan is designed to align the interests of executive officers with those of Bancshares' stockholders and reward the executive for creating shareholder value. Stock awards may be granted to key executives and other key employees who are in a position to make a substantial contribution to the long-term success of Bancshares. The Committee administers the Stock Compensation Plan and reviews recommendations of the executive officers which in turn are recommended to the Bancshares Board of Directors based on the experience, achievements and anticipated future contributions to Bancshares of employees reviewed by the Committee. Stock compensation awards are not automatically granted every year.

Chief Executive Officer Compensation. The Compensation Committee followed the same general compensation policy described above for all executives to determine Mr. Migita's 2001 compensation. Mr. Migita's annual base salary increased from \$250,020 in 2000 to \$256,894 in 2001. Additionally, based on the attainment of financial and operational objectives, the Committee awarded him a discretionary bonus of \$250,000 and a stock option of 16,500 shares.

Deductibility of Executive Compensation. In 1993, the United States Congress enacted Section 162(m) of the United States Internal Revenue Code of 1986, as amended, effective for taxable year commencing on January 1, 1994. This legislation generally limits Bancshares' executive compensation deduction to \$1,000,000 per year per executive for certain compensation paid to its Chief Executive Officer and the four highest compensated executives (other than the CEO) named in the proxy statement. The Committee has determined Bancshares and its subsidiaries will not pay any amounts in the fiscal year ended December 31, 2001 to any executive officer that would result in a loss of federal income tax deduction under Section 162(m). Accordingly, the Committee has not recommended that any special actions be taken or that any plans or programs be revised at this time. The Committee intends to study Section 162(m) and its effects on Bancshares' executive compensation program with respect to future compensation.

Compensation of Directors

From July 2000, each person (other than employees of Bancshares and its subsidiaries who do not receive any retainer) who served as a director of Bancshares or the Bank Boards of Directors received an annual retainer of \$10,000 for serving on each of the Boards. Each member of the Board of Directors of Bancshares and the Bank received a fee of \$500 per Board meeting attended and \$500 per standing committee meeting attended. Each chairman of a standing committee of the Boards of Directors of Bancshares and the Bank also received an annual retainer of (i) \$2,500 for the Audit Committee; (ii) \$1,500 for the Compensation Committee; (iii) \$2,500 for the Executive Committee; (iv) \$1,000 for the Nominating Committee; and (v) \$3,500 for the Senior Loan Committee. The Chairman of the Board of Bancshares received an annual retainer of \$175,000. Employees of Bancshares and its subsidiaries received no meeting fees for any Board of Director or committee meetings attended.

In 1996, the Bancshares Board of Directors adopted a director's compensation policy which included continued payment of retainer and meeting fees equivalent to those described above, but capped the number of meeting fees for which a Board member would be paid annually to 18 (subject to the occurrence of extraordinary events such as acquisition proposals or a shareholder election contest). A similar cap on meeting fees was instituted for committee meetings.

Directors Deferred Plan

Bancshares maintains a Directors Deferred Compensation Plan (the "DCP") which each director may elect to defer all or a portion no less than a ratable 50% of the annual retainer fees and meeting fees. Distribution will be made in a single lump sum within ten years following termination, or in equal annual installments over a period of years, not to exceed ten. Under the DCP, deferred amounts may be credited to either a regular account or a company stock account. The amount allocated to the regular account is treated as if such amount were ratable credited each plan year with interest in an amount equal to the interest rate payable on a City Bank one year certificate of deposit issued as of the first day of the plan year. The amount allocated to the company stock account is treated as if such amount were invested in shares of Bancshares Common Stock.

Director Stock Option Plan

Bancshares maintains a Director Stock Option Plan under which each director of Bancshares and the Bank, who is not an employee, receives an annual grant of options to acquire restricted stock at a price equal to the fair market value of Bancshares stock at the date of grant. A director who is not an employee of Bancshares or the Bank receives an annual option for 1,000 restricted shares (not to exceed annual option for 1,000 restricted shares to any one director).

Committees of the Board

The Audit, Compensation and Nominating Committees of Bancshares' Board of Directors committees are currently comprised of the following members:

Audit Committee:

Calvin K.Y. Say, Chairman
 Kenneth N. Sumimoto, Vice-Chairman
 Donald J. Andres
 George Matsuda
 Colbert M. Matsumoto
 Lionel Y. Tokioka

Compensation Committee:

Colbert M. Matsumoto, Chairman

 Duane K. Kurisu
 Lionel Y. Tokioka
 Dwight L. Yoshimura

Nominating Committee:

Dwight L. Yoshimura, Chairman
 Calvin K.Y. Say, Vice-Chairman
 Ronald K. Migita
 Yoshiki Takada

The Audit Committee met six times during 2001. The Audit Committee responsibilities include recommending to the Board the engagement and discharge of independent auditors of the financial statements of Bancshares, reviewing the professional service provided by independent auditors, reviewing the independence of independent auditors, reviewing with the auditors the plan and results of the auditing engagement, considering the

Table of Contents

range of audit and non-audit fees, reviewing the adequacy of the system of internal accounting controls, reviewing the results of procedures for internal auditing and consulting with the internal auditor with respect to all aspects of the internal auditing program. The Board of Directors has determined that the Audit Committee Members are able to read and understand the fundamental financial statements, and that at least one member of the Audit Committee has past employment experience in finance or accounting. The Audit Committee's Report appears below.

The Nominating Committee solicits recommendations for prospective directors, reviews such nominees and presents to the Board proposed candidates for the office of director of Bancshares and its subsidiaries. The Board then proposes the slate of directors for submittal to the stockholders at the annual meetings of Bancshares and its subsidiaries. The Nominating Committee accepts recommendations from security holders that are timely submitted. The Nominating Committee met one time in 2001. To be eligible for election as a director, written request that a person's name be placed in nomination together with the written consent of such nominee to serve as director must be received by the Secretary from a stockholder of record who is entitled to notice of and to vote at any annual or special meeting of stockholders not less than thirty (30) days before the date fixed for such meeting.

The Compensation Committee is charged with recommending to the entire Board the compensation to be paid to officers and key employees of Bancshares and the Bank and the compensation of members of the Board of Directors. The Compensation Committee also makes recommendations to the entire board regarding the grant of stock options and restricted stock awards. The Compensation Committee met three times during the fiscal year ended December 31, 2001. The Compensation Committee's Report on Executive Compensation for the fiscal year ended December 31, 2001 appears on page 13 of this Proxy Statement.

The Board of Directors met seven times during the fiscal year ended December 31, 2001. Each Director attended, in person or by telephone, at least 75% of the meetings held by the Board of Directors and by the committees on which the Director served.

Audit Committee Report

The Audit Committee members, except for Lionel Y. Tokioka, are independent, as defined in Rule 4200(a)(14) of the National Association of Securities Dealer's listing standards. Mr. Tokioka is not independent as defined in that rule solely because he received consulting compensation from Bancshares in excess of \$60,000 during the previous fiscal year. The Board of Directors nonetheless has determined, in compliance with NASD/AMEX Rule 4310(c)(26)(B)(ii), to continue Mr. Tokioka's membership on the Audit Committee because of the extent of his knowledge and experience in financial and business matters. The Board of Directors determined that Mr. Tokioka's membership on the Audit Committee is required by the best interests of Bancshares and its stockholders, and that his relationship with Bancshares does not in any way impair his independence from Bancshares' management.

The Board of Directors has adopted a written charter for the Audit Committee. A copy of the charter was attached to the Proxy Statement for the 2001 Annual Stockholders Meeting.

The Audit Committee is responsible for providing independent, objective oversight of Bancshares' accounting and system of internal controls, the quality and integrity of Bancshares' financial reports, and the independence and performance of Bancshares' independent auditors. Management is responsible for Bancshares' internal controls and the financial reporting process. KPMG LLP, certified public accountant, as Bancshares' independent auditor and accountant, is responsible for performing an independent audit of Bancshares' financial statements in accordance with generally accepted auditing standards and issuing a report on those financial statements. The Audit Committee monitors and oversees those processes.

In connection with these responsibilities, the Audit Committee has reviewed and discussed Bancshares' audited financial statements for the year ended December 31, 2001 with management and KPMG LLP, and the matters required to be discussed by Statement on Accounting Standards No. 61 (Communication with Audit Committees). Those standards include, among other things: (i) methods used to account for significant unusual transactions; (ii) the effect of significant accounting policies in controversial or emerging areas for which there is

Table of Contents

a lack of authoritative guidance or consensus; (iii) the process used by management in formulating particularly sensitive accounting estimates and the basis for the independent auditors' conclusions regarding the reasonableness of those estimates; and (iv) disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements.

The Audit Committee believes strongly in the principles underlying the requirement that independent auditors maintain their independence in strict compliance with applicable independence rules. The Audit Committee has received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee has discussed with KPMG LLP its independence from Bancshares in connection with its audit of Bancshares' most recent financial statements. The Audit Committee also has discussed with management of Bancshares and KPMG LLP such other matters and received such assurances from management, as the Audit Committee deemed appropriate.

Based on that review and the various discussions noted above, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in Bancshares' Annual Report on Form 10-K for the year ended December 31, 2001, to be filed with the United States Securities and Exchange Commission (SEC). The Board of Directors has appointed KPMG LLP as Bancshares' independent auditor for the fiscal year ending December 31, 2002.

Aggregate fees that the Company has incurred for audit and non-audit services provided by KPMG LLP for fiscal year ended 12/31/01 were:

Audit Fees	\$ 177,000
Financial Information System Design & Implementation Fees	\$
All Other Fees	\$ 293,400

Audit fees include only fees that are customary under generally accepted auditing services and are the aggregate fees Bancshares will incur for professional services rendered in connection with the audit of Bancshares' financial statements included in Bancshares' Annual Report on Form 10-K for Fiscal Year 2001, as well as for the review of Bancshares' financial statements included in Bancshares' Quarterly Reports on Form 10-Q during Fiscal Year 2001.

Financial Information Systems Design and Implementation Fees would include any information system or local area network services. KPMG LLP did not perform any financial information technology services for Bancshares during the fiscal year ended December 31, 2001.

All other fees represent the aggregate fees billed for services rendered by KPMG LLP other than those services covered above, including other non-audit services for tax services of \$225,500 and audit related fees for pension audits and loan review of \$67,900.

In accordance with the SEC's auditor independence requirements, the Audit Committee has considered whether the KPMG LLP's provision of non-audit services to Bancshares is compatible with maintaining the independence of the auditors. The Audit Committee believes the foregoing expenditures are compatible with maintaining the independence of KPMG LLP as Bancshares' principal independent auditor and accountant.

This Audit Committee Report shall not be deemed to be incorporated by reference in any document previously or subsequently filed with the SEC that incorporated by reference all or any portion of this Proxy Statement, except to the extent that Bancshares specifically requests that this Audit Committee Report be specifically incorporated by reference. The information in this Audit Committee Report shall not be deemed to be soliciting material, or be filed with the SEC or subject to Regulation 14A or 14C or to liabilities of Section 18 of the Securities Act.

Indebtedness of Management

Certain directors and executive officers of Bancshares and its subsidiaries, and companies with which such directors and executive officers are associated, were customers of, and had banking transactions with the Bank in the ordinary course of the Bank's business during 2001. Such loans totaled \$8.6 million at December 31, 2001. All loans and commitments to lend included in such transactions were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and, in the opinion of the management of the Bank, did not involve more than a normal risk of collectibility or present other unfavorable features.

Stockholder Approval of Amendment to the CB Bancshares, Inc. Directors Stock Option Plan

Bancshares' Board of Directors (by action of its Executive Committee) has approved, and recommends that stockholders approve, an amendment to the CB Bancshares, Inc. Directors Stock Option Plan ("Plan") increasing the number of shares available for grant thereunder by the amount of 50,000 shares. Substantially all of the currently available shares under the Plan have been granted and additional shares are needed to continue to provide the incentives under the Plan. Set forth below is a summary of the Plan.

The purpose of the Plan is to advance the interests of Bancshares by encouraging and enabling eligible members of the Board of Directors of Bancshares and the Bank and their participating subsidiaries to acquire and retain throughout each member's tenure as a director an ownership interest in Bancshares Common Stock. The Plan was effective as of April 29, 1999 and continues for a term of ten years, unless sooner terminated under the provisions of the Plan.

The maximum aggregate number of shares of Bancshares Common Stock which may be issued under the Plan was 50,000 (subject to adjustment for 10% stock dividend in 2001) and by this amendment will be increased by 50,000 shares. The shares of Common Stock to be issued upon exercise of an option may be authorized but unissued shares or reacquired shares. If any of the options expire or terminate for any reason before they are exercised in full, the unpurchased shares subject to those expired or terminated options will cease to reduce the numbers of shares available for purposes of the Plan. Adjustments will be made to the number of shares subject to the Plan in connection with any change in Bancshares outstanding Common Stock resulting from a merger, consolidation, reorganization, recapitalization, stock dividend, stock split, or certain other corporate changes.

Any director entitled to compensation for service as a director from Bancshares, the Bank (and before its merger into the Bank, ISL), or a subsidiary of Bancshares or the Bank that is designated by the Compensation Committee and that adopts the Plan, is eligible to receive options according to the terms of the Plan. However, a director who is also a salaried officer or employee of Bancshares, the Bank, or any of their subsidiaries is not eligible to receive options. The Compensation Committee, as its sole discretion, may grant a nonqualified stock option for the purchase of shares of Common Stock to any eligible director at such times and in such amounts as the Committee may determine.

Each option will expire ten years from the date on which the option is granted. The exercise price for option shares will be the fair market value of the shares at the time the option is granted, defined as the closing price for the Common Stock as of the date the option is granted. If an optionee ceases to serve as a director for any reason other than death or disability, his or her option will expire within three months following his or her termination or, if earlier, the date on which the option would otherwise expire under its terms. If an optionee dies or becomes disabled while serving as a director, the option will expire one year from the date of death or disability or, if earlier, the date on which the option would otherwise expire under its terms. The options granted may not be sold, pledged, assigned, or transferred in any manner (except, in certain circumstances, to a revocable

Table of Contents

trust under which the director is both trustee and beneficiary) otherwise than by will or the laws of descent or distribution and shall not be subject to execution, attachment, or similar process.

The shares of Common Stock purchased upon exercise of options granted under the Plan will be restricted shares. If during the Restriction Period the holder of restricted shares so acquired ceases to be a director for any reason other than certain events that cause a lapse of restrictions, the holder will be required to sell those shares to Bancshares at the price paid for the shares. Further, at the request of the holder and the consent of the Compensation Committee, the restricted shares may also be sold by the holder to Bancshares for their purchase price during the Restriction Period. The Restriction Period is the period that commences on the date the restricted shares are issued and ends on the later of the expiration of the director's current or future consecutive term(s) as a director. During the Restriction Period, the shares may not be sold, pledged, assigned, or transferred in any manner (except, in certain circumstances, to a revocable trust of which the director is both trustee and beneficiary) and shall not be subject to execution, attachment, or similar process. The Restriction Period will not expire (and no redemption of the shares will occur) if a person ceases to be a director of Bancshares, the Bank, or their participating subsidiaries, but continues to serve as a director of one of such entities. The restrictions will lapse upon the earlier of expiration of the Restriction Period, the death or disability of the director, the occurrence of a Change of Control of Bancshares (as defined in the same manner as provided under the Change of Control Agreements discussed herein), the removal of a director from office by stockholders without cause, or the termination of service of a director with the approval of the Board of Directors. Holders of restricted shares will have during the Restriction Period all of the rights of Bancshares stockholders, including the right to vote and the right to receive any dividends.

The Plan is administered by the Compensation Committee, which maintains the sole authority: (i) to construe and interpret the Plan; (ii) to define its terms; (iii) to determine, to the extent not provided by the Plan, the terms and conditions of options and restricted option shares; and (iv) to make all other determinations and do all other things necessary or advisable for the administration of the Plan.

Subject to certain limitations and conditions, the Board of Directors may at any time, without approval of Bancshares' shareholders, terminate or suspend the Plan or amend or revise its terms, including the form of the option agreement to be used thereunder. However, in the case of any amendment or termination which adversely affects an option granted to or restricted share purchased by a director, such amendment or termination may not be made without the director's consent.

Certain Tax Aspects of the Plan

The grant or exercise of a nonqualified stock option to a director under the Plan will not at such time result in income to the director for federal income tax purposes. After receipt of restricted shares due to the exercise of an option, the director will generally recognize taxable ordinary income at the time the shares cease to be subject to restrictions under the Plan, equal to the excess of the fair market value of the shares at such time over the amount paid for the shares.

However, within 30 days after the date the restricted shares are transferred, the director may elect under Section 83(b) of the Internal Revenue Code to recognize taxable ordinary income at the time of the transfer in the amount equal to the excess of the fair market value (determined without regard to the restrictions) of the shares at such time over the amount paid for the shares. If an election is made, no additional income will be recognized upon lapse of restrictions on the shares, but, if the shares are subsequently redeemed, the holder may not deduct the income that was recognized at the time of receipt of the shares. The holding period for the shares will begin at the time the taxable income is recognized under these rules, and the tax basis of the shares will be that amount of income so recognized plus the amount paid for the shares. Any dividends received on the restricted shares will be taxable compensation income when received.

Bancshares will generally be entitled to a deduction at the same time and in the same amount as the director recognizes ordinary compensatory income.

Table of Contents

Vote Required

Approval of the amendment to the Plan requires the affirmative vote of a majority of Bancshares' Common Stock outstanding on the record date. Shares represented by executed proxy cards will be voted for this proposal unless otherwise specified on the proxy card.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934 requires Bancshares' officers and directors, and persons who own more than ten percent of a registered class of Bancshares equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Officers, directors and beneficial owners of more than ten percent of Bancshares' Common Stock are required by the SEC regulation to furnish Bancshares with copies of all Section 16(a) forms they file.

Based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to the registrant pursuant to Rule 16(a)-3(e) during its most recent fiscal year, Bancshares is not aware that any director, officer, or beneficial owner of more than 10% of its common shares failed to file on a timely basis reports required by Section 16(a) of the Exchange Act during the most recent fiscal year or prior fiscal years, except as set forth below.

Ton Finance B.V. ("Ton") did not timely file a Form 3 when it became a 10% shareholder in September 1999, due to a reduction in the number of outstanding shares as a result of Bancshares' stock repurchases. Ton also did not timely file a Form 4 reporting the acquisition of 110,000 additional shares of common stock of Bancshares in October 2001. Finally, Ton did not timely file a Form 5 for 1999, 2000 and 2001.
