**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On July 2, 2007 Agilysys, Inc. and its wholly-owned subsidiary, Agilysys NJ, Inc. (the Company), completed the acquisition of Innovative System Design, Inc. (Innovative), pursuant to the Agreement and Plan of Merger between the Company and Innovative dated May 25, 2007 (the Agreement). The acquisition price was \$100 million in cash, subject to a working capital adjustment. If the Closing Working Capital, as defined in the Agreement, is less than the Working Capital Target, as defined in the Agreement, the former stockholders of Innovative will pay the Company the amount of such shortfall. For a period of 18 months following the closing, \$7.5 million of the purchase price will be held in escrow, and such amount may be used to pay any working capital adjustment due to the Company or to cover certain indemnification payments which the former stockholders of Innovative may be required to make to the Company. If the Closing Working Capital is greater than the Working Capital Target, the Company will pay the former stockholders of Innovative the amount of such excess.

In addition to the \$100 million purchase price, the Company will pay an earn-out of two dollars for every dollar of earnings before interest, taxes, depreciation, and amortization, or EBITDA, greater than \$50 million in cumulative EBITDA over the first two years after consummation of the acquisition. The earn-out will be limited to a maximum payout of \$90 million.

There are no material relationships between the Company or its affiliates and Innovative other than in respect of the Agreement.

This brief description of the Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of the Agreement, which was filed with the Securities and Exchange Commission on Form 8-K on June 1, 2007.

The financial statement and pro forma financial information required by Item 9.01 is not included in this Form 8-K. The Company will provide the required financial statement and pro forma financial information in an amendment to this Form 8-K within the allowable timeframe.
