State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q, N-SAR or the transition report or portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

The Company is unable to file its Annual Report on Form 10-KSB for the fiscal year ended June 30, 2006 (the "Form 10-KSB") by the September 28, 2006 deadline, as the Company needs additional time to complete the presentation of its financial information to be included therein. The Company is currently preparing restated financial statements for inclusion in amendments to its Annual Report for the year ended June 30, 2005 and its Quarterly Reports for the interim periods ended March 31, 2006, December 31, 2005 and September 30, 2005. The Company anticipates completing this process in time to finalize and include such financial information in the Form 10-KSB within fifteen days of the September 28, 2006 deadline.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

The Company anticipates that there will be a significant change in the results of operations for the fiscal year ended June 30, 2006 compared with the fiscal year ended June 30, 2005 primarily due to the Company's acquisitions of eight software companies in the period July 1, 2005 through June 30, 2006. The Company estimates that its consolidated results of operations, taking into account the restatement of its financial results for the fiscal year ended June 30, 2005, will show the following:

	<u>Year Ended June</u> <u>30, 2006</u>	<u>Year Ended June</u> <u>30, 2005</u>
