The Company entered into an agreement on September 21, 2009, that by its terms was effective September 16th, 2009, with Tenix Holding Inc., a Delaware corporation ("Tenix"). The Company owed \$360,000, plus accrued interest, to Tenix as the remaining balance under the Company's obligation to Tenix originating from the Company's acquisition of StarTrak Systems, LLC in 2006. The Company and Tenix agreed that the remaining balance and accrued interest shall be retired by the Company issuing 1,000,000 shares of its Class A Common Stock to Tenix in payment thereof. The agreement also requires the Company to issue up to an additional 150,000 shares of the Company's Class A Common Stock to Tenix if the weighted average closing price of such stock for the period from October 1, 2009 through November 30, 2009 is less than \$0.45 per share. (The actual weighted average closing price of such stock for such period was \$0.47 therefore no additional shares shall be issued to Tenix under the agreement.)

The issuance of the shares to Tenix is exempt from registration pursuant to Section 4(2) of the Securities Act of 1933 because it did not involve a public offering.
