**PROXY STATEMENT FOR THE
2003 ANNUAL MEETING OF STOCKHOLDERS**

GENERAL INFORMATION

The Board of Directors of Altiris, Inc., a Delaware corporation, is soliciting the enclosed proxy from you. The proxy will be used at our 2003 Annual Meeting of Stockholders to be held at our executive offices located at 588 West 400 South, Lindon, Utah at 2:00 p.m. on Tuesday, May 6, 2003 or any adjournment thereof.

This Proxy Statement contains important information regarding our 2003 Annual Meeting. Specifically, it identifies the proposals on which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

We use several abbreviations in this Proxy Statement. We may refer to our company as *Altiris* or the *Company*. The term *proxy materials* includes this Proxy Statement, as well as the enclosed proxy card and our Annual Report on Form 10-K for the year ended December 31, 2002. The term *2003 Annual Meeting* means our 2003 Annual Meeting of Stockholders.

We are sending these proxy materials on or about April 2, 2003 to all of our stockholders of record on Friday, March 21, 2003 (the *Record Date*). Only stockholders who owned Common Stock, par value \$0.0001 per share, of Altiris (*Common Stock*), at the close of business on the Record Date are entitled to notice of and to vote at the 2003 Annual Meeting or any adjournment thereof. On the Record Date, we had 20,482,865 shares of our Common Stock issued and outstanding, which does not include 258,064 shares of our Class B non-voting common stock.

QUESTIONS AND ANSWERS CONCERNING SOLICITATION AND VOTING

When and where is the 2003 Annual Meeting? The 2003 Annual Meeting of Stockholders of Altiris, Inc. will be held at our executive offices located at 588 West 400 South, Lindon, Utah at 2:00 p.m. on Tuesday, May 6, 2003.

You are receiving these proxy materials from us because you owned shares of Altiris Common Stock on the Record Date. This Proxy Statement describes issues on which we would like you, as a stockholder of record, to vote. It also gives you information on these issues so that you can

Edgar Filing: ALTIRIS INC - Form DEF 14A

make an informed decision. The proxy card is used for voting.

What is the effect of signing and returning my proxy card? When you sign and return the proxy card, you appoint Stephen C. Erickson (our Chief Financial Officer) and Craig H. Christensen (our Secretary) as your representatives, or proxies, at the 2003 Annual Meeting. Messrs. Erickson and Christensen will vote your shares at the 2003 Annual Meeting as you have instructed them on the proxy card.

In this way, your shares will be voted whether or not you attend the 2003 Annual Meeting. Even if you plan to attend the 2003 Annual Meeting, it is a good idea to complete, sign and return your proxy card, just in case your plans change. You can always vote in person at

Table of Contents

the 2003 Annual Meeting, even if you have already sent in your proxy card. If an issue comes up for a vote at the meeting that is not described in this Proxy Statement, Messrs. Erickson and Christensen will vote your shares, under your proxy, in their discretion.

If you do not indicate on the proxy card how you want your votes cast, the proxy holders (as your representatives) will vote your shares **FOR** Gregory S. Butterfield and Gary B. Filler to serve as Class I directors on our Board of Directors and **FOR** ratification of the appointment of KPMG LLP as our independent accountants for the current fiscal year.

What am I voting on?

You are being asked to vote on (i) the election of two nominees to serve as Class I directors on our Board of Directors and (ii) the ratification and appointment of our independent accountants for the fiscal year ending on December 31, 2003. These proposals are described more fully below in these proxy materials. As of the date of this Proxy Statement, the only business that our Board of Directors intends to present or knows of that others will present at the 2003 Annual Meeting is as set forth in this Proxy Statement. If any other matter or matters are properly brought before the 2003 Annual Meeting, it is the intention of the persons holding proxies to vote the shares they represent in accordance with their best judgment.

The vote required and method of calculation for the proposals to be considered at the 2003 Annual Meeting are as follows:

Proposal One Election of Directors. The two nominees receiving the highest number of votes, in person or by proxy, will be elected to serve as Class I directors. You may vote either **FOR** or **WITHHOLD** your vote for the director nominees.

Proposal Two Ratification of KPMG LLP as Independent Accountants. The ratification of KPMG LLP as our independent accountants will require the affirmative vote of a majority of the shares present at the 2003 Annual Meeting, in person or by proxy. You may vote **FOR**, **AGAINST** or **ABSTAIN** from voting on this proposal.

How do I vote?

As a stockholder of record, you have the right to vote on certain business matters affecting Altiris. Each share of Altiris Common Stock you own entitles you to one vote on the proposals presented in these proxy materials. As described below, you can vote by returning the enclosed proxy card in the envelope provided, as instructed on the proxy card, or by attending the 2003 Annual Meeting. Please see detailed instructions on the proxy card.

1. *Mail in your completed, signed and dated proxy card.* If you return a signed proxy card (according to the enclosed instructions), you are enabling our Chief Financial Officer and our Secretary, who are named on the proxy card as proxy holders, to vote your shares at the 2003 Annual Meeting in the manner you indicate on the proxy card.

Table of Contents

If you return a signed proxy card but you do not provide voting instructions on the card, your shares will be voted **FOR** Gregory S. Butterfield and Gary B. Filler to serve as Class I directors on our Board of Directors and **FOR** ratification of the appointment of KPMG LLP as our independent accountants for the current fiscal year.

OR

2. *Vote in person by attending the 2003 Annual Meeting.* If you attend the 2003 Annual Meeting and wish to vote in person, we will provide you with a ballot at the 2003 Annual Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the 2003 Annual Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in your name, but if you wish to vote in person at the 2003 Annual Meeting, you must bring with you to the meeting a legal proxy from your broker or other nominee authorizing you to vote those shares.

For shares of Common Stock that are registered in the name of the stockholder directly with EquiServe Trust Company, N.A., you may vote in person or by returning the enclosed proxy card.

For shares of Common Stock that are beneficially owned by a stockholder and held in *street name* through a brokerage (if such stockholder's shares are registered in the name of a brokerage), your broker has the discretion to vote such shares on *routine matters* (such as election of directors), as more specifically described below. Alternatively, your broker may provide the opportunity for you to vote your shares by way of the proxy card or electronically over the Internet or by telephone. A large number of banks and brokerage firms are participating in an investor communications online program, which provides eligible stockholders who receive a paper copy of our proxy materials the opportunity to vote by way of the Internet or by telephone. If your bank or brokerage firm is participating in an online program, you should refer to the enclosed voter instruction form. If your voting form does not reference Internet or telephone information, please complete and return the paper proxy card in the self-addressed, postage paid envelope provided.

Any stockholders eligible to vote via the Internet through an online program should understand that there may be costs associated with Internet access, such as usage charges from Internet access providers and telephone companies, that must be borne by the stockholder.

What does it mean if I receive more than one proxy card? It means that you have multiple accounts at the transfer agent and/or with stock brokers. Please vote each account by signing and returning all proxy cards (or by telephone or via the Internet if you are eligible under an online program described above) to ensure that all your shares are voted.

Table of Contents

What if I change my vote (i.e., what if I wish to revoke my proxy)?	You may revoke your proxy (<i>i.e.</i>, cancel it) and change your vote at any time prior to the voting at the 2003 Annual Meeting. In order to do this, you may either: sign and return another proxy bearing a later date (only your latest vote will be counted); vote on a later date by telephone or by using the Internet if you are eligible to vote through an investor communications online program (only your latest telephone or Internet vote will be counted); provide written notice of the revocation to our Secretary, prior to the time we take the vote at the 2003 Annual Meeting; or attend the 2003 Annual Meeting and vote in person.
Will my shares be voted if I do not sign and return my proxy card?	If your shares are held in street name, your brokerage firm may either vote your shares on <i>routine matters</i> (such as election of directors) or leave your shares unvoted. Your brokerage firm may not vote on <i>non-routine matters</i> such as a proposal submitted by a stockholder. We encourage you to provide instructions to your brokerage firm by completing the proxy that they send to you. This enables your shares to be voted at the 2003 Annual Meeting as you direct.
Record Date	Our Board of Directors has set Friday, March 21, 2003, as the Record Date.
How many shares can be voted at the 2003 Annual Meeting?	As of the Record Date, 20,482,865 shares of Altiris Common Stock were outstanding, which does not include 258,064 shares of Altiris Class B non-voting common stock. Each outstanding share of Altiris Common Stock entitles the holder to one vote on all matters covered in these proxy materials. Accordingly, there are a maximum of 20,482,865 votes that may be cast at the 2003 Annual Meeting.
What is a quorum?	A quorum is the number of shares that must be present, in person or by proxy, in order to hold the 2003 Annual Meeting and to conduct business. The required quorum for the 2003 Annual Meeting is a majority of the shares entitled to vote outstanding on the Record Date. Your shares will be counted as being present at the 2003 Annual Meeting if you appear in person at the meeting or if you submit a properly executed proxy card. All completed and signed proxy cards, whether representing a vote <i>FOR</i>, <i>AGAINST</i>, <i>WITHHELD</i> or <i>ABSTAINED</i> or a broker non-vote, will be counted toward the quorum requirement.
What is the required vote for each proposal to pass?	The votes cast on a particular proposal include votes <i>FOR</i>, <i>AGAINST</i>, <i>WITHHELD</i> and <i>ABSTAINED</i>, but do not include broker non-votes (discussed below). The election of directors by the stockholders shall be determined by a <i>plurality</i> of the votes cast by stockholders entitled to vote. For the other proposal set forth in these proxy materials, the required vote is the affirmative (<i>i.e.</i>, <i>FOR</i>) vote of a majority of the votes cast at the 2003 Annual Meeting.

Table of Contents

What is a broker non-vote ?

Under the rules that govern brokers who have record ownership of shares that are held in *street name* for their clients, who are the beneficial owners of the shares, brokers have the discretion to vote such shares on *routine matters* (such as election of directors), but not on *non-routine matters* (such as stockholder proposals). Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares *FOR* routine matters but expressly instructing that the broker is *NOT* voting on non-routine matters. A *broker non-vote* occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine.

How are broker non-votes counted?

Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will not be counted for the purpose of determining the number of votes cast *FOR* or *AGAINST* a particular proposal on which the broker has expressly not voted. Your broker will have discretionary authority to vote your shares on each of the proposals that are routine matters.

How are abstentions counted?

If you return a proxy card that indicates an abstention from voting in all matters, the shares represented will be counted for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than the election of directors), but they will not be voted on any matter at the 2003 Annual Meeting. In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote *AGAINST* a proposal.

Who is soliciting my vote?

We, on behalf of our Board of Directors, are soliciting your vote. In addition to this solicitation by mail, proxies may be solicited by members of our Board of Directors, our officers and other employees by telephone, Internet or facsimile, in person or otherwise. Such person will not receive any additional compensation for assisting in the solicitation. We will also request brokerage firms, nominees, custodians and fiduciaries to forward the proxy materials to the beneficial owners.

Costs of Proxy Solicitation

We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing and mailing of the proxy materials. We estimate that our total expenditures in furtherance of, or in connection with, this proxy solicitation will be \$17,500. We expect a representative of EquiServe Trust Company, N.A., our Transfer Agent, to tabulate the proxies and act as inspector of election at the 2003 Annual Meeting.

Table of Contents

Deadline for Receipt of Stockholder Proposals As a stockholder, you may be entitled to present proposals for action at a forthcoming meeting if you comply with the requirements of the proxy rules established by the Securities and Exchange Commission. In order to be considered for inclusion in the proxy materials for the 2004 Annual Meeting of Stockholders, stockholder proposals must be received by our Secretary no later than December 4, 2003, and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended.

In addition, our Bylaws establish an advance notice procedure with regard to business brought before an annual meeting of stockholders, including stockholder proposals not included in our proxy statement for any such meeting. For nominations or other business to be properly brought before the 2004 Annual Meeting by a stockholder, such stockholder must provide written notice delivered to our Secretary 60 days prior to the anniversary of the mailing of these proxy materials (*i.e.*, April 2, 2003), which notice must contain specified information concerning the matters to be brought before such meeting and concerning the stockholder proposing such matters. In the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 days from the date contemplated at the time of the previous year's proxy statement, for notice by the stockholder to be timely it must be received a reasonable time before we begin to print and mail its proxy materials.

The attached Proxy grants the proxy holders discretionary authority to vote on any matter raised at the 2003 Annual Meeting. If such a stockholder fails to comply with the foregoing notice provisions, proxy holders will be allowed to use their discretionary voting authority should the stockholder proposal come before the 2003 Annual Meeting.

A copy of the full text of the Bylaw provisions governing the notice requirements described above may be obtained, without charge, by writing to our Secretary. All notices of proposals and nominations by stockholders should be sent to Altiris, Inc., 588 West 400 South, Lindon, Utah 84042, *Attention: Corporate Secretary*.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

PROPOSAL ONE

ELECTION OF DIRECTORS

Our Board of Directors is currently comprised of seven members. Our Amended and Restated Certificate of Incorporation provides that the directors shall be divided into three classes designated as Class I, Class II and Class III, respectively, with the classes of directors serving for staggered three-year terms. We have two Class I directors, Gregory S. Butterfield and Gary B. Filler, whose terms currently expire as of the date of the 2003 Annual Meeting. We have two Class II directors, Michael J. Levinthal and Darcy G. Mott, and three Class III directors, Jay C. Hoag, V. Eric Roach and Ralph J. Yarro. Our Class II and Class III directors will serve until our annual meetings of stockholders to be held in 2004 and 2005, respectively, and until their respective successors are duly elected and qualified or until their earlier death, resignation or removal. Any additional directorships resulting from an increase in the number of directors will be apportioned among the three classes so as to maintain the number of directors in each class as nearly equal as possible.

Nominees

Two Class I directors are to be elected at the 2003 Annual Meeting for a three-year term ending in 2006. Our Board of Directors has nominated Gregory S. Butterfield and Gary B. Filler for re-election as Class I directors. If elected, Messrs. Butterfield and Filler will hold office as Class I directors until our annual meeting of stockholders held in 2006, and until their successors are elected and qualified or until their earlier death, resignation or removal.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for election of Messrs. Butterfield and Filler as Class I directors. In the event Messrs. Butterfield or Filler are unable or decline to serve as a director at the time of the 2003 Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. We are not aware that either nominee will be unable or will decline to serve as a director. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as to assure the election of Messrs. Butterfield and Filler.

Vote Required and Recommendation of the Board of Directors

If a quorum is present and voting at the 2003 Annual Meeting, the two nominees receiving the highest number of *FOR* votes will be elected to serve as Class I directors. Board of Directors and Meetings Held During the Last Fiscal Year

Our Board of Directors consists of seven directors and maintains two standing committees: an Audit Committee and a Compensation Committee. We do not currently have a nominating committee or a committee performing the functions of a nominating committee. Our Board of Directors as a whole and the Compensation Committee together performed the functions of the compensation committee during the fiscal year ended December 31, 2002 (the **Last Fiscal Year**). Our Board of Directors held nine meetings during the Last Fiscal Year.

Audit Committee. The Audit Committee of our Board of Directors consists of Messrs. Filler (Chairman), Levinthal and Roach. The Board of Directors has determined that all of the members of the Audit Committee are independent for purposes of the NASD's rules for Nasdaq-listed companies. During the Last Fiscal Year, the Audit Committee held three meetings. The Audit Committee reviews our auditing, accounting, financial reporting and internal control functions and makes recommendations to our Board of Directors for the selection of independent accountants. In addition, the Audit Committee monitors the quality of our accounting principles and financial reporting, as well as the independence of and the non-audit services provided by our independent accountants. For additional information concerning the Audit Committee, see **REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS**.

Compensation Committee. The Compensation Committee of our Board of Directors consists of Messrs. Roach (Chairman), Hoag and Mott. During the Last Fiscal Year, the Compensation Committee held one meeting. The Compensation Committee determines, approves and reports to the Board of Directors on all elements of compensation for our executive officers, including salaries, bonuses, stock options, benefits and other compensation arrangements. The Compensation Committee has the authority to make grants under and otherwise administer our equity compensation plans. For additional information concerning the Compensation Committee, see **EXECUTIVE COMPENSATION AND OTHER MATTERS Compensation Committee Interlocks and Insider Participation** and **REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**.

During the Last Fiscal Year, except for Mr. Roach, who was unable to attend one of the meetings held by the Audit Committee, each director attended at least 75% of the meetings of the Board of Directors held during

the period he served as director and the total number of meetings held by the committees of the Board of Directors during the period that he served on any such committees of the Board of Directors.

The Board of Directors was active in corporate governance initiatives the Last Fiscal Year. The Audit Committee thoroughly revised its charter in light of the recent passage of the Sarbanes-Oxley Act of 2002 and corporate governance proposals of Nasdaq. This revised charter was approved by the Board of Directors. The charters of the Audit Committee and the Compensation Committee are attached to this proxy statement as *Appendices A and B*. These committee charters are also available for review on our Internet website, <http://www.altiris.com>.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

Our Board of Directors has selected KPMG LLP, independent accountants, to audit our financial statements for the fiscal year ending December 31, 2003. KPMG LLP served as our independent auditors for the year ended December 31, 2002. We expect that a representative of KPMG LLP will be present at the 2003 Annual Meeting, will have the opportunity to make a statement if he or she desires to do so and will be available to answer any appropriate questions from stockholders of record.

Audit Fees

Audit fees billed to Altiris by KPMG LLP totaled \$291,000 for the audit of our consolidated annual financial statements for the Last Fiscal Year included in our Annual Report on Form 10-K and review of the financial statements included in our quarterly reports on Form 10-Q.

Financial Information Systems Design and Implementation Fees

We did not engage KPMG LLP to provide advice to us regarding financial information systems design and implementation during the fiscal year ended December 31, 2002.

All Other Fees

In compliance with Section 202 of the Sarbanes-Oxley Act of 2002, the Audit Committee has preapproved the continuing provision of certain non-audit services of KPMG LLP. Such services include tax and tax-related services. Additionally, the Audit Committee has delegated the authority to grant pre-approvals required by Section 202 of the Sarbanes-Oxley Act of 2002 to Gary B. Filler, who is the Chairman of the Audit Committee and an independent director.

Fees billed to us by KPMG LLP during the Last Fiscal Year for all other services totaled \$525,000, which includes \$135,000 for tax related services and \$360,000 for audit related services in connection with our initial public offering. Before selecting KPMG LLP, the Audit Committee of our Board of Directors carefully considered KPMG LLP's qualifications as independent accountants. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, any issues raised by the most recent quality control review of the firm, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee's review also included matters to be considered under the Rules of Auditor Independence of the Securities and Exchange Commission, including the nature and extent of non-audit services, to ensure that the accountants' independence will not be impaired. The Audit Committee expressed its satisfaction with KPMG LLP in all of these respects. The Audit Committee has determined that the provision of services by KPMG LLP other than for audit related services is compatible with maintaining the independence of KPMG LLP as our independent accountants.

Changes in Registrant's Certifying Accountant

The Audit Committee of our Board of Directors considers and recommends to our Board of Directors the selection of our independent public accountants. On April 5, 2002, our Board of Directors, in consultation with the Audit Committee, decided to terminate our relationship with Arthur Andersen LLP, or Andersen, as our independent public accountants, and authorized management, in consultation with our Audit Committee, to select another public accounting firm to replace Andersen. On April 6, 2002, we engaged KPMG LLP to serve as our independent public accountants for 2002, which engagement was ratified by our Board of Directors on April 23, 2002. In addition, KPMG LLP has audited our consolidated financial statements for the years ended December 31, 1999, 2000 and 2001.

Table of Contents

Andersen's reports on our consolidated financial statements for the two years prior to their termination did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the two preceding years and interim period through the date of Andersen's termination, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved, would have caused Andersen to make reference to the subject matter in connection with their report on our consolidated financial statements for such years.

We provided Andersen with a copy of the foregoing disclosures. Attached as Exhibit 16.1 to the Registration Statement on Form S-1 (File No. 333-83352), which the Securities and Exchange Commission declared effective on May 22, 2002, is a copy of Andersen's letter, dated May 2, 2002, stating its agreement with such statements.

During the two preceding years and interim period through the date of Andersen's termination, we did not consult with KPMG LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Vote Required and Board of Directors' Recommendation

Stockholder ratification of the selection of KPMG LLP as our independent accountants is not required by our Bylaws or other applicable legal requirement. However, our Board of Directors is submitting the selection of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board of Directors at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our best interests and in the best interests of our stockholders.

The affirmative vote of the holders of a majority of the shares of our Common Stock present or represented and voting at the 2003 Annual Meeting will be required to approve this proposal. **Our Board of Directors has unanimously approved this proposal and recommends that stockholders vote FOR the ratification of the selection of KPMG LLP as independent accountants.**

Table of Contents**Grants of Stock Options**

The following table summarizes the stock options granted to each Named Executive Officer during the Last Fiscal Year, including the potential realizable value over the 10-year term of the options, which is based on assumed rates of stock appreciation of 5% and 10%, compounded annually and subtracting from that result the aggregate option exercise price. These assumed rates of appreciation comply with the rules of the Securities and Exchange Commission and do not represent our estimate or projection of future stock price of our Common Stock. Actual gains, if any, on stock option exercises are dependent on the future performance of our Common Stock, overall market conditions and the option holder's continued employment through the vesting period.

During the Last Fiscal Year, we granted options to purchase up to an aggregate of 814,140 shares to employees. All options were granted under our 2002 Stock Plan at exercise prices equal to the fair market value of our Common Stock on the date of grant. Options generally vest as to 25% of the shares underlying the option at the end of each one-year period over four years.

Employment Contracts and Change-in-Control Arrangements

In August 2000, we entered into a stock option agreement with Stephen C. Erickson, our Chief Financial Officer, under our 1998 Stock Option Plan, pursuant to which we granted to him an option to acquire up to 100,000 shares of our Common Stock at a per share exercise price of \$3.00, which vests over a four-year period. In addition, the stock option agreement provides that in the event of a change in control of Altiris, 50% of the unvested options will become fully vested and exercisable upon the effective time of the change in control. Other than the stock option agreement with Mr. Erickson or as provided generally to all optionees under our 1998 Stock Option Plan and 2002 Stock Plan and participants under our 2002 Employee Stock Purchase Plan, we have no employment agreements or change-in-control arrangements with any Named Executive Officer.

Compensation of Directors

We grant each non-employee director a nonstatutory stock option under our 2002 Stock Plan to purchase 50,000 shares of common stock, which vests at a rate of 50% per year. We grant an additional option to each non-employee director to purchase 25,000 shares of Common Stock every two years after the initial grant, which vests at a rate of 50% per year. Each of these options will have an exercise price equal to the fair market

Edgar Filing: ALTIRIS INC - Form DEF 14A

value of our Common Stock on the date of grant and will have a 10-year term. In the event of a change in control, these options will become exercisable as to all of the vested shares under the options plus all shares that would have otherwise vested within one year had the directors continued to serve Altiris in that role. Our non-employee directors are paid a quarterly retainer of \$1,500 and an additional \$1,000 for attending all board meetings each quarter. In addition, committee chairpersons are paid a quarterly retainer of \$1,000. We reimburse our non-employee directors for reasonable out-of-pocket expenses incurred by them in attending board and committee meetings. On February 22, 2002, we made an initial option grant to purchase 50,000 shares of Common Stock to each of our six non-employee directors under our 2002 Stock Plan.

Compensation Committee Interlocks and Insider Participation

During the Last Fiscal Year, Messrs. Roach (Chairman), Hoag and Mott served as members of the Compensation Committee of our Board of Directors, which is responsible for determining salaries, incentives and other forms of compensation for directors, officers and other employees. Mr. Butterfield, our chief executive officer, participates in all discussions and decisions regarding salaries and incentive compensation for all

Table of Contents

employees and consultants. He is excluded, however, from discussions regarding his own salary and incentive compensation. No interlocking relationship exists between any member of the Compensation Committee and any member of any other company's board of directors or compensation committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than 10% of our Common Stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the National Association of Securities Dealers, Inc. Executive officers, directors and greater than 10% stockholders are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms that we have received, or written representations from reporting persons, we believe that during the fiscal year ending December 31, 2002, all executive officers, directors and greater than 10% stockholders complied with all applicable filing requirements.

Certain Relationships and Related Party Transactions

The Canopy Group, Inc. In May 2000, Canopy converted \$9.0 million of debt and accrued interest into 2,000,000 shares of our preferred stock. We had a \$5.0 million line of credit arrangement with Canopy under which we had borrowed \$3.1 million as of December 31, 2001 that was repaid in full and cancelled in February 2002. Borrowings under the arrangement carried interest at the prime rate as published by The Wall Street Journal. In connection with the \$5.0 million line of credit arrangement, we issued warrants to purchase 272,728 shares of common stock at \$5.50 per share. This warrant was exercised in February 2002 for proceeds of \$1.5 million. Canopy has also guaranteed \$1.3 million of our capital lease obligations.

We participated in a 401(k) retirement plan, or 401(k) Plan, administered by Canopy, which covered all salaried and hourly employees who met certain requirements. We contributed \$0.3 million in 2001 to the 401(k) Plan. In February 2002, we no longer qualified under ERISA guidelines to participate in the 401(k) Plan and have established a comparable 401(k) plan for our employees. In addition, we obtain our health insurance coverage through Canopy. During 2001 and 2002, respectively, we paid \$93,000 and \$0 to Canopy for insurance premium, which payment Canopy passed on to the insurance carriers.

We also lease office space, furniture and equipment from Canopy at our headquarters location in Lindon, Utah. We have a five-year lease that started January 1, 2002 and expires December 31, 2006 with monthly payments of \$95,000. We believe the terms of these arrangements are at least as favorable as the terms we could obtain from unaffiliated third parties in similar arrangements based on our knowledge of market terms for leases of comparable facilities in our geographic area. Prior to this lease arrangement, we leased office facilities from Canopy on a month to month basis under which we paid \$0.8 million in 2001.

CEW Utah. In 2002, we paid approximately \$20,000 to CEW Utah, or CEW, a Utah corporation and software reseller owned solely by Dwain Kinghorn, our Chief Technology Officer and a Named Executive Officer, for purchases of third party software. We believe the terms of this arrangement with CEW are at least as favorable as the terms we could obtain from unaffiliated third party resellers under similar circumstances. In addition, CEW was paid approximately \$80,000 for sales of our software products to third party customers. The pricing and other terms offered to CEW to resell our products are no more favorable than the terms we offer to unaffiliated resellers under similar circumstances.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Notwithstanding any statement to the contrary in any of our previous or future filings with the Securities and Exchange Commission, this report of the Audit Committee of the Board of Directors shall not be deemed filed with the Commission or soliciting material under the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference into any such filings.

The Audit Committee, which currently consists of Gary B. Filler (Chairman), Michael J. Levinthal and V. Eric Roach, evaluates audit performance, manages relations with our independent accountants and evaluates policies and procedures relating to internal accounting functions and controls. The Board of Directors has adopted a written charter for the Audit Committee, which details the responsibilities of the Audit Committee and is attached hereto as *Appendix A*. This report relates to the activities undertaken by the Audit Committee in fulfilling such responsibilities.

On July 30, 2002, the Sarbanes-Oxley Act was signed into law. On July 19, 2002 and October 18, 2002, the committee met with representatives of management, legal counsel and our independent accountants to further understand the provisions of the Sarbanes-Oxley Act. We also reviewed processes that already are in place as well as those that will be implemented to comply with the requirements of the Sarbanes-Oxley Act as they become effective.

The members of the Audit Committee are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent accountants. The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Our management has the primary responsibility for the financial statements and reporting process, including our systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2002. This review included a discussion of the quality and the acceptability of our financial reporting and controls, including the clarity of disclosures in the financial statements.

The Audit Committee also reviewed with our independent accountants, who are responsible for expressing an opinion on the conformity of our audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of our financial reporting and such other matters required to be discussed with the Audit Committee under generally accepted auditing standards in the United States including Statement on Auditing Standards No. 61. The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Statement No. 1. The Audit Committee discussed with the independent accountants their independence from management and Altiris, including the matters in their written disclosures required by Independence Standards Board Statement No. 1.

The Audit Committee further discussed with our independent accountants the overall scope and plans for their audits. The Audit Committee meets periodically with the independent accountants, with and without management present, to discuss the results of the independent accountants' examinations and evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2002 for filing with the Securities and Exchange Commission.

**REPORT OF THE COMPENSATION COMMITTEE OF
THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

Notwithstanding any statement to the contrary in any of our previous or future filings with the Securities and Exchange Commission, this Report of the Board of Directors on Compensation shall not be deemed filed with the Commission or soliciting material under the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference into any such filings.

During fiscal 2002, executive compensation matters were addressed by the Board of Directors as a whole. The Compensation Committee of the Board of Directors held its first meeting in October 2002 and has been delegated the authority and duty to review and make recommendations to the Board of Directors regarding compensation policies and forms of compensation to be provided to the executive officers and directors of the Company. The following is the report of the Compensation Committee of the Board of Directors with respect to executive compensation during fiscal 2002.

Compensation Philosophy

The Compensation Committee operates under a written charter adopted by the Board of Directors in February, 2002, which is attached hereto as *Appendix B*. The primary objectives of the executive compensation policies of the Compensation Committee include the following:

To attract, motivate, and retain a highly qualified executive management team;

To link executive compensation to their personal performance, Altiris' financial performance and their contribution to that performance;

To compensate competitively with the practices of similarly situated technology companies; and

To create management incentives designed to enhance stockholder value.

Altiris competes in an aggressive and dynamic industry and, as a result, the Compensation Committee believes that finding, motivating, and retaining quality employees, particularly senior managers, sales personnel and technical personnel are important factors to Altiris' future success. The compensation philosophy of the Compensation Committee seeks to align the interests of stockholders and management by tying compensation to Altiris' financial performance, either directly in the form of salary and bonuses paid in cash or indirectly in the form of stock options and in certain instances restricted stock granted to Altiris' principal executive officers.

Cash Compensation

Edgar Filing: ALTIRIS INC - Form DEF 14A

Base Salary. The base salaries for the executive officers in 2002 were established based on personal performance and internal comparability considerations. Base salaries are reviewed on an annual basis and annual increases will be determined on an individual basis based on the foregoing considerations and a more specific review of the officer's performance and contribution to various individual, departmental and corporate objectives.

Executive Bonus Plan. For 2002, a cash bonus was awarded to an executive officer based on personal performance. Beginning in 2003, the executive officers may earn cash bonuses on the basis of Altiris' financial performance, various marketing and other strategic considerations, and performance of personal objectives established between the executive officer and the chief executive officer (CEO) or, in the case of the CEO, between the CEO and the Compensation Committee.

Beginning in 2003, the salaries and cash bonuses of each of Altiris' executive officers, other than the chief executive officer, will be determined by the Compensation Committee upon the recommendation of the CEO. The CEO's base salary is determined by the Compensation Committee.

Table of Contents

We note that competition for qualified management and technical personnel in Altiris' industry is intense and we expect such competition to remain intense for the foreseeable future. As a result, in order to insure access to qualified personnel, the Compensation Committee believes that it will be necessary to provide executive salaries and cash bonuses that are at least competitive with compensation paid by other similarly situated software companies.

Equity-based Compensation

Altiris provides long term incentives through its 2002 stock plan. Prior to Altiris' May 2002 initial public offering, Altiris provided long-term incentives through its 1998 stock option plan. Stock options are periodically granted under the 2002 stock plan to provide additional incentive to executives and other employees to maximize long-term total return to our stockholders. Stock options are a particularly strong incentive because they are valuable to employees only if the fair market value of our common stock increases above the exercise price, which is set at the fair market value of our common stock on the date the option is granted. In addition, employees must remain employed with us for a fixed period of time in order for the options to vest fully. Options generally vest over a four year period to encourage option holders to remain employed by us.

All of the options granted to our executive officers in fiscal 2002 were approved by the full Board of Directors. With respect to the size of the options granted to Altiris' executive officers, the Board of Directors has considered the executive's position with Altiris, the executive's individual performance, the number of options held, if any, and the extent to which those options are vested, and any other factors that the Board of Directors may deem relevant.

Compensation for the Chief Executive Officer

Gregory S. Butterfield has served as Altiris' chief executive officer since February 2000. Mr. Butterfield's annual salary for fiscal 2002 was \$204,000. In the future, Mr. Butterfield may earn cash bonuses on the basis of Altiris' financial performance, various marketing and other strategic considerations, and performance of personal objectives established between Mr. Butterfield and the Compensation Committee.

It is the opinion of the Compensation Committee that these executive compensation policies and plans provide for a reasonable and balanced remuneration program that focuses on the relationship of corporate performance to executive compensation and enables Altiris to find, motivate and retain the quality executives necessary for Altiris' future success.
