Executive Committee

The Executive Committee is comprised of Paul Goldberg and Bruce M. Goldberg. During 2005, the Executive Committee did not meet formally, however, its members spoke on nearly a daily basis in connection with the operations of the Company. The Executive Committee possesses substantially all of the powers of the Board and acts as the Board between Board meetings.

Audit Committee

The Audit Committee is currently comprised of Howard M. Pinsley, Robin L. Crandell and Michael W. Forman, all independent directors of the Company. Mr. Pinsley and Mr. Crandell have served on the Audit Committee since 2002 and Mr. Forman became a member in 2003. It reviews the independence of the Company's registered

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form 10-K/A

independent public accounting firm and is responsible for, among other matters, authorizing or approving the engagement of the registered independent public accounting firm for both audit services and permitted non-auditing services, the scope of audit and non-audit assignments, related fees, the accounting principles used in financial reporting, internal financial accounting procedures, the adequacy of the internal control procedures, critical accounting policies, the overall quality of the Company's financial reporting, and reviewing and approving in advance, if appropriate, any proposed related party transactions. The Audit Committee has established procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and for the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters or other Company-related matters. The procedures for submission and investigation of communications regarding accounting and auditing matters and other Company-related matters are posted on our web site, www.allamerican.com. This document is also available in print upon written request. Such written request should be sent to the Company, Attention: Chief Financial Officer, at the Company's address stated hereinabove. The Board has determined that Mr. Pinsley, who as noted above is independent as that term is used in Item 7(d) (3) (iv) of Schedule 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), is an audit committee financial expert as defined in Item 401(h) (2) of Regulation S-K.

Compensation Committee

The Compensation Committee currently consists of Howard M. Pinsley and Robin L. Crandell, two independent directors of the Company. The Compensation Committee is responsible for determining the compensation of all executive officers of the Company and acts as the stock option committee of the Board, administering the Company's Employees', Officers', Directors' Stock Option Plan, as previously amended and restated (the "Option Plan"). The senior management of the Company makes all decisions with respect to the compensation (other than the granting of stock options) of all employees other than the executive officers of the Company.

Nominating Committee

The Nominating Committee is currently comprised of Howard M. Pinsley and Robin L. Crandell, both independent directors of the Company. The Nominating Committee operates under a written charter approved by the Board and consistent with such charter will evaluate and propose nominees for the Board considering the minimum qualifications required of Board members as set forth in the charter. A copy of the Nominating Committee charter is available on the Company's web site, www.allamerican.com.

3

Recommendation of Nominees

Since the date of the Company's proxy statement for its 2005 annual meeting of stockholders, there has not been any material change to the procedures by which security holders recommend nominees to the Board.

Employees', Officers', Directors' Stock Option Plan

In 1987, the Company established an Employees', Officers', Directors' Stock Option Plan (as previously amended and restated, the "Option Plan"). Subsequent thereto certain amendments to and a restatement of the Option Plan have been adopted by the Board and approved by the shareholders of the Company. The Option Plan may be further modified or amended by the Board, but certain modifications and amendments are subject to approval by the Company's shareholders. The Option Plan provides for the granting to key employees of both "incentive stock options," within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") and "nonqualified stock options" ("nonqualified stock options" are options which do not comply with Section 422 of the Code) and for the granting to nonemployee directors and independent contractors associated with the Company of nonqualified stock options. Unless earlier terminated, the Option Plan will continue in effect through September 6, 2015, after which it

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form 10-K/A

will expire and no further options could thereafter be granted under the Option Plan. The expiration of the Option Plan, or its termination by the Board, will not affect any options previously granted and then outstanding under the Option Plan. Such outstanding options would remain in effect until they have been exercised, terminated or have expired. A maximum of 1,350,000 shares of the Company's Common Stock have been reserved for issuance upon the exercise of options granted under the Option Plan, subject to any adjustments required upon changes in capitalization to prevent dilution or enlargement of the shares issuable pursuant to the Option Plan by reason of any stock split, stock dividend, combination of shares, recapitalization or other change in the capital structure of the Company.

The Option Plan is administered by the Compensation Committee comprised of two or more independent directors appointed by the Board from among its members. Any member of the Compensation Committee may be removed at any time either with or without cause by action of the Board and a vacancy on the Compensation Committee due to any reason can be filled by the Board. The current members of the Compensation Committee are two of the independent directors of the Company, Howard M. Pinsley and Robin L. Crandell. Subject to the express limitations of the Option Plan, the Compensation Committee has authority, in its discretion, to interpret the Option Plan, to adopt, prescribe, amend and rescind rules and regulations as it deems appropriate concerning the holding of its meetings and administration of the Option Plan, to determine and recommend persons to whom options should be granted, the date of each option grant, the number of shares of Common Stock to be included in each option, any vesting schedule, the option price and term (which in no event will be for a period more than ten years from the date of grant) and the form and content of agreements evidencing options to be issued under the Option Plan.

Options may be currently granted under the Option Plan to any key employee or nonemployee director or prospective key employee or nonemployee director (conditioned upon, and effective not earlier than, his or her becoming an employee or director) of or independent contractor associated with the Company or its subsidiaries. However, as required by the Code, nonemployee directors and independent contractors are only eligible to receive nonqualified stock options. In determining key employees to whom options will be granted, the Compensation Committee takes into consideration the key employee's present and potential contribution to the success and growth of the Company's business and other such factors as the Compensation Committee may deem proper or relevant in its discretion including whether such person performs important job functions or makes important decisions for the Company, as well as the judgment, initiative, leadership and continued efforts of eligible participants. Employees who are also officers or directors of the Company or its subsidiaries will not by reason of such offices be ineligible to receive options. However, no member of the Compensation Committee is eligible to receive options under the Option Plan and it is currently contemplated that nonemployee directors would be granted options under the Director Stock Option Plan described below and not the Option Plan. The Compensation Committee has not adopted formal eligibility limitation criteria. Therefore, quantification of the current number of employees, nonemployee directors and independent contractors that would technically be eligible for participation is not currently readily determinable.

The exercise price for all options granted under the Option Plan shall not be less than the fair market value of the Company's Common Stock on the date of grant (or, in the case of incentive stock options, 110% of the fair market value if the beneficiary of the grant beneficially owns 10% or more of the outstanding shares of the Company's Common Stock). For purposes of the Option Plan, fair market value on the date of grant of

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form 10-K/A

any option is the average of the "market price" of a share of Common Stock for each of the seven (7) consecutive business days preceding such date. The "market price" on each such day shall be (i) if the Common Stock is listed on a securities exchange (including The Nasdaq Stock Market), the closing sales price on such exchange on such day or, in the absence of reported sales on such day, the mean between the reported closing bid and asked prices on such exchange on such day, or (ii) if the Common Stock is not listed on a securities exchange (including The Nasdaq Stock Market), the mean between the closing bid and asked prices as quoted by the National Association of Securities Dealers, Inc. through the National Association of Securities Dealers Automated Quotation System ("NASDAQ") for such day; provided, however, that, if there are no such quotations or if it is determined that the fair market value is not properly reflected by such NASDAQ quotations or the Common Stock is not traded on an exchange or over the counter, fair market value shall be determined by such other method as the Compensation Committee determines to be reasonable. Notwithstanding the foregoing, if on, or within ten (10) days prior to, the date of grant of any options a registration statement filed by the Company with the SEC in connection with a public offering of Common Stock becomes effective, the fair market value of a share of such Common Stock shall be the public offering price per share of Common Stock being offered pursuant to such offering.

Except as may be specifically limited by the terms of the Option Plan, the granting of options is made at the sole discretion of the Compensation Committee. Further, the aggregate fair market value of the Company's Common Stock (determined at the date of the option grant) for which an employee may be granted incentive stock options which first become exercisable in any calendar year under the Option Plan may not exceed \$100,000. Options granted pursuant to the Option Plan are not transferable during an optionee's lifetime.

The term of and any vesting schedule (whether the option will be exercisable immediately, in stages or otherwise, or the vesting will be based upon any condition such as the operating performance of the Company or other events such as a change in control) for an option granted under the Option Plan is established by the Compensation Committee, but the term may not be more than ten years from the date of grant of the option, except that, in the case of a person receiving an incentive stock option who at such time owns the Company's Common Stock representing more than 10% of the Company's Common Stock outstanding at the time the option is granted, the term of such incentive stock option shall not exceed five years from the date of grant of the option. In general, options will not be exercisable after the expiration of their term. Furthermore, the Compensation Committee has the authority and discretion to determine the time frame in which an optionee has to exercise his options (subject to the ten-year limitation from date of grant) in the event of his termination of employment due to death, disability, termination without cause, retirement, voluntarily leaving the Company or a change in control.

As of December 31, 2005, a total of 725,071 options were granted and had not expired or been forfeited, of which 317,551 were exercised and 407,520 options were outstanding (of which 224,723 options were held by executive officers of the Company as a group and 122,970 options were exercisable). These options, which were held by 121 persons, were exercisable at prices ranging from \$1.92 per share to \$13.018 per share and were exercisable through various expiration dates from 2006 to 2009.

2000 Nonemployee Director Stock Option Plan

In June 2000, the Company established the 2000 Nonemployee Director Stock Option Plan, as amended (the "Director Stock Option Plan"). The Director Stock Option Plan provides for awards of options to purchase shares of Common Stock of the Company to nonemployee directors of the Company. Under the Director Stock Option Plan, on or about the day of each nonemployee director's initial election to the Company's Board, each nonemployee director will be awarded nonqualified stock

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form 10-K/A

options to purchase at least 1,500 shares of the Company's Common Stock, but not to exceed a maximum of 15,000 shares, at the fair market value of the Company's Common Stock on the date on which the option is granted. The Board will determine the number of options to be granted to a nonemployee director upon his or her initial election as it deems necessary or advisable and in the best interests of the Company in order to attract and obtain outstanding and highly qualified candidates to serve on the Company's Board. On the date of the Company's annual meeting of shareholders occurring later than 12 months after a nonemployee director's initial election, the Director Stock Option Plan provides such nonemployee director (subject to his or her re-election if up for re-election at such annual meeting) will be automatically awarded additional

8

options to purchase 1,000 shares of Common Stock at the fair market value of the Company's Common Stock on the date on which the option is granted. An aggregate of 75,000 shares of the Company's Common Stock has been reserved for issuance under the Director Stock Option Plan.

As of December 31, 2005, a total of 21,000 options were granted and had not expired or been forfeited, of which 750 were exercised, 20,250 options were outstanding and 14,250 were exercisable. These options, which were held by 4 persons, had exercise prices ranging from \$1.96 per share to \$10.53 per share (based on fair market value at date of grant) and vest in 50% annual increments over a two-year period and were exercisable over a ten-year period. Under certain circumstances, including death, permanent disability, retirement or a change in control, vesting is accelerated and the options become fully exercisable.

Registration Statements

The Company has filed registration statements on Form S-8 with the SEC in order to register all of the shares of Common Stock issuable under the Company's two option plans before taking into account the additional 250,000 shares of Common Stock issuable pursuant to an amendment to the Option Plan that was approved at the Company's 2005 annual meeting of stockholders. So long as such registration statements remain effective under the Securities Act of 1933, as amended (the "Act"), shares of Common Stock (other than such additional 250,000 shares) issued upon the exercise of outstanding options under the option plans will be immediately and freely tradable without restriction under the Act, subject to applicable volume limitations, if any, under Rule 144 and, in the case of executive officers and directors of the Company, Section 16 of the Exchange Act. It is contemplated that the Company will, at the appropriate time, file an additional registration statement on Form S-8 in order to register the additional 250,000 shares of Common Stock issuable pursuant to the amendment to the Option Plan that was approved at the Company's 2005 annual meeting of stockholders.

Deferred Compensation Plans for Executive Officers and Key Employees

Effective January 1, 1988, the Company established a deferred compensation plan (the "1988 Deferred Compensation Plan") for executive officers and key employees of the Company. The employees eligible to participate in the 1988 Deferred Compensation Plan (the "Participants") are chosen at the sole discretion of the Board, upon a recommendation from the Compensation Committee. In 2003 the 1988 Deferred Compensation Plan was amended to allow a Participant to elect to receive a lump sum benefit, providing such Participant has attained at least the age of 65 and has at such time 25 or more years of service with the Company. Pursuant to the 1988 Deferred Compensation Plan, commencing on a Participant's retirement date, he or she will receive an annuity for ten years, unless he or she has elected to receive a lump sum benefit as described above. The amount of

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form 10-K/A

the annuity shall be computed at 30% of the Participant's salary, as defined. Any Participant with less than ten years of service to the Company as of his or her retirement date will only receive a pro rata portion of the annuity. Retirement benefits paid under the 1988 Deferred Compensation Plan will be distributed monthly. The Company did not pay any benefits under this plan for 2005. The maximum annuity benefit payable to a Participant (including each of the named executive officers) under the 1988 Deferred Compensation Plan is presently \$30,000 per annum.

During 1996, the Company established a second deferred compensation plan (the "1996 Deferred Compensation Plan") for executives of the Company. The executives eligible to participate in the 1996 Deferred Compensation Plan are chosen at the sole discretion of the Board upon a recommendation from the Compensation Committee. The Company may make contributions each year in its sole discretion and is under no obligation to make a contribution in any given year. For 2005 the Company did not make any contributions to the plan. Participants in the plan will vest in their plan benefits over a ten-year period. If the participant's employment terminates due to death, disability or a change in control of management, he or she will vest 100% in all benefits under the plan. Retirement benefits will be paid, as selected by the participant, based on the sum of the contributions made and any additions based on investment gains. One executive officer (John Jablansky) of the Company has been chosen as a participant in the 1996 Deferred Compensation Plan.

401(k) Plan

The Company maintains a 401(k) plan (the 401(k) Plan), which is intended to qualify under Section 401(k) of the Internal Revenue Code. All full-time employees of the Company are eligible to participate in the 401(k) Plan after completing 90 days of employment. During 2005, each eligible employee could elect to contribute to the 401(k) Plan, through payroll deductions, up to 100% of his or her salary, limited to \$15,000 in 2005. The Company's 401(k) Plan provides for discretionary matching contributions by the Company. During 2001 and in prior years, the Company's 401(k) Plan provided for standard matching contributions by the Company in the amount of 25% on the first 6% contributed of each participating employee's salary. No matching contributions were made by the Company for 2005.

Employment Agreements

The Goldberg Agreements

The Company has employment agreements with each of Paul Goldberg, its Chairman of the Board, and Bruce M. Goldberg, its Chief Executive Officer and President (collectively and as amended the "Goldberg Agreements"). Effective January 1, 2000, the term of each of the Goldberg Agreements was extended until December 31, 2005, with automatic additional successive one-year renewal periods thereafter unless terminated in writing by the Company or the employee at least 60 days prior to the expiration of the then current term and subject, in the case of Paul Goldberg, to earlier termination in the event that Paul Goldberg elects to exercise his right to retire as hereinafter described. Each of the Goldberg Agreements provides for a base salary, in the case of Paul Goldberg, of \$291,167 per annum effective January 1, 2000, and, in the case of Bruce M. Goldberg, of \$391,723 per annum effective January 1, 1999, subject to an annual increase equal to the greater of 4% per annum or the increase in the cost of living. During 2001 through 2005 Bruce M. Goldberg and Paul Goldberg voluntarily agreed to reductions in the base salary that they would otherwise then have been entitled to receive. Under the Goldberg Agreements, Paul Goldberg and Bruce M. Goldberg are entitled to receive, in the case of Paul Goldberg, an annual cash

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form 10-K/A

bonus equal to 3% and, in the case of Bruce M. Goldberg, an annual cash bonus in 1999 equal to 4% and in 2000 and thereafter 5% of the Company's pre-tax income, before nonrecurring and extraordinary charges, in excess of \$1,000,000 in any calendar year. Such annual bonus compensation for each of Paul Goldberg and Bruce M. Goldberg is limited in any year to an amount no greater than two times his respective base salary for the applicable year. In addition, upon a change in control, all options granted by the Company to Paul Goldberg and Bruce M. Goldberg automatically vest.

Under the Goldberg Agreement for Paul Goldberg, as amended, he is able to elect, in his sole discretion, to retire at any time (the "Retirement Election"). Upon the earlier to occur of the Retirement Election or at the expiration of the term of his Goldberg Agreement, the Company will be obligated to pay Paul Goldberg (in addition to any other compensation he may be entitled to upon termination), and his spouse upon his death, a retirement benefit of \$100,000 per annum until the later of the death of Paul Goldberg or his spouse, provide him and his spouse, without cost, until the later of their respective deaths, at least the same level of medical and health insurance benefits as was provided prior to his retirement and continue to pay the premiums on the life insurance policy insuring his life as described under "Summary Compensation Table" hereinabove.

The Goldberg Agreements also provide certain additional benefits to each of Paul Goldberg and Bruce M. Goldberg, including participation in the Company benefit plans, use of or payment for an automobile and, in the case of Bruce M. Goldberg, continuance in the event of disability of all his respective compensation and other benefits for two years and the payment of the annual premium on the Whole Life Policy as described under "Summary Compensation Table" above.

The Goldberg Agreements, also provide that, in the event of change in control (as defined) of the Company, each of Paul Goldberg and Bruce M. Goldberg shall have the option in his sole discretion to terminate his Goldberg Agreement. In such event, Paul Goldberg would be entitled to elect (in lieu of electing to continue to receive some or all of the compensation, payments and benefits as and when due under his Goldberg Agreement) to receive a lump sum payment equal to the sum of (i) Paul Goldberg's compensation due

10

through the greater of the end of the term of his Goldberg Agreement or three years after the change in control, (ii) the present value (assuming a certain discount rate and life expectancy) of the retirement payments payable to Paul Goldberg commencing from the later of the end of the term or three years after the change in control until his death, (iii) an amount sufficient to pay, until the later of his or his spouse's death, the premium for at least the same level of health insurance benefits as was provided before the change in control and (iv) an amount sufficient to pay until his death, the premiums on the life insurance policy insuring his life as described under "Summary Compensation Table" above. Similarly, under the Goldberg Agreement for Bruce M. Goldberg, in the event of a change in control and Bruce M. Goldberg's election to terminate his Goldberg Agreement, Bruce M. Goldberg at his option will be entitled to elect to receive a lump sum payment equal to his compensation due through the later of the end of the term of his Goldberg Agreement or three years after the change in control or for such period to continue to receive such compensation as and when due under the Goldberg Agreement. The Goldberg Agreements (as well as the employment agreement for Howard L. Flanders discussed below) also provide for reimbursement of, and a gross-up for, any federal tax liability imposed pursuant to Section 4999 or Section 280G (or any successor provisions) of the Internal Revenue Code of 1986, as amended, and any similar state or local taxes, as a result of a change in control payment, consideration and/or benefit made or provided by the Company pursuant to such employment agreements.

The Flanders Agreement

Effective as of January 1, 2000, the Company entered into a new employment agreement with Howard L. Flanders, its Executive Vice President, Chief Financial Officer and Corporate Secretary (the "Flanders Agreement").

The Flanders Agreement had an initial term through December 31, 2003, with automatic additional successive one-year renewal periods thereafter unless terminated in writing by the Company or the employee at least 60 days prior to expiration of the then current term. It provides for a base salary, effective as of January 1, 2000, of \$215,000 per annum, subject to an annual increase commencing January 1, 2001, equal to the greater of 5% per annum or the increase in the cost of living. During 2001 through 2005, Howard L. Flanders voluntarily agreed to reductions in the base salary that he would otherwise then have been entitled to receive. Under the Flanders Agreement, Mr. Flanders is entitled to receive an annual cash bonus equal to 2% of the Company's pre-tax income, before nonrecurring and extraordinary charges, in excess of \$1,000,000 in any calendar year. Such annual cash bonus compensation is limited in any year to an amount no greater than the base salary for the applicable year. The Flanders Agreement also provides for certain additional benefits, including participation in the Company benefit plans, use of or payment for an automobile and continuance of all his compensation and other benefits for two years in the event of disability. Further, if Mr. Flanders were to be terminated without cause (which includes requiring employee to perform duties not commensurate with his offices or which differ materially from duties that presently exist or, after a change in control, changing the location where employee is based), he is entitled to receive severance benefits equal to the greater of two-years compensation or the remainder of the compensation due under the Flanders Agreement. Additionally, under the Flanders Agreement, the Company has paid premiums under a life insurance policy for Mr. Flanders with the beneficiary to be as designated by Mr. Flanders as described under "Summary Compensation Table" above. The Flanders Agreement also provides that, in the event of a change in control (as defined) of the Company, Mr. Flanders would have the option in his sole discretion to terminate the Flanders Agreement. In such event, and subject to remaining an employee of the Company (or its successor) for 180 days after the change in control (other than as a result of his death, disability or termination without cause), Mr. Flanders, at his option, is entitled to elect to receive a lump-sum payment equal to his compensation due through the later of the end of the term of the Flanders Agreement or two years after the change in control or for such period to continue to receive such compensation as and when due under the Flanders Agreement. In addition, upon a change in control, all options granted by the Company to Mr. Flanders automatically vest. The Flanders Agreement also contains covenants not to compete, nonsolicitation and nondisclosure provisions.

The Jablansky Agreement

On January 31, 2006, the Company entered into an employment agreement (the "Jablansky Agreement") with John Jablansky, its Senior Vice President of Operations and Asset Management and an executive officer of the Company. The Jablansky Agreement is effective as of January 1, 2006 and has an initial term through December 31, 2006, with automatic additional successive one-year renewal periods thereafter unless terminated in writing by the Company or the employee at least 60 days prior to expiration of the then current term. The Jablansky Agreement provides for a base salary, effective as of January 1, 2006, of \$200,000 per annum, subject to an annual increase for each calendar year during the term of the Jablansky Agreement after 2006 equal to the greater of 5% per annum or the annual increase in the cost of living. Mr. Jablansky is also entitled to participate in all employee benefit plans offered by the Company,

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form 10-K/A

including, without limitation, medical insurance, dental insurance, pension and/or profit sharing plans, 401(k) plans, stock option plans and cafeteria plans, as well as the 1996 Deferred Compensation Plan. Under the Jablansky Agreement, if the Company were to terminate Mr. Jablansky without Cause (as defined in the Jablansky Agreement) or if Mr. Jablansky were to become disabled, he would be entitled to receive a severance amount equal to that portion of his gross annual salary at the time of termination that would have been paid over the number of weeks equal to the product of 2 multiplied by the full number of calendar years that Mr. Jablansky had been employed by the Company. This severance amount would be paid on the basis of regularly occurring payroll payments as if Mr. Jablansky were still employed by the Company. The Jablansky Agreement also provides that, in the event that a Change in Control (as defined in the Jablansky Agreement) of the Company occurs while Mr. Jablansky is employed by the Company, and within the 60-day period prior to the date of the Change in Control or at any time during the two year period following the date of the Change in Control, Mr. Jablansky's employment is terminated by the Company without Cause or the Company elects not to renew the Jablansky Agreement or the Company requires Mr. Jablansky to relocate to an office outside of Miami-Dade County, Broward County or Palm Beach County, Florida without Mr. Jablansky's consent and as a result Mr. Jablansky resigns as an employee of the Company, (i) Mr. Jablansky would receive a severance amount equal to his then current annual salary until the later of 12 months after such termination, non-renewal or resignation or 24 months after the date of the Change in Control, with such severance amount being payable on the basis of regularly occurring payroll payments as if Mr. Jablansky were still employed by the Company, and (ii) all options granted by the Company to Mr. Jablansky would automatically vest. The Jablansky Agreement also contains covenants not to compete, nonsolicitation and nondisclosure provisions.

The Separation Agreement

On March 24, 2006, the Company entered into a separation agreement and general release (the "Separation Agreement") with Rick Gordon, who was the Company's Senior Vice President of Sales Asia and Europe and an executive officer of the Company until February 28, 2006, the effective date of his termination of employment with the Company. The Separation Agreement provides, among other things, for severance payments equal to his base salary through February 29, 2008 (\$216,300 for the period March 1, 2006 to February 28, 2007 and \$227,115 for the period from March 1, 2007 to February 29, 2008) and the cash bonus, if any is earned, for the calendar years 2006 and 2007 that Mr. Gordon would have received under his employment agreement with the Company if he had continued as an employee of the Company. In addition, Mr. Gordon will (i) be entitled to participate in the medical insurance program offered by the Company from time to time to all employees through February 29, 2008, subject to the terms set forth in the Separation Agreement, (ii) continue to have the use of a company-leased vehicle through May 6, 2008, the end of the lease term, (iii) have the right to exercise his outstanding stock options that were vested as of February 28, 2006 until May 29, 2006, and (iv) receive \$23,000 in lieu of all amounts due with respect to any deferred compensation plan. Furthermore, in the event that Mr. Gordon complies with all of the covenants not to compete and related restrictions set forth in his employment agreement with the Company, all of which covenants and restrictions survive the termination of his employment with the Company, the Company will pay an additional \$25,000 in severance. The payments and benefits to be provided to Mr. Gordon under the Separation Agreement are in full satisfaction of the substantially similar severance obligations the Company had under Mr. Gordon's employment agreement with the Company.
